### ***SEC. 111. LIMITATIONS ON PRODUCTION OF EXTENDED RANGE CANNON ARTILLERY HOWITZERS.***

*(a) LIMITATIONS.—In carrying out the acquisition of Extended Range Cannon Artillery howitzers, the Secretary of the Army shall—*

*(1) limit production of prototype Extended Range Cannon Artillery howitzers to not more than 20;*

*(2) compare the cost and value to the United States Government of a Paladin Integrated Management-modification production approach with a new-build production approach;*

*(3) include in any cost analysis or comparison—*

*(A) the monetary value of a Paladin howitzer that may be modified to produce an Extended Range Cannon Artillery howitzer; and*

*(B) the monetary value of leveraging government-owned infrastructure to facilitate the modification;*

*(4) use a full and open competitive approach using best value criteria for post-prototype production source selection; and*

1           (5) *base any production strategy and source se-*  
2           *lection decisions on a full understanding of the cost*  
3           *of production, including—*

4                   (A) *the comparison of production ap-*  
5                   *proaches described in paragraph (2); and*

6                   (B) *any cost analysis or comparison de-*  
7                   *scribed in paragraph (3).*

8           (b) *CERTIFICATION.—Before issuing a request for pro-*  
9           *posal for the post-prototype production of an Extended*  
10           *Range Cannon Artillery howitzer, the Secretary of the*  
11           *Army shall—*

12                   (1) *certify to the congressional defense commit-*  
13                   *tees that the acquisition strategy upon which the re-*  
14                   *quest for proposal is based complies with the require-*  
15                   *ments of subsection (a); and*

16                   (2) *provide to the congressional defense commit-*  
17                   *tees a briefing on that acquisition strategy and the*  
18                   *relevant cost and value comparison described in sub-*  
19                   *section (a)(2).*

20           (c) *INCLUSION OF CERTAIN INFORMATION IN BUDGET*  
21           *MATERIALS.—The Secretary of the Army shall ensure that*  
22           *the cost of procuring Paladin howitzers to be modified for*  
23           *post-prototype production of Extended Range Cannon Ar-*  
24           *tillery howitzers is included—*

1           (1) *in the materials relating to the Extended*  
2           *Range Cannon Artillery program submitted in sup-*  
3           *port of the budget of the President (as submitted to*

1           “(D) A county government or other county  
2           entity.

3           “(E) A local government or other local enti-  
4           ty.

5           “(F) An industry association, organization,  
6           or consortium that directly supports workforce  
7           development.

8           “(3) SPECIAL RULE.—In a case in which the ag-  
9           gregate amount of all monetary contributions from  
10          entities that made commitments under paragraph  
11          (1)(A) is less than the minimum amount specified for  
12          the special incentive under subsection (a)(2), funds  
13          for the special incentive may be expended in an  
14          amount equal to such lesser amount.

15          “(c) AUTHORIZED ACTIVITIES.—

16                 “(1) IN GENERAL.—Funds for a special incentive  
17                 for workforce development required under subsection  
18                 (a)(1) may be obligated or expended only to provide  
19                 for the activities described in paragraph (2) in sup-  
20                 port of the production and production support work-  
21                 force of the prime contractor concerned or a qualified  
22                 subcontractor concerned.

23                 “(2) ACTIVITIES DESCRIBED.—The activities de-  
24                 scribed in this paragraph are the following:

1           “(A) *The creation of short- and long-term*  
2           *workforce housing, transportation, and other*

1 **SEC. 124. LIMITATION ON AUTHORITY TO MODIFY CAPA-**  
2 **BILITIES AND FLEET CONFIGURATION OF E-**  
3 **6B AIRCRAFT.**

4 (a) *LIMITATION.*—Until the date on which the certifi-  
5 cation described in subsection (b) is submitted to the con-  
6 gressional defense committees, the Secretary of the Navy—

7 (1) may not retire, or prepare to retire, any E-  
8 6B aircraft;

9 (2) shall maintain the fleet of E-6B aircraft in  
10 the configuration in effect as of the date of the enact-  
11 ment of this Act; and

12 (3) shall ensure that E-6B aircraft continue to  
13 meet the operational requirements of the combatant  
14 commands that are met by such aircraft as of the date  
15 of the enactment of this Act.

16 (b) *CERTIFICATION DESCRIBED.*—The certification de-  
17 scribed in this subsection is a written certification from the  
18 Chair of the Joint Requirements Oversight Council indi-  
19 cating that the replacement capability for the E-6B air-  
20 craft—

21 (1) will be fielded at the same time or before the  
22 retirement of the first E-6B aircraft; and

23 (2) at the time such replacement capability  
24 achieves initial operational capability, will have the  
25 ability to meet the operational requirements of the

1        *combatant commands that have been, or that are ex-*  
2        *pected to be, assigned to such replacement capability.*

3        *(c) EXCEPTION.—The requirements of subsection (a)*  
4        *shall not apply to an individual E–6B aircraft otherwise*  
5        *required to be maintained by that subsection if the Sec-*  
6        *retary of the Navy determines, on a case-by-case basis, that*  
7        *such aircraft is no longer mission capable due to a mishap*  
8        *or other damage.*

9        **SEC. 125. MULTIYEAR PROCUREMENT AUTHORITY FOR**  
10        **ARLEIGH BURKE CLASS DESTROYERS.**

11        *(a) AUTHORITY FOR MULTIYEAR PROCUREMENT.—*  
12        *Subject to section 3501 of title 10, United States Code, the*  
13        *Secretary of the Navy may enter into one or more multiyear*  
14        *contracts for the procurement of up to 15 Arleigh Burke*  
15        *class Flight III guided missile destroyers.*

16        *(b) AUTHORITY FOR ADVANCE PROCUREMENT.—The*  
17        *Secretary of the Navy may enter into one or more contracts,*  
18        *beginning in fiscal year 2023, for advance procurement as-*  
19        *sociated with the destroyers for which authorization to enter*  
20        *into a multiyear procurement contract is provided under*  
21        *subsection (a), and for systems and subsystems associated*  
22        *with such destroyers in economic order quantities when cost*  
23        *savings are achievable.*

24        *(c) CONDITION FOR OUT-YEAR CONTRACT PAY-*  
25        *MENTS.—A contract entered into under subsection (a) shall*

1 *provide that any obligation of the United States to make*  
2 *a payment under the contract for a fiscal year after fiscal*  
3 *year 2023 is subject to the availability of appropriations*  
4 *or funds for that purpose for such later fiscal year.*

5 (d) *MANDATORY INCLUSION OF PRE-PRICED OPTION*  
6 *IN CERTAIN CIRCUMSTANCES.—*

7 (1) *IN GENERAL.—In the event the total base*  
8 *quantity of destroyers to be procured through all con-*  
9 *tracts entered into under subsection (a) is less than*  
10 *15, the Secretary of the Navy shall ensure that one or*  
11 *more of the contracts includes a pre-priced option for*  
12 *the procurement of additional destroyers such that the*  
13 *sum of such base quantity and the number of destroy-*  
14 *ers that may be procured through the exercise of such*  
15 *options is equal to 15 destroyers.*

16 (2) *DEFINITIONS.—In this subsection:*

17 (A) *The term “base quantity” means the*  
18 *quantity of destroyers to be procured under a*  
19 *contract entered into under subsection (a) ex-*  
20 *cluding any quantity of destroyers that may be*  
21 *procured through the exercise of an option that*  
22 *may be part of such contract.*

23 (B) *The term “pre-priced option” means a*  
24 *contract option for a contract entered into under*  
25 *subsection (a) that, if exercised, would allow the*

1           *Secretary of the Navy to procure a destroyer at*  
2           *a predetermined price specified in such contract.*

3           *(e) LIMITATION.—The Secretary of the Navy may not*  
4           *modify a contract entered into under subsection (a) if the*  
5           *modification would increase the target price of the destroyer*  
6           *by more than 10 percent above the target price specified*  
7           *in the original contract for the destroyer under subsection*  
8           *(a).*

9           **SEC. 126. PROCUREMENT AUTHORITY FOR SHIP-TO-SHORE**  
10           **CONNECTOR PROGRAM.**

11           *(a) CONTRACT AUTHORITY.—Beginning in fiscal year*  
12           *2023, the Secretary of the Navy may enter into one or more*  
13           *contracts for the procurement of up to 25 Ship-to-Shore*  
14           *Connector class craft and associated material.*

15           *(b) LIABILITY.—Any contract entered into under sub-*  
16           *section (a) shall provide that—*

17                   *(1) any obligation of the United States to make*  
18                   *a payment under the contract is subject to the avail-*  
19                   *ability of appropriations for that purpose; and*

20                   *(2) the total liability of the Federal Government*  
21                   *for termination of the contract shall be limited to the*  
22                   *total amount of funding obligated to the contract at*  
23                   *the time of termination.*

24           *(c) CERTIFICATION REQUIRED.—A contract may not*  
25           *be entered into under subsection (a) unless the Secretary*

1 *of the Navy certifies to the congressional defense committees,*  
2 *in writing, not later than 30 days before entry into the con-*  
3 *tract, each of the following, which shall be prepared by the*  
4 *milestone decision authority for the Ship-to-Shore Con-*  
5 *connector program:*

6           (1) *The use of such a contract is consistent with*  
7 *the Chief of Naval Operations' projected force struc-*  
8 *ture requirements for Ship-to-Shore Connector class*  
9 *craft.*

10           (2) *The use of such a contract will result in sig-*  
11 *nificant savings compared to the total anticipated*  
12 *costs of carrying out the program through annual*  
13 *contracts. In certifying cost savings under the pre-*  
14 *ceding sentence, the Secretary shall include a written*  
15 *explanation of—*

16                   (A) *the estimated end cost and appropriated*  
17 *funds by fiscal year, by craft, without the au-*  
18 *thority provided in subsection (a);*

19                   (B) *the estimated end cost and appro-*  
20 *priated funds by fiscal year, by craft, with the*  
21 *authority provided in subsection (a);*

22                   (C) *the estimated cost savings or increase by*  
23 *fiscal year, by craft, with the authority provided*  
24 *in subsection (a);*

1           (D) the discrete actions that will accomplish  
2           such cost savings or avoidance; and

3           (E) the contractual actions that will ensure  
4           the estimated cost savings are realized.

5           (3) There is a reasonable expectation that  
6           throughout the contemplated contract period the Sec-  
7           retary of the Navy will request funding for the con-  
8           tract at the level required to avoid contract cancella-  
9           tion.

10          (4) There is a stable design for the property to  
11          be acquired and the technical risks associated with  
12          such property are not excessive.

13          (5) The estimates of both the cost of the contract  
14          and the anticipated cost avoidance through the use of  
15          a contract authorized under subsection (a) are real-  
16          istic, including a description of the basis for such es-  
17          timates.

18          (6) The use of such a contract will promote the  
19          national security of the United States.

20          (7) During the fiscal year in which such contract  
21          is to be awarded, sufficient funds will be available to  
22          perform the contract in such fiscal year.

23          (d) *MILESTONE DECISION AUTHORITY DEFINED.*—In  
24          this section, the term “milestone decision authority” has the

1 *meaning given that term in section 4251(d) of title 10,*  
2 *United States Code.*

3 **SEC. 127. PROCUREMENT AUTHORITY FOR CH-53K HEAVY**  
4 **LIFT HELICOPTER PROGRAM.**

5 (a) *CONTRACT AUTHORITY.*—*During fiscal years 2023*  
6 *and 2024, the Secretary of the Navy may enter into one*  
7 *or more fixed-price contracts for the procurement of air-*  
8 *frames and engines in support of the CH-53K heavy lift*  
9 *helicopter program (in this section referred to as the “pro-*  
10 *gram”).*

11 (b) *LIABILITY.*—*Any contract entered into under sub-*  
12 *section (a) shall provide that—*

13 (1) *any obligation of the United States to make*  
14 *a payment under the contract is subject to the avail-*  
15 *ability of appropriations for that purpose; and*

16 (2) *the total liability of the Federal Government*  
17 *for termination of the contract shall be limited to the*  
18 *total amount of funding obligated to the contract at*  
19 *the time of termination.*

20 (c) *CERTIFICATION REQUIRED.*—*A contract may not*  
21 *be entered into under subsection (a) unless the Secretary*  
22 *of Defense certifies to the congressional defense committees,*  
23 *in writing, not later than 30 days before entry into the con-*  
24 *tract, each of the following, which shall be prepared by the*

1 *milestone decision authority (as defined in section 4251(d)*  
2 *of title 10, United States Code) for the program:*

3           (1) *The use of such a contract will result in sig-*  
4 *nificant savings compared to the total anticipated*  
5 *costs of carrying out the program through annual*  
6 *contracts. In certifying cost savings under the pre-*  
7 *ceding sentence, the Secretary shall include a written*  
8 *explanation of—*

9                   (A) *the estimated obligations and expendi-*  
10 *tures by fiscal year for the program without the*  
11 *authority provided in subsection (a);*

12                   (B) *the estimated obligations and expendi-*  
13 *tures by fiscal year for the program with the au-*  
14 *thority provided in subsection (a);*

15                   (C) *the estimated cost savings or increase by*  
16 *fiscal year for the program with the authority*  
17 *provided in subsection (a);*

18                   (D) *the discrete actions that will accomplish*  
19 *such cost savings or avoidance; and*

20                   (E) *the contractual actions that will ensure*  
21 *the estimated cost savings are realized.*

22           (2) *There is a reasonable expectation that*  
23 *throughout the contemplated contract period the Sec-*  
24 *retary of Defense will request funding for the contract*  
25 *at the level required to avoid contract cancellation.*

1           (3) *There is a stable design for the property to*  
2           *be acquired and the technical risks associated with*  
3           *such property are not excessive.*

4           (4) *The estimates of both the cost of the contract*  
5           *and the anticipated cost avoidance through the use of*  
6           *a contract authorized under subsection (a) are real-*  
7           *istic.*

8           (5) *The use of such a contract will promote the*  
9           *national security of the United States.*

10          (6) *During the fiscal year in which such contract*  
11          *is to be awarded, sufficient funds will be available to*  
12          *perform the contract in such fiscal year, and the fu-*  
13          *ture-years defense program submitted to Congress*  
14          *under section 221 of title 10, United States Code, for*  
15          *such fiscal year will include the funding required to*  
16          *execute the program without cancellation.*

17 **SEC. 128. PROCUREMENT AUTHORITIES FOR JOHN LEWIS-**  
18                                   **CLASS FLEET REPLENISHMENT OILER SHIPS.**

19           (a) *CONTRACT AUTHORITY.—*

20           (1) *PROCUREMENT AUTHORIZED.—During fiscal*  
21           *years 2023 and 2024, the Secretary of the Navy may*  
22           *enter into one or more contracts for the procurement*  
23           *of not more than eight John Lewis-class fleet replen-*  
24           *ishment oiler ships.*

1           (2) *PROCUREMENT IN CONJUNCTION WITH EXIST-*  
2           *ING CONTRACTS.*—*The ships authorized to be procured*  
3           *under paragraph (1) may be procured as additions to*  
4           *existing contracts covering the John Lewis-class fleet*  
5           *replenishment oiler ship program.*

6           (b) *CERTIFICATION REQUIRED.*—*A contract may not*  
7           *be entered into under subsection (a) unless the Secretary*

23                       *funds by fiscal year, by hull, without the author-*  
24                       *ity provided in subsection (a);*

1           (B) the estimated end cost and appro-  
2           priated funds by fiscal year, by hull, with the  
3           authority provided in subsection (a);

4           (C) the estimated cost savings or increase by  
5           fiscal year, by hull, with the authority provided  
6           in subsection (a);

7           (D) the discrete actions that will accomplish  
8           such cost savings or avoidance; and

9           (E) the contractual actions that will ensure  
10          the estimated cost savings are realized.

11          (3) There is a reasonable expectation that  
12          throughout the contemplated contract period the Sec-  
13          retary of the Navy will request funding for the con-  
14          tract at the level required to avoid contract cancella-  
15          tion.

16          (4) There is a stable design for the property to

1 **SEC. 143. REQUIREMENTS RELATING TO F-22 AIRCRAFT.**

2 (a) *LIMITATIONS AND MINIMUM INVENTORY REQUIRE-*  
3 *MENTS.*—Section 9062 of title 10, United States Code, is  
4 *amended by adding at the end the following new subsection:*

5 “(k)(1) *During the period beginning on the date of the*  
6 *enactment of the National Defense Authorization Act for*  
7 *Fiscal Year 2023 and ending on September 30, 2027, the*  
8 *Secretary of the Air Force may not—*

9 “(A) *retire an F-22 aircraft;*

10 “(B) *reduce funding for unit personnel or weap-*  
11 *on system sustainment activities for F-22 aircraft in*  
12 *a manner that presumes future congressional author-*  
13 *ity to divest such aircraft;*

14 “(C) *keep an F-22 aircraft in a status consid-*  
15 *ered excess to the requirements of the possessing com-*  
16 *mand and awaiting disposition instructions (com-*  
17 *monly referred to as ‘XJ’ status); or*

18 “(D) *decrease the total aircraft inventory of F-*  
19 *22 aircraft below 184 aircraft.*

20 “(2) *The prohibition under paragraph (1) shall not*  
21 *apply to individual F-22 aircraft that the Secretary of the*  
22 *Air Force determines, on a case-by-case basis, to be no*  
23 *longer mission capable and uneconomical to repair because*  
24 *of aircraft accidents, mishaps, or excessive material deg-*  
25 *radation and non-airworthiness status of certain aircraft.”.*

26 (b) *REPORT REQUIRED.*—

1           (1) *IN GENERAL.*—Not later than 180 days after  
2           the date of the enactment of this Act, the Secretary of  
3           the Air Force shall submit to the congressional defense  
4           committees a report that includes a strategy and exe-  
5           cution plan, approved by the Secretary, for con-  
6           ducting formal training for F-22 aircrews to ensure  
7           that combat capability, capacity, and availability at  
8           all F-22 operational units is not degraded.

9           (2) *ELEMENTS.*—The strategy and execution  
10          plan under paragraph (1) shall—

11                 (A) address how the Air Force will avoid—

12                         (i) diminishing the combat effectiveness  
13                         of all block variants of F-22 aircraft;

14                         (ii) exacerbating F-22 aircraft avail-  
15                         ability concerns; and

16                         (iii) complicating F-22 aircraft squad-  
17                         ron maintenance operations; and

18                 (B) include the plan of the Secretary for—

19                         (i) the basing of 184 F-22 aircraft;

20                         and

21                         (ii) the reestablishment of one or more  
22                         F-22 formal training units, including—

23                                 (I) the planned location of such  
24                                 units;

1                   (II) the planned schedule for the  
2                   reestablishment of such units; and

3                   (III) and the number of F-22 air-  
4                   craft that are expected to be assigned to  
5                   such units.

6           (c) *COMPTROLLER GENERAL AUDIT.*—

7                   (1) *AUDIT REQUIRED.*—The Comptroller General  
8                   of the United States shall conduct an audit to assess  
9                   and validate data and information relating to—

10                   (A) the events and activities that would be  
11                   necessary to upgrade Block 20 F-22 aircraft to  
12                   a capability configuration comparable to or ex-  
13                   ceeding the existing or planned configuration of  
14                   Block 30/35 F-22 aircraft;

15                   (B) the estimated costs of such upgrades;  
16                   and

17                   (C) a schedule of milestones for such up-  
18                   grades.

19                   (2) *AVAILABILITY OF INFORMATION.*—At the re-  
20                   quest of the Comptroller General, the Secretary of the  
21                   Air Force shall promptly provide to the Comptroller  
22                   General any data or other information that may be  
23                   needed to conduct the audit under paragraph (1), in-  
24                   cluding any data or information it may be necessary

1     *to obtain from the original equipment manufacturer*  
2     *of the F-22 aircraft.*

3             (3) *BRIEFING.*—*Not later than April 15, 2023,*  
4     *the Comptroller General shall provide to the congress-*  
5     *sional defense committees a briefing on the progress*  
6     *and any preliminary results of the audit conducted*  
7     *under paragraph (1).*

8             (4) *REPORT.*—*Following the briefing under*  
9     *paragraph (3), at such time as is mutually agreed*  
10    *upon by the congressional defense committees and the*  
11    *Comptroller General, the Comptroller General shall*  
12    *submit to the congressional defense committees a re-*  
13    *port on the final results of the audit conducted under*  
14    *paragraph (1).*

2 **TATION REQUIREMENT.**

3 *Section 147 of the John S. McCain National Defense*  
4 *Authorization Act for Fiscal Year 2019 (Public Law 115-*  
5 *232; 132 Stat. 1669) is amended by striking subsection (f).*

6 **SEC. 146. MINIMUM INVENTORY OF C-130 AIRCRAFT.**

7 *(a) MINIMUM INVENTORY REQUIREMENT.—*

8 *(1) IN GENERAL.—During the covered period, the*  
9 *Secretary of the Air Force shall maintain a total in-*  
10 *ventory of C-130 aircraft of not less than 271 air-*  
11 *craft.*

12 *(2) EXCEPTION.—The Secretary of the Air Force*  
13 *may reduce the number of C-130 aircraft in the Air*  
14 *Force below the minimum number specified in para-*  
15 *graph (1) if the Secretary determines, on a case-by-*  
16 *case basis, that an aircraft is no longer mission capa-*  
17 *ble because of a mishap or other damage.*

18 *(3) COVERED PERIOD DEFINED.—In this sub-*  
19 *section, the term “covered period” means the period—*

20 *(A) beginning at the close of the period de-*  
21 *scribed in section 138(c) of the National Defense*  
22 *Authorization Act for Fiscal Year 2022 (Public*  
23 *Law 117-81; 135 Stat. 1577); and*

24 *(B) ending on September 30, 2023.*

25 *(b) PROHIBITION ON REDUCTION OF C-130 AIRCRAFT*  
26 *ASSIGNED TO NATIONAL GUARD.—*

1           (1) *IN GENERAL.*—During fiscal year 2023, the  
2           Secretary of the Air Force may not reduce the total  
3           number of C-130 aircraft assigned to the National  
4           Guard below the number so assigned as of the date of  
5           the enactment of this Act.

6           (2) *EXCEPTION.*—The prohibition under para-  
7           graph (1) shall not apply to an individual C-130  
8           aircraft that the Secretary of the Air Force deter-  
9           mines, on a case-by-case basis, to be no longer mission  
10          capable because of a mishap or other damage.

11 **SEC. 147. PROHIBITION ON AVAILABILITY OF FUNDS FOR**  
12 **RETIREMENT OF C-40 AIRCRAFT.**

13          (a) *PROHIBITION.*—None of the funds authorized to be  
14          appropriated by this Act or otherwise made available for  
15          fiscal year 2023 for the Air Force may be obligated or ex-  
16          pended to retire, prepare to retire, or place in storage or  
17          on backup aircraft inventory status any C-40 aircraft.

18          (b) *EXCEPTION.*—

19               (1) *IN GENERAL.*—The limitation under sub-  
20               section (a) shall not apply to an individual C-40 air-  
21               craft that the Secretary of the Air Force determines,  
22               on a case-by-case basis, to be no longer mission capa-  
23               ble because of a Class A mishap.

24               (2) *CERTIFICATION REQUIRED.*—If the Secretary  
25               determines under paragraph (1) that an aircraft is

1 *fense committees an acquisition strategy for the E-7*  
2 *Wedgetail aircraft approved by the Service Acquisition Ex-*  
3 *ecutive of the Air Force, the prohibition under subsection*  
4 *(a) shall not apply to actions taken to reduce the total air-*  
5 *craft inventory for E-3 aircraft to 21 after the date on*  
6 *which the strategy is so submitted.*

7       (c) *EXCEPTION FOR CONTRACT AWARD.—If the Sec-*  
8 *retary of the Air Force awards a contract for the E-7*  
9 *Wedgetail aircraft, the prohibition under subsection (a)*  
10 *shall not apply to actions taken to reduce the total aircraft*  
11 *inventory for E-3 aircraft to 18 after the date on which*  
12 *such contract is so awarded.*

13       (d) *DESIGNATION AS PRIMARY TRAINING AIRCRAFT*  
14 *INVENTORY.—The Secretary of the Air Force shall designate*  
15 *two E-3 aircraft as Primary Training Aircraft Inventory.*

16 **SEC. 150. LIMITATION ON DIVESTMENT OF F-15 AIRCRAFT.**

17       (a) *LIMITATION.—Beginning on October 1, 2023, the*  
18 *Secretary of the Air Force may not divest, or prepare to*  
19 *divest, any covered F-15 aircraft until a period of 180 days*  
20 *has elapsed following the date on which the Secretary sub-*  
21 *mits the report required under subsection (b).*

22       (b) *REPORT REQUIRED.—The Secretary of the Air*  
23 *Force shall submit to the congressional defense committees*  
24 *a report on the following:*

1           (1) *Any plans of the Secretary to divest covered*  
2           *F-15 aircraft during the period covered by the most*  
3           *recent future-years defense program submitted to Con-*  
4           *gress under section 221 of title 10, United States*  
5           *Code, including—*

6                   (A) *a description of each proposed divest-*  
7                   *ment by fiscal year and location;*

8                   (B) *an explanation of the anticipated effects*  
9                   *of such divestments on the missions, personnel,*  
10                  *force structure, and budgeting of the Air Force;*

11                  (C) *a description of the actions the Sec-*  
12                  *retary intends to carry out—*

13                          (i) *to mitigate any negative effects*  
14                          *identified under subparagraph (B); and*

15                          (ii) *to modify or replace the missions*  
16                          *and capabilities of any units and military*  
17                          *installations affected by such divestments;*  
18                          *and*

19                  (D) *an assessment of how such divestments*  
20                  *may affect the ability of the Air Force to main-*  
21                  *tain minimum tactical aircraft inventories.*

22           (2) *Any plans of the Secretary to procure covered*  
23           *F-15 aircraft.*

24           (3) *Any specific plans of the Secretary to deviate*  
25           *from procurement of new F-15EX aircraft as articu-*

1 *lated by the validated requirements contained in Air*

15 *ments for the combat search and rescue mission of the*  
16 *Air Force in support of the objectives of the National*  
17 *Defense Strategy.*

18 *(2) ELEMENTS.—The study under paragraph (1)*  
19 *shall include the following:*

20 *(A) Identification of anticipated combat*  
21 *search and rescue mission requirements nec-*  
22 *essary to meet the objectives of the most recent*  
23 *National Defense Strategy, including—*

- 1           (i) requirements for short-term, mid-  
2 term, and long-term contingency and  
3 steady-state operations against adversaries;
- 4           (ii) requirements under the Agile Com-  
5 bat Employment operational scheme of the  
6 Air Force;
- 7           (iii) requirements relating to regions  
8 and specific geographic areas that are ex-  
9 pected to have a need for combat search and  
10 rescue forces based on the combat-relevant  
11 range and penetration capability of United  
12 States air assets and associated weapon sys-  
13 tems; and
- 14           (iv) the level of operational risk associ-  
15 ated with each likely requirement and sce-  
16 nario.
- 17       (B) An assessment of the rotary, tilt, and  
18 fixed wing aircraft and key combat search and  
19 rescue enabling capabilities that—
- 20           (i) are needed to meet the requirements  
21 identified under subparagraph (A); and
- 22           (ii) have been accounted for in the  
23 budget of the Air Force as of the date of the  
24 study.

1           (C) *Identification of any combat search and*  
2           *rescue capability gaps, including an assessment*  
3           *of—*

4                   (i) *whether and to what extent such*  
5                   *gaps may affect the ability of the Air Force*  
6                   *to conduct combat search and rescue oper-*  
7                   *ations;*

8                   (ii) *any capability gaps that may be*  
9                   *created by procuring fewer HH-60W air-*  
10                   *craft than planned under the program of*  
11                   *record, including any expected changes to*  
12                   *the plan for fielding such aircraft for active,*  
13                   *reserve, and National Guard units; and*

14                   (iii) *any capability gaps attributable*  
15                   *to unfunded requirements.*

16           (D) *Identification and assessment of key*  
17           *current, emerging, and future technologies with*  
18           *potential application to the combat search and*  
19           *rescue mission, including electric vertical takeoff*  
20           *and landing, unmanned aerial systems, armed*  
21           *air launched effects or similar armed capabili-*  
22           *ties, electric short take-off and landing, or a com-*  
23           *bination of such technologies.*

1           (E) *An assessment of each technology iden-*  
2           *tified under subparagraph (D), including (as ap-*  
3           *plicable) an assessment of—*

4                     (i) *technology maturity;*

5                     (ii) *suitability to the combat search*  
6                     *and rescue mission;*

7                     (iii) *range;*

8                     (iv) *speed;*

9                     (v) *payload capability and capacity;*

10                    (vi) *radio frequency and infrared sig-*  
11                    *natures;*

12                    (vii) *operational conditions required*  
13                    *for the use of such technology, such as run-*  
14                    *way availability;*

15                    (viii) *survivability;*

16                    (ix) *lethality;*

17                    (x) *potential to support combat mis-*  
18                    *sions other than combat search and rescue;*  
19                    *and*

20                    (xi) *estimated cost.*

21           (3) *SUBMITTAL TO CONGRESS.—*

22                     (A) *IN GENERAL.—Not later than April 30,*  
23                     *2023, the Secretary of the Air Force shall submit*  
24                     *to the Committees on Armed Services of the Sen-*

1            *ate and the House of Representatives a report on*  
2            *the results of the study under paragraph (1).*

3            *(B) FORM.—The report required under sub-*  
4            *paragraph (A) shall be submitted in unclassified*  
5            *form, but may include a classified annex.*

6            *(b) STRATEGY REQUIRED.—*

7            *(1) IN GENERAL.—Based on the results of the*  
8            *study conducted under subsection (a), the Secretary of*  
9            *the Air Force shall develop a strategy to meet the re-*  
10           *quirements identified under such study.*

11           *(2) ELEMENTS.—The strategy under paragraph*  
12           *(1) shall include—*

13           *(A) A prioritized list of the capabilities*  
14           *needed to meet the requirements identified under*  
15           *subsection (a).*

16           *(B) The estimated costs of such capabilities,*  
17           *including—*

18           *(i) any amounts already budgeted for*  
19           *such capabilities as of the date of the strat-*  
20           *egy, including amounts already budgeted*  
21           *for emerging and future technologies; and*

22           *(ii) any amounts not already budgeted*  
23           *for such capabilities as of such date.*

24           *(C) An estimate of the date by which the ca-*  
25           *pability is expected to become operational.*

1           (D) *A description of any requirements iden-*  
2           *tified under subsection (a) that the Secretary of*  
3           *the Air Force does not expect to meet as part of*  
4           *the strategy and an explanation of the reasons*  
5           *such requirements cannot be met.*

6           (3) *SUBMITTAL TO CONGRESS.—*

7           (A) *IN GENERAL.—Not later than July 30,*  
8           *2023, the Secretary of the Air Force shall submit*  
9           *to the Committees on Armed Services of the Sen-*  
10           *ate and the House of Representatives a report on*  
11           *the strategy developed under paragraph (1).*

12           (B) *FORM.—The report required under sub-*  
13           *paragraph (A) shall be submitted in unclassified*  
14           *form, but may include a classified annex.*

15   **SEC. 155. PLAN FOR TRANSFER OF KC-135 AIRCRAFT TO**  
16           **THE AIR NATIONAL GUARD.**

17           (a) *PLAN REQUIRED.—The Secretary of the Air Force*  
18           *shall develop a plan to transfer covered KC-135 aircraft*  
19           *to air refueling wings of the Air National Guard that are*  
20           *classic associations with active duty units of the Air Force.*

21           (b) *BRIEFING.—Not later than 120 days after the date*  
22           *of the enactment of this Act, the Secretary of the Air Force*  
23           *shall provide to the Committees on Armed Services of the*  
24           *Senate and the House of Representatives a briefing on the*

1 *plan developed under subsection (a). The briefing shall in-*  
2 *clude an explanation of—*

3 *(1) the effects the plan is expected to have on—*

4 *(A) the aerial refueling capability of the De-*  
5 *partment of Defense; and*

6 *(B) personnel; and*

7 *(2) any costs associated with the plan.*

8 *(c) DEFINITIONS.—In this section:*

9 *(1) The term “covered KC–135 aircraft” means*  
10 *a KC–135 aircraft that the Secretary of the Air Force*  
11 *is in the process of replacing with a KC–46A aircraft.*

12 *(2) The term “classic association” means a*  
13 *structure under which a regular Air Force unit re-*  
14 *tains principal responsibility for an aircraft and*  
15 *shares the aircraft with one or more reserve compo-*  
16 *nent units.*

17 **SEC. 156. ANNUAL REPORTS ON T-7A ADVANCED PILOT**  
18 **TRAINING SYSTEM.**

19 *(a) ANNUAL REPORT.—Not later than March 1, 2023,*  
20 *and annually thereafter through 2028, the Assistant Sec-*  
21 *retary of the Air Force for Acquisition, Technology, and Lo-*  
22 *gistics shall submit to the Committees on Armed Services*  
23 *of the Senate and the House of Representatives a report on*  
24 *the acquisition efforts of the Air Force with respect to the*

1 *T-7A Advanced Pilot Training System (including any as-*  
2 *sociated aircraft and ground training systems).*

3 (b) *ELEMENTS.—Each report under subsection (a)*  
4 *shall include the following:*

5 (1) *An overview of the Assistant Secretary’s ac-*  
6 *quisition strategy for the T-7 Advanced Pilot Train-*  
7 *ing System, including the current status of the acqui-*  
8 *sition strategy as of the date of the report.*

9 (2) *The cost and schedule estimates for the T-7*  
10 *Advanced Pilot Training System program.*

11 (3) *In the case of the initial report under this*  
12 *section, the key performance parameters or the equiv-*  
13 *alent requirements for the program. In the case of*  
14 *subsequent reports, any key performance parameters*  
15 *or the equivalent requirements for the program that*  
16 *have changed since the submission of the previous re-*  
17 *port under this section.*

18 (4) *The test and evaluation master plan for the*  
19 *program.*

20 (5) *With respect to the testing program events*  
21 *completed in the year covered by the report—*

22 (A) *the completion date of each event;*

23 (B) *a summary of the event, including iden-*  
24 *tification of—*

1           (i) the quantity of data points evalu-  
2           ated and subsequently considered complete  
3           and validated; and

4           (ii) the quantity of data points evalu-  
5           ated that remain incomplete or unvalidated  
6           and requiring further testing.

7           (6) The logistics and sustainment strategy for  
8           the program and a description of any activities car-  
9           ried out to implement such strategy as of the date of  
10          the report.

11          (7) An explanation of—

12           (A) the causes of any engineering, manufac-  
13           turing, development, testing, production, deliv-  
14           ery, acceptance, and fielding delays incurred by  
15           the program as of the date of the report;

16           (B) the effects of such delays; and

17           (C) any subsequent efforts to address such  
18           delays.

19          (8) The post-production aircraft basing and  
20          fielding strategy for the program.

21          (9) Any other matters regarding the acquisition  
22          of the T-7 Advanced Pilot Training System that the  
23          Assistant Secretary determines to be of critical impor-  
24          tance to the long-term viability of the program.

4                       ***COMMERCIAL DUAL-USE PARTS IN CERTAIN***  
5                       ***AIRCRAFT AND ENGINES.***

6           (a) *IN GENERAL.*—Not later than 180 days after the  
7 date of the enactment of this Act, the Secretary of the Air  
8 Force, with respect to the Air Force, and the Secretary of  
9 the Navy, with respect to the Navy, shall develop and imple-  
10 ment processes and procedures for—

11                   (1) *the acquisition of used, overhauled, recondi-*  
12                   *tioned, and remanufactured commercial dual-use*  
13                   *parts; and*

14                   (2) *the use of such commercial dual-use parts in*  
15                   *all—*

16                           (A) *commercial derivative aircraft and en-*  
17                           *gines; and*

18                           (B) *aircraft used by the Air Force or Navy*  
19                           *that are based on the design of commercial prod-*  
20                           *ucts.*

21           (b) *PROCUREMENT OF PARTS.*—The processes and pro-  
22 cedures implemented under subsection (a) shall provide that  
23 commercial dual-use parts shall be acquired—

1           (1) *pursuant to competitive procedures (as de-*  
2 *defined in section 3012 of title 10, United States Code);*  
3 *and*

4           (2) *only from suppliers that provide parts that*  
5 *possess an Authorized Release Certificate Federal*  
6 *Aviation Administration Form 8130-3 Airworthy Ap-*  
7 *proval Tag from a certified repair station pursuant*  
8 *to part 145 of title 14, Code of Federal Regulations.*

9           (c) *DEFINITIONS.—In this section:*

10           (1) *COMMERCIAL DERIVATIVE.—The term “com-*  
11 *mercial derivative” means an item procured by the*  
12 *Department of Defense that is or was produced using*  
13 *the same or similar production facilities, a common*  
14 *supply chain, and the same or similar production*  
15 *processes that are used for the production of the item*  
16 *as predominantly used by the general public or by*  
17 *nongovernmental entities for purposes other than gov-*  
18 *ernmental purposes.*

19           (2) *COMMERCIAL DUAL-USE PART.—The term*  
20 *“commercial dual-use part” means a product that*  
21 *is—*

22                   (A) *a commercial product;*

23                   (B) *dual-use;*

24                   (C) *described in subsection (b)(2); and*

25                   (D) *not a life-limited part.*

1           (3) *COMMERCIAL PRODUCT*.—The term “*commercial product*” has the meaning given such term in section 103 of title 41, United States Code.

4           (4) *DUAL-USE*.—The term “*dual-use*” has the meaning given such term in section 4801 of title 10, United States Code.

7 **SEC. 162. ASSESSMENT AND STRATEGY FOR FIELDING CAPABILITIES TO COUNTER THREATS POSED BY UNMANNED AERIAL SYSTEM SWARMS.**

10       (a) *ASSESSMENT, ANALYSIS, AND REVIEW*.—The Secretary of Defense shall conduct—

12           (1) *an assessment of the threats posed by unmanned aerial system swarms and unmanned aerial systems with swarm capabilities to installations and deployed Armed Forces;*

16           (2) *an analysis of the use or potential use of unmanned aerial system swarms by adversaries, including the People’s Republic of China, the Russian Federation, the Islamic Republic of Iran, the Democratic People’s Republic of North Korea, and non-state actors;*

22           (3) *an analysis of the national security implications of swarming technologies such as autonomous intelligence and machine learning;*

1           (4) *a review of the capabilities used by the De-*  
2           *partment of Defense to counter threats posed by un-*  
3           *manned aerial systems and an assessment of the effec-*  
4           *tiveness of such capabilities at countering the threat*  
5           *of unmanned aerial system swarms; and*

6           (5) *an overview of the efforts of the Department*  
7           *of Defense to develop and field test technologies that*  
8           *offer scalable, modular, and rapidly deployable capa-*  
9           *bilities with the ability to counter unmanned aerial*  
10           *system swarms.*

11           (b) *STRATEGY DEVELOPMENT AND IMPLEMENTATION*

12           *REQUIRED.—*

13           (1) *IN GENERAL.—The Secretary of Defense shall*  
14           *develop and implement a strategy to field capabilities*  
15           *to counter threats posed by unmanned aerial system*  
16           *swarms.*

17           (2) *ELEMENTS.—The strategy required by para-*  
18           *graph (1) shall include the following:*

19                   (A) *The development of a comprehensive*  
20                   *definition of “unmanned aerial system swarm”.*

21                   (B) *A plan to establish and incorporate re-*  
22                   *quirements for the development, testing, and*  
23                   *fielding of technologies and capabilities to*  
24                   *counter unmanned aerial system swarms.*

1           (C) *A plan to acquire and field adequate*  
2           *capabilities to counter unmanned aerial system*  
3           *swarms in defense of the Armed Forces, infra-*  
4           *structure, and other assets of the United States*  
5           *across land, air, and maritime domains.*

6           (D) *An estimate of the resources needed by*  
7           *each Armed Force to implement the strategy.*

8           (E) *An analysis, determination, and*  
9           *prioritization of legislative action required to en-*  
10          *sure the Department of Defense has the ability to*  
11          *counter the threats posed by unmanned aerial*  
12          *system swarms.*

13          (F) *Such other matters as the Secretary de-*  
14          *termines to be relevant to the strategy.*

15          (3) *INCORPORATION INTO EXISTING STRATEGY.—*  
16          *The Secretary of Defense may incorporate the strategy*  
17          *required by paragraph (1) into a comprehensive*  
18          *strategy of the Department of Defense to counter the*  
19          *threat of unmanned aerial systems.*

20          (c) *INFORMATION TO CONGRESS.—Not later than 270*  
21          *days after the date of the enactment of this Act, the Sec-*  
22          *retary of Defense shall submit to the congressional defense*  
23          *committees a report on—*

24                  (1) *the findings of the Secretary under subsection*  
25                  *(a); and*

1           (2) *the strategy developed and implemented by*  
2           *the Secretary under subsection (b).*

3 **SEC. 163. ASSESSMENT AND REPORT ON MILITARY ROTARY**  
4                                   **WING AIRCRAFT INDUSTRIAL BASE.**

5           (a) *ASSESSMENT REQUIRED.*—*The Under Secretary of*  
6 *Defense for Acquisition and Sustainment, in coordination*  
7 *with the Secretaries of the Army, Navy, and Air Force, shall*  
8 *conduct an assessment of the military rotary wing aircraft*  
9 *industrial base.*

10          (b) *ELEMENTS.*—*The assessment under subsection (a)*  
11 *shall include the following:*

12                   (1)(A) *Identification of each rotary wing aircraft*  
13 *program of the Department of Defense that is in the*  
14 *research and development or procurement phase.*

15                   (B) *A description of any platform-specific or ca-*  
16 *pability-specific facility or workforce technical skill*  
17 *requirements necessary for each program identified*  
18 *under subparagraph (A).*

19                   (2) *Identification of—*

20                           (A) *the rotary wing aircraft capabilities of*  
21 *each Armed Force anticipated for programming*  
22 *beyond the period covered by the most recent fu-*  
23 *ture-years defense program submitted to Con-*  
24 *gress under section 221 of title 10, United States*  
25 *Code (as of the date of the assessment); and*

1                   (B) the technologies, facilities, and work-  
2                   force skills necessary for the development of such  
3                   capabilities.

4                   (3) An assessment of the military industrial base  
5                   capacity and skills that are available (as of the date  
6                   of the assessment) to design and manufacture the  
7                   platforms and capabilities identified under para-  
8                   graphs (1) and (2) and a list of any gaps in such ca-  
9                   pacity and skills.

10                  (4)(A) Identification of each component, sub-  
11                  component, or equipment supplier in the military ro-  
12                  tary wing aircraft industrial base that is the sole  
13                  source within such industrial base from which that  
14                  component, subcomponent, or equipment may be ob-  
15                  tained.

16                  (B) An assessment of any risk resulting from the  
17                  lack of other suppliers for such components, sub-  
18                  components, or equipment.

19                  (5) Analysis of the likelihood of future consolida-  
20                  tion, contraction, or expansion, within the rotary  
21                  wing aircraft industrial base, including—

22                         (A) identification of the most probable sce-  
23                         narios with respect to such consolidation, con-  
24                         traction, or expansion; and

1           (B) *an assessment of how each such scenario*  
2           *may affect the ability of the Armed Forces to ac-*  
3           *quire military rotary wing aircraft in the fu-*  
4           *ture, including any effects on the cost and sched-*  
5           *ule of such acquisitions.*

6           (6) *Such other matters the Under Secretary of*  
7           *Defense for Acquisition and Sustainment determines*  
8           *appropriate.*

9           (c) *REPORT.—Not later than June 1, 2023, the Under*  
10          *Secretary of Defense for Acquisition and Sustainment shall*  
11          *submit to the congressional defense committees a report that*  
12          *includes—*

13               (1) *the results of the assessment conducted under*  
14               *subsection (a); and*

15               (2) *based on such results, recommendations for*  
16               *reducing any risks identified with respect to the mili-*  
17               *tary rotary wing aircraft industrial base.*

18          (d) *ROTARY WING AIRCRAFT DEFINED.—In this sec-*  
19          *tion, the term “rotary wing aircraft” includes rotary wing*  
20          *and tiltrotor aircraft.*

1 **SEC. 164. COMPTROLLER GENERAL AUDIT OF EFFORTS TO**  
2 **MODERNIZE THE PROPULSION, POWER, AND**  
3 **THERMAL MANAGEMENT SYSTEMS OF F-35**  
4 **AIRCRAFT.**

5 (a) *AUDIT REQUIRED.*—*The Comptroller General of*  
6 *the United States shall conduct an audit of the efforts of*  
7 *the Department of Defense to modernize the propulsion,*  
8 *power, and thermal management systems of F-35 aircraft.*

9 (b) *ELEMENTS.*—*The audit conducted under sub-*  
10 *section (a) shall include the following:*

11 (1) *An evaluation of the results of the business-*  
12 *case analysis conducted by the Director of the F-35*  
13 *Joint Program Office, in which the Director assessed*  
14 *options to modernize the propulsion, power, and ther-*  
15 *mal management systems of the F-35 aircraft.*

16 (2) *An assessment of the costs associated with*  
17 *each modernization option assessed in the business-*  
18 *case analysis described in paragraph (1), including*  
19 *any costs associated with development, production,*  
20 *retrofit, integration, and installation of the option*  
21 *(including any aircraft modifications required to ac-*  
22 *commodate such option), and an assessment of the*  
23 *sustainment infrastructure requirements associated*  
24 *with that option for each variant of F-35 aircraft.*

25 (3) *An assessment of the progress made by the*  
26 *prototype engines developed under the Adaptive En-*

1 *gine Transition Program and the development and*  
2 *testing status of the other modernization options as-*  
3 *essed in the business-case analysis described in para-*  
4 *graph (1).*

5 (4) *An assessment of the timeline associated with*  
6 *modernizing the propulsion, power, and thermal*  
7 *management systems of F-35 aircraft to meet the ca-*  
8 *pability performance requirements of the full Block 4*  
9 *suite upgrade planned for each variant of such air-*  
10 *craft.*

11 (5) *An assessment of the costs associated with*  
12 *modernizing the propulsion, power, and thermal*  
13 *management systems of F-35 aircraft to meet the ca-*  
14 *pability performance requirements of the full Block 4*  
15 *suite upgrade planned for each variant of such air-*  
16 *craft.*

17 (6) *An assessment of the potential effects of each*  
18 *modernization option assessed in the business-case*

7           (2) in subsection (e), by striking “Director of the  
8           Joint Artificial Intelligence Center” and inserting  
9           “official designated under subsection (b)”; and  
10          (3) by striking subsection (h).

11          (m) *REFERENCES.*—Any reference in any law, regula-  
12          tion, guidance, instruction, or other document of the Fed-  
13          eral Government to the Director of the Joint Artificial In-  
14          telligence Center of the Department of Defense or to the  
15          Joint Artificial Intelligence Center shall be deemed to refer  
16          to the official designated under section 238(b) of the John  
17          S. McCain National Defense Authorization Act for Fiscal

1 **SEC. 215. SUPPORT FOR RESEARCH AND DEVELOPMENT OF**  
2 **BIOINDUSTRIAL MANUFACTURING PROC-**  
3 **ESSES.**

4 (a) *AUTHORIZATION.*—Subject to the availability of  
5 appropriations, the Secretary of Defense shall provide sup-  
6 port for the development of a network of bioindustrial man-  
7 ufacturing facilities to conduct research and development  
8 to improve the ability of the industrial base to assess, vali-  
9 date, and scale new, innovative bioindustrial manufac-  
10 turing processes for the production of chemicals, materials,  
11 and other products necessary to support national security  
12 or secure fragile supply chains.

13 (b) *FORM OF SUPPORT.*—The support provided under  
14 subsection (a) may consist of—

15 (1) providing funding to one or more existing fa-  
16 cilities or the establishment of new facilities—

17 (A) to support the research and development  
18 of bioindustrial manufacturing processes; or

19 (B) to otherwise expand the bioindustrial  
20 manufacturing capabilities of such facilities;

21 (2) the establishment of dedicated facilities with-  
22 in one or more bioindustrial manufacturing facilities  
23 to serve as regional hubs for the research, develop-  
24 ment, and the scaling of bioindustrial manufacturing  
25 processes and products to higher levels of production;

26 or

1           (3) *designating a bioindustrial manufacturing*  
2           *facility to serve as the lead entity responsible for inte-*  
3           *grating a network of pilot and intermediate scale bio-*  
4           *industrial manufacturing facilities.*

5           (c) *ACTIVITIES.—A facility that receives support*  
6           *under subsection (a) shall carry out activities relating to*  
7           *the research, development, test, and evaluation of innovative*  
8           *bioindustrial manufacturing processes and the scaling of*  
9           *bioindustrial manufacturing products to higher levels of*  
10          *production, which may include—*

11           (1) *research on the use of bioindustrial manufac-*  
12          *turing to create materials such as polymers, coatings,*  
13          *resins, commodity chemicals, and other materials*  
14          *with fragile supply chains;*

15           (2) *demonstration projects to evaluate bioindus-*  
16          *trial manufacturing processes and technologies;*

17           (3) *activities to scale bioindustrial*  
18          *manufacturing processes and products to higher levels*  
19          *of production;*

20           (4) *strategic planning for infrastructure and*  
21          *equipment investments for bioindustrial manufac-*  
22          *turing of defense-related materials;*

23           (5) *analyses of bioindustrial manufactured prod-*  
24          *ucts and validation of the application of biological*  
25          *material used as input to new and existing processes*

1 *to aid in future investment strategies and the security*  
2 *of critical supply chains;*

3 *(6) the selection, construction, and operation of*  
4 *pilot and intermediate scale bioindustrial manufac-*  
5 *turing facilities;*

6 *(7) development and management of a network*  
7 *of facilities to scale production of bioindustrial prod-*  
8 *ucts;*

9 *(8) activities to address workforce needs in bio-*  
10 *industrial manufacturing;*

11 *(9) establishing an interoperable, secure, digital*  
12 *infrastructure for collaborative data exchange across*  
13 *entities in the bioindustrial manufacturing commu-*  
14 *nity, including government agencies, industry, and*  
15 *academia;*

16 *(10) developing and implementing digital tools,*  
17 *process security and assurance capabilities, cybersecu-*  
18 *rity protocols, and best practices for data storage,*  
19 *sharing and analysis; and*

20 *(11) such other activities as the Secretary of De-*  
21 *fense determines appropriate.*

22 *(d) CONSIDERATIONS.—In determining the number,*  
23 *type, and location of facilities to support under subsection*  
24 *(a), the Secretary of Defense shall consider—*

1           (1) *how the facilities may complement each other*  
2           *or increase production levels by functioning together*  
3           *as a network;*

4           (2) *how to geographically distribute support to*  
5           *such facilities—*

6                   (A) *to maximize access to biological mate-*  
7                   *rial needed as an input to bioindustrial manu-*  
8                   *facturing processes;*

9                   (B) *to leverage available industrial and*  
10                  *academic expertise, including workforce and*  
11                  *human capital;*

12                  (C) *to leverage relevant domestic infrastruc-*  
13                  *ture required to secure supply chains for chemi-*  
14                  *cals and other materials;*

15                  (D) *to leverage access to venture capital and*  
16                  *private sector finance expertise and funding in-*  
17                  *struments; and*

18                  (E) *to complement the capabilities of simi-*  
19                  *lar facilities; and*

20           (3) *how the activities supported under this sec-*  
21           *tion can be coordinated with relevant activities of*  
22           *other departments and agencies of the Federal Gov-*  
23           *ernment.*

24           (e) *INITIAL CONCEPT PLAN REQUIRED.—*

1           (1) *IN GENERAL.*—Not later than 180 days after  
2           the date of the enactment of this Act, the Secretary of  
3           Defense shall submit to the congressional defense com-  
4           mittees and the National Security Commission on  
5           Emerging Biotechnology an initial concept plan for  
6           the implementation of this section that includes—

7                   (A) an assessment of capacity scaling needs  
8                   to determine if, and what type of, additional bio-  
9                   industrial manufacturing facilities may be need-  
10                  ed to meet the needs of the Department of De-  
11                  fense;

12                  (B) a description of types, relative sizes,  
13                  and locations of the facilities the Secretary in-  
14                  tends to establish or support under this section;

15                  (C) a general description of the focus of  
16                  each facility, including the types of bioindustrial  
17                  manufacturing equipment, if any, that are ex-  
18                  pected to be procured for each such facility;

19                  (D) a general description of how the facili-  
20                  ties will work as a network to maximize the di-  
21                  versity of bioindustrial products available to be  
22                  produced by the network;

23                  (E) an explanation of how the network will  
24                  support the establishment and maintenance of

1           *the bioindustrial manufacturing industrial base;*  
2           *and*

3                   *(F) an explanation of how the Secretary in-*  
4           *tends to ensure that bioindustrial manufacturing*  
5           *activities conducted under this section are mod-*  
6           *ernized digitally, including through—*

7                           *(i) the use of data automation to rep-*  
8                           *resent processes and products as models and*  
9                           *simulations; and*

10                           *(ii) the implementation of measures to*  
11                           *address cybersecurity and process assurance*  
12                           *concerns.*

13           *(2) BRIEFINGS.—Not later than 180 days after*  
14           *the date of the submittal of the plan under paragraph*  
15           *(1), and annually thereafter for five years, the Sec-*  
16           *retary of Defense shall provide to the congressional*  
17           *defense committees a briefing on the Secretary’s*  
18           *progress in implementing the plan.*

19           *(f) BIOINDUSTRIAL MANUFACTURING DEFINED.—In*  
20           *this section, the term “bioindustrial manufacturing” means*  
21           *the use of living organisms, cells, tissues, enzymes, or cell-*  
22           *free systems to produce materials and products for non-*  
23           *pharmaceutical applications.*

1 **SEC. 216. AIR-BREATHING AND ROCKET BOOSTER TESTING**  
2 **CAPACITY UPGRADES TO SUPPORT CRITICAL**  
3 **HYPERSONIC WEAPONS DEVELOPMENT.**

4 (a) *IN GENERAL.*—Subject to the availability of appro-  
5 priations for such purpose, the Secretary of the Air Force  
6 shall carry out activities to upgrade testing facilities of the  
7 Department of the Air Force that support the development  
8 of critical hypersonic weapons that—

9 (1) use air-breathing or rocket booster capabili-  
10 ties; and

11 (2) are expected to operate in sea-level or high-  
12 altitude operational domains.

13 (b) *TIMELINE FOR COMPLETION.*—The Secretary of the  
14 Air Force shall seek to complete any upgrade under sub-  
15 section (a), subject to availability of appropriations for  
16 such upgrade, not later than 24 months after the upgrade  
17 is commenced.

18 **SEC. 217. COMPETITIVELY AWARDED DEMONSTRATIONS**  
19 **AND TESTS OF ELECTROMAGNETIC WARFARE**  
20 **TECHNOLOGY.**

21 (a) *DEMONSTRATIONS AND TESTS REQUIRED.*—Not  
22 later than 270 days after the date of the enactment of this  
23 Act, the Director of the Air Force Rapid Capabilities Office,  
24 in coordination with the Air Force Life Cycle Management  
25 Center, shall select one or more qualified entities under com-  
26 petitive processes to conduct demonstrations and tests of

1 *commercial electronics technology to determine whether*  
2 *technology currently exists that could enable the following*  
3 *electromagnetic warfare capabilities:*

4           (1) *The operation of multiple emitters and re-*  
5 *ceivers in the same frequency at the same time and*  
6 *in the same location without mutual interference and*  
7 *without using adaptive beam forming or nulling.*

8           (2) *Protecting the reception of Global Positioning*  
9 *System and other vulnerable low-power signals from*  
10 *multiple high-power jammers at a level that is sig-*  
11 *nificantly better than the protection afforded by con-*  
12 *trolled reception pattern antennas.*

13           (3) *Simultaneous transmission from and recep-*  
14 *tion of separate signals on the same platform wherein*  
15 *the signals lie in the same frequency and are trans-*  
16 *mitted and received at the same time without inter-*  
17 *ference.*

18           (4) *Capabilities similar those described in para-*  
19 *graphs (1) through (3) in a live, virtual constructive*  
20 *simulation environment.*

21           (5) *Other capabilities that might satisfy or sup-*  
22 *port needs set forth in the Electromagnetic Spectrum*  
23 *Superiority Strategy Implementation Plan released*  
24 *on August 5, 2021.*

1       **(b) OVERSIGHT OF TESTS.**—*The Director of Oper-*  
2 *ational Test and Evaluation shall—*

3           (1) *provide oversight of the demonstrations and*  
4 *tests required by subsection (a);*

5           (2) *review other applicable government or com-*  
6 *mercial demonstrations and tests; and*

7           (3) *not later than 30 days after the completion*  
8 *of the demonstrations and tests under subsection (a),*  
9 *advise the Chief Information Officer of the Depart-*  
10 *ment of Defense, the Under Secretary of Defense for*  
11 *Research and Engineering, and the Under Secretary*  
12 *of Defense for Acquisition and Sustainment of the*  
13 *outcomes of the demonstrations and tests.*

14       **(c) OUTCOME-BASED ACTIONS REQUIRED.**—*If the Di-*  
15 *rector of Operational Test and Evaluation and the Director*  
16 *of the Air Force Rapid Capabilities Office affirm that the*  
17 *demonstrations and tests under subsection (a) confirm that*  
18 *certain commercial electronics technology could enable one*  
19 *or more of the capabilities described in such subsection—*

20           (1) *not later than 45 days after the conclusion*  
21 *of the tests under subsection (a), the Director of the*  
22 *Air Force Rapid Capabilities Office and the Director*  
23 *of Operational Test and Evaluation shall jointly pro-*  
24 *vide to the congressional defense committees a briefing*  
25 *on the outcomes of the tests;*

1           (2) *the Director of the Air Force Rapid Capa-*  
2           *ilities Office may begin engineering form, fit, and*  
3           *function development and integration to incorporate*  
4           *technologies demonstrated and tested under subsection*  
5           *(a) into specific Department of Defense platforms and*  
6           *applications; and*

7           (3) *not later than 90 days after the conclusion*  
8           *of the tests under subsection (a), the Director of the*  
9           *Air Force Rapid Capabilities Office, the Chief Infor-*  
10          *mation Officer, the Under Secretary of Defense for*  
11          *Research and Engineering, and the Under Secretary*  
12          *of Defense for Acquisition and Sustainment shall*  
13          *jointly provide to the congressional defense committees*  
14          *a briefing on any plans of the Department of Defense*  
15          *to further develop and deploy the technologies dem-*  
16          *onstrated and tested under subsection (a) to support*  
17          *the Electromagnetic Spectrum Superiority Strategy*  
18          *Implementation Plan released on August 5, 2021.*

19          (d) *COMPETITIVENESS REQUIREMENTS.—A decision to*  
20          *commit, obligate, or expend funds for the purposes outlined*  
21          *in this section shall be based on merit-based selection proce-*  
22          *dures in accordance with the requirements of sections*  
23          *3201(e) and 4024 of title 10, United States Code, or on*  
24          *competitive procedures.*

1       (e) *COMMERCIAL ELECTRONICS TECHNOLOGY DE-*  
2 *FINED.*—*The term “commercial electronics technology”*  
3 *means electronics technology that is—*

4           (1) *a commercial component (as defined in sec-*  
5 *tion 102 of title 41, United States Code);*

6           (2) *a commercial product (as defined in section*  
7 *103 such title);*

8           (3) *a commercial service (as defined in section*  
9 *103a of such title); or*

10          (4) *a commercially available off-the-shelf item*  
11 *(as defined in section 104 of such title).*

12 **SEC. 218. ADMINISTRATION OF THE ADVANCED SENSOR AP-**  
13 **PLICATIONS PROGRAM.**

14       (a) *RESOURCE SPONSORS.*—

15           (1) *IN GENERAL.*—*The Commander of Naval Air*  
16 *Systems Command and the Director of Air Warfare*  
17 *shall jointly serve as the resource sponsors for the Ad-*  
18 *vanced Sensor Applications Program (commonly*  
19 *known as “ASAP” and in this section referred to as*  
20 *the “Program”).*

21           (2) *RESPONSIBILITIES.*—*The resource sponsors of*  
22 *the Program shall be responsible for the following:*

23                   (A) *Developing budget requests relating to*  
24 *the Program.*

25                   (B) *Establishing priorities for the Program.*

1                   (C) *Approving the execution of funding and*  
2                   *projects for the Program.*

3                   (D) *Coordination and joint planning with*  
4                   *external stakeholders in matters relating to the*  
5                   *Program.*

6           (b) *LIMITATIONS.—Only the Secretary of the Navy, the*  
7           *Under Secretary of the Navy, and the Commander of Naval*  
8           *Air Systems Command may—*

9                   (1) *provide direction and management for the*  
10            *Program;*

11                   (2) *set priorities for the Program;*

12                   (3) *regulate or limit the information available or*  
13            *accessible to the Program;*

14                   (4) *edit reports or findings generated under the*  
15            *Program; or*

16                   (5) *coordinate and manage interactions of the*  
17            *Program with external stakeholders.*

18           (c) *AUTHORITY FOR PROGRAM MANAGER.—The pro-*  
19            *gram manager for the Program may access, consider, act*  
20            *on, and apply information, at all levels of classification and*  
21            *from all sources and organizations, that is pertinent to the*  
22            *projects and activities that the Program is executing, or*  
23            *considering proposing for the future.*

24           (d) *QUARTERLY BRIEFINGS.—Not less frequently than*  
25            *once every three months, the program manager for the Pro-*

1 *gram shall provide to the congressional defense committees*  
2 *and congressional intelligence committees (as defined in sec-*  
3 *tion 3 of the National Security Act of 1947 (50 U.S.C.*  
4 *3003)) a briefing on all aspects of the Program, including*  
5 *on the status of—*

6 *(1) the implementation of this section;*

7 *(2) the implementation of other congressional di-*  
8 *rectives relating to the Program; and*

9 *(3) any direction and oversight of the Program*  
10 *exercised by the Commander of Naval Air Systems*  
11 *Command, the Secretary of the Navy, or the Under*  
12 *Secretary of the Navy.*

13 *(e) STRATEGIC RELATIONSHIP.—The program man-*  
14 *ager for the Program shall evaluate the feasibility and ad-*  
15 *visability of establishing a strategic relationship with the*  
16 *Naval Research Laboratory pursuant to which the Labora-*  
17 *tory provides scientific and technical assistance and sup-*  
18 *port for the Program.*

19 *(f) USE OF ASSETS.—The Commander of Naval Air*  
20 *Systems Command shall take all actions the Commander*  
21 *considers reasonable—*

22 *(1) to enable the Program to use assets controlled*  
23 *within the Naval Air Systems Command enterprise,*  
24 *including sensor systems and platforms; and*

1           (2) *to pursue the use of other assets that may*  
2           *further the mission of the Program.*

3           (g) *TERMINATION.*—*This section shall have no force or*  
4           *effect after September 30, 2027.*

5   **SEC. 219. QUANTIFIABLE ASSURANCE CAPABILITY FOR SE-**  
6                                   **CURITY OF MICROELECTRONICS.**

7           (a) *DEVELOPMENT AND IMPLEMENTATION OF CAPA-*  
8           *BILITY.*—*The Secretary of Defense shall develop and imple-*  
9           *ment a capability for quantifiable assurance to achieve*  
10           *practical, affordable, and risk-based objectives for security*  
11           *of microelectronics to enable the Department of Defense to*  
12           *access and apply state-of-the-art microelectronics for mili-*

14           (b) *ESTABLISHMENT OF REQUIREMENTS AND SCHED-*  
15           *ULE OF SUPPORT FOR DEVELOPMENT, TEST, AND ASSESS-*  
16           *MENT.*—

17           (1) *IN GENERAL.*—*Not later than 90 days after*  
18           *the date of the enactment of this Act, the Deputy Sec-*  
19           *retary of Defense shall, in consultation with the*  
20           *Under Secretary of Defense for Research and Engi-*  
21           *neering, establish requirements and a schedule for*  
22           *support from the National Security Agency to de-*  
23           *velop, test, assess, implement, and improve the capa-*  
24           *bility required by subsection (a).*

1           (2) *NATIONAL SECURITY AGENCY.*—*The Director*  
2           *of the National Security Agency shall take such ac-*  
3           *tions as may be necessary to satisfy the requirements*  
4           *established under paragraph (1).*

5           (3) *BRIEFING.*—*Not later than 120 days after*  
6           *the date of the enactment of this Act, the Under Sec-*  
7           *retary of Defense for Research and Engineering and*

25           *dated April 28, 2022.*

1           (2) *CONTENTS.*—*The report required under*  
2 *paragraph (1) shall include the following:*

3           (A) *With respect to the recommendations*  
4 *and subrecommendations set forth in the publi-*  
5 *cation described in paragraph (1)—*

6           (i) *a description of each recommenda-*  
7 *tion and subrecommendation the Secretary*  
8 *has implemented as of the date of the report;*

9           (ii) *a description of each recommenda-*  
10 *tion and subrecommendation the Secretary*  
11 *has commenced implementing as of the date*  
12 *of the report, including a justification for*  
13 *determining to commence implementing the*  
14 *recommendation; and*

15           (iii) *a description of each recommenda-*  
16 *tion and subrecommendation the Secretary*  
17 *has not implemented or commenced imple-*  
18 *menting as of the date of the report and a*  
19 *determination as to whether or not to im-*

21           (B) *For each recommendation or sub-*  
22 *recommendation the Secretary determines to im-*  
23 *plement under subparagraph (A)(iii)—*

24           (i) *a timeline for implementation;*

1                   (ii) a description of any additional re-  
2                   sources or authorities required for imple-  
3                   mentation; and

4                   (iii) the plan for implementation.

5                   (C) For each recommendation or sub-  
6                   recommendation the Secretary determines not to  
7                   implement under subparagraph (A)(iii), a jus-  
8                   tification for the determination not to implement  
9                   the recommendation.

10                  (3) *FORMAT.*—The report required under para-  
11                  graph (1) shall be submitted in unclassified form, but  
12                  may include a classified annex.

13                  (b) *PROGRAM TO IMPLEMENT REPORT RECOMMENDA-*  
14                  *TIONS AND SUBRECOMMENDATIONS.*—

15                   (1) *PROGRAM REQUIRED.*—The Secretary of De-  
16                   fense shall establish and carry out a program (re-  
17                   ferred to in this subsection as the “Program”) under  
18                   which the Secretary carries out activities to increase  
19                   the capacity of eligible institutions to achieve very  
20                   high research activity status.

21                   (2) *CONSIDERATIONS.*—In establishing the Pro-  
22                   gram the Secretary shall consider—

23                   (A) the recommendations and sub-  
24                   recommendations to be implemented under sub-  
25                   section (a);

1           (B) *the extent of nascent research capabilities*  
2           *and planned research capabilities at eligible*  
3           *institutions and the relevance of those capabilities*  
4           *to research areas of interest to the Department*  
5           *of Defense;*

6           (C) *recommendations from previous studies*  
7           *for increasing the level of research activity at eligible*  
8           *institutions to very high research activity*  
9           *status, including measurable milestones such as*  
10          *growth in very high research activity status indicators*  
11          *and other relevant factors;*

12          (D) *how institutions participating in the*  
13          *Program will evaluate and assess progress toward*  
14          *achieving very high research activity status;*  
15          *tus;*

16          (E) *how such institutions will sustain an*  
17          *increased level of research activity after the Program*  
18          *terminates; and*

19          (F) *reporting requirements for institutions*  
20          *participating in the Program.*

21          (3) *CONSULTATION.*—*In designing the Program,*  
22          *the Secretary may consult with the President’s Board*  
23          *of Advisors on historically Black colleges and universities.*  
24          *sities.*

25          (4) *PROGRAM ACTIVITIES.*—

1           (A) *ACTIVITIES.*—Under the Program, the  
2           Secretary shall carry out activities to build the  
3           capacity of eligible institutions to achieve very  
4           high research activity status, which may in-  
5           clude—

6                   (i) activities to support—

7                           (I) faculty professional develop-  
8                           ment;

9                           (II) stipends for undergraduate  
10                          and graduate students and post-doc-  
11                          toral scholars;

12                          (III) recruitment and retention of  
13                          faculty and graduate students;

14                          (IV) the provision of laboratory  
15                          equipment and instrumentation;

16                          (V) communication and dissemi-  
17                          nation of research products produced  
18                          during the Program;

19                          (VI) construction, modernization,  
20                          rehabilitation, or retrofitting of facili-  
21                          ties for research purposes; and

22                          (ii) such other activities as the Sec-  
23                          retary determines appropriate.

24           (B) *IDENTIFICATION OF PRIORITY AREAS.*—

25           The Secretary shall establish and update, on an

1           *annual basis, a list of research priorities for*  
2           *STEM and critical technologies appropriate for*  
3           *the Program to assist eligible institutions in*  
4           *identifying appropriate areas for research and*  
5           *related activities.*

6           (5) *TERMINATION.*—*The Program shall termi-*  
7           *nate 10 years after the date on which the Secretary*  
8           *commences the Program.*

9           (6) *EVALUATION.*—*Not later than two years after*  
10          *the date of the enactment of this Act and every two*  
11          *years thereafter until the date on which the Program*  
12          *terminates under paragraph (5), the Secretary shall*  
13          *submit to the Committees on Armed Services of the*  
14          *Senate and the House of Representatives a report pro-*  
15          *viding an update on the Program, including—*

16                 (A) *a description of the activities carried*  
17                 *out under the Program;*

18                 (B) *an analysis of any growth in very high*  
19                 *research activity status indicators of eligible in-*  
20                 *stitutions that participated in the Program; and*

21                 (C) *emerging research areas of interest to*  
22                 *the Department of Defense that are being pur-*  
23                 *sued by such institutions.*

24           (7) *REPORT TO CONGRESS.*—*Not later than 180*  
25          *days after the date on which the program terminates*

1 *under paragraph (5), the Secretary shall submit to*  
2 *the Committees on Armed Services of the Senate and*  
3 *the House of Representatives a report on the Program*  
4 *that includes the following:*

5 *(A) An analysis of the growth in very high*  
6 *research activity status indicators of eligible in-*  
7 *stitutions that participated in the Program.*

8 *(B) An evaluation on the effectiveness of the*  
9 *Program in increasing the research capacity of*  
10 *such institutions.*

11 *(C) An explanation of how institutions that*  
12 *achieved very high research activity status plan*  
13 *to sustain that status after the termination of the*  
14 *Program.*

15 *(D) An evaluation of the maintenance of*  
16 *very high research status by eligible institutions*  
17 *that participated in the Program.*

18 *(E) An evaluation of the effectiveness of the*  
19 *Program in increasing the diversity of students*  
20 *conducting high quality research in unique*  
21 *areas.*

9 (a) *ESTABLISHMENT.—*

10 (1) *IN GENERAL.—The Secretary of Defense may*  
11 *establish and carry out a pilot program to assess the*  
12 *feasibility and advisability of providing support to*  
13 *battery producers—*

14 (A) *to facilitate the research and develop-*  
15 *ment of safe and secure battery technologies for*  
16 *existing and new or novel battery chemistry con-*  
17 *figurations, including through the research and*  
18 *development of new or updated manufacturing*  
19 *processes and technologies;*

20 (B) *to assess commercial battery offerings*  
21 *within the marketplace for viability and utility*  
22 *for warfighter applications; and*

23 (C) *to transition battery technologies, in-*  
24 *cluding technologies developed under other pilot*  
25 *programs, prototype projects, or other research*

1           *and development programs, from the prototyping*  
2           *phase to manufacturing production.*

3           (2) *DESIGNATION.*—*The pilot program estab-*  
4           *lished under paragraph (1) shall be known as the*  
5           *“Warfighter Electric Battery Transition Project” (re-*  
6           *ferred to in this section as the “Project”).*

7           (3) *ADMINISTRATION.*—*The Under Secretary of*  
8           *Defense for Research and Engineering shall admin-*  
9           *ister the Project.*

10          (b) *GRANTS, CONTRACTS, AND OTHER AGREE-*  
11          *MENTS.*—*The Secretary of Defense may carry out the*  
12          *Project through the award of support, as described in sub-*  
13          *section (a)(1), in the form of grants to, or contracts or other*  
14          *agreements with, battery producers.*

15          (c) *COORDINATION.*—*The Secretary of Defense shall*  
16          *ensure that activities under the Project are coordinated with*  
17          *the Strategic Environmental Research and Development*  
18          *Program under section 2901 of title 10, United States Code.*

19          (d) *USE OF GRANT AND CONTRACT AMOUNTS.*—*A bat-*  
20          *tery producer who receives a grant, contract, or other agree-*  
21          *ment under the Project may use the amount of the grant,*  
22          *contract, or other agreement to carry out one or more of*  
23          *the following activities:*

1           (1) *Conducting research and development to vali-*  
2           *date new or novel battery chemistry configurations,*  
3           *including through—*

4                     (A) *experimentation;*

5                     (B) *prototyping;*

6                     (C) *testing;*

7                     (D) *adapting battery technology to integrate*  
8           *with other technologies and systems; or*

9                     (E) *addressing manufacturing or other pro-*  
10           *duction challenges.*

11           (2) *Providing commercially available battery*  
12           *technologies to each Secretary of a military depart-*  
13           *ment and the commanders of the combatant com-*  
14           *mands to support utility assessments or other testing*  
15           *by warfighters.*

16           (3) *Expanding, validating, or assessing battery*  
17           *recycling capabilities that may provide operational*  
18           *utility to the Department of Defense.*

19           (4) *Building and strengthening relationships of*  
20           *the Department of Defense with nontraditional de-*  
21           *fense contractors in the technology industry that may*  
22           *have unused or underused solutions to specific oper-*  
23           *ational challenges of the Department relating to bat-*  
24           *tery technology.*

1       (e) *PRIORITY OF AWARDS.*—*In awarding grants, con-*  
2 *tracts, or other agreements under the Project, the Secretary*  
3 *shall give preference to battery producers that meet one or*  
4 *more of the following criteria:*

5           (1) *The producer manufactures, designs, or devel-*  
6 *ops battery cells, packs, modules, or other related ca-*  
7 *capabilities in the United States.*

8           (2) *The producer manufactures, designs, or devel-*  
9 *ops battery cells, packs, modules, or other related ca-*  
10 *capabilities in the national technology and industrial*  
11 *base (as defined in section 4801 of title 10, United*  
12 *States Code).*

13          (3) *The technology made available by the pro-*  
14 *ducer provides modularity to support diverse applica-*  
15 *tions.*

16          (4) *The technology made available by the pro-*  
17 *ducer facilitates safety in tactical and combat appli-*  
18 *cations by using battery chemistries and configura-*  
19 *tions that reduce thermal runaway and minimize ox-*  
20 *ygen liberation.*

21          (5) *The producer demonstrates new or novel bat-*  
22 *tery chemistry configurations, safety characteristics,*  
23 *or form-factor configurations.*

1           (6) *The producer facilitates the domestic supply*  
2 *chain for raw materials needed for battery produc-*  
3 *tion.*

4           (7) *The producer offers battery-related commer-*  
5 *cial products or commercial services.*

6 (f) *PLANNING, REPORTING AND DATA COLLECTION.—*

7           (1) *PLAN REQUIRED BEFORE IMPLEMENTA-*  
8 *TION.—*

9           (A) *IN GENERAL.—The Secretary of Defense*  
10 *may not commence the Project until the Sec-*  
11 *retary has completed a plan for the implementa-*  
12 *tion of the Project.*

13           (B) *ELEMENTS.—The plan under subpara-*  
14 *graph (A) shall provide for—*

15                   (i) *collecting, analyzing, and retaining*  
16 *Project data;*

17                   (ii) *developing and sharing best prac-*  
18 *tices for achieving the objectives of the*  
19 *Project;*

20                   (iii) *identification of any policy or*  
21 *regulatory impediments inhibiting the exe-*  
22 *cution of the Project; and*

23                   (iv) *sharing results from the Project*  
24 *across the Department of Defense and with*

1           *other departments and agencies of the Fed-*  
2           *eral Government and Congress.*

3           (C) *SUBMITTAL TO CONGRESS.*—*Not later*  
4           *than 180 days after the date of the enactment of*  
5           *this Act, the Secretary of Defense shall submit to*  
6           *the congressional defense committees the imple-*  
7           *mentation plan developed under subparagraph*  
8           *(A).*

9           (2) *FINAL REPORT.*—*Not later than one year*  
10          *after the date on which the Project terminates under*  
11          *subsection (g), the Secretary of Defense shall submit*  
12          *to the congressional defense committees a final report*  
13          *on the results of the Project. Such report shall in-*  
14          *clude—*

15                 (A) *a summary of the objectives achieved by*  
16                 *the Project; and*

17                 (B) *recommendations regarding the steps*  
18                 *that may be taken to promote battery tech-*  
19                 *nologies that are not dependent on foreign com-*  
20                 *petitors to meet the needs of the Armed Forces.*

21          (g) *TERMINATION.*—*The authority to carry out the*  
22          *Project shall terminate on December 31, 2028.*

1 **SEC. 233. PLAN FOR INVESTMENTS TO SUPPORT THE DE-**  
2 **VELOPMENT OF NOVEL PROCESSING AP-**  
3 **PROACHES FOR DEFENSE APPLICATIONS.**

4 (a) *INVESTMENT PLANS REQUIRED.*—Not later than  
5 November 1, 2023, and not less frequently than once every  
6 three years thereafter until December 31, 2035, the Sec-  
7 retary of Defense shall submit to the congressional defense  
8 committees a plan for making investments to support the  
9 development of novel processing approaches for defense ap-  
10 plications.

11 (b) *ELEMENTS.*—Each investment plan required by  
12 subsection (a) shall—

13 (1) *identify any investments the Secretary has*  
14 *made, and any future investments the Secretary in-*  
15 *tends to make, in research and technology develop-*  
16 *ment to support the use and fielding of novel proc-*  
17 *essing approaches for defense applications;*

18 (2) *identify any investments the Secretary has*  
19 *made, and any future investments the Secretary in-*  
20 *tends to make, to accelerate the development of novel*  
21 *processing approaches for defense applications, in-*  
22 *cluding investments in—*

23 (A) *personnel and workforce capabilities;*

24 (B) *facilities and infrastructure to host sys-*  
25 *tems utilizing novel processing approaches;*

1           (C) algorithm developments necessary to ex-  
2           pand the functionality of each novel processing  
3           approach;

4           (D) other Federal agencies and federally  
5           funded laboratories; and

6           (E) appropriate international and commer-  
7           cial sector organizations and activities;

8           (3) describe mechanisms to coordinate and lever-  
9           age investments in novel processing approaches with-  
10          in the Department and with non-Federal partners;

11          (4) describe the technical goals to be achieved  
12          and capabilities to be developed under the plan; and

13          (5) include recommendations for such legislative  
14          or administration actions as may support the effec-  
15          tive execution of the investment plan.

16          (c) *FORM.*—Each plan submitted under subsection (a)  
17          shall be submitted in such form as the Secretary considers  
18          appropriate, which may include classified, unclassified,  
19          and publicly releasable formats.

20          (d) *NOVEL PROCESSING APPROACHES DEFINED.*—In  
21          this section, the term “novel processing approaches”  
22          means—

23               (1) emerging techniques in computation, such as  
24               biocomputing, exascale computing, utility scale quan-  
25               tum computing; and

1           (2) *associated algorithm and hardware develop-*  
2           *ment needed to implement such techniques.*

3 **SEC. 234. PLANS TO ACCELERATE THE TRANSITION TO 5G**  
4                   **INFORMATION AND COMMUNICATIONS TECH-**  
5                   **NOLOGY WITHIN THE MILITARY DEPART-**  
6                   **MENTS.**

7           (a) *THREE-YEAR TRANSITION PLAN REQUIRED.—*

8                   (1) *IN GENERAL.—Not later than 120 days after*  
9                   *the date of the enactment of this Act, each Assistant*  
10                   *Secretary concerned shall develop and submit to the*  
11                   *congressional defense committees a plan that speci-*  
12                   *fies—*

13                           (A) *the extent to which fifth generation in-*  
14                           *formation and communications technology (5G)*  
15                           *infrastructure is expected to be implemented in*  
16                           *the military department of the Assistant Sec-*  
17                           *retary by the end of the three-year period fol-*  
18                           *lowing the date of the enactment of this Act; and*

19                           (B) *how the implementation of such tech-*  
20                           *nology is expected to be achieved during such pe-*  
21                           *riod.*

22                   (2) *ELEMENTS.—Each plan required under*  
23                   *paragraph (1) shall include—*

24                           (A) *an operational needs assessment that*  
25                           *identifies the highest priority areas in which the*

1        *Assistant Secretary intends to implement fifth*  
2        *generation information and communications*  
3        *technologies during the three-year period de-*  
4        *scribed in paragraph (1);*

5                *(B) an explanation of—*

6                    *(i) whether and to what extent the As-*  
7                    *stant Secretary intends to use an open*  
8                    *radio access network approach in imple-*  
9                    *menting fifth generation information and*  
10                   *communications technologies in the areas*  
11                   *identified under subparagraph (A); and*

12                   *(ii) if the Assistant Secretary does not*  
13                   *intend to use such an open radio access net-*  
14                   *work approach, an explanation of the rea-*  
15                   *sons for such determination;*

16                *(C) an investment plan that includes fund-*  
17        *ing estimates, by fiscal year and appropriation*  
18        *account, to accelerate—*

19                   *(i) the maturation and acquisition of*  
20                   *fifth generation information and commu-*  
21                   *nications capabilities that use the open*  
22                   *radio access network approach; and*

23                   *(ii) the deployment of such capabilities*  
24                   *in the facilities and systems of the military*  
25                   *department concerned;*

1           (D) metrics and reporting mechanisms to  
2           ensure progress in achieving the objectives of the  
3           plan within the three-year period described in  
4           paragraph (1);

5           (E) identification and designation of a sin-  
6           gle point of contact at each military installation  
7           and within each armed force under the jurisdic-  
8           tion of the military department concerned to fa-  
9           cilitate the deployment of fifth generation infor-  
10          mation and communications technologies;

11          (F) actions the Assistant Secretary intends  
12          to carry out to streamline the process for estab-  
13          lishing fifth generation wireless coverage at mili-  
14          tary installations, including actions to reduce  
15          delays caused by policies and processes relating  
16          to contracting, communications, and the use of  
17          real property;

18          (G) identification of investments that are  
19          required to support the transition to fifth genera-  
20          tion information and communications technology  
21          that uses an open radio access network approach;  
22          and

23          (H) such other matters as the Assistant Sec-  
24          retary considers appropriate.

1           (3) *COORDINATION.*—*In developing the plans re-*  
2           *quired under paragraph (1), each Assistant Secretary*  
3           *concerned shall coordinate with—*

4                   (A) *the Chief Information Officer of the De-*  
5                   *partment of Defense;*

6                   (B) *and the Under Secretary of Defense for*  
7                   *Acquisition and Sustainment; and*

8                   (C) *the Under Secretary of Defense for Re-*  
9                   *search and Engineering.*

10           (4) *FORM OF PLAN.*—*Each plan required under*  
11           *paragraph (1) shall be submitted in unclassified form.*

12           (b) *CROSS-FUNCTIONAL TEAM ASSESSMENT.*—

13                   (1) *ASSESSMENT AND BRIEFING REQUIRED.*—  
14           *After all of the plans required by subsection (a)(1)*  
15           *have been submitted in accordance with such sub-*  
16           *section and not later than 150 days after the date of*  
17           *the enactment of this Act, the cross-functional team*  
18           *established pursuant to section 224(c)(1) of the Wil-*  
19           *liam M. (Mac) Thornberry National Defense Author-*  
20           *ization Act for Fiscal Year 2021 (Public Law 116–*  
21           *283; 10 U.S.C. 4571 note) shall assess such plans and*  
22           *provide to the congressional defense committees a*  
23           *briefing on the findings of the team with respect to*  
24           *such assessment.*

1           (2) *ELEMENTS.*—*The briefing provided under*  
2 *paragraph (1) shall include the following:*

3           (A) *Recommendations to further accelerate*  
4 *the deployment of fifth-generation information*  
5 *and communications technologies that use the*  
6 *open radio access network approach across the*  
7 *Department of Defense.*

8           (B) *Recommendations to standardize and*  
9 *streamline the process for establishing fifth gen-*  
10 *eration wireless coverage at military installa-*  
11 *tions, including recommendations for reducing*  
12 *delays caused by policies and processes relating*  
13 *to contracting, communications, and the use of*  
14 *real property.*

15           (C) *A plan for the inclusion of representa-*  
16 *tives of the Department of Defense in inter-*  
17 *national wireless standards-setting bodies.*

18           (D) *Such other matters as the cross-func-*  
19 *tional team described in paragraph (1) considers*  
20 *appropriate.*

21       (c) *DEFINITIONS.*—*In this section:*

22           (1) *The term “Assistant Secretary concerned”*  
23 *means—*

24           (A) *the Assistant Secretary of the Army for*  
25 *Acquisition, Logistics, and Technology, with re-*

1           *spect to matters concerning the Department of*  
2           *the Army;*

3                     *(B) the Assistant Secretary of the Navy for*  
4           *Research, Development, and Acquisition, with re-*  
5           *spect to matters concerning the Department of*  
6           *the Navy; and*

7                     *(C) the Assistant Secretary of the Air Force*  
8           *for Acquisition, Technology, and Logistics, with*  
9           *respect to matters concerning the Department of*  
10          *the Air Force.*

11                    *(2) The term “open radio access network ap-*  
12          *proach” means an approach to networking, such as*  
13          *the Open Radio Access Network (commonly known as*  
14          *“Open RAN”), that uses open protocols and interfaces*  
15          *within a network so that components provided by dif-*  
16          *ferent vendors can be interoperable.*

17 **SEC. 235. PLAN FOR DEFENSE ADVANCED RESEARCH**  
18                            **PROJECTS AGENCY INNOVATION FELLOW-**  
19                            **SHIP PROGRAM.**

20                    *(a) IN GENERAL.—The Director of the Defense Ad-*  
21          *vanced Research Projects Agency shall develop a plan for*  
22          *the establishment of a fellowship program (to be known as*  
23          *the “Innovation Fellowship Program”) to expand opportu-*  
24          *nities for early career scientists to participate in the pro-*  
25          *grams, projects, and other activities of the Agency.*

1       (b) *ELEMENTS.*—*In developing the plan under sub-*  
2 *section (a), the Director of the Defense Advanced Research*  
3 *Projects Agency shall—*

4           (1) *review the types of programs, projects, and*  
5 *other activities of the Agency that may be open to*  
6 *participation from early career scientists to identify*  
7 *opportunities for the expansion of such participation;*

8           (2) *identify criteria for evaluating applicants to*  
9 *the fellowship program described in subsection (a);*

10          (3) *establish detailed plans for the implementa-*  
11 *tion of the fellowship program;*

12          (4) *conduct an assessment of the potential costs*  
13 *of the fellowship program;*

14          (5) *define eligibility requirements for partici-*  
15 *pants in the fellowship program; and*

16          (6) *address such other matters as the Director*  
17 *determines appropriate.*

18       (c) *SUBMITTAL TO CONGRESS.*—*Not later than 180*  
19 *days after the date of the enactment of this Act, the Director*  
20 *of the Defense Advanced Research Projects Agency shall sub-*  
21 *mit to the congressional defense committee a report that in-*  
22 *cludes—*

23           (1) *the plan developed under subsection (a); and*

1           (2) *recommendations for expanding opportuni-*  
2           *ties for early career scientists to participate in the*  
3           *programs, projects, and other activities of the Agency.*

4           (d) *EARLY CAREER SCIENTIST DEFINED.*—*The term*  
5           *“early career scientist” means a scientist who is in an early*  
6           *stage of career development according to criteria determined*  
7           *by the Director of the Defense Advanced Research Projects*  
8           *Agency for purposes of this section.*

9           **SEC. 236. STRATEGY AND PLAN FOR FOSTERING AND**  
10                           **STRENGTHENING THE DEFENSE INNOVATION**  
11                           **ECOSYSTEM.**

12           (a) *STRATEGY AND IMPLEMENTATION PLAN RE-*  
13           *QUIRED.*—*Not later than 180 days after the date of the en-*  
14           *actment of this Act, the Secretary of Defense, acting through*  
15           *the Under Secretary of Defense for Research and Engineer-*  
16           *ing, shall develop—*

17                   (1) *a strategy fostering and strengthening the de-*  
18                   *fense innovation ecosystem; and*

19                   (2) *a plan for implementing such strategy.*

20           (b) *PURPOSES.*—

21                   (1) *STRATEGY.*—*The purpose of the strategy re-*  
22                   *quired by subsection (a)(1) is to provide a framework*  
23                   *for identifying, assessing, and tracking innovation*  
24                   *ecosystems that are beneficial to advancing the de-*

1 *fense, national security, and warfighting missions of*  
2 *the Department of Defense.*

3 (2) *IMPLEMENTATION PLAN.—The purpose of the*  
4 *implementation plan required by subsection (a)(2) is*  
5 *to provide—*

6 (A) *concrete steps and measures of effective-*  
7 *ness to gauge the effect of the innovation eco-*  
8 *systems described in paragraph (1) on the De-*  
9 *partment; and*

10 (B) *a means for assessing the effectiveness of*  
11 *the strategy developed under subsection (a)(1),*  
12 *including the approaches taken by the Depart-*  
13 *ment to grow, foster, and sustain such innova-*  
14 *tion ecosystems.*

15 (c) *ELEMENTS.—The strategy and the implementation*  
16 *plan required by subsection (a) shall include the following*  
17 *elements:*

18 (1) *A process for defining, assessing, and select-*  
19 *ing innovation ecosystems with potential to provide*  
20 *benefit to the Department of Defense.*

21 (2) *Metrics for measuring the performance and*

10 *congressional defense committees.*

11 (g) *DEFINITIONS.*—*In this section:*

12 (1) *The term “Department of Defense research,*  
13 *development, test, and evaluation assets” includes the*  
14 *following:*

15 (A) *The Department of Defense science and*  
16 *technology reinvention laboratories designated*  
17 *under section 4121 of title 10, United States*  
18 *Code.*

19 (B) *The Major Range and Test Facility*  
20 *Base (as defined in section 4173(i) of such title).*

21 (C) *Department of Defense sponsored manu-*  
22 *facturing innovation institutes.*

23 (D) *The organic industrial base.*

24 (E) *Defense Agencies and Department of*  
25 *Defense Field Activities (as defined in section*

1           101(a) of title 10, United States Code) that  
2           carry out activities using funds appropriated for  
3           research, development, test, and evaluation.

4           (F) Any other organization or element of  
5           the Department of Defense that carries out ac-  
6           tivities using funds appropriated for research,  
7           development, test, and evaluation.

8           (2) The term “innovation ecosystem” refers to a  
9           regionally based network of private sector, academic,  
10          and government institutions in a network of formal  
11          and informal institutional relationships that con-  
12          tribute to technological and economic development in  
13          a defined technology sector or sectors.

14 **SEC. 237. ASSESSMENT AND STRATEGY RELATING TO**  
15                           **HYPERSONIC TESTING CAPACITY OF THE DE-**  
16                           **PARTMENT OF DEFENSE.**

17          (a) *ASSESSMENT.*—The Secretary of Defense shall as-  
18          sess the capacity of the Department of Defense to test, evalu-  
19          ate, and qualify the hypersonic capabilities and related  
20          technologies of the Department.

21          (b) *ELEMENTS.*—The assessment under subsection (a)  
22          shall include the following:

23                  (1) An assumption, for purposes of evaluating  
24                  the capacity described in subsection (a), that the De-  
25                  partment of Defense will conduct at least one full-

1 *scale, operationally relevant, live-fire, hypersonic*  
2 *weapon test of each hypersonic weapon system that is*  
3 *under development each year by each of the Air Force,*  
4 *the Army, and the Navy, once such system reaches*  
5 *initial operational capability.*

6 (2) *An identification of test facilities outside the*  
7 *Department of Defense that have potential to be used*  
8 *to expand the capacity described in subsection (a), in-*  
9 *cluding test facilities of other departments and agen-*  
10 *cies of the Federal Government, academia, and com-*  
11 *mercial test facilities.*

12 (3) *An analysis of the capability of each test fa-*  
13 *cility identified under paragraph (2) to simulate var-*  
14 *ious individual and coupled hypersonic conditions to*  
15 *accurately simulate a realistic flight-like environment*  
16 *with all relevant aero-thermochemical conditions.*

17 (4) *An identification of the coordination, sched-*  
18 *uling, reimbursement processes, and requirements*  
19 *needed for the potential use of test facilities of other*  
20 *departments and agencies of the Federal Government,*  
21 *as available.*

22 (5) *An analysis of the test frequency, scheduling*  
23 *lead time, test cost, and capacity of each test facility*  
24 *identified under paragraph (2).*

1           (6) *A review of test facilities identified under*  
2           *paragraph (2) that could enhance efforts to test flight*  
3           *vehicles of the Department in all phases of hypersonic*  
4           *flight, and other technologies, including sensors, com-*  
5           *munications, thermal protective shields and mate-*  
6           *rials, optical windows, navigation, and environ-*  
7           *mental sensors.*

8           (7) *An assessment of any cost savings and time*  
9           *savings that could result from using technologies iden-*  
10          *tified in the strategy under subsection (c).*

11          (c) *STRATEGY.—*

12           (1) *REQUIREMENT.—Not later than 180 days*  
13          *after the date of the enactment of this Act, the Sec-*  
14          *retary of Defense shall submit to the appropriate con-*  
15          *gressional committees a strategy to coordinate the po-*  
16          *tential use of test facilities and ranges identified*  
17          *under subsection (b)(2) to evaluate hypersonic tech-*  
18          *nologies.*

19           (2) *ELEMENTS.—The strategy under paragraph*  
20          *(1) shall—*

21                   (A) *be based on the assessment under sub-*  
22                   *section (a);*

23                   (B) *address how the Secretary will coordi-*  
24                   *nate with other departments and agencies of the*  
25                   *Federal Government, including the National Aer-*

1            *onautics and Space Administration, to plan for*  
2            *and schedule the potential use of other Federal*  
3            *Government-owned test facilities and ranges, as*  
4            *available, to evaluate the hypersonic technologies*  
5            *of the Department of Defense;*

6            *(C) to the extent practicable, address in*  
7            *what cases the Secretary can use test facilities*  
8            *identified under subsection (b)(2) to fill any ex-*  
9            *isting testing requirement gaps to enhance and*  
10           *accelerate flight qualification of critical*  
11           *hypersonic technologies of the Department;*

12           *(D) identify—*

13           *(i) the resources needed to improve the*  
14           *frequency and capacity for testing*  
15           *hypersonic technologies of the Department*  
16           *at ground-based test facilities and flight test*  
17           *ranges, including estimated costs for con-*  
18           *ducting at least one full-scale, operationally*  
19           *relevant, live-fire, hypersonic weapon test of*  
20           *each hypersonic weapon system that is*  
21           *under development each year by each of the*  
22           *Air Force, the Army, and the Navy, once*  
23           *such system reaches initial operational ca-*  
24           *pability;*

1           (ii) the resources needed to reimburse  
2 other departments and agencies of the Fed-  
3 eral Government for the use of the test fa-  
4 cilities and ranges of those departments or  
5 agencies to test the hypersonics technologies  
6 of the Department;

7           (iii) the requirements, approval proc-  
8 esses, and resources needed to enhance, as  
9 appropriate, the testing capabilities and ca-  
10 pacity of other Federal Government-owned  
11 test facilities and flight ranges, in coordina-  
12 tion with the heads of the relevant depart-  
13 ments and agencies;

14           (iv) investments that the Secretary can  
15 make to incorporate test facilities identified  
16 under subsection (b)(2) into the overall  
17 hypersonic test infrastructure of the Depart-  
18 ment of Defense; and

19           (v) the environmental conditions, test-  
20 ing sizes, and duration required for flight  
21 qualification of both hypersonic cruise and  
22 hypersonic boost-glide technologies of the  
23 Department; and

24           (E) address all advanced or emerging tech-  
25 nologies that could shorten timelines and reduce

1           *costs for hypersonic missile testing, including*  
2           *with respect to—*

3                     *(i) 3D printing of hypersonic test mis-*  
4                     *sile components including the frame, war-*  
5                     *head, and propulsion systems;*

6                     *(ii) reusable hypersonic test beds, in-*  
7                     *cluding air-launched, sea-launched, and*  
8                     *ground-launched options;*

9                     *(iii) additive manufacturing solutions;*

10                    *(iv) the potential use of airborne plat-*  
11                    *forms other than the B-52 aircraft to im-*  
12                    *prove flight schedules for such testing; and*

13                    *(v) other relevant technologies.*

14                    (3) *COORDINATION.*—*The Secretary of Defense*  
15                    *shall develop the strategy under paragraph (1) in co-*  
16                    *ordination with the Program Director of the Joint*  
17                    *Hypersonics Transition Office, the Administrator of*  
18                    *the National Aeronautics and Space Administration,*  
19                    *the research laboratories of the military departments,*  
20                    *and the Department of Defense Test Resource Man-*  
21                    *agement Center.*

22                    (d) *REPORT ON ESTIMATED COSTS OF CONDUCTING*  
23                    *A MINIMUM FREQUENCY OF HYPERSONIC WEAPONS TEST-*  
24                    *ING.*—*Not later than 180 days after the date of the enact-*  
25                    *ment of this Act, the Secretary of Defense shall submit to*

1 *the appropriate congressional committees a report that in-*  
2 *cludes an estimate of the costs of conducting at least one*  
3 *full-scale, operationally relevant, live-fire, hypersonic weap-*  
4 *on test of each hypersonic weapon system that is under de-*  
5 *velopment each year by each of the Air Force, the Army,*  
6 *and the Navy, once such system reaches initial operational*  
7 *capability.*

8       *(e) APPROPRIATE CONGRESSIONAL COMMITTEES DE-*  
9 *FINED.—The term “appropriate congressional committees”*  
10 *means the following:*

11               *(1) The congressional defense committees.*

12               *(2) The Committee on Science, Space, and Tech-*  
13 *nology of the House of Representatives and the Com-*  
14 *mittee on Commerce, Science, and Transportation of*  
15 *the Senate.*

16 **SEC. 238. ANNUAL REPORT ON STUDIES AND REPORTS OF**  
17 **FEDERALLY FUNDED RESEARCH AND DEVEL-**  
18 **OPMENT CENTERS.**

19       *(a) ANNUAL REPORT REQUIRED.—On an annual*  
20 *basis, the Secretary of Defense shall submit to the Commit-*  
21 *tees on Armed Services of the Senate and the House of Rep-*  
22 *resentatives a report that identifies and provides informa-*  
23 *tion about the studies and reports undertaken for the De-*  
24 *partment of Defense by federally funded research and devel-*  
25 *opment centers.*

1       (b) *ELEMENTS.*—Each report submitted under sub-  
2 section (a) shall set forth the following:

3           (1) A list identifying each study and report un-  
4 dertaken by a federally funded research center for the  
5 Department of Defense—

6           (A) that has been completed during the pe-  
7 riod covered by the report under subsection (a);  
8 or

9           (B) that is in progress as of the date of the  
10 report under subsection (a).

11          (2) For each study and report listed under para-  
12 graph (1), the following:

13           (A) The title of the study or report.

14           (B) The federally funded research and devel-  
15 opment center undertaking the study or report.

16           (C) The amount of funding provided to the  
17 federally funded research and development center  
18 under the contract or other agreement pursuant  
19 to which the study or report is being produced  
20 or conducted.

21           (D) The completion date or anticipated  
22 completion date of the study or report.

23       (c) *EXCEPTIONS.*—The report required by subsection  
24 (a) shall not apply to the following:

25           (1) Classified reports or studies.

1 *mittees a report on the recommendations set forth in the*  
2 *publication of the National Academies of Sciences, Engi-*  
3 *neering, and Medicine titled “Consensus Study Report:*  
4 *U.S. Army Futures Command Research Program Realign-*  
5 *ment” and dated April 23, 2022.*

6 (b) *CONTENTS.—The report submitted under sub-*  
7 *section (a) shall include the following:*

8 (1) *A description of each recommendation de-*  
9 *scribed in such subsection that has already been im-*  
10 *plemented.*

11 (2) *A description of each recommendation de-*  
12 *scribed in such subsection that the Secretary has com-*  
13 *menced implementing, including a justification for*  
14 *determining to commence implementing the rec-*  
15 *ommendation.*

16 (3) *A description of each recommendation de-*  
17 *scribed in such subsection that the Secretary has not*  
18 *implemented or commenced implementing and a de-*  
19 *termination as to whether or not to implement the*  
20 *recommendation.*

21 (4) *For each recommendation under paragraph*  
22 *(3) the Secretary determines to implement, the fol-*  
23 *lowing:*

24 (A) *A timeline for implementation.*

1                   (B) *A description of any additional re-*  
2                   *sources or authorities required for implementa-*  
3                   *tion.*

4                   (C) *The plan for implementation.*

5                   (5) *For each recommendation under paragraph*  
6                   *(3) the Secretary determines not to implement, a jus-*  
7                   *tification for the determination not to implement.*

8                   (c) *FORMAT.—The report required by subsection (a)*  
9                   *shall be submitted in unclassified form, but may include*  
10                  *a classified annex.*

11   **SEC. 240. REPORT ON POTENTIAL FOR INCREASED UTILIZA-**  
12                   **TION OF THE ELECTRONIC PROVING**  
13                   **GROUNDS TESTING RANGE.**

14                  (a) *REPORT REQUIRED.—Not later than 180 days*  
15                  *after the date of the enactment of this Act, the Secretary*  
16                  *of Defense, acting through the Chair of the Electronic War-*  
17                  *fare Executive Committee of the Department of Defense,*  
18                  *shall submit to the congressional defense committees a re-*  
19                  *port on the Electronic Proving Grounds testing range lo-*  
20                  *cated at Fort Huachuca, Arizona.*

21                  (b) *ELEMENTS.—The report under subsection (a) shall*  
22                  *address—*

23                         (1) *the amount and types of testing activities*  
24                         *conducted at the Electronic Proving Grounds testing*  
25                         *range;*

1           (2) *any shortfalls in the facilities and equipment*  
2           *of the range;*

3           (3) *the capacity of the range to be used for addi-*  
4           *tional testing activities;*

5           (4) *the possibility of using the range for the test-*  
6           *ing activities of other Armed Forces, Federal agencies,*  
7           *and private-sector entities in the United States;*

8           (5) *the capacity of the range to be used for real-*  
9           *istic electronic warfare training;*

10          (6) *electronic warfare training shortfalls at do-*  
11          *mestic military installations generally; and*

12          (7) *the feasibility and advisability of providing*  
13          *a dedicated training area for electronic warfare capa-*  
14          *bilities.*

15          (c) *CONSULTATION.—In preparing the report under*  
16          *subsection (a), the Chair of the Electronic Warfare Execu-*  
17          *tive Committee shall consult with the following:*

18               (1) *The Under Secretary of Defense for Research*  
19               *and Engineering.*

20               (2) *The Chief Information Officer of the Depart-*  
21               *ment of Defense.*

22               (3) *The Director of Operational Test and Eval-*  
23               *uation of the Department of Defense.*

24               (4) *The Commander of the United States Stra-*  
25               *tegic Command.*

1           (5) *The Secretary of the Army.*

2           (6) *The Electromagnetic Spectrum Operations*  
3           *Cross-Functional Team established pursuant to sec-*  
4           *tion 911(c) of the National Defense Authorization Act*  
5           *for Fiscal Year 2017 (Public Law 114–328; 10 U.S.C.*  
6           *111 note).*

8           *erra Vista, Arizona.*

9   **SEC. 241. STUDY ON COSTS ASSOCIATED WITH UNDERPER-**  
10           **FORMING SOFTWARE AND INFORMATION**  
11           **TECHNOLOGY.**

12           (a) *STUDY REQUIRED.*—*The Secretary of Defense shall*  
13           *seek to enter into a contract or other agreement with an*  
14           *eligible entity to conduct an independent study on the chal-*  
15           *lenges associated with the use of software and information*  
16           *technology in the Department of Defense, the effects of such*  
17           *challenges, and potential solutions to such challenges.*

18           (b) *ELEMENTS.*—*The independent study conducted*  
19           *under subsection (a) shall include the following:*

20                   (1) *A survey of members of each Armed Force*  
21                   *under the jurisdiction of a Secretary of a military de-*  
22                   *partment to identify the most important software and*  
23                   *information technology challenges that result in lost*  
24                   *working hours, including—*

1           (A) *an estimate of the number of working*  
2           *hours lost due to each challenge and the cost of*  
3           *such lost working hours;*

4           (B) *the effects of each challenge on service-*  
5           *member and employee retention; and*

6           (C) *any negative effects of each challenge on*  
7           *a mission of the Armed Force or military de-*  
8           *partment concerned.*

9           (2) *A summary of the policy or technical chal-*  
10          *lenges that limit the ability of each Secretary of a*  
11          *military department to implement needed software*  
12          *and information technology reforms, which shall be*  
13          *determined based on interviews conducted with indi-*  
14          *viduals who serve as a chief information officer (or*  
15          *an equivalent position) in a military department.*

16          (3) *Development of a framework for assessing*  
17          *underperforming software and information tech-*  
18          *nology, with an emphasis on foundational informa-*  
19          *tion technology to standardize the measurement and*  
20          *comparison of programs across the Department of De-*  
21          *fense and its component organizations. Such a frame-*  
22          *work shall enable the assessment of underperforming*  
23          *software and information technology based on—*

24                 (A) *designs, interfaces, and functionality*  
25                 *which prioritize user experience and efficacy;*

1                   (B) costs due to lost productivity;

2                   (C) reliability and sustainability;

3                   (D) comparisons between—

4                         (i) outdated or outmoded information  
5 technologies, software, and applications;  
6 and

7                         (ii) modern information technologies,  
8 software, and applications;

9                   (E) overhead costs for software and infor-  
10 mation technology in the Department compared  
11 to the overhead costs for comparable software and  
12 information technology in the private sector;

13                   (F) comparison of the amounts the Depart-  
14 ment planned to expend on software and infor-  
15 mation technology services versus the amounts  
16 actually spent for such software and services;

17                   (G) the mean amount of time it takes to re-  
18 solve technical problems reported by users;

19                   (H) the average rate, expressed in time, for  
20 remediating or patching weaknesses or flaws in  
21 information technologies, software, and applica-  
22 tions;

23                   (I) workforce training time; and

24                   (J) customer satisfaction.

25                   (4) The development of recommendations—

1           (A) to address the challenges identified  
2           under paragraph (1); and

3           (B) to improve the processes through which  
4           the Secretary provides software and information  
5           technology throughout the Department, including  
6           through—

7                   (i) business processes reengineering;

8                   (ii) improvement of procurement or  
9                   sustainment processes;

10                  (iii) remediation of hardware and soft-  
11                  ware technology gaps; and

12                  (iv) the development of more detailed  
13                  and effective cost estimates.

14           (c) *REPORT REQUIRED.*—Not later than one year after  
15           the date of the enactment of this Act, the eligible entity that  
16           conducts the study under subsection (a) shall submit to the  
17           Secretary of Defense and the congressional defense commit-  
18           tees a report on the results of such study.

19           (d) *DEFINITIONS.*—In this section:

20                   (1) The term “eligible entity” means an inde-  
21                   pendent entity not under the direction or control of  
22                   the Secretary of Defense, which may include a depart-  
23                   ment or agency of the Federal Government outside the  
24                   Department of Defense.

1           (2) *The term “software and information tech-*  
2           *nology” does not include embedded software and in-*  
3           *formation technology used for weapon systems.*

12                                   **SECURITY.**

13           *Chapter 7 of title 10, United States Code, is amended*  
14 *by inserting after section 182 the following new section (and*  
15 *conforming the table of sections at the beginning of such*  
16 *chapter accordingly):*

17   **“§ 182a. Center for Excellence in Environmental Secu-**  
18                                   **urity**

19           *“(a) ESTABLISHMENT.—The Secretary of Defense may*  
20 *operate a Center for Excellence in Environmental Security*  
21 *(in this section referred to as the ‘Center’).*

22           *“(b) MISSIONS.—(1) The Center shall be used to pro-*  
23 *vide and facilitate education, training, and research in*  
24 *civil-military operations, particularly operations that re-*

1 *quire international assistance and operations that require*  
2 *coordination between the Department of Defense and other*  
3 *Federal agencies.*

4       “(2) *The Center shall be used to provide and facilitate*  
5 *education, training, interagency coordination, and research*  
6 *on the following additional matters:*

7               “(A) *Management of the consequences of environ-*  
8 *mental insecurity with respect to—*

9                       “(i) *access to water, food, and energy;*

10                      “(ii) *related health matters; and*

11                      “(iii) *matters relating to when, how, and*  
12 *why environmental stresses to human safety,*  
13 *health, water, energy, and food will cascade to*  
14 *economic, social, political, or national security*  
15 *events.*

16               “(B) *Appropriate roles for the reserve compo-*  
17 *nents in response to environmental insecurity result-*  
18 *ing from natural disasters.*

19               “(C) *Meeting requirements for information in*  
20 *connection with regional and global disasters, includ-*  
21 *ing through the use of advanced communications tech-*  
22 *nology as a virtual library.*

23       “(3) *The Center shall perform such other missions as*  
24 *the Secretary of Defense may specify.*

1       “(4) *To assist the Center in carrying out the missions*  
2 *under this subsection, upon request of the Center, the head*  
3 *of any Federal agency may grant to the Center access to*  
4 *the data, archives, and other physical resources (including*  
5 *facilities) of that agency, and may detail any personnel of*  
6 *that agency to the Center, for the purpose of enabling the*  
7 *development of global environmental indicators.*

8       “(c) *JOINT OPERATION WITH EDUCATIONAL INSTITU-*  
9 *TION AUTHORIZED.—The Secretary of Defense may enter*  
10 *into an agreement with appropriate officials of an institu-*  
11 *tion of higher education to provide for the operation of the*  
12 *Center. Any such agreement shall provide for the institution*  
13 *to furnish necessary administrative services for the Center,*  
14 *including by directly providing such services or providing*  
15 *the funds for such services.*

16       “(d) *ACCEPTANCE OF DONATIONS.—(1) Except as pro-*  
17 *vided in paragraph (2), the Secretary of Defense may ac-*  
18 *cept, on behalf of the Center, donations to be used to defray*  
19 *the costs of the Center or to enhance the operation of the*  
20 *Center. Such donations may be accepted from any agency*  
21 *of the Federal Government, any State or local government,*  
22 *any foreign government, any foundation or other charitable*  
23 *organization (including any that is organized or operates*  
24 *under the laws of a foreign country), or any other private*  
25 *source in the United States or a foreign country.*

1       “(2) *The Secretary may not accept a donation under*  
2 *paragraph (1) if the acceptance of the donation would com-*  
3 *promise or appear to compromise—*

4             “(A) *the ability of the Department of Defense,*  
5 *any employee of the Department, or any member of*  
6 *the armed forces, to carry out any responsibility or*  
7 *duty of the Department or the armed forces in a fair*  
8 *and objective manner; or*

9             “(B) *the integrity of any program of the Depart-*  
10 *ment of Defense or of any person involved in such a*  
11 *program.*

12       “(3) *The Secretary shall prescribe written guidance*  
13 *setting forth the criteria to be used in determining whether*  
14 *or not the acceptance of a foreign donation under para-*  
15 *graph (1) would have a result described in paragraph (2).*

16       “(4) *Funds accepted by the Secretary under paragraph*  
17 *(1) as a donation on behalf of the Center shall be credited*  
18 *to appropriations available to the Department of Defense*  
19 *for the Center. Funds so credited shall be merged with the*  
20 *appropriations to which credited and shall be available for*  
21 *the Center for the same purposes and the same period as*  
22 *the appropriations with which merged.”.*

1 **SEC. 312. PARTICIPATION IN POLLUTANT BANKS AND**  
2 **WATER QUALITY TRADING.**

3 (a) *IN GENERAL.*—Chapter 159 of title 10, United  
4 States Code, is amended by inserting after section 2694c  
5 the following new section:

6 **“§2694d. Participation in pollutant banks and water**  
7 **quality trading**

8 “(a) *AUTHORITY TO PARTICIPATE.*—The Secretary of  
9 a military department, and the Secretary of Defense with  
10 respect to matters concerning a Defense Agency, when en-  
11 gaged in an authorized activity that may or will result in  
12 the discharge of pollutants, may make payments to a pollut-  
13 ant banking program or water quality trading program ap-  
14 proved in accordance with the Water Quality Trading Pol-  
15 icy dated January 13, 2003, set forth by the Office of Water  
16 of the Environmental Protection Agency, or any successor  
17 administrative guidance or regulation.

18 “(b) *TREATMENT OF PAYMENTS.*—Payments made  
19 under subsection (a) to a pollutant banking program or  
20 water quality trading program may be treated as eligible  
21 project costs for military construction.

22 “(c) *DISCHARGE OF POLLUTANTS DEFINED.*—In this  
23 section, the term ‘discharge of pollutants’ has the meaning  
24 given that term in section 502(12) of the Federal Water Pol-  
25 lution Control Act (33 U.S.C. 1362(12)) (commonly referred  
26 to as the ‘Clean Water Act’).”.

1       (b) *CLERICAL AMENDMENT.*—*The table of sections at*  
 2 *the beginning of such chapter is amended by inserting after*  
 3 *the item relating to section 2694c following new item:*

“2694d. *Participation in pollutant banks and water quality trading.*”.

1       “(c) *CLASSIFIED FORM.*—If a report under subsection  
2 (a) is submitted in classified form, the Secretary of Defense  
3 shall, concurrently with such report, submit to the congress-  
4 sional defense committees an unclassified version of the re-  
5 port.

6       “(d) *CONSOLIDATION.*—The Secretary of Defense may  
7 consolidate, attach with, or otherwise include in any report  
8 required under subsection (a) any annual report or other  
9 requirement that is aligned or associated with, or would  
10 be better understood if presented as part of a consolidated  
11 report addressing energy performance, resilience, and readi-  
12 ness.”.

13               (2) *CLERICAL AMENDMENT.*—The table of sec-  
14 tions at the beginning of subchapter III of chapter  
15 173 of such title is amended by striking the item re-  
16 lating to section 2925 and inserting the following new  
17 item:

“2925. Annual report on energy performance, resilience, and readiness of Depart-  
ment of Defense.”.

18       (c) *CONTINUATION OF REPORTING REQUIREMENTS.*—

19               (1) *IN GENERAL.*—Section 1080(a) of the Na-  
20 tional Defense Authorization Act for Fiscal Year 2016  
21 (Public Law 114–92; 129 Stat. 1000; 10 U.S.C. 111  
22 note) does not apply to the following reports:

1           (A) *The report required to be submitted to*  
2           *Congress under section 2711 of title 10, United*  
3           *States Code.*

4           (B) *The report required to be submitted to*  
5           *Congress under section 2925 of title 10, United*  
6           *States Code.*

7           (2) *CONFORMING REPEAL.—Section 1061(c) of*  
8           *National Defense Authorization Act for Fiscal Year*  
9           *2017 (Public Law 114–328; 10 U.S.C. 111 note) is*  
10          *amended by striking paragraphs (51) and (54).*

12                                   **URES AND FUNDING.**

13          *Section 2911 of title 10, United States Code, is amend-*  
14          *ed by adding at the end the following new subsection:*

15          “(j) *AGGREGATE ENERGY CONSERVATION MEASURES*  
16          *AND FUNDING.—(1) To the maximum extent practicable,*  
17          *the Secretary concerned shall take a holistic view of the en-*  
18          *ergy project opportunities on installations under the juris-*  
19          *isdiction of such Secretary and shall consider aggregate en-*  
20          *ergy conservation measures, including energy conservation*  
21          *measures with quick payback, with energy resilience en-*  
22          *hancement projects and other projects that may have a*  
23          *longer payback period.*

24          “(2) *In considering aggregate energy conservation*  
25          *measures under paragraph (1), the Secretary concerned*

1 *shall incorporate all funding available to such Secretary for*  
2 *such measures, including—*

3 *“(A) appropriated funds, such as—*

4 *“(i) funds appropriated for the Energy Re-*  
5 *silience and Conservation Investment Program of*  
6 *the Department; and*

7 *“(ii) funds appropriated for the Facilities*  
8 *Sustainment, Restoration, and Modernization*

10 (2) in subsection (a), by striking “In leasing”  
11 and inserting “During the period preceding October  
12 1, 2035, in leasing”;

13 (3) in subsection (c), by inserting “, during the  
14 period specified in subsection (a),” after “from au-  
15 thorizing”; and

16 (4) by adding at the end the following new sub-  
17 sections:

18 “(d) *REQUIREMENT.*—Except as provided in sub-  
19 section (e), beginning on October 1, 2035, each covered non-  
20 tactical vehicle purchased or leased by or for the use of the  
21 Department of Defense shall be—

22 “(1) an electric or zero emission vehicle that uses  
23 a charging connector type (or other means to trans-  
24 mit electricity to the vehicle) that meets applicable in-  
25 dustry accepted standards for interoperability and  
26 safety;

1           “(2) *an advanced-biofuel-powered vehicle; or*

2           “(3) *a hydrogen-powered vehicle.*

3           “(e) *RELATION TO OTHER VEHICLE TECHNOLOGIES*

4 *THAT REDUCE CONSUMPTION OF FOSSIL FUELS.—Not-*

5 *withstanding the requirement under subsection (d), begin-*

6 *ning on October 1, 2035, the Secretary of Defense may au-*

7 *thorize the purchase or lease of a covered nontactical vehicle*

8 *that is not described in such subsection if the Secretary de-*

9 *termines, on a case-by-case basis, that—*

10           “(1) *the technology used in the vehicle to be pur-*

11 *chased or leased reduces the consumption of fossil*

12 *fuels compared to vehicles that use conventional inter-*

13 *nal combustion technology;*

14           “(2) *the purchase or lease of such vehicle is con-*

15 *sistent with the energy performance goals and plan of*

16 *the Department of Defense required by section 2911 of*

17 *this title; and*

18           “(3) *the purchase or lease of a vehicle described*

19 *in subsection (d) is impracticable under the cir-*

20 *cumstances.*

21           “(f) *WAIVER.—(1) The Secretary of Defense may*

22 *waive the requirement under subsection (d).*

23           “(2) *The Secretary of Defense may not delegate the*

24 *waiver authority under paragraph (1).*

25           “(g) *DEFINITIONS.—In this section:*

1           “(1) *The term ‘advanced-biofuel-powered vehicle’*  
2           *includes a vehicle that uses a fuel described in section*  
3           *9001(3)(A) of the Farm Security and Rural Invest-*  
4           *ment Act of 2202 (7 U.S.C. 8101(3)(A)).*

5           “(2) *The term ‘covered nontactical vehicle’ means*  
6           *any vehicle—*

7                   “(A) *that is not a tactical vehicle designed*  
8                   *for use in combat; and*

9                   “(B) *that is purchased or leased by the De-*  
10                  *partment of Defense pursuant to a contract en-*

23 **MOTION OF ENERGY-AWARE BEHAVIORS.**

24 *(a) ESTABLISHMENT.—Subchapter III of chapter 173*  
25 *of title 10, United States Code, is amended by adding at*

1 *the end the following new section (and conforming the table*  
2 *of sections at the beginning of such subchapter accordingly):*

3 **“§2928. Programs on reduction of fuel reliance and**  
4 ***promotion of energy-aware behaviors***

5 *“(a) ESTABLISHMENT.—Each Secretary of a military*  
6 *department shall establish a program for the promotion of*  
7 *energy-aware behaviors and the reduction of unnecessary*  
8 *fuel consumption within that military department.*

9 *“(b) GOALS.—The goals of the programs established*  
10 *under subsection (a) shall be as follows:*

11 *“(1) To increase operational energy resiliency.*

12 *“(2) To decrease energy-related strategic*  
13 *vulnerabilities and enhance military readiness.*

14 *“(3) To integrate sustainability features for new*  
15 *and existing military installations and other facilities*  
16 *of the Department.*

17 *“(c) MINIMUM REQUIRED ELEMENTS.—Under the*  
18 *program of a military department under subsection (a), the*  
19 *Secretary of the military department shall carry out, with*  
20 *respect to the military department, and at a minimum, the*  
21 *following:*

22 *“(1) The development and implementation of a*  
23 *strategy for the collection and analysis of data on fuel*  
24 *consumption, to identify operational inefficiencies*

1     *and enable data-driven decision making with respect*  
2     *to fuel logistics and the reduction of fuel consumption.*

3             “(2) *The fostering of an energy-aware culture*  
4     *across the military department to reduce fuel con-*  
5     *sumption, including through—*

6                     “(A) *the incorporation of energy conserva-*  
7     *tion and resiliency principles into training cur-*  
8     *ricula and other training materials of the mili-*  
9     *tary department, including by updating such*  
10    *materials to include information on the effect of*  
11    *energy-aware behaviors on improving readiness*  
12    *and combat capability; and*

13                    “(B) *the review of standard operating pro-*  
14    *cedures, and other operational manuals and pro-*  
15    *cedures, of the military department, to identify*  
16    *procedures that increase fuel consumption with*  
17    *no operational benefit.*

18                    “(3) *The integration of operational energy fac-*  
19    *tors into the wargaming of the military department*  
20    *and related training activities that involve the mod-*  
21    *eling of scenarios, in accordance with subsection (d),*  
22    *to provide to participants in such activities realistic*  
23    *data on the risks and challenges relating to oper-*  
24    *ational energy and fuel logistics.*

1           “(4) *The implementation of data-driven proce-*  
2           *dures, operations planning, and logistics, to optimize*  
3           *cargo transport and refueling operations within the*  
4           *military department.*

5           “(d) *WARGAMING ELEMENTS.—In integrating oper-*  
6           *ational energy factors into the wargaming and related*  
7           *training activities of a military department under sub-*  
8           *section (c)(3), the Secretary of the military department*  
9           *shall seek to ensure that the planning, design, and execution*  
10          *of such activities include—*

11           “(1) *coordination with the elements of the mili-*  
12          *tary department responsible for fuel and logistics*  
13          *matters, to ensure the modeling of energy demand and*  
14          *network risk during such activities are accurate, tak-*  
15          *ing into account potential shortfalls and the direct*  
16          *and indirect effects of the efforts of foreign adversaries*  
17          *to target fuel supply chains; and*

18           “(2) *a focus on improving integrated life-cycle*  
19          *management processes and fuel supply logistics.”.*

20          “(b) *DEADLINE FOR ESTABLISHMENT.—The programs*  
21          *required under section 2928 of title 10, United States Code,*  
22          *as added by subsection (a), shall be established by not later*  
23          *than 180 days after the date of the enactment of this Act.*

24          “(c) *BRIEFING.—Not later than 180 days after the date*  
25          *of enactment of this Act, each Secretary of a military de-*

1 *partment shall provide to the congressional defense commit-*  
2 *tees a briefing on the establishment of the program of the*  
3 *military department required under such section 2928.*

4 **SEC. 320. ESTABLISHMENT OF JOINT WORKING GROUP TO**  
5 **DETERMINE JOINT REQUIREMENTS FOR FU-**  
6 **TURE OPERATIONAL ENERGY NEEDS OF DE-**  
7 **PARTMENT OF DEFENSE.**

8 *Section 352 of the National Defense Authorization Act*  
9 *for Fiscal Year 2022 (Public Law 117–81; 135 Stat. 1653)*  
10 *is amended by adding at the end the following new sub-*  
11 *section:*

12 *“(e) ESTABLISHMENT OF JOINT WORKING GROUP TO*  
13 *DETERMINE JOINT REQUIREMENTS FOR FUTURE OPER-*  
14 *ATIONAL ENERGY NEEDS OF DEPARTMENT OF DEFENSE.—*

15 *“(1) ESTABLISHMENT.—The Secretary of Defense*  
16 *shall establish a joint working group (in this sub-*  
17 *section referred to as the ‘working group’) to deter-*  
18 *mine joint requirements for future operational energy*  
19 *needs of the Department of Defense.*

20 *“(2) EXECUTIVE AGENT.—The Secretary of the*  
21 *Air Force shall serve as the executive agent of the*  
22 *working group.*

23 *“(3) REQUIREMENTS SPECIFIED.—*

24 *“(A) IN GENERAL.—In determining joint*  
25 *requirements under paragraph (1), the working*

1           *group shall address the operational energy needs*  
2           *of each military department and combatant com-*  
3           *mand to meet energy needs in all domains of*  
4           *warfare, including land, air, sea, space, cyber-*  
5           *space, subsea, and subterranean environments.*

6           “(B) *PRIORITY FOR CERTAIN SYSTEMS.—*  
7           *Priority for joint requirements under paragraph*  
8           *(1) shall be given to independent operational en-*  
9           *ergy systems that—*

10                   “(i) *are capable of operating in austere*  
11                   *and isolated environments with quick de-*  
12                   *ployment capabilities; and*

13                   “(ii) *may reduce conventional air pol-*  
14                   *lution and greenhouse gas emissions com-*  
15                   *parable to systems already in use.*

16           “(4) *EXISTING OR NEW PROGRAMS.—The work-*  
17           *ing group shall address the feasibility of meeting joint*  
18           *requirements determined under paragraph (1)*  
19           *through the existing energy programs of the Depart-*  
20           *ment and make recommendations for new programs*  
21           *to meet such requirements.*

22           “(5) *FOCUS AREAS.—In carrying out the re-*  
23           *quirements under this subsection, the working group*  
24           *shall focus the efforts of the working group on oper-*  
25           *ational energy, including—*

1           “(A) *micro-reactors and small modular re-*  
2           *actors;*

3           “(B) *hydrogen-based fuel systems, including*  
4           *hydrogen fuel cells and hydrogen-based combus-*  
5           *tion engines;*

6           “(C) *battery storage;*

7           “(D) *renewable energy sources;*

8           “(E) *retrofits to existing platforms that*  
9           *shall increase efficiencies; and*

10          “(F) *other technologies and resources that*  
11          *meet joint requirements determined under para-*  
12          *graph (1).*

13          “(6) *RECOMMENDED PLAN OF ACTION.—*

14                 “(A) *IN GENERAL.—Not later than 180*  
15                 *days after the date of the enactment of this sub-*  
16                 *section, the Secretary shall submit to the congress-*  
17                 *sional defense committees a report, and provide*  
18                 *to the congressional defense committees a classi-*  
19                 *fied briefing, outlining recommendations for pro-*  
20                 *grams to meet joint requirements for future oper-*  
21                 *ational energy needs of the Department of De-*  
22                 *fense by 2025, 2030, and 2040.*

23                 “(B) *FOCUS ON READINESS AND FLEXI-*  
24                 *BILITY.—In submitting the report and providing*

1           *the briefing under subparagraph (A), the Sec-*  
2           *retary shall—*

3                     *“(i) address each element of the report*  
4                     *or briefing, as the case may be, in the con-*  
5                     *text of maintaining or increasing the readi-*  
6                     *ness levels of the Armed Forces and the*  
7                     *flexibility of operational elements within the*  
8                     *Department; and*

9                     *“(ii) disregard energy sources that do*  
10                    *not increase such readiness and flexibility,*  
11                    *with an explanation for the reason such*  
12                    *sources were disregarded.*

13                    *“(C) FORM.—The report under subpara-*  
14                    *graph (A) shall be submitted in unclassified*  
15                    *form, but may include a classified annex.*

16                    *“(7) DEFINITIONS.—In this subsection:*

17                    *“(A) The term ‘advanced nuclear reactor’*  
18                    *has the meaning given that term in section*  
19                    *951(b) of the Energy Policy Act of 2005 (42*  
20                    *U.S.C. 16271(b)).*

21                    *“(B) The term ‘micro-reactor’ means an ad-*  
22                    *vanced nuclear reactor that has an electric power*  
23                    *production capacity that is not greater than 50*  
24                    *megawatts that can be transported via land, air,*  
25                    *or sea transport and can be redeployed.*

1           “(C) The term ‘small modular reactor’  
2           means an advanced nuclear reactor—

3                   “(i) with a rated capacity of less than  
4                   300 electrical megawatts; or

5                   “(ii) that can be constructed and oper-  
6                   ated in combination with similar reactors  
7                   at a single site.”.

8   **SEC. 321. AMENDMENT TO BUDGETING OF DEPARTMENT OF**  
9                   **DEFENSE RELATING TO EXTREME WEATHER.**

10           Section 328(a) of the National Defense Authorization  
11   Act for Fiscal Year 2020 (Public Law 116–92; 10 U.S.C.  
12   221 note) is amended—

13                   (1) in paragraph (1), by striking “; and” and  
14                   inserting a semicolon;

15                   (2) in paragraph (2), by striking the period at  
16                   the end and inserting “; and”; and

17                   (3) by inserting after paragraph (2) the fol-  
18                   lowing new paragraph:

19                   “(3) a calculation of the annual costs to the De-  
20                   partment for—

21                           “(A) assistance that is—

22                                   “(i) provided to the Federal Emergency  
23                                   Management Agency or any Federal land  
24                                   management agency (as such term is de-  
25                                   fined in section 802 of the Federal Lands

1 *Recreation Enhancement Act (16 U.S.C.*  
2 *6801)) pursuant to a request for such assist-*  
3 *ance and in consultation with the National*  
4 *Interagency Fire Center; or*

5 “(ii) provided under title 10 or title  
6 32, United States Code, to any State, terri-  
7 tory, or possession of the United States, re-  
8 garding extreme weather; and

9 “(B) resourcing required to support—

10 “(i) wildfire response, recovery, or res-  
11 toration efforts occurring within military  
12 installations or other facilities of the De-  
13 partment; or

14 “(ii) any Federal agency other than  
15 the Department (including the Federal  
16 Emergency Management Agency and the  
17 National Interagency Fire Center) with re-  
18 spect to wildfire response, recovery, or res-  
19 toration efforts, where such resourcing is not  
20 reimbursed.”.

21 **SEC. 322. PROTOTYPE AND DEMONSTRATION PROJECTS**  
22 **FOR ENERGY RESILIENCE AT CERTAIN MILI-**  
23 **TARY INSTALLATIONS.**

24 (a) *IN GENERAL.*—Subject to the availability of appro-  
25 priations for such purpose, each Secretary of a military de-

1 *partment shall ensure that covered prototype and dem-*  
2 *onstration projects are conducted at each military installa-*  
3 *tion under the jurisdiction of that Secretary that is des-*  
4 *ignated by the Secretary of Defense as an “Energy Resil-*  
5 *ience Testbed” pursuant to subsection (b).*

6 *(b) SELECTION OF MILITARY INSTALLATIONS.—*

7 *(1) NOMINATION.—Each Secretary of a military*  
8 *department shall nominate military installations*  
9 *under the jurisdiction of that Secretary for selection*  
10 *under paragraph (2), and submit to the Secretary of*  
11 *Defense a list of such nominations.*

12 *(2) SELECTION.—Not later than one year after*  
13 *the date of the enactment of this Act, the Secretary of*  
14 *Defense shall select, from among the lists of nomi-*  
15 *nated military installations provided by the Secre-*  
16 *taries of the military departments under paragraph*  
17 *(1), at least one such nominated military installation*  
18 *per military department for designation pursuant to*  
19 *paragraph (4).*

20 *(3) CONSIDERATIONS.—In selecting military in-*  
21 *stallations under paragraph (2), the Secretary of De-*  
22 *fense shall, to the extent practicable, take into consid-*  
23 *eration the following:*

24 *(A) The mission of the installation.*

1           (B) *The geographic terrain of the installa-*  
2           *tion and of the community surrounding the in-*  
3           *stallation.*

4           (C) *The energy resources available to sup-*  
5           *port the installation.*

6           (D) *An assessment of any extreme weather*  
7           *risks or vulnerabilities at the installation and*  
8           *the community surrounding the installation.*

9           (4) *DESIGNATION AS ENERGY RESILIENCE*  
10          *TESTBED.—Each military installation selected under*  
11          *paragraph (2) shall be known as an “Energy Resil-*  
12          *ience Testbed”.*

13          (c) *COVERED TECHNOLOGIES.—Covered prototype and*  
14          *demonstration projects conducted at military installations*  
15          *designated pursuant to subsection (b) shall include the pro-*  
16          *totype and demonstration of technologies in the following*  
17          *areas:*

18               (1) *Energy storage technologies, including long-*  
19               *duration energy storage systems.*

20               (2) *Technologies to improve building energy effi-*  
21               *ciency in a cyber-secure manner, such as advanced*  
22               *lighting controls, high-performance cooling systems,*  
23               *and technologies for waste heat recovery.*

24               (3) *Technologies to improve building energy*  
25               *management and control in a cyber-secure manner.*

1           (4) *Tools and processes for design, assessment,*  
2           *and decision making on the installation with respect*  
3           *to all hazards resilience and hazard analysis, energy*  
4           *use, management, and the construction of resilient*  
5           *buildings and infrastructure.*

6           (5) *Carbon sequestration technologies.*

7           (6) *Technologies relating to on-site resilient en-*  
8           *ergy generation, including the following:*

9                   (A) *Advanced geothermal technologies.*

10                   (B) *Advanced nuclear technologies, includ-*  
11                   *ing small modular reactors.*

12           (7) *Port electrification and surrounding defense*  
13           *community infrastructure.*

14           (8) *Tidal and wave power technologies.*

15           (9) *Distributed ledger technologies.*

16           (d) *BRIEFING.—Not later than one year after the date*  
17           *of the enactment of this Act, the Secretary of Defense, in*  
18           *consultation with the Secretaries of the military depart-*  
19           *ments, shall provide to the appropriate congressional com-*  
20           *mittees a briefing on the conduct of covered prototype and*  
21           *demonstration projects at each military installation des-*  
22           *ignated pursuant to subsection (b). Such briefing shall in-*  
23           *clude the following:*

24                   (1) *An identification of each military installa-*  
25                   *tion so designated.*

1           (2) *A justification as to why each military in-*  
2           *stallation so designated was selected for such designa-*  
3           *tion.*

4           (3) *A strategy for commencing the conduct of*  
5           *such projects at each military installation so des-*  
6           *ignated by not later than one year after the date of*  
7           *the enactment of this Act.*

8           (e) *DEADLINE FOR COMMENCEMENT OF PROJECTS.—*  
9           *Beginning not later than one year after the date of the en-*  
10          *actment of this Act, covered prototype and demonstration*  
11          *projects shall be conducted at, and such conduct shall be*  
12          *incorporated into the mission of, each military installation*  
13          *designated pursuant to subsection (b).*

14          (f) *RESPONSIBILITY FOR ADMINISTRATION AND OVER-*  
15          *SIGHT.—Notwithstanding the responsibility of the Sec-*  
16          *retary of Defense to select each military installation for des-*  
17          *ignation pursuant to subsection (b)(2), the administration*  
18          *and oversight of the conduct of covered prototype and dem-*  
19          *onstration projects at a military installation so designated,*  
20          *as required under subsection (a), shall be the responsibility*  
21          *of the Secretary of the military department with jurisdic-*  
22          *tion over that military installation.*

23          (g) *CONSORTIUMS.—*

24                 (1) *IN GENERAL.—Each Secretary of a military*  
25                 *department may enter into a partnership with, or*

1 *seek to establish, a consortium of industry, academia,*  
2 *and other entities described in paragraph (2) to con-*  
3 *duct covered prototype and demonstration projects at*  
4 *a military installation that is under the jurisdiction*  
5 *of that Secretary and designated by the Secretary of*  
6 *Defense pursuant to subsection (b).*

7 (2) *CONSORTIUM ENTITIES.—The entities de-*  
8 *scribed in this paragraph are as follows:*

9 (A) *National laboratories.*

10 (B) *Industry entities the primary work of*  
11 *which relates to technologies and business models*  
12 *relating to energy resilience and all hazards re-*  
13 *silience.*

14 (h) *AUTHORITIES.—*

15 (1) *IN GENERAL.—Covered prototype and dem-*  
16 *onstration projects required under this section may be*  
17 *conducted as part of the program for operational en-*  
18 *ergy prototyping established under section 324(c) of*  
19 *the William M. (Mac) Thornberry National Defense*  
20 *Authorization Act for Fiscal Year 2021 (Public Law*  
21 *116–283; 134 Stat. 3523; 10 U.S.C. 2911 note) (in-*  
22 *cluding by using funds available under the Oper-*  
23 *ational Energy Prototyping Fund established pursu-*  
24 *ant to such section), using the other transactions au-*  
25 *thority under section 4021 or 4022 of title 10, United*

1       *States Code, or using any other available authority or*  
2       *funding source the Secretary of Defense determines*  
3       *appropriate.*

4           (2) *FOLLOW-ON PRODUCTION CONTRACTS OR*  
5       *TRANSACTIONS.—Each Secretary of a military de-*  
6       *partment shall ensure that, to the extent practicable,*  
7       *any transaction entered into under the other trans-*  
8       *actions authority under section 4022 of title 10,*  
9       *United States Code, for the conduct of a covered pro-*  
10       *totype and demonstration project under this section*  
11       *shall provide for the award of a follow-on production*  
12       *contract or transaction pursuant to subsection (f) of*  
13       *such section 4022.*

14           (i) *INTERAGENCY COLLABORATION.—In carrying out*  
15       *this section, to the extent practicable, the Secretary of De-*  
16       *fense shall collaborate with the Secretary of Energy and the*  
17       *heads of such other Federal departments and agencies as*  
18       *the Secretary of Defense may determine appropriate, in-*  
19       *cluding by entering into relevant memoranda of under-*  
20       *standing.*

21           (j) *RULE OF CONSTRUCTION.—Nothing in this section*  
22       *shall be construed as precluding any Secretary of a military*  
23       *department from carrying out any activity, including con-*  
24       *ducting a project or making an investment, relating to the*

1 *improvement of energy resilience or all hazards resilience*  
2 *under an authority other than this section.*

3 *(k) DEFINITIONS.—In this section:*

4 *(1) The term “appropriate congressional com-*  
5 *mittees” means—*

6 *(A) the Committee on Armed Services and*  
7 *the Committee on Energy and Commerce of the*  
8 *House of Representatives; and*

9 *(B) the Committee on Armed Services and*  
10 *the Committee on Energy and Natural Resources*  
11 *of the Senate.*

12 *(2) The term “community infrastructure” has*  
13 *the meaning given that term in section 2391(e) of*  
14 *title 10, United States Code.*

15 *(3) The term “covered prototype and demonstra-*  
16 *tion project” means a project to prototype and dem-*  
17 *onstrate advanced technologies to enhance energy re-*  
18 *silience, including with respect to energy supply dis-*  
19 *ruptions, and all hazards resilience at a military in-*  
20 *stallation.*

21 *(4) The term “military installation” has the*  
22 *meaning given that term in section 2867 of title 10,*  
23 *United States Code.*

1 **SEC. 323. PILOT PROGRAM FOR DEVELOPMENT OF ELEC-**  
2 **TRIC VEHICLE CHARGING SOLUTIONS TO**  
3 **MITIGATE GRID STRESS.**

4 (a) *IN GENERAL.*—*The Secretary of Defense, in coordi-*  
5 *nation with the Secretaries of the military departments,*  
6 *and in consultation with the Secretary of Energy, shall*  
7 *carry out a pilot program to develop and test covered infra-*  
8 *structure to mitigate grid stress caused by electric vehicles*  
9 *through the implementation and maintenance on certain*  
10 *military installations of charging stations, microgrids, and*  
11 *other covered infrastructure sufficient to cover the energy*  
12 *demand at such installations.*

13 (b) *SELECTION OF MILITARY INSTALLATIONS.*—

14 (1) *SELECTION.*—*Not later than 180 days after*  
15 *the date of the enactment of this Act, each Secretary*  
16 *of a military department shall—*

17 (A) *select at least one military installation*  
18 *of each Armed Force under the jurisdiction of*  
19 *that Secretary at which to carry out the pilot*  
20 *program under subsection (a); and*

21 (B) *submit to the Committees on Armed*  
22 *Services of the House of Representatives and the*  
23 *Senate a notification containing an identifica-*  
24 *tion of each such selected installation.*

25 (2) *CONSIDERATIONS.*—*In choosing a military*  
26 *installation for selection pursuant to paragraph (1),*

1 *each Secretary of a military department shall take*  
2 *into account the following:*

3 *(A) A calculation of existing loads at the*  
4 *installation and the existing capacity of the in-*  
5 *stallation for the charging of electric vehicles, in-*  
6 *cluding (as applicable) light duty trucks.*

7 *(B) Any required upgrades to covered infra-*  
8 *structure on the installation, including electrical*  
9 *wiring, anticipated by the Secretary.*

10 *(C) The ownership, financing, operation,*  
11 *and maintenance models of existing and planned*  
12 *covered infrastructure on the installation.*

13 *(D) An assessment of local grid needs, and*  
14 *any required updates relating to such needs an-*  
15 *ticipated by the Secretary.*

16 *(c) REPORT.—*

17 *(1) IN GENERAL.—Not later than one year after*  
18 *the date on which a Secretary of a military depart-*  
19 *ment submits a notification identifying a selected*  
20 *military installation under subsection (b), that Sec-*  
21 *retary shall submit to the Committee on Armed Serv-*  
22 *ices and the Committee on Energy and Commerce of*  
23 *the House of Representatives and the Committee on*  
24 *Armed Services of the Senate a report on—*

1           (A) *the covered infrastructure to be imple-*  
2           *mented under the pilot program at the installa-*  
3           *tion;*

4           (B) *the methodology by which each type of*  
5           *covered infrastructure so implemented shall be*  
6           *assessed for efficacy and efficiency at providing*  
7           *sufficient energy to cover the anticipated energy*  
8           *demand of the electric vehicle fleet at the instal-*  
9           *lation and mitigating grid stress; and*

10          (C) *the maintenance on the military instal-*  
11          *lation of charging stations and other covered in-*  
12          *frastructure, including a microgrid, that will be*  
13          *sufficient to—*

14                 (i) *cover the anticipated electricity de-*  
15                 *mand of such fleet; and*

16                 (ii) *improve installation energy resil-*  
17                 *ience.*

18          (2) *ELEMENTS.—Each report under paragraph*  
19          (1) *shall include, with respect to the selected military*  
20          *installation for which the report is submitted, the fol-*  
21          *lowing:*

22                 (A) *A determination of the type and num-*  
23                 *ber of charging stations to implement on the in-*  
24                 *stallation, taking into account the interoper-*  
25                 *ability of chargers and the potential future needs*

1           or applications for chargers, such as vehicle-to-  
2           grid or vehicle-to-building applications.

3           (B) A determination of the optimal owner-  
4           ship model to provide charging stations on the  
5           installation, taking into account the following:

6                   (i) Use of Government-owned (pur-  
7                   chased, installed, and maintained) charging  
8                   stations.

9                   (ii) Use of third-party financed, in-  
10                  stalled, operated, and maintained charging  
11                  stations.

12                  (iii) Use of financing models in which  
13                  energy and charging infrastructure oper-  
14                  ations and maintenance are treated as a  
15                  service.

16                  (iv) Cyber and physical security con-  
17                  siderations and best practices associated  
18                  with different ownership, network, and con-  
19                  trol models.

20           (C) A determination of the optimal power  
21           source to provide charging stations at the instal-  
22           lation, taking into account the following:

23                   (i) Transformer and substation re-  
24                   quirements.

1                   (ii) *Microgrids and distributed energy*  
2                   to support both charging requirements and  
3                   energy storage.

4                   (3) *SOURCE OF SERVICES.*—Each Secretary of a  
5                   military department may use expertise within the  
6                   military department or enter into a contract with a  
7                   non-Department of Defense entity to make the deter-  
8                   minations specified in paragraph (2).

9                   (d) *FINAL REPORT.*—Not later than January 1, 2025,  
10                  the Secretary of Defense shall submit to the congressional  
11                  committees specified in subsection (c)(1) a final report on  
12                  the pilot program under subsection (a). Such report shall  
13                  include the observations and findings of the Department re-  
14                  lating to the charging stations and other covered infrastruc-  
15                  ture implemented and maintained under such pilot pro-  
16                  gram, including with respect to the elements specified in  
17                  subsection (c)(2).

18                  (e) *DEFINITIONS.*—In this section:

19                   (1) The terms “Armed Forces” and “military de-  
20                   partments” have the meanings given those terms in  
21                   section 101 of title 10, United States Code.

22                   (2) The term “charging station” means a collec-  
23                   tion of one or more electric vehicle supply equipment  
24                   units serving the purpose of charging an electric vehi-  
25                   cle battery.

1           (3) *The term “covered infrastructure”—*

2                   (A) *means infrastructure that the Secretary*  
3 *of Defense determines may be used to—*

4                           (i) *charge electric vehicles, including*  
5 *by transmitting electricity to such vehicles*  
6 *directly; or*

7                           (ii) *support the charging of electric ve-*  
8 *hicles, including by supporting the resil-*  
9 *ience of grids or other systems for delivering*  
10 *energy to such vehicles (such as through the*  
11 *mitigation of grid stress); and*

12                   (B) *includes—*

13                           (i) *charging stations;*

14                           (ii) *batteries;*

15                           (iii) *battery-swapping systems;*

16                           (iv) *microgrids;*

17                           (v) *off-grid charging systems; and*

18                           (vi) *other apparatuses installed for the*  
19 *specific purpose of delivering energy to an*  
20 *electric vehicle or to a battery intended to be*  
21 *used in an electric vehicle, including wire-*  
22 *less charging technologies.*

23           (4) *The term “electric vehicle” includes—*

24                   (A) *a plug-in hybrid electric vehicle that*  
25 *uses a combination of electric and gas powered*

1           *engine that can use either gasoline or electricity*  
2           *as a fuel source; and*

3                     *(B) a plug-in electric vehicle that runs sole-*  
4           *ly on electricity and does not contain an inter-*  
5           *nal combustion engine or gas tank.*

6           *(5) The term “electric vehicle supply equipment*  
7           *unit” means the port that supplies electricity to one*  
8           *vehicle at a time.*

9                     *(6) The term “microgrid” means a group of*  
10          *interconnected loads and distributed energy resources*  
11          *within clearly defined electrical boundaries that acts*  
12          *as a single controllable entity with respect to the grid.*

13                    *(7) The term “military installation” has the*  
14          *meaning given that term in section 2801 of title 10,*  
15          *United States Code.*

16                    *(8) The term “wireless charging” means the*  
17          *charging of a battery by inductive charging or by any*  
18          *means in which a battery is charged without a wire,*  
19          *or plug-in wire, connecting the power source and bat-*  
20          *tery.*

21   **SEC. 324. PILOT PROGRAM ON USE OF SUSTAINABLE AVIA-**  
22                            **TION FUEL.**

23           *(a) PILOT PROGRAM REQUIRED.—*

24                     *(1) IN GENERAL.—Subject to the availability of*  
25          *appropriations for such purpose, the Secretary of De-*

1 *fense shall conduct a pilot program on the use of sus-*  
2 *tainable aviation fuel by the Department of Defense*  
3 *(in this section referred to as the “pilot program”).*

4 (2) *DESIGN OF PROGRAM.—The pilot program*  
5 *shall be designed to—*

6 (A) *identify any logistical challenges with*  
7 *respect to the use of sustainable aviation fuel by*  
8 *the Department;*

9 (B) *promote understanding of the technical*  
10 *and performance characteristics of sustainable*  
11 *aviation fuel when used in a military setting;*  
12 *and*

13 (C) *engage nearby commercial airports to*  
14 *explore opportunities and challenges to partner*  
15 *on the increased use of sustainable aviation fuel.*

16 (b) *SELECTION OF FACILITIES.—*

17 (1) *SELECTION.—*

18 (A) *IN GENERAL.—Not later than one year*  
19 *after the date of the enactment of this Act, the*  
20 *Secretary of Defense shall select not fewer than*  
21 *two geographically diverse facilities of the De-*  
22 *partment at which to carry out the pilot pro-*  
23 *gram.*

24 (B) *ONSITE REFINERY.—Not fewer than one*  
25 *facility selected under subparagraph (A) shall be*

1           *a facility with an onsite refinery that is located*  
2           *in proximity to not fewer than one major com-*  
3           *mercial airport that is also actively seeking to*  
4           *increase the use of sustainable aviation fuel.*

5           (2) *NOTICE TO CONGRESS.*—*Upon the selection*  
6           *of each facility under paragraph (1), the Secretary*  
7           *shall submit to the appropriate congressional commit-*  
8           *tees notice of the selection, including an identification*  
9           *of the facility selected.*

10          (c) *USE OF SUSTAINABLE AVIATION FUEL.*—

11           (1) *PLANS.*—*For each facility selected under sub-*  
12           *section (b), not later than one year after the selection*  
13           *of the facility, the Secretary shall—*

14                   (A) *develop a plan on how to implement, by*  
15                   *September 30, 2028, a target of exclusively using*  
16                   *at the facility aviation fuel that is blended to*  
17                   *contain not less than 10 percent sustainable*  
18                   *aviation fuel;*

19                   (B) *submit the plan developed under sub-*  
20                   *paragraph (A) to the appropriate congressional*  
21                   *committees; and*

22                   (C) *provide to the appropriate congressional*  
23                   *committees a briefing on such plan that includes,*  
24                   *at a minimum—*

1           (i) a description of any operational,  
2           infrastructure, or logistical requirements,  
3           and recommendations, for the blending and  
4           use of sustainable aviation fuel; and

5           (ii) a description of any stakeholder  
6           engagement in the development of the plan,  
7           including any consultations with nearby  
8           commercial airport owners or operators.

9           (2) *IMPLEMENTATION OF PLANS.*—For each facil-  
10          ity selected under subsection (b), during the period be-  
11          ginning on a date that is not later than September  
12          30, 2028, and for five years thereafter, the Secretary  
13          shall require, in accordance with the respective plan  
14          developed under paragraph (1), the exclusive use at  
15          the facility of aviation fuel that is blended to contain  
16          not less than 10 percent sustainable aviation fuel.

17          (d) *CRITERIA FOR SUSTAINABLE AVIATION FUEL.*—  
18          Sustainable aviation fuel used under the pilot program  
19          shall meet the following criteria:

20               (1) Such fuel shall be produced in the United  
21               States from domestic feedstock sources.

22               (2) Such fuel shall constitute drop-in fuel that  
23               meets all specifications and performance requirements  
24               of the Department of Defense and the Armed Forces.

1       (e) *WAIVER.*—*The Secretary may waive the use of sus-*  
2 *tainable aviation fuel at a facility under the pilot program*  
3 *if the Secretary—*

4           (1) *determines such use is not feasible due to a*  
5 *lack of domestic availability of sustainable aviation*  
6 *fuel or a national security contingency; and*

7           (2) *submits to the congressional defense commit-*  
8 *tees notice of such waiver and the reasons for such*  
9 *waiver.*

10       (f) *FINAL REPORT.*—

11           (1) *IN GENERAL.*—*At the conclusion of the pilot*  
12 *program, the Assistant Secretary of Defense for En-*  
13 *ergy, Installations, and Environment shall submit to*  
14 *the appropriate congressional committees a final re-*  
15 *port on the pilot program.*

16           (2) *ELEMENTS.*—*The report under paragraph*  
17 *(1) shall include each of the following:*

18                   (A) *An assessment of the effect of using sus-*  
19 *tainable aviation fuel on the overall fuel costs of*  
20 *blended fuel.*

21                   (B) *A description of any operational, infra-*  
22 *structure, or logistical requirements, and rec-*  
23 *ommendations, for the blending and use of sus-*  
24 *tainable aviation fuel, with a focus on scaling up*

1           *adoption of such fuel throughout the Armed*  
2           *Forces.*

3           *(C) Recommendations with respect to how*  
4           *military installations can leverage proximity to*  
5           *commercial airports and other jet fuel consumers*  
6           *to increase the rate of use of sustainable aviation*  
7           *fuel, for both military and non-military use, in-*  
8           *cluding potential collaboration on innovative fi-*  
9           *nancing or purchasing and shared supply chain*  
10          *infrastructure.*

11          *(D) A description of the effects on perform-*  
12          *ance and operation of aircraft using sustainable*  
13          *aviation fuel, including—*

14                 *(i) if used, considerations of various*  
15                 *blending ratios and the associated benefits*

20   **SEC. 327. ANALYSIS AND PLAN FOR ADDRESSING HEAT IS-**  
21                           **LAND EFFECT ON MILITARY INSTALLATIONS.**

22           (a) *INSTALLATION ANALYSIS.—Each Secretary of a*  
23           *military department shall conduct an analysis of the mili-*  
24           *tary installations under the jurisdiction of that Secretary*  
25           *to assess the extent to which heat islands affect readiness,*

1 *infrastructure service life, and utilities costs. Each such*  
2 *analysis shall contain each of the following:*

3           (1) *An analysis of how heat islands exacerbate*  
4 *summer heat conditions and necessitate the increased*  
5 *use of air conditioning on the installations, including*  
6 *an estimate of the cost of such increased usage with*  
7 *respect to both utilities costs and shortened service life*  
8 *of air conditioning units.*

9           (2) *An assessment of any readiness effects related*  
10 *to heat islands, including the loss of training hours*  
11 *due to black flag conditions, and the corresponding*  
12 *cost of such effects.*

13       (b) *PLAN.—Based on the results of the analyses con-*  
14 *ducted under subsection (a), the Secretaries of the military*  
15 *departments shall jointly—*

16           (1) *develop a plan for mitigating the effects of*

21          (d) *DEFINITIONS.*—*In this section:*

22                 (1) *The term “advanced-biofuel-powered vehicle”*  
23                 *includes a vehicle that uses a fuel described in section*  
24                 *9001(3)(A) of the Farm Security and Rural Invest-*  
25                 *ment Act of 2202 (7 U.S.C. 8101(3)(A)).*

1           (2) *The term “charging station” means a park-*  
2 *ing space with electric vehicle supply equipment that*  
3 *supplies electric energy for the recharging of electric*  
4 *vehicles with at least a level two charger.*

5           (3) *The term “electric grid requirements” means*  
6 *the power grid and infrastructure requirements need-*  
7 *ed to support plug-in electric vehicles and vehicle-to-*  
8 *grid requirements.*

9           (4) *The term “electric non-tactical vehicle”*  
10 *means a non-tactical vehicle that is an electric vehi-*  
11 *cle.*

12           (5) *The terms “electric vehicle” includes—*

13                 (A) *a plug-in hybrid electric vehicle that*  
14 *uses a combination of electric and gas powered*  
15 *engine that can use either gasoline or electricity*  
16 *as a fuel source; and*

17                 (B) *a plug-in electric vehicle that runs sole-*  
18 *ly on electricity and does not contain an inter-*  
19 *nal combustion engine or gas tank.*

20           (6) *The term “hydrogen-powered vehicle” means*  
21 *a vehicle that uses hydrogen as the main source of*  
22 *motive power, either through a fuel cell or internal*  
23 *combustion.*

24           (7) *The term “non-tactical vehicle” means a ve-*  
25 *hicle other than a tactical vehicle.*

1           (8) *The term “tactical vehicle” means a motor*  
2 *vehicle designed to military specification, or a com-*  
3 *mmercial design motor vehicle modified to military*  
4 *specification, to provide direct transportation support*

17           *(2) REPORT.—Not later than 30 days after the*  
18 *date of the enactment of this Act, and quarterly there-*  
19 *after until the completion of the defueling of the Red*  
20 *Hill Bulk Fuel Storage Facility, the Secretary of De-*  
21 *fense shall submit to the congressional defense com-*  
22 *mittees, and make publicly available on an appro-*  
23 *priate website of the Department of Defense, a report*  
24 *on the status of such defueling.*

1           (b) *PLANNING AND IMPLEMENTATION OF*  
2 *DEFUELING.*—*The Secretary of Defense shall plan for and*  
3 *implement the defueling of the Red Hill Bulk Fuel Storage*  
4 *Facility in consultation with the Administrator of the En-*  
5 *vironmental Protection Agency and the State of Hawaii*  
6 *Department of Health.*

7           (c) *NOTIFICATION REQUIREMENT.*—*The Secretary of*  
8 *Defense may not begin the process of defueling the Red Hill*  
9 *Bulk Storage Facility until the date on which the Secretary*  
10 *submits to the congressional defense committees a notifica-*  
11 *tion that such defueling would not adversely affect the abil-*

3 **FUEL STORAGE FACILITY.**

4 (a) *IN GENERAL.*—Not later than April 1, 2023, the  
5 Secretary of the Navy, in coordination with the Director  
6 of the United States Geological Survey and the Adminis-  
7 trator of the Environmental Protection Agency, shall sub-  
8 mit to the congressional defense committees a report on the  
9 placement of sentinel or monitoring wells in proximity to  
10 the Red Hill Bulk Fuel Storage Facility for the purpose  
11 of monitoring and tracking the movement of fuel that has  
12 escaped the Facility. Such report shall include—

13 (1) *the number and location of new wells that*  
14 *have been established during the 12-month period pre-*  
15 *ceding the date of the submission of the report;*

16 (2) *an identification of any new wells proposed*

13           **(1) IN GENERAL.**—*Not later than July 31, 2023,*  
14 *the Secretary of Defense shall conduct a study on how*  
15 *the Department of Defense may best address the fu-*  
16 *ture water needs of the Armed Forces on the island*  
17 *of Oahu. Such study shall include consideration of—*

18                   **(A)** *the construction of a new water treat-*  
19 *ment plant or plants;*

20                   **(B)** *the construction of a new well for use*  
21 *by members of the Armed Forces and the civilian*  
22 *population;*

23                   **(C)** *the construction of a new well for the*  
24 *exclusive use of members of the Armed Forces;*

1           (D) transferring ownership and operation of  
2           existing Department of Defense utilities to a mu-  
3           nicipality or existing publicly owned utility;

4           (E) conveying certain Navy utilities to the  
5           Honolulu Board of Water Supply; and

6           (F) any other water solutions the Secretary  
7           of Defense determines appropriate.

8           (2) CONSULTATION.—In carrying out the study  
9           under paragraph (1), the Secretary of Defense shall  
10          consult with the Administrator of the Environmental  
11          Protection Agency, the State of Hawaii, the Honolulu  
12          Board of Water Supply, and any other entity the Sec-  
13          retary of Defense determines appropriate.

14          (3) REPORT; BRIEFING.—Upon completion of the  
15          study under paragraph (1), the Secretary of Defense  
16          shall—

17               (A) submit to the appropriate congressional  
18               committees a report on the findings of the study;  
19               and

20               (B) provide to the appropriate congressional  
21               committees a briefing on such findings.

22          (b) HYDROLOGICAL STUDIES.—

23               (1) GROUNDWATER FLOW MODEL STUDY.—Not  
24               later than July 31, 2023, the Secretary of the Navy,  
25               in consultation with the Administrator of the Envi-

1        *ronmental Protection Agency, the Director of the*  
2        *United States Geological Survey, and the State of*  
3        *Hawaii, shall commence the conduct of a new study,*  
4        *or continue an existing study, to further refine the*  
5        *modeling of groundwater flow in the area sur-*  
6        *rounding the Red Hill Bulk Fuel Storage Facility.*  
7        *Such study shall be designed to—*

8                *(A) seek to improve the understanding of*  
9                *the direction and rate of groundwater flow and*  
10               *dissolved fuel migration within the aquifers in*  
11               *the area surrounding the facility;*

12               *(B) reflect site-specific data, including*  
13               *available data of the heterogeneous subsurface*  
14               *geologic system of such area; and*

15               *(C) address previously identified defi-*  
16               *ciencies in existing groundwater flow models.*

17        *(2) DEADLINES FOR COMPLETION.—*

18               *(A) GROUNDWATER FLOW MODEL STUDY.—*

19               *The study under paragraph (1) shall be com-*  
20               *pleted by not later than one year after the date*  
21               *of the enactment of this Act.*

22               *(B) SUBSEQUENT STUDY.—Not later than*  
23               *one year after the date on which the study under*  
24               *paragraph (1) is completed, the Secretary of the*  
25               *Navy shall complete a subsequent study to model*

1            *contaminant fate and transport in the area sur-*  
2            *rounding the Red Hill Bulk Fuel Storage Facil-*  
3            *ity.*

4            (3) *REPORTS; BRIEFINGS.*—*Upon completion of*  
5            *a study under this subsection, the Secretary of the*  
6            *Navy shall—*

7                    (A) *submit to the congressional defense com-*  
8                    *mittees a report on the findings of the study; and*

9                    (B) *provide to the congressional defense*  
10                   *committees a briefing on such findings.*

11            (c) *APPROPRIATE CONGRESSIONAL COMMITTEES DE-*  
12            *FINED.*—*In this section, the term “appropriate congres-*  
13            *sional committees” means the following:*

14                    (1) *The congressional defense committees.*

15                    (2) *The Committee on Energy and Commerce of*  
16                    *the House of Representatives.*

21            (a) *STUDY REQUIRED.*—

22                    (1) *IN GENERAL.*—*Not later than 30 days after*  
23                    *the date of the enactment of this Act, the Secretary of*  
24                    *Defense shall seek to enter into an agreement with a*  
25                    *federally funded research and development center that*

1 *meets the criteria specified in paragraph (2) under*  
2 *which such center will conduct a study to determine*  
3 *the range of feasible alternative Department of De-*  
4 *fense uses for the Red Hill Bulk Fuel Storage Facility*  
5 *and provide to the Secretary a report on the findings*  
6 *of the study. The conduct of such study shall in-*  
7 *clude—*

8 *(A) engagement with stakeholders;*

9 *(B) a review of historical alternative uses of*  
10 *facilities with similar characteristics; and*

11 *(C) such other modalities as determined*  
12 *necessary to appropriately identify alternative*  
13 *use options, including data and information col-*  
14 *lected from various stakeholders and through site*  
15 *visits to physically inspect the facility.*

16 *(2) CRITERIA FOR FFRDC.—The federally funded*  
17 *research and development center with which the Sec-*  
18 *retary seeks to enter into an agreement under para-*  
19 *graph (1) shall meet the following criteria:*

20 *(A) A primary focus on studies and anal-*  
21 *ysis.*

22 *(B) A record of conducting research and*  
23 *analysis using a multidisciplinary approach.*

24 *(C) Demonstrated specific competencies*  
25 *in—*

- 1                   (i) *life cycle cost-benefit analysis;*
- 2                   (ii) *military facilities and how such*
- 3                   *facilities support missions; and*
- 4                   (iii) *the measurement of environmental*
- 5                   *impacts.*

6                   (D) *A strong reputation for publishing pub-*  
7                   *licly releasable analysis to inform public debate.*

8                   (b) *COST-BENEFIT ANALYSIS.—An agreement entered*  
9                   *into pursuant to subsection (a) shall specify that the study*  
10                   *conducted under the agreement will include a cost-benefit*  
11                   *analysis of the feasible Department of Defense alternative*  
12                   *uses considered under the study. Such cost-benefit analysis*  
13                   *shall cover each of the following for each such alternative*  
14                   *use:*

15                   (1) *The design and construction costs.*

16                   (2) *Life-cycle costs, including the operation and*  
17                   *maintenance costs of operating the facility, such as*  
18                   *annual operating costs, predicted maintenance costs,*  
19                   *and any disposal costs at the end of the useful life of*  
20                   *the facility.*

21                   (3) *Any potential military benefits.*

22                   (4) *Any potential benefits for the local economy,*  
23                   *including any potential employment opportunities for*  
24                   *members of the community.*

1           (5) *A determination of environmental impact*  
2           *analysis requirements.*

3           (6) *The effects of the use on future mitigation ef-*  
4           *forts.*

5           (7) *Any additional factors determined to be rel-*

7           *ment center in consultation with the Secretary.*

8           (c) *DEADLINE FOR COMPLETION.*—*An agreement en-*  
9           *tered into pursuant to subsection (a) shall specify that the*  
10          *study conducted under the agreement shall be completed by*  
11          *not later than February 1, 2024.*

12          (d) *BRIEFING.*—*Upon completion of a study conducted*  
13          *under an agreement entered into pursuant to subsection (a),*  
14          *the Secretary shall provide to the Committees on Armed*  
15          *Services of the Senate and House of Representatives a brief-*  
16          *ing on the findings of the study.*

17          (e) *PUBLIC AVAILABILITY.*—

18                 (1) *FFRDC.*—*An agreement entered into pursu-*  
19                 *ant to subsection (a) shall specify that the federally*  
20                 *funded research and development center shall make an*  
21                 *unclassified version of the report provided to the Sec-*  
22                 *retary publicly available on an appropriate website of*  
23                 *the center.*

24                 (2) *DEPARTMENT OF DEFENSE.*—*Upon receipt of*  
25                 *such report, the Secretary shall make an unclassified*

19 (B) *uses cost estimating best practices in*  
20 *developing a detailed cost estimate, including—*

21 (i) *a program baseline;*

22 (ii) *a work breakdown structure;*

23 (iii) *a description of the methodology*  
24 *and key assumptions;*

25 (iv) *a consideration of inflation;*

1                   (v) a full assessment of risk and uncer-  
2                   tainty; and

3                   (vi) a sensitivity analysis; and

4                   (3) obtain independent cost estimates for projects  
5                   under the shipyard optimization program that are es-  
6                   timated to exceed \$250,000,000, to validate the cost  
7                   estimates of the Navy developed for such projects pur-  
8                   suant to paragraph (2) and inform the prioritization  
9                   of projects under such program.

10           (b) *BRIEFING.*—If the Secretary of the Navy is unable  
11 to implement the requirements under subsection (a) by  
12 March 1, 2023, the Secretary shall brief the Committees on  
13 Armed Services of the Senate and the House of Representa-  
14 tives before such date on—

15                   (1) the current progress of the Secretary toward  
16                   implementing those requirements;

17                   (2) any hindrance to implementing those re-  
18                   quirements; and

19                   (3) any additional resources necessary to imple-  
20                   ment those requirements.

5 (1) appropriately scoping and tailoring mes-  
6 saging activities to foreign target audiences;

7 (2) ensuring messages serve a valid military  
8 purpose;

9 (3) effectively managing risk associated with  
10 web-based military information support operations;

11 (4) maintaining alignment with policies and  
12 procedures of the Department of Defense;

13 (5) adequately overseeing and approving the  
14 work of contractors;

15 (6) ensuring alignment with policy guidance and  
16 procedures of the Department; and

17 (7) coordinating activities with the Global En-  
18 gagement Center of the Department of State and other  
19 relevant non-Department of Defense entities.

20 **SEC. 358. NOTIFICATION OF MODIFICATION TO POLICY RE-**  
21 **GARDING RETENTION RATES FOR NAVY SHIP**  
22 **REPAIR CONTRACTS.**

23 (a) *NOTIFICATION.*—The Secretary of the Navy may  
24 not modify the general policy of the Department of the Navy  
25 regarding retention rates for contracts for Navy ship repair

1 *until a period of 15 days has elapsed following the date*  
2 *on which the Assistant Secretary of the Navy for Research,*  
3 *Development, and Acquisition submits to the congressional*  
4 *defense committees a notification that includes, with respect*  
5 *to such modification, the following information:*

6           (1) *An identification of any considerations that*  
7 *informed the decision to so modify.*

8           (2) *A description of the desired effect of the*  
9 *modification on the Navy ship repair industrial base.*

10       (b) *TERMINATION.*—*This section, and the requirements*  
11 *thereof, shall terminate on September 30, 2025.*

15 **READINESS.**

16       (a) *IN GENERAL.*—*Not later than 60 days after the*  
17 *date of the enactment of this Act, the Secretary of the Navy*  
18 *shall seek to enter into an agreement with a nonprofit entity*  
19 *or a federally funded research and development center to*  
20 *conduct research and analysis regarding the capacity and*  
21 *capability of private shipyards in the United States to re-*  
22 *pair, maintain, and modernize surface combatants and*  
23 *support ships of the Navy to ensure fleet readiness.*

24       (b) *ELEMENTS.*—*The research and analysis conducted*  
25 *under subsection (a) shall include the following:*

1           (1) *An assessment of the maintenance needs of*  
2 *the Navy during the five-year period preceding the*  
3 *date of the enactment of this Act, including the fre-*  
4 *quency of unplanned maintenance and the average*  
5 *time it takes to repair ships.*

6           (2) *An assessment of the projected maintenance*  
7 *needs of the Navy during the 10-year period following*  
8 *such date of enactment.*

9           (3) *An assessment of whether current private*  
10 *shipyards in the United States have the capacity to*  
11 *meet current and anticipated needs of the Navy to*  
12 *maintain and repair ships, including whether there*  
13 *are adequate ship repair facilities and a sufficiently*  
14 *trained workforce.*

15           (4) *An identification of barriers limiting the*  
16 *success of intermediate-level and depot-level mainte-*  
17 *nance availabilities, including constraints of adding*  
18 *private depot capacity and capability.*

19           (5) *Recommendations based on the findings of*  
20 *paragraphs (1) through (4) regarding actions the Sec-*  
21 *retary of the Navy can take to ensure there is an in-*  
22 *dustrial base of private ship repair facilities to meet*  
23 *the needs of the Navy and ensure fleet readiness, in-*  
24 *cluding whether the Secretary should institute a new*  
25 *force generation model, establish additional homeport*

1        *facilities, or establish new hub-type maintenance fa-*  
2        *cilities.*

3        *(c) INPUT FROM PRIVATE SHIPYARDS.—In conducting*  
4        *research and analysis under subsection (a), the nonprofit*  
5        *entity or federally funded research and development center*  
6        *with which the Secretary of the Navy enters into an agree-*  
7        *ment under subsection (a) shall consult with private ship-*  
8        *yards regarding—*

9            *(1) the fleet maintenance needs of surface com-*  
10        *batant and support ships of the Navy;*

11            *(2) private shipyard capacity, including work-*  
12        *force; and*

13            *(3) additional investment in private shipyards*  
14        *necessary to meet the needs of the Navy.*

15        *(d) REPORT.—*

16            *(1) IN GENERAL.—Not later than 180 days after*  
17        *the date of the enactment of this Act, the nonprofit en-*  
18        *tity or federally funded research and development cen-*  
19        *ter with which the Secretary of the Navy enters into*  
20        *an agreement under subsection (a) shall submit to the*  
21        *Secretary a report on the results of the research and*  
22        *analysis undertaken under such subsection.*

23            *(2) SUBMISSION TO CONGRESS.—Not later than*  
24        *30 days after the Secretary receives the report under*

1 *Fuel Assessment*” as a baseline to inform its analysis of  
2 *fuel distribution logistics in the area of responsibility of the*  
3 *United States Indo-Pacific Command.*

4 (d) *ELEMENTS.*—A contract under subsection (a) shall  
5 *provide that a study conducted under the contract shall in-*  
6 *clude, with respect to the area of responsibility of the United*  
7 *States Indo-Pacific Command, the following:*

8 (1) *An evaluation of the vulnerabilities associ-*  
9 *ated with the production, refinement, and distribu-*  
10 *tion of fuel by the Armed Forces during periods of*  
11 *conflict and in contested logistics environments with-*  
12 *in the area, including with respect to the capability*  
13 *of the Armed Forces to sustain operational flights by*  
14 *aircraft and joint force distributed operations.*

15 (2) *An assessment of potential adversary capa-*  
16 *bilities to disrupt such fuel distribution in the area*  
17 *through a variety of means, including financial*  
18 *means, cyber means, and conventional kinetic attacks.*

19 (3) *An assessment of any gaps in the capability*  
20 *or capacity of inter- or intra-theater fuel distribution,*  
21 *including any gaps relating to storage, transfer plat-*  
22 *forms, manning for platforms, command and control,*  
23 *or fuel handling.*

24 (4) *An evaluation of the positioning of defense*  
25 *fuel support points in the area, including with respect*

1 *to operational suitability and vulnerability to a vari-*  
2 *ety of kinetic threats.*

3 (5) *An assessment of the readiness of allies and*  
4 *partners of the United States to support the supply,*  
5 *storage, and distribution of fuel by the Armed Forces*  
6 *in the area, including a review of any relevant secu-*  
7 *rity cooperation agreements entered into between the*  
8 *United States and such allies and partners.*

9 (6) *An assessment of potential actions to miti-*  
10 *gate any vulnerabilities identified pursuant to the*  
11 *study.*

12 (e) *REPORT.—*

13 (1) *SUBMISSION TO SECRETARY OF DEFENSE.—*

14 (A) *IN GENERAL.—A contract under sub-*  
15 *section (a) shall provide that a study conducted*  
16 *under the contract shall require that the federally*  
17 *funded research and development center submit*  
18 *to the Secretary a report containing the findings*  
19 *of such study.*

20 (B) *FORM.—The report under subpara-*  
21 *graph (A) shall be submitted in an unclassified*  
22 *and publicly releasable form, but may include a*  
23 *classified annex.*

24 (2) *SUBMISSION TO CONGRESS.—Not later than*  
25 *30 days after the date on which the Secretary receives*

1     *the report under paragraph (1)(A), the Secretary*  
2     *shall submit to the appropriate congressional commit-*  
3     *tees a copy of such report, submitted without change.*

4     (f) *DEFINITIONS.—In this section:*

5             (1) *The term “appropriate congressional com-*  
6     *mittees” means—*

7                     (A) *the congressional defense committees;*

8                     (B) *the Committee on Transportation and*  
9     *Infrastructure of the House of Representatives;*  
10             *and*

11                     (C) *the Committee on Commerce, Science,*  
12     *and Transportation of the Senate.*

13             (2) *The term “contested logistics environment”*  
14     *has the meaning given such term in section 2926 of*  
15     *title 10, United States Code.*

15 **SEC. 388. NATIONAL STANDARDS FOR FEDERAL FIRE PRO-**  
16 **TECTION AT MILITARY INSTALLATIONS.**

17           (a) *STANDARDS REQUIRED.*—Beginning not later  
18 than one year after the date of the enactment of this Act,  
19 the Secretary of Defense shall ensure that—

20           (1) members of the Armed Forces and employees  
21           of Defense Agencies who provide fire protection serv-  
22           ices to military installations comply with the na-  
23           tional consensus standards developed by the National  
24           Fire Protection Association;

1           (2) *the minimum staffing requirement for any*  
2 *firefighting vehicle responding to a structural build-*  
3 *ing emergency at a military installation is not less*  
4 *than four firefighters per vehicle; and*

5           (3) *the minimum staffing requirement for any*  
6 *firefighting vehicle responding to an aircraft or air-*  
7 *field incident at a military installation is not less*  
8 *than three firefighters per vehicle.*

9           (b) *REPORTS REQUIRED.*—*Not later than 180 days*  
10 *after the date of the enactment of this Act, each Secretary*  
11 *of a military department shall submit to the Committees*  
12 *on Armed Services of the House of Representatives and the*  
13 *Senate a report that—*

14           (1) *details each instance in which the standards*  
15 *of that military department deviate from the national*  
16 *consensus standards specified in subsection (a)(1),*  
17 *and at what military installation;*

18           (2) *includes, for each military installation under*  
19 *the jurisdiction of that Secretary, a detailed descrip-*  
20 *tion of response times for emergency services and fire-*  
21 *fighting vehicle staffing levels; and*

22           (3) *includes an assessment of the feasibility of re-*  
23 *quiring compliance with the national consensus*  
24 *standards specified in subsection (a)(1) in accordance*  
25 *with such subsection at each military installation*

1        *under the jurisdiction of that Secretary (without ex-*  
2        *ception), the cost of requiring such compliance, and*  
3        *the estimated timeline for that Secretary to imple-*  
4        *ment such requirement.*

5        *(c) DEFINITIONS.—In this section:*

6                *(1) The terms “Armed Forces” and “Defense*  
7        *Agency” have the meanings given such terms in sec-*  
8        *tion 101 of title 10, United States Code.*

9                *(2) The term “firefighter” has the meaning given*  
10        *that term in section 707(b) of the National Defense*  
11        *Authorization Act for Fiscal Year 2020 (Pub. L. 116–*  
12        *92; 10 U.S.C. 1074m note).*

14        *meaning given that term in section 2801 of title 10,*  
15        *United States Code.*

16        **SEC. 389. PILOT PROGRAMS FOR TACTICAL VEHICLE SAFE-**  
17                **TY DATA COLLECTION.**

18                *(a) IN GENERAL.—Not later than October 1, 2023, the*  
19        *Secretary of the Army and the Secretary of the Navy shall*  
20        *each initiate a pilot program to evaluate the utility of using*  
21        *data recorders to monitor, assess, and improve readiness*  
22        *and the safe operation of military tactical vehicles in the*  
23        *Army and the Marine Corps, respectively.*

1       (b) *DURATION.*—Each pilot program initiated under  
2 subsection (a) shall be carried out for a period of not less  
3 than two years.

4       (c) *REQUIREMENTS.*—In carrying out a pilot program  
5 under this section, the Secretary of the Army and the Sec-  
6 retary of the Navy each shall—

7           (1) select not fewer than one military installa-  
8 tion in the United States under the jurisdiction of the  
9 Secretary that contains the necessary forces, equip-  
10 ment, and maneuver training ranges to collect data  
11 on drivers and military tactical vehicles during  
12 training and routine operation at which to carry out  
13 the pilot program;

14           (2) install data recorders on a sufficient number  
15 of each type of military tactical vehicle specified in  
16 subsection (d) to gain statistically significant results;

17           (3) select a data recorder capable of collecting  
18 and exporting telemetry data, event data, and driver  
19 identification data during operation and accidents;

20           (4) establish and maintain a data repository for  
21 operation and event data captured by the data re-  
22 corder; and

23           (5) establish processes to leverage operation and  
24 event data to improve individual vehicle operator per-  
25 formance, identify installation hazards that threaten

1       *safe vehicle operation, and identify vehicle-type spe-*  
2       *cific operating conditions that increase the risk of ac-*  
3       *cidents or mishaps.*

4       *(d) MILITARY TACTICAL VEHICLES SPECIFIED.—Mili-*  
5       *tary tactical vehicles specified in this subsection are the fol-*  
6       *lowing:*

7             *(1) High Mobility Multipurpose Wheeled Vehi-*  
8             *cles.*

9             *(2) Family of Medium Tactical Vehicles.*

10            *(3) Medium Tactical Vehicle Replacements.*

11            *(4) Heavy Expanded Mobility Tactical Trucks.*

12            *(5) Light Armored Vehicles.*

13            *(6) Stryker armored combat vehicles.*

14            *(7) Such other military tactical vehicles as the*  
15        *Secretary of the Army or the Secretary of the Navy*  
16        *considers appropriate.*

17        *(e) CYBER RISK EXEMPTION.—The Secretary of the*  
18        *Army or the Secretary of the Navy, as the case may be,*  
19        *may exempt from a pilot program under this section a mili-*  
20        *tary tactical vehicle specified under subsection (d) if that*  
21        *Secretary submits to the Committees on Armed Services of*  
22        *the House of Representatives and the Senate a certification*  
23        *that, with respect to inclusion of the military tactical vehi-*  
24        *cle, there is a high potential of cyber risk as a result of*

1 *the absence of a cross-domain solution capable of segre-*  
2 *gating classified and unclassified data.*

3 (f) *IMPLEMENTATION PLAN.*—*Not later than 180 days*  
4 *after the date of the enactment of this Act, the Secretary*  
5 *of the Army and the Secretary of the Navy shall each—*

6 (1) *develop plans for implementing the pilot pro-*  
7 *grams under this section; and*

8 (2) *provide to the congressional defense commit-*  
9 *tees a briefing on those plans and the estimated cost*  
10 *of implementing those plans.*

11 (g) *REPORT REQUIRED.*—*Not later than December 15,*  
12 *2024, the Secretary of the Army and the Secretary of the*  
13 *Navy shall each submit to the congressional defense commit-*  
14 *tees a report on the respective pilot programs carried out*  
15 *under this section by the Secretaries, including—*

16 (1) *insights and findings regarding the utility of*  
17 *using data recorders to monitor, assess, and improve*  
18 *readiness and the safe operation of military tactical*  
19 *vehicles;*

20 (2) *adjustments made, or to be made, to the im-*  
21 *plementation plans developed under subsection (f);*  
22 *and*

23 (3) *any other matters determined appropriate by*  
24 *the Secretaries.*

1        *(h) ASSESSMENT REQUIRED.—Not later than Decem-*  
2 *ber 15, 2025, the Secretary of the Army and the Secretary*  
3 *of the Navy shall jointly submit to the congressional defense*  
4 *committees an assessment of the pilot programs carried out*  
5 *under this section, including—*

6            *(1) insights and findings regarding the utility of*  
7 *using data recorders to monitor, assess, and improve*  
8 *readiness and the safe operation of military tactical*  
9 *vehicles;*

10           *(2) an assessment of the utility of establishing an*  
11 *enduring program to use data recorders to monitor,*  
12 *assess, and improve readiness and the safe operation*  
13 *of military tactical vehicles;*

14           *(3) an assessment of the scope, size, and esti-*  
15 *mated cost of such an enduring program; and*

16           *(4) such other matters as the Secretary of the*  
17 *Army and the Secretary of the Navy determine ap-*  
18 *propriate.*

19 **SEC. 390. REQUIREMENTS RELATING TO REDUCTION OF**  
20 **OUT-OF-POCKET COSTS OF MEMBERS OF THE**  
21 **ARMED FORCES FOR UNIFORM ITEMS.**

22        *(a) TRACKING REQUIREMENT.—The Secretary of De-*  
23 *fense shall take such steps as may be necessary to track the*  
24 *expected useful life of uniform items for officers and enlisted*  
25 *members of the Armed Forces, for the purposes of—*

1           (1) *estimating the rate at which such uniform*  
2           *items are replaced;*

3           (2) *determining the resulting out-of-pocket costs*  
4           *for such members over time;*

5           (3) *determining the necessity of establishing a*  
6           *uniform replacement allowance for officers of the*  
7           *Armed Forces, based on the replacement rate esti-*  
8           *mated pursuant to paragraph (1) and the out-of-pock-*  
9           *et costs determined pursuant to paragraph (2); and*

10          (4) *determining the adequacy of the uniform al-*  
11          *lowance for enlisted members of the Armed Forces.*

12          (b) *REPORT.*—*Not later than 120 days after the date*  
13 *of the enactment of this Act, the Secretary of Defense shall*  
14 *submit to the congressional defense committees a report on*  
15 *the expected useful life of required uniform items for mem-*  
16 *bers of the Armed Forces, projected changes to such required*  
17 *uniform items, and related costs anticipated by the Sec-*  
18 *retary (disaggregated by Armed Force). Such report shall*  
19 *include—*

20           (1) *pricing information for each such item, in-*  
21           *cluding items that are not considered uniquely mili-*  
22           *tary; and*

23           (2) *an assessment of the necessity of establishing*  
24           *a uniform replacement allowance for officers of the*

1 *Armed Forces, as determined pursuant to subsection*  
2 *(a)(3).*

3 **SEC. 391. IMPLEMENTATION OF RECOMMENDATIONS RE-**

5 **AND PLAN FOR HOUSING AND CARE OF**  
6 **HORSES.**

7 *(a) IMPLEMENTATION BY SECRETARY OF THE ARMY*  
8 *OF CERTAIN RECOMMENDATIONS RELATING TO ANIMAL FA-*  
9 *CILITY SANITATION.—Not later than March 1, 2023, the*  
10 *Secretary of the Army shall implement the recommenda-*  
11 *tions contained in the memorandum of the Department of*  
12 *the Army dated February 25, 2022, the subject of which*  
13 *is “Animal Facility Sanitation Inspection Findings for the*  
14 *Fort Myer Caisson Barns/Paddocks and the Fort Belvoir*  
15 *Caisson Pasture Facility” (MHCB–RN).*

16 *(b) PLAN FOR HOUSING AND CARE OF ALL HORSES*  
17 *WITHIN CARE OF OLD GUARD.—*

18 *(1) IN GENERAL.—Not later than March 1, 2023,*  
19 *the Secretary of the Army shall submit to Congress a*  
20 *plan for the housing and care of all horses within the*  
21 *care of the 3rd United States Infantry (commonly*  
22 *known as the “Old Guard”).*

23 *(2) ELEMENTS.—The plan required by para-*  
24 *graph (1) shall include—*

1           (A) a description of each modification  
2           planned or underway at the Fort Myer Caisson  
3           Barns/Paddocks, the Fort Belvoir Caisson Pas-  
4           ture Facility, and any other facility or location  
5           under consideration for stabling of the horses de-  
6           scribed in paragraph (1);

7           (B) an identification of adequate space at  
8           Fort Myer, Virginia, to properly care for the  
9           horses described in paragraph (1);

10          (C) a prioritization of the allotment of the  
11          space identified under subparagraph (B) over  
12          other functions of Fort Myer that could be placed  
13          elsewhere;

14          (D) projected timelines and resource re-  
15          quirements to execute the plan; and

16          (E) a description of—

17               (i) immediate remedies for the unsani-  
18               tary and unsafe conditions present at the  
19               locations described in subparagraph (A);  
20               and

21               (ii) how long-term quality of life im-  
22               provements will be provided for the horses  
23               described in paragraph (1).

8 *tion 575 of title 10, United States Code, is amended by add-*  
9 *ing at the end the following new subsections:*

10           “(e)(1) *In selecting the warrant officers to be rec-*  
11 *ommended for promotion, a selection board shall, when au-*  
12 *thorized by the Secretary concerned, recommend warrant*  
13 *officers of particular merit, pursuant to guidelines and pro-*  
14 *cedures prescribed by the Secretary concerned, from among*  
15 *those warrant officers selected for promotion, to be placed*  
16 *higher on the promotion list contained in the report of such*  
17 *board under section 576(c) of this title.*

18           “(2) *A selection board may recommend that a warrant*  
19 *officer be placed higher on a promotion list under para-*  
20 *graph (1) only if the warrant officer receives the rec-*  
21 *ommendation of at least a majority of the members of the*  
22 *board, unless the Secretary concerned establishes an alter-*  
23 *native requirement. Any such alternate requirement shall*  
24 *be furnished to the board as part of the guidelines furnished*  
25 *to the board under section 576 of this title.*

1       “(3) For the warrant officers recommended to be  
2 placed higher on a promotion list under paragraph (1), the  
3 board shall recommend the order in which those warrant  
4 officers should be placed on the list.

5       “(f)(1) Upon the request of a warrant officer, the Sec-  
6 retary concerned may exclude the warrant officer from con-  
7 sideration for promotion under this section.

8       “(2) The Secretary concerned may approve a request  
9 of a warrant officer under paragraph (1) only if—

10           “(A) the basis for the request is to allow the offi-  
11 cer to complete—

12                   “(i) an assignment in support of career  
13 progression;

14                   “(ii) advanced education;

15                   “(iii) an assignment such Secretary deter-  
16 mines is of significant value to the Armed Force  
17 concerned; or

18                   “(iv) a career progression requirement de-  
19 layed by an assignment or education;

20           “(B) such Secretary determines that such exclu-  
21 sion from consideration is in the best interest of the  
22 Armed Force concerned; and

23           “(C) the officer has not previously failed of selec-  
24 tion for promotion to the grade for which the officer  
25 requests exclusion from consideration.”.

1 **SEC. 530. SENSE OF CONGRESS REGARDING WOMEN INVOL-**  
2 **UNTARILY SEPARATED FROM THE ARMED**  
3 **FORCES DUE TO PREGNANCY OR PARENT-**  
4 **HOOD.**

5 (a) *FINDINGS.*—Congress finds the following:

6 (1) *In June 1948, Congress enacted the Women’s*  
7 *Armed Services Integration Act of 1948, which for-*  
8 *mally authorized the appointment and enlistment of*  
9 *women in the regular components of the Armed*  
10 *Forces.*

11 (2) *With the expansion of the Armed Forces to*  
12 *include women, the possibility arose for the first time*  
13 *that members of the regular components of the Armed*  
14 *Forces could become pregnant.*

15 (3) *The response to such possibilities and actual-*  
16 *ities was Executive Order 10240, signed by President*  
17 *Harry S. Truman in 1951, which granted the Armed*  
18 *Forces the authority to involuntarily separate or dis-*  
19 *charge a woman if she became pregnant, gave birth*  
20 *to a child, or became a parent by adoption or a step-*  
21 *parent.*

22 (4) *The Armed Forces responded to the Executive*  
23 *order by systematically discharging any woman in*  
24 *the Armed Forces who became pregnant.*

25 (5) *The Armed Forces were required to offer*  
26 *women who were involuntarily separated or dis-*

1     *charged due to pregnancy the opportunity to request*  
2     *retention in the military.*

3             (6) *The Armed Forces may not have provided re-*  
4     *quired separation benefits, counseling, or assistance to*  
5     *the members of the Armed Forces who were separated*  
6     *or discharged due to pregnancy.*

7             (7) *Thousands of members of the Armed Forces*  
8     *were involuntarily separated or discharged from the*  
9     *Armed Forces as a result of pregnancy.*

10            (8) *Such involuntary separation or discharge*  
11    *from the Armed Forces on the basis of pregnancy was*  
12    *challenged in Federal district court by Stephanie*  
13    *Crawford in 1975, whose legal argument stated that*  
14    *this practice violated her constitutional right to due*  
15    *process of law.*

16            (9) *The Court of Appeals for the Second Circuit*  
17    *ruled in Stephanie Crawford's favor in 1976 and*  
18    *found that Executive Order 10240 and any regula-*  
19    *tions relating to the Armed Forces that made separa-*  
20    *tion or discharge mandatory due to pregnancy were*  
21    *unconstitutional.*

22            (10) *By 1976, all regulations that permitted in-*  
23    *voluntary separation or discharge of a member of the*  
24    *Armed Forces because of pregnancy or any form of*  
25    *parenthood were rescinded.*

1           (11) *Today, women comprise 17 percent of the*  
2           *Armed Forces, and many are parents, including 12*  
3           *percent of whom are single parents.*

4           (12) *While military parents face many hard-*  
5           *ships, today's Armed Forces provide various lengths of*  
6           *paid family leave for mothers and fathers, for both*  
7           *birth and adoption of children.*

8           (b) *SENSE OF CONGRESS.—It is the sense of Congress*  
9           *that women who served in the Armed Forces before Feb-*  
10          *ruary 23, 1976, should not have been involuntarily sepa-*  
11          *rated or discharged due to pregnancy or parenthood.*

12           (5) *INTERIM BRIEFING.*—*Not later than 90 days*  
13           *after the implementing a pilot program under this*  
14           *subsection, the Secretary shall provide to the Commit-*  
15           *tees on Armed Services of the Senate and the House*  
16           *of Representatives a briefing on the pilot program.*  
17           *Such briefing shall include the following:*

18                   *(A) The definition, prescribed by the Sec-*  
19           *retary, of PRI.*

20                   *(B) How the Secretary intends to handle*  
21           *privacy concerns related to the collection of PRI.*

22                   *(C) Legal concerns over the collection, use,*  
23           *and maintenance of PRI.*

24           (6) *FINAL REPORT.*—*Not later than 120 days*  
25           *after the completion of a pilot program under this*

1 subsection, the Under Secretary of Defense for Per-  
2 sonnel and Readiness shall submit to the Committees  
3 on Armed Services of the Senate and the House of  
4 Representatives a report on the pilot program. Such  
5 report shall include the following:

6 (A) A summary of whether and how the  
7 pilot program modernized recruiting efforts.

8 (B) A description of any efficiencies identi-  
9 fied under the pilot program.

10 (C) Any violations of privacy laws arising  
11 from the pilot program.

18               (1) in subsection (b)(1), by striking “shall have  
19 jurisdiction over” and all that follows through the pe-  
20 riod at the end of subparagraph (D) and inserting the  
21 following: “shall have jurisdiction over—

22                       “(A) a timely appeal from the judgment of a  
23 court-martial, entered into the record under section  
24 860c(a) of this title (article 60c(a)), that includes a  
25 finding of guilty; and

1           “(B) a summary court-martial case in which the  
2           accused filed an application for review with the Court  
3           under section 869(d)(1) of this title (article 69(d)(1))  
4           and for which the application has been granted by the  
5           Court.”; and

6           (2) in subsection (c), by striking “is timely if”  
7           and all that follows through the period at the end of  
8           paragraph (2) and inserting the following: “is timely  
9           if—

10           “(1) in the case of an appeal under subpara-  
11           graph (A) of such subsection, it is filed before the later  
12           of—

13           “(A) the end of the 90-day period beginning  
14           on the date the accused is provided notice of ap-  
15           pellate rights under section 865(c) of this title  
16           (article 65(c)); or

17           “(B) the date set by the Court of Criminal  
18           Appeals by rule or order; and

19           “(2) in the case of an appeal under subpara-  
20           graph (B) of such subsection, an application for re-  
21           view with the Court is filed not later than the earlier  
22           of the dates established under section 869(d)(2)(B) of  
23           this title (article 69(d)(2)(B)).”.

1       (c) *REVIEW BY JUDGE ADVOCATE GENERAL.*—Section  
2 869 of title 10, United States Code (article 69 of the Uni-  
3 form Code of Military Justice), is amended—

4           (1) by amending subsection (a) to read as fol-  
5 lows:

6       “(a) *IN GENERAL.*—Upon application by the accused  
7 or receipt of the record pursuant to section 864(c)(3) of this  
8 title (article 64(c)(3)) and subject to subsections (b), (c),  
9 and (d), the Judge Advocate General may—

10           “(1) with respect to a summary court-martial,  
11 modify or set aside, in whole or in part, the findings  
12 and sentence; or

13           “(2) with respect to a general or special court-  
14 martial, order such court-martial to be reviewed  
15 under section 866 of this title (article 66).”; and

16           (2) in subsection (b)—

17           (A) by inserting “(1)” before “To qualify”;  
18 and

19           (B) by striking “not later than one year  
20 after” and all that follows through the period at  
21 the end and inserting the following: “not later  
22 than—

23           “(A) for a summary court-martial, one year  
24 after the date of completion of review under section  
25 864 of this title (article 64); or

1           “(B) for a general or special court-martial, one  
2           year after the end of the 90-day period beginning on  
3           the date the accused is provided notice of appellate  
4           rights under section 865(c) of this title (article 65(c)),  
5           unless the accused submitted a waiver or withdrawal  
6           of appellate review under section 861 of this title (ar-  
7           ticle 61) before being provided notice of appellate  
8           rights, in which case the application must be sub-  
9           mitted to the Judge Advocate General not later than  
10          one year after the entry of judgment under section  
11          860c of this title (article 60c).

12          “(2) The Judge Advocate General may, for good cause  
13          shown, extend the period for submission of an application,  
14          except that—

15                 “(A) in the case of an application for review of  
16                 a summary court martial, the Judge Advocate may  
17                 not consider an application submitted more than  
18                 three years after the completion date referred to in  
19                 paragraph (1)(A); and

20                 “(B) in case of an application for review of a  
21                 general or special court-martial, the Judge Advocate  
22                 may not consider an application submitted more than  
23                 three years after the end of the applicable period  
24                 under paragraph (1)(B).”;

25                 (3) in subsection (c)—

1           (A) in paragraph (1)(A), by striking “sec-  
2           tion 864 or 865(b) of this title (article 64 or  
3           65(b))” and inserting “section 864 of this title  
4           (article 64)”; and

5           (B) in paragraph (2), by striking “the  
6           Judge Advocate General shall order appropriate  
7           corrective action under rules prescribed by the  
8           President” and inserting “the Judge Advocate  
9           General shall send the case to the Court of  
10          Criminal Appeals”; and

11         (4) in subsection (d)—

12           (A) in paragraph (1), by striking “under  
13           subsection (c)—” and all that follows through  
14           “(B) in a case submitted” and inserting “under  
15           subsection (c)(1) in a case submitted”; and

16           (B) in paragraph (2), in the matter pre-  
17           ceding subparagraph (A), by striking “para-  
18           graph (1)(B)” and inserting “paragraph (1)”.

19         (d) *APPLICABILITY.*—The amendments made by this  
20         section shall not apply to—

21           (1) any matter that was submitted before the  
22           date of the enactment of this Act to a Court of Crimi-  
23           nal Appeals established under section 866 of title 10,  
24           United States Code (article 66 of the Uniform Code  
25           of Military Justice); or

13 **OF THE ARMY AND CERTAIN OTHER ORGANI-**  
14 **ZATIONS.**

15       **(a) REVIEW OF TITLING AN INDEXING DECISIONS.**—  
16 *Not later than 180 days after the date of the enactment of*  
17 *this Act, the Secretary of the Army shall review the case*  
18 *file of each member or former member of the Army, the*  
19 *Army Reserve, or the Army National Guard who was titled*  
20 *or indexed in connection with the Guard Recruiting Assist-*  
21 *ance Program, the Army Reserve Recruiting Assistance*  
22 *Program, or any related activity to determine the appro-*  
23 *priateness of the titling or indexing decision that was made*  
24 *with respect to such member or former member.*

1       **(b) FACTORS TO BE CONSIDERED.**—*In reviewing a titling or indexing decision under subsection (a), the Secretary of the Army shall consider—*

4           (1) *the likelihood that the member or former member to whom the decision pertains will face future criminal prosecution or other adverse action on the basis of the facts in the record at the time of the review;*

9           (2) *the appropriate evidentiary standard to apply to the review of the decision; and*

11          (3) *such other circumstances or factors as the Secretary determines are in the interest of equity and fairness.*

14       **(c) NOTIFICATION AND APPEAL.**—

15           (1) **IN GENERAL.**—*Upon the completion of each review under subsection (a), the Secretary of the Army shall notify the member or former member concerned of such review, the disposition of the relevant instance of titling or indexing, and the mechanisms the member or former member may pursue to seek correction, removal, or expungement of that instance of titling or indexing.*

23           (2) **NOTIFICATION OF NEXT OF KIN.**—*In a case in which a member or former member required to be notified under paragraph (1) is deceased, the Sec-*

1        *retary of the Army shall provide the notice required*  
2        *under such paragraph to the primary next of kin of*  
3        *the member or former member.*

4        *(d) ACTIONS BY THE SECRETARY OF THE ARMY.—If*  
5        *the Secretary of the Army determines that correction, re-*  
6        *moval, or expungement of an instance of titling or indexing*  
7        *is appropriate after considering the factors under subsection*  
8        *(b), the Secretary of the Army may request that the name,*  
9        *personally identifying information, and other information*  
10       *relating to the individual to whom the titling or indexing*  
11       *pertains be corrected in, removed from, or expunged from,*  
12       *the following:*

13                *(1) A law enforcement or criminal investigative*

3            *(D) how proposed constructive credit for ci-*  
4            *vilian education and non-military experience in*  
5            *related space industry or government sectors will*  
6            *align with the proposed PME and career devel-*  
7            *opment models; and*

8            *(E) how the Space Force Component pro-*  
9            *posal will enable officers to achieve joint quali-*  
10           *fications required for promotion to general offi-*  
11           *cer.*

12           *(2) A description of issues related to officer ac-*  
13           *cessions of the Space Force, including—*

14           *(A) the expected sources of commissioning*  
15           *for officers of the Space Force, including the de-*  
16           *sired proportions of officer assessments from the*  
17           *Reserve Officer Training Corps, military service*  
18           *academies, Officer Training School, and direct*  
19           *commissions at each grade above O-1;*

20           *(B) the role of proposed constructive credit*  
21           *for civilian education and non-military experi-*  
22           *ence in accessing officers at each grade above O-*  
23           *1 and the extent to which the Space Force plans*  
24           *to grant constructive credit in determining an*

1           *officer's entry grade at each grade above O-1;*  
2           *and*

3                   *(C) the role of targeted recruiting, as de-*  
4           *scribed in the Guardian Ideal, for officer acces-*  
5           *sions, including how it will work, how frequently*  
6           *it will be used, for what positions, and how it*  
7           *will fit into overall officer accessions.*

8           *(3) A description of issues related to the profes-*  
9           *sional military ethic of the Space Force, including—*

10                   *(A) how the proposed talent management*  
11           *system, career development model, PME model,*  
12           *and proposed Space Force Component structure*  
13           *will affect the development of a unique military*  
14           *culture of the Space Force as an Armed Force*  
15           *with space as a warfighting domain;*

16                   *(B) the role of the professional military*

21           *the Space Force in the development and steward-*  
22           *ship of the Space Force as an Armed Force, and*  
23           *how such employees are distinct from members of*  
24           *the Space Force;*

1           (D) the ethical implications of creating a  
2           force that is designed to “partner effectively with  
3           other space-interested entities,” as described in  
4           the Guardian Ideal, and how the Space Force in-  
5           tends to address any ethical conflicts arising  
6           from its desired close partnership with non-mili-  
7           tary and non-governmental entities in private  
8           industry; and

9           (E) the specific barriers between officers, en-  
10          listed members, and civilian employees that are  
11          described as “unnecessary” in the Guardian  
12          Ideal, how and why such barriers are unneces-  
13          sary for the Space Force, and any statutory or  
14          policy changes the Space Force proposes to re-  
15          move such barriers, including any proposed  
16          changes to the Uniform Code of Military Justice.

17          (4) Any other issues related to personnel man-  
18          agement and professional development of officers of  
19          the Space Force that the Secretary of the Air Force

22          *ment of the officer under paragraph (1) to remain on*  
23          *active duty shall expire not later than one year after*  
24          *that determination.*

25          (d) *RETENTION INCENTIVES.—*

1           (1) *GUARANTEE OF FUTURE ASSIGNMENT LOCA-*  
2           *TION.*—Under the demonstration program required  
3           under subsection (a), the Secretary may offer to a  
4           rated officer described in subsection (b) a guarantee  
5           of future assignment locations based on the preference  
6           of the officer.

7           (2) *AVIATION BONUS.*—Under the demonstration  
8           program required under subsection (a), notwith-  
9           standing section 334(c) of title 37, United States  
10          Code, the Secretary may pay to a rated officer de-  
11          scribed in subsection (b) an aviation bonus not to ex-  
12          ceed an average annual amount of \$50,000 (subject to  
13          paragraph (3)(B)).

14          (3) *COMBINATION OF INCENTIVES.*—The Sec-  
15          retary may offer to a rated officer described in sub-  
16          section (b) a combination of incentives under para-  
17          graphs (1) and (2).

18          (e) *ANNUAL BRIEFING.*—Not later than December 31,  
19          2023, and annually thereafter until the termination of the  
20          demonstration program required under subsection (a), the  
21          Secretary shall provide to the Committees on Armed Serv-  
22          ices of the Senate and the House of Representatives a brief-  
23          ing describing the use of such demonstration program and  
24          its effects on the retention on active duty in the Air Force  
25          of rated officers described in subsection (b).

6                                   **ARMED FORCES.**

7           (a) *IN GENERAL.*—*Section 701 of title 10, United*  
8           *States Code, as amended by sections 631 and 632, is further*  
9           *amended by adding at the end the following new subsection:*

10           “(m)(1) *Except as provided by subsection (h)(3), and*  
11           *under regulations prescribed by the Secretary of Defense,*  
12           *a member of the armed forces diagnosed with a medical con-*  
13           *dition is allowed convalescent leave if—*

14                   “(A) *the medical or behavioral health provider of*  
15           *the member—*

16                           “(i) *determines that the member is not yet*  
17                           *fit for duty as a result of that condition; and*

18                           “(ii) *recommends such leave for the member*  
19                           *to provide for the convalescence of the member*  
20                           *from that condition; and*

21                   “(B) *the commanding officer of the member or*  
22           *the commander of the military medical treatment fa-*  
23           *cility authorizes such leave for the member.*

1       “(2) A member may take not more than 30 days of  
2 convalescent leave under paragraph (1) with respect to a  
3 condition described in that paragraph unless—

4               “(A) such leave in excess of 30 days is authorized  
5 by—

6                       “(i) the Secretary concerned; or

7                       “(ii) an individual at the level designated  
8 by the Secretary concerned, but not below the  
9 grade of O-5 or the civilian equivalent; or

10               “(B) the member is authorized to receive con-  
11 valescent leave under subsection (h)(3) in conjunction  
12 with the birth of a child.

13       “(3)(A) Convalescent leave may be authorized under  
14 paragraph (1) only for a medical condition of a member  
15 and may not be authorized for a member in connection with  
16 a condition of a dependent or other family member of the  
17 member.

18       “(B) In authorizing convalescent leave for a member  
19 under paragraph (1) with respect to a condition described  
20 in that paragraph, the commanding officer of the member  
21 or the commander of the military medical treatment facil-  
22 ity, as the case may be, shall—

23               “(i) limit the duration of such leave to the min-  
24 imum necessary in relation to the diagnosis, prog-

1        *nosis, and probable final disposition of the condition*  
2        *of the member; and*

3                *“(i) authorize leave tailored to the specific med-*  
4        *ical needs of the member rather than (except for con-*  
5        *valescent leave provided for under subsection (h)(3))*  
6        *authorizing leave based on a predetermined formula.*

7                *“(4) A member taking convalescent leave under para-*  
8        *graph (1) shall not have the member’s leave account reduced*  
9        *as a result of taking such leave.*

10               *“(5) In this subsection, the term ‘military medical*  
11        *treatment facility’ means a facility described in subsection*  
12        *(b), (c), or (d) of section 1073d of this title.”.*

13               *(b) TREATMENT OF CONVALESCENT LEAVE FOR BIRTH*  
14        *OF CHILD.—Paragraph (4) of subsection (h) of such section,*  
15        *as redesignated by section 632, is amended—*

16               *(1) by redesignating subparagraphs (A) and (B)*  
17        *as clauses (i) and (ii), respectively;*

18               *(2) by inserting “(A)” after “(4)”;* and

19               *(3) by adding at the end the following new sub-*  
20        *paragraph:*

21               *“(B) Convalescent leave may be authorized under sub-*  
22        *paragraph (A) only for a medical condition of a member*  
23        *and may not be authorized for a member in connection with*  
24        *a condition of a dependent or other family member of the*

12           (1) *ELECTION OF TO DISCONTINUE SBP PARTICI-*  
13 *PATION.—A person participating in the Survivor*  
14 *Benefit Plan on the day before the first day of the*  
15 *open season described in subsection (e) may elect to*  
16 *discontinue such participation during the open sea-*  
17 *son.*

18           (2) *CONSENT OF BENEFICIARIES.—*

19           (A) *IN GENERAL.—Except as provided in*  
20 *subparagraph (B), a person described in para-*  
21 *graph (1) may not make an election under that*  
22 *paragraph without the concurrence of—*

23                   (i) *each designated beneficiary of such*  
24                   *person under the Survivor Benefit Plan;*  
25                   *and*

1                   (ii) the spouse of such person, if such  
2                   person is married.

3                   (B) *EXCEPTION WHEN BENEFICIARY UN-*  
4                   *AVAILABLE.*—A person may make an election  
5                   under paragraph (1) without a concurrence re-  
6                   quired under subparagraph (2) if the person es-  
7                   tablishes to the satisfaction of the Secretary con-  
8                   cerned—

9                   (i) that the whereabouts of the spouse  
10                  or beneficiary, as the case may be, cannot  
11                  be determined; or

12                  (ii) that, due to exceptional cir-  
13                  cumstances, requiring the person to seek the  
14                  consent of the spouse or beneficiary, as the  
15                  case may be, would otherwise be inappro-  
16                  priate.

17                  (3) *TREATMENT OF PREMIUMS.*—

18                  (A) *DISCONTINUATION OF REDUCTIONS IN*  
19                  *PAY.*—As of the effective date under subsection  
20                  (d) of an election by a person under paragraph  
21                  (1), the Secretary concerned shall discontinue the  
22                  reduction being made in the retired pay of the  
23                  person arising from participation in the Sur-  
24                  vivor Benefit Plan or, in the case of a person  
25                  who has been required to make deposits in the

1           *Treasury on account of participation in the Sur-*  
2           *vivor Benefit Plan, that person may discontinue*  
3           *making such deposits effective on such effective*  
4           *date.*

5                   (B) *TREATMENT OF PREVIOUS REDUC-*  
6           *TIONS.—A person who makes an election under*  
7           *paragraph (1) is not entitled to a refund of any*  
8           *reduction or deposit described in subparagraph*  
9           *(A) made before such effective date.*

10           (c) *MANNER OF MAKING ELECTIONS.—*

11                   (1) *IN GENERAL.—An election under subsection*  
12           *(a) or (b) shall be made in writing, signed by the per-*  
13           *son making the election, and received by the Secretary*  
14           *concerned before the end of the open season described*  
15           *in subsection (e).*

16                   (2) *CONDITIONS.—Except as provided in para-*  
17           *graph (3), an election under subsection (a) shall be*  
18           *made subject to the same conditions, and with the*  
19           *same opportunities for designation of beneficiaries*  
20           *and specification of base amount, that apply under*  
21           *the Survivor Benefit Plan.*

22                   (3) *ELECTION MUST BE VOLUNTARY.—An elec-*  
23           *tion under subsection (a) or (b) is not effective unless*  
24           *the person making the election declares the election to*  
25           *be voluntary. An election under subsection (a) or (b)*

1       to participate or not to participate in the Survivor  
2       Benefit Plan may not be required by any court. An  
3       election by a person under subsection (a) to partici-  
4       pate in the Survivor Benefit Plan is not subject to the  
5       concurrence of a spouse or former spouse of the per-  
6       son.

7               (4) *DESIGNATION WITH RESPECT TO RESERVE-*  
8       *COMPONENT ANNUITY.*—A person making an election  
9       under subsection (a) to provide a reserve-component  
10      annuity shall make a designation described in section  
11      1448(e) of title 10, United States Code.

12      (d) *EFFECTIVE DATE FOR ELECTIONS.*—An election  
13      under subsection (a) or (b) shall be effective on the first  
14      day of the first calendar month following the month in  
15      which the election is received by the Secretary concerned.

16      (e) *OPEN SEASON DESCRIBED.*—The open season de-  
17      scribed in this subsection is the period beginning on the date  
18      of the enactment of this Act and ending on January 1,  
19      2024.

20      (f) *APPLICABILITY OF CERTAIN PROVISIONS OF*  
21      *LAW.*—The provisions of sections 1449, 1453, and 1454 of  
22      title 10, United States Code, are applicable to a person  
23      making an election, and to an election, under subsection  
24      (a) or (b) in the same manner as if the election were made  
25      under the Survivor Benefit Plan.

23        *incident to mental health care services voluntarily sought*  
24        *by a member of the Armed Forces.*

1 **SEC. 705. AUDIT OF BEHAVIORAL HEALTH CARE NETWORK**  
2 **PROVIDERS LISTED IN TRICARE DIRECTORY.**

3 (a) *AUDIT REQUIRED.*—The Comptroller General of  
4 the United States shall conduct an audit of the behavioral  
5 health care providers listed in the TRICARE directory.

6 (b) *REPORT.*—Not later than one year after the date  
7 of the enactment of this Act, the Comptroller General shall  
8 submit to the Committees on Armed Services of the House  
9 of Representatives and the Senate a report on the findings  
10 of the audit under subsection (a). Such report shall include  
11 the following:

12 (1) *An identification of the following,*  
13 *disaggregated by provider specialty and TRICARE*  
14 *provider network region:*

15 (A) *The number of such behavioral health*  
16 *care providers with respect to which there are*  
17 *duplicate listings in the TRICARE directory.*

18 (B) *The number of such behavioral health*  
19 *care providers that, as of the commencement of*  
20 *the audit, were listed in the TRICARE directory*  
21 *as available and accepting new TRICARE pa-*  
22 *tients.*

23 (C) *The number of such behavioral health*  
24 *care providers that, as a result of the audit, the*  
25 *Comptroller General determines are no longer*  
26 *available or accepting new TRICARE patients.*

1           (D) *The number of such behavioral health*  
2           *care providers that were not previously listed in*  
3           *the TRICARE directory as available and accept-*  
4           *ing new TRICARE patients but that, as a result*  
5           *of the audit, the Comptroller General determines*  
6           *are so available and accepting.*

7           (E) *The number of behavioral health care*  
8           *providers listed in the TRICARE directory that*  
9           *are no longer practicing.*

10          (F) *The number of behavioral health care*  
11          *providers that, in conducting the audit, the*  
12          *Comptroller General could not reach for purposes*  
13          *of verifying information relating to availability*  
14          *or status.*

15          (2) *An identification of the number of TRICARE*  
16          *beneficiaries in each TRICARE region, disaggregated*  
17          *by beneficiary category.*

18          (3) *A description of the methods by which the*  
19          *Secretary of Defense measures the following:*

20               (A) *The accessibility and accuracy of the*  
21               *TRICARE directory, with respect to behavioral*  
22               *health care providers listed therein.*

23               (B) *The adequacy of behavioral health care*  
24               *providers under the TRICARE program.*

1           (4) *A description of the efforts of the Secretary*  
2 *of Defense to recruit and retain behavioral health care*  
3 *providers.*

4           (5) *Recommendations by the Comptroller Gen-*  
5 *eral, based on the findings of the audit, on how to im-*  
6 *prove the availability of behavioral health care pro-*  
7 *viders that are network providers under the*  
8 *TRICARE program, including through the inclusion*  
9 *of specific requirements in the next generation of*  
10 *TRICARE contracts.*

11 *(c) DEFINITIONS.—In this section:*

12           (1) *The term “TRICARE directory” means the*  
13 *directory of network providers under the TRICARE*  
14 *program.*

15           (2) *The term “TRICARE program” has the*  
16 *meaning given such term in section 1072 of title 10,*

1           (B) *The processes under such component for*  
2           *quality assurance, standard of care, and incident*  
3           *review (and an assessment of compliance with*  
4           *such processes).*

5           (C) *The accountability processes under such*  
6           *component for health care providers who are*  
7           *found to have not met a required standard of*  
8           *care.*

9           (D) *The transparency activities carried out*  
10          *under such component, including an assessment*  
11          *of the publication of clinical quality metrics (at*  
12          *the level of military medical treatment facilities*  
13          *and other operational medical units of the De-*  
14          *partment of Defense), and a comparison with*  
15          *similar metrics for non-Department health care*  
16          *entities.*

17          (E) *The standardization activities carried*  
18          *under such component, including activities*  
19          *aimed at eliminating unwarranted variation in*  
20          *clinical quality metrics at the level of military*  
21          *medical treatment facilities and other oper-*  
22          *ational medical units of the Department.*

23          (F) *The implementation under such compo-*  
24          *nent of the requirements of section 744 of the Na-*  
25          *tional Defense Authorization Act for Fiscal Year*

7 **SEC. 713. CENTERS OF EXCELLENCE FOR SPECIALTY CARE**  
8 **IN MILITARY HEALTH SYSTEM.**

9 *(a) CENTERS OF EXCELLENCE.—Section 1073d(b)(4)*  
10 *of title 10, United States Code, is amended to read as fol-*  
11 *lows:*

12 *“(4)(A) The Secretary shall designate certain major*  
13 *medical centers as regional centers of excellence for the pro-*  
14 *vision of specialty care services in the areas of specialty*  
15 *care described in subparagraph (D). A major medical center*  
16 *may be designated as a center of excellence under this sub-*  
17 *paragraph for more than one such area of specialty care.*

18 *“(B) The Secretary may designate certain medical*  
19 *centers as satellite centers of excellence for the provision of*  
20 *specialty care services for specific conditions, such as the*  
21 *following:*

22 *“(i) Post-traumatic stress.*

23 *“(ii) Traumatic brain injury.*

24 *“(iii) Such other conditions as the Secretary de-*  
25 *termines appropriate.*

1       “(C) Centers of excellence designated under this para-  
2 graph shall serve the purposes of—

3               “(i) ensuring the military medical force readi-  
4 ness of the Department of Defense and the medical  
5 readiness of the armed forces;

6               “(ii) improving the quality of health care fur-  
7 nished by the Secretary to eligible beneficiaries; and

8               “(iii) improving health outcomes for eligible  
9 beneficiaries.

10       “(D) The areas of specialty care described in this sub-  
11 paragraph are as follows:

12               “(i) Oncology.

13               “(ii) Burn injuries and wound care.

14               “(iii) Rehabilitation medicine.

23               “(x) Cardiothoracic surgery.

24               “(xi) Such other areas of specialty care as the  
25 Secretary determines appropriate.

1       “(E)(i) Centers of excellence designated under this  
2 paragraph shall be the primary source within the military  
3 health system for the receipt by eligible beneficiaries of spe-  
4 cialty care.

5       “(ii) Eligible beneficiaries seeking a specialty care  
6 service through the military health system shall be referred  
7 to a center of excellence designated under subparagraph (A)  
8 for that area of specialty care or, if the specialty care service  
9 sought is unavailable at such center, to an appropriate spe-  
10 cialty care provider in the private sector.

11       “(F) Not later than 90 days prior to the designation  
12 of a center of excellence under this paragraph, the Secretary  
13 shall notify the Committees on Armed Services of the House  
14 of Representatives and the Senate of such designation.

15       “(G) In this paragraph, the term ‘eligible beneficiary’  
16 means any beneficiary under this chapter.”.

17       (b) *DEADLINE.*—The Secretary of Defense shall des-  
18 ignate certain major medical centers as regional centers of  
19 excellence in accordance with section 1073d(b)(4)(A) of title  
20 10, United States Code, as added by subsection (a), by not  
21 later than one year after the date of the enactment of this  
22 Act.

23       (c) *REPORT.*—

24               (1) *SUBMISSION.*—Not later than 180 days after  
25 the date of the enactment of this Act, the Secretary of

5           (6) WAIVER.—

6           (A) IN GENERAL.—Following the conclusion  
7           of the five-year period specified in paragraph  
8           (1), the Secretary of Defense may waive the pro-  
9           hibition under such subsection if—

10           (i) the report requirement under para-  
11           graph (3), the certification requirement  
12           under paragraph (4), and the process re-  
13           quirement under paragraph (5) have been  
14           completed;

15           (ii) the Secretary determines that the  
16           waiver is necessary and in the interests of  
17           the national security of the United States;  
18           and

19           (iii) the waiver is issued in writing.

20           (B) NOTIFICATION TO CONGRESS.—Not  
21           later than five days after issuing a waiver under  
22           subparagraph (A), the Secretary of Defense shall  
23           submit to the Committees on Armed Services of  
24           the House of Representatives and the Senate a  
25           notification of the waiver (including the text of

1           *the waiver and a justification for the waiver)*  
2           *and provide to such committees a briefing on the*  
3           *components of the waiver.*

17       (d) *APPLICABILITY.*—Section 3455 of such title is  
18 amended by adding at the end the following new subsection:

19       “(g) *APPLICABILITY.*—

20               “(1) *IN GENERAL.*—Subsections (b) and (c) shall  
21 apply only with respect to subsystems described in  
22 subsection (b) and components or spare parts de-  
23 scribed in subsection (c), respectively, that the De-  
24 partment of Defense acquires through—

25                       “(A) a prime contract;

1           “(B) a modification to a prime contract; or  
 2           “(C) a subcontract described in paragraph  
 3           (2).

4           “(2) *SUBCONTRACT DESCRIBED.*—A subcontract  
 5           described in this paragraph is a subcontract through

5 “(a) PROCEDURES.—

6 “(1) IN GENERAL.—The Secretary of Defense  
7 shall prescribe procedures for the urgent acquisition  
8 and deployment of capabilities needed in response to  
9 urgent operational needs. The capabilities for which  
10 such procedures may be used in response to an urgent  
11 operational need are those—

12 “(A) that, subject to such exceptions as the  
13 Secretary considers appropriate for purposes of  
14 this section—

15 “(i) can be fielded within a period of  
16 two to 24 months;

17 “(ii) do not require substantial devel-  
18 opment effort;

19 “(iii) are based on technologies that  
20 are proven and available; and

21 “(iv) can appropriately be acquired  
22 under fixed-price contracts; or

23 “(B) that can be developed or procured  
24 under a section 804 rapid acquisition pathway.

25 “(2) DEFINITION.—In this section, the term ‘sec-  
26 tion 804 rapid acquisition pathway’ means the rapid

1 *fielding acquisition pathway or the rapid prototyping*  
2 *acquisition pathway authorized under section 804 of*  
3 *the National Defense Authorization Act for Fiscal*  
4 *Year 2016 (Public Law 114–92; 10 U.S.C. 3201*  
5 *prec.).*

6 “(b) *MATTERS TO BE INCLUDED.—The procedures*  
7 *prescribed under subsection (a) shall include the following:*

8 “(1) *A process for streamlined communications*  
9 *between the Chairman of the Joint Chiefs of Staff, the*  
10 *acquisition community, and the research and develop-*  
11 *ment community, including—*

12 “(A) *a process for the commanders of the*  
13 *combatant commands and the Chairman of the*  
14 *Joint Chiefs of Staff to communicate their needs*  
15 *to the acquisition community and the research*  
16 *and development community; and*

17 “(B) *a process for the acquisition commu-*  
18 *nity and the research and development commu-*  
19 *nity to propose capabilities that meet the needs*  
20 *communicated by the combatant commands and*  
21 *the Chairman of the Joint Chiefs of Staff.*

22 “(2) *Procedures for demonstrating, rapidly ac-*  
23 *quiring, and deploying a capability proposed pursu-*  
24 *ant to paragraph (1)(B), including—*

1           “(A) a process for demonstrating and evalu-  
2           ating for current operational purposes the per-  
3           formance of the capability;

4           “(B) a process for developing an acquisition  
5           and funding strategy for the deployment of the  
6           capability; and

7           “(C) a process for making deployment and  
8           utilization determinations based on information  
9           obtained pursuant to subparagraphs (A) and  
10          (B).

11          “(3) A process to determine the disposition of a  
12          capability, including termination (demilitarization  
13          or disposal), continued sustainment, or transition to  
14          a program of record.

15          “(4) Specific procedures in accordance with the  
16          guidance developed under section 804(a) of the Na-  
17          tional Defense Authorization Act for Fiscal Year 2016  
18          (Public Law 114–92; 10 U.S.C. 3201 prec.).

19          “(c) *RESPONSE TO COMBAT EMERGENCIES AND CER-*  
20 *TAIN URGENT OPERATIONAL NEEDS.—*

21                 “(1) *DETERMINATION OF NEED FOR URGENT AC-*  
22 *QUISITION AND DEPLOYMENT.—(A) In the case of any*  
23 *capability that, as determined in writing by the Sec-*  
24 *retary of Defense, is urgently needed to eliminate a*  
25 *documented deficiency that has resulted in combat*

1 *casualties, or is likely to result in combat casualties,*  
2 *the Secretary may use the procedures developed under*  
3 *this section in order to accomplish the urgent acquisi-*  
4 *tion and deployment of the needed capability.*

5 *“(B) In the case of any capability that, as deter-*  
6 *mined in writing by the Secretary of Defense, is ur-*  
7 *gently needed to eliminate a documented deficiency*  
8 *that impacts an ongoing or anticipated contingency*  
9 *operation and that, if left unfulfilled, could poten-*  
10 *tially result in loss of life or critical mission failure,*  
11 *the Secretary may use the procedures developed under*  
12 *this section in order to accomplish the urgent acquisi-*  
13 *tion and deployment of the needed capability.*

14 *“(C)(i) In the case of any cyber capability that,*  
15 *as determined in writing by the Secretary of Defense,*  
16 *is urgently needed to eliminate a deficiency that as*  
17 *the result of a cyber attack has resulted in critical*  
18 *mission failure, the loss of life, property destruction,*  
19 *or economic effects, or if left unfilled is likely to result*  
20 *in critical mission failure, the loss of life, property*  
21 *destruction, or economic effects, the Secretary may use*  
22 *the procedures developed under this section in order*  
23 *to accomplish the urgent acquisition and deployment*  
24 *of the needed offensive or defensive cyber capability.*

1           “(ii) In this subparagraph, the term ‘cyber at-  
2           tack’ means a deliberate action to alter, disrupt, de-  
3           ceive, degrade, or destroy computer systems or net-  
4           works or the information or programs resident in or  
5           transiting these systems or networks.

6           “(2) DESIGNATION OF SENIOR OFFICIAL RESPON-  
7           SIBLE.—(A)(i) Except as provided under clause (ii),  
8           whenever the Secretary of Defense makes a determina-  
9           tion under subparagraph (A), (B), or (C) of para-  
10          graph (1) that a capability is urgently needed to  
11          eliminate a deficiency described in that subpara-  
12          graph, the Secretary shall designate a senior official  
13          of the Department of Defense to ensure that the need-  
14          ed capability is acquired and deployed as quickly as  
15          possible, with a goal of awarding a contract for the  
16          acquisition of the capability within 15 days.

17          “(ii) Clause (i) does not apply to an acquisition  
18          initiated in the case of a determination by the Sec-  
19          retary of Defense that funds are necessary to imme-  
20          diately initiate a project under a section 804 rapid  
21          acquisition pathway if the designated official for ac-  
22          quisitions using such pathway is a service acquisition  
23          executive.

24          “(B) Upon designation of a senior official under  
25          subparagraph (A) with respect to a needed capability,

1     *the Secretary shall authorize that senior official to*  
2     *waive any provision of law or regulation described in*  
3     *subsection (d) that such senior official determines in*  
4     *writing would unnecessarily impede the urgent acqui-*  
5     *sition and deployment of such capability. In a case*  
6     *in which such capability cannot be acquired without*  
7     *an extensive delay, the senior official shall require*  
8     *that an interim solution be implemented and de-*  
9     *ployed using the procedures developed under this sec-*  
10    *tion to minimize adverse consequences resulting from*  
11    *the urgent need.*

12           “(3) *USE OF FUNDS.—(A) Subject to subpara-*  
13    *graph (C), in any fiscal year in which the Secretary*  
14    *of Defense makes a determination described in sub-*  
15    *paragraph (A), (B), or (C) of paragraph (1) with re-*  
16    *spect to a capability, or upon the Secretary making*  
17    *a determination that funds are necessary to imme-*  
18    *diately initiate a project under a section 804 rapid*  
19    *acquisition pathway based on a compelling national*  
20    *security need, the Secretary may use any funds avail-*  
21    *able to the Department of Defense to urgently acquire*  
22    *and deploy such capability or immediately initiate*  
23    *such project, respectively, if the determination in-*  
24    *cludes a written finding that the use of such funds is*  
25    *necessary to address in a timely manner the defi-*

1 *ciency documented or identified under such subpara-*  
2 *graph (A), (B), or (C) or the compelling national se-*  
3 *curity need identified for purposes of such section 804*  
4 *pathway, respectively.*

5 *“(B) The authority provided by this section may*  
6 *only be used to acquire capability—*

7 *“(i) in the case of determinations by the*  
8 *Secretary under paragraph (1)(A), in an*  
9 *amount aggregating not more than \$200,000,000*  
10 *during any fiscal year;*

11 *“(ii) in the case of determinations by the*  
12 *Secretary under paragraph (1)(B), in an*  
13 *amount aggregating not more than \$200,000,000*  
14 *during any fiscal year;*

15 *“(iii) in the case of determinations by the*  
16 *Secretary under paragraph (1)(C), in an*  
17 *amount aggregating not more than \$200,000,000*  
18 *during any fiscal year; and*

19 *“(iv) in the case of a determination by the*  
20 *Secretary that funds are necessary to imme-*  
21 *diately initiate a project under a section 804*  
22 *rapid acquisition pathway, in an amount aggre-*  
23 *gating not more than \$50,000,000 during any*  
24 *fiscal year.*

1           “(C) *In exercising the authority under this sec-*  
2           *tion—*

3                   “(i) *none of the amounts appropriated for*  
4           *Operation and Maintenance may be used to*  
5           *carry out this section except for amounts appro-*  
6           *priated for—*

7                           “(I) *Operation and Maintenance, De-*  
8                   *fense-wide;*

19                           “(ii) *when funds are utilized for*  
20           *sustainment purposes, this authority may not be*  
21           *used for more than 2 years.*

22                           “(4) *NOTIFICATION TO CONGRESSIONAL DEFENSE*  
23           *COMMITTEES.—(A) In the case of a determination by*  
24           *the Secretary of Defense under subparagraph (A) or*  
25           *(C) of paragraph (1), the Secretary shall notify the*

1       *congressional defense committees of the determination*  
2       *within 15 days after the date of the determination.*

3               “(B) *In the case of a determination by the Sec-*  
4       *retary under paragraph (1)(B), the Secretary shall*  
5       *notify the congressional defense committees of the de-*  
6       *termination at least 10 days before the date on which*  
7       *the determination is effective.*

8               “(C) *In the case of a determination by the Sec-*

6           sustainment of the capability to be acquired; or

7           “(D) the solicitation, selection of sources,  
8           and award of the contracts for procurement of  
9           the capability to be acquired.

10          “(2) *LIMITATIONS.*—Nothing in this subsection  
11          authorizes the waiver of—

12                 “(A) the requirements of this section;

13                 “(B) any provision of law imposing civil or  
14                 criminal penalties; or

15                 “(C) any provision of law governing the  
16                 proper expenditure of appropriated funds.

17          “(e) *OPERATIONAL ASSESSMENTS.*—

18                 “(1) *IN GENERAL.*—The process prescribed under  
19                 subsection (b)(2)(A) for demonstrating and evaluating  
20                 for current operational purposes the performance of a  
21                 capability proposed pursuant to subsection (b)(1)(B)  
22                 shall include the following:

23                         “(A) An operational assessment in accord-  
24                         ance with procedures prescribed by the Director  
25                         of Operational Test and Evaluation.

1           “(B) A requirement to provide information  
2           about any deficiency of the capability in meeting  
3           the original requirements for the capability (as  
4           stated in a statement of the urgent operational  
5           need or similar document) to the deployment de-  
6           cision-making authority.

7           “(2) *LIMITATION.*—The process prescribed under  
8           subsection (b)(2)(A) may not include a requirement  
9           for any deficiency of capability identified in the oper-  
10          ational assessment to be the determining factor in de-  
11          ciding whether to deploy the capability.

12          “(3) *DIRECTOR OF OPERATIONAL TEST AND*  
13          *EVALUATION ACCESS.*—If a capability is deployed  
14          under the procedures prescribed pursuant to this sec-  
15          tion, or under any other authority, before operational  
16          test and evaluation of the capability is completed, the  
17          Director of Operational Test and Evaluation shall  
18          have access to operational records and data relevant  
19          to such capability in accordance with section  
20          139(e)(3) of this title for the purpose of completing  
21          operational test and evaluation of the capability.  
22          Such access shall be provided in a time and manner  
23          determined by the Secretary of Defense consistent  
24          with requirements of operational security and other  
25          relevant operational requirements.”.

15 (4) *by inserting after subsection (a) (as added by*  
16 *paragraph (1)) the following new subsections:*

17 “(b) *TEMPORARY AUTHORITY TO MODIFY CERTAIN*  
18 *CONTRACTS AND OPTIONS BASED ON THE IMPACTS OF IN-*  
19 *FLATION.*—*Only amounts specifically provided by an ap-*  
20 *propriations Act for the purposes detailed in subsections (c)*  
21 *and (d) of this section may be used by the Secretary of De-*  
22 *fense to carry out such subsections.*

23 “(c)(1) *The Secretary of Defense, acting pursuant to*  
24 *a Presidential authorization under subsection (a) and in*  
25 *accordance with subsection (b)—*

1           “(A) may, notwithstanding subsection (e) of sec-  
2           tion 2 of this Act (50 U.S.C. 1432(e)), make an  
3           amendment or modification to an eligible contract  
4           when, due solely to economic inflation, the cost to a  
5           prime contractor of performing such eligible contract  
6           is greater than the price of such eligible contract; and

7           “(B) may not request consideration from such  
8           prime contractor for such amendment or modifica-  
9           tion.

10          “(2) A prime contractor may submit to the Secretary  
11         of Defense a request for an amendment or modification to  
12         an eligible contract pursuant to subsection (a) when, due  
13         solely to economic inflation, the cost to a covered subcon-  
14         tractor of performing an eligible subcontract is greater than  
15         the price of such eligible subcontract. Such request shall in-  
16         clude a certification that the prime contractor—

17                 “(A) will remit to such covered subcontractor the  
18                 difference, if any, between the original price of such  
19                 eligible contract and the price of such eligible contract  
20                 if the Secretary of Defense makes an amendment or  
21                 modification pursuant to subsection (a); and

22                 “(B) will not require such covered subcontractor  
23                 to pay additional consideration or fees related to such  
24                 amendment or modification.

1       “(3) If a prime contractor does not make the request  
2 described in paragraph (2), a covered subcontractor may  
3 submit to a contracting officer of the Department of Defense  
4 a request for an amendment or modification to an eligible  
5 subcontract when, due solely to economic inflation, the cost  
6 to such covered subcontractor of performing such eligible  
7 subcontract is greater than the price of such eligible sub-  
8 contract.

9       “(d) Any adjustment or modification made pursuant  
10 to subsection (c) to an eligible contract or an eligible sub-  
11 contract shall—

12               “(1) be contingent upon the continued perform-  
13               ance, as applicable, of such eligible contract or such  
14               eligible subcontract; and

15               “(2) account only for the actual cost of per-  
16               forming such eligible contract or such eligible sub-  
17               contract, but may account for indirect costs of per-  
18               formance, as the Secretary of Defense determines ap-  
19               propriate.

20       “(e) The authority under subsections (c) and (d) shall  
21 be effective during the period beginning on the date of the  
22 enactment of the National Defense Authorization Act for  
23 Fiscal Year 2023 and ending on December 31, 2023.

24       “(f) In this section:

1           “(1) The term ‘covered subcontractor’ means a  
2 subcontractor who has entered into an eligible sub-  
3 contract with a prime contractor.

4           “(2) The term ‘eligible contract’ means a con-  
5 tract awarded to a prime contractor by the Secretary  
6 of Defense pursuant to subsection (a).

7           “(3) The term ‘eligible subcontract’ means a sub-  
8 contract made under an eligible contract to a covered  
9 subcontractor.”.

10       (b) *GUIDANCE*.—Not later than 90 days after the date  
11 of the enactment of an Act providing appropriations to  
12 carry out section 1 of Public Law 85–804 (50 U.S.C. 1431)  
13 (as added by subsection (a)), the Under Secretary of Defense  
14 for Acquisition and Sustainment shall issue guidance im-  
15 plementing the authority under subsections (b) through (d)  
16 of section 1 of Public Law 85–804 (50 U.S.C. 1431) (as

9 **SEC. 857. PROCUREMENT REQUIREMENTS RELATING TO**  
10 **RARE EARTH ELEMENTS AND STRATEGIC AND**  
11 **CRITICAL MATERIALS.**

12 (a) *DISCLOSURES CONCERNING RARE EARTH ELE-*  
13 *MENTS AND STRATEGIC AND CRITICAL MATERIALS BY CON-*  
14 *TRACTORS OF DEPARTMENT OF DEFENSE.—*

15 (1) *REQUIREMENT.—Beginning on the effective*  
16 *date of this subsection, the Secretary of Defense*  
17 *shall—*

18 (A) *require that any contractor that pro-*  
19 *vides to the Department of Defense a system with*  
20 *a permanent magnet that contains rare earth*  
21 *elements or strategic and critical materials dis-*  
22 *close, after undertaking a commercially reason-*  
23 *able inquiry and along with delivery of the sys-*  
24 *tem, the provenance of the magnet; and*

1           (B) safeguard such disclosures in accord-  
2           ance with applicable classification level required  
3           by the associated programs.

4           (2) *ELEMENTS.*—A disclosure under paragraph  
5           (1) shall include an identification of the country or  
6           countries in which—

7                   (A) any rare earth elements and strategic  
8                   and critical materials used in the magnet were  
9                   mined;

10                   (B) such elements and minerals were re-  
11                   fined into oxides;

12                   (C) such elements and minerals were made  
13                   into metals and alloys; and

14                   (D) the magnet was sintered or bonded and  
15                   magnetized.

16           (3) *IMPLEMENTATION OF SUPPLY CHAIN TRACK-*  
17           *ING SYSTEM.*—If a contractor cannot make the disclo-  
18           sure required by paragraph (1) with respect to a sys-  
19           tem described in that paragraph, the Secretary shall  
20           require the contractor to establish and implement a  
21           supply chain tracking system in order to make the  
22           disclosure to the fullest extent possible not later than  
23           180 days after the contractor provides the system to  
24           the Department of Defense. The tracking system  
25           shall—

1           (A) include a description of the efforts taken  
2 by the contractor to date to make the disclosure  
3 required by paragraph (1);

4           (B) take into account the possible refusal of  
5 certain foreign entities to provide the contractor  
6 the information necessary to make the disclosure  
7 required by paragraph (1); and

8           (C) require the contractor to report to the  
9 Secretary the name, location, and other identi-  
10 fying information of any entities which refuse to  
11 provide the contractor with the information nec-  
12 essary to make the disclosure required by para-  
13 graph (1).

14 (4) WAIVERS.—

15           (A) IN GENERAL.—The Secretary may  
16 waive a requirement under paragraph (1) or (3)  
17 with respect to a system described in paragraph  
18 (1) for a period of not more than 180 days if the  
19 Secretary certifies to the Committees on Armed  
20 Services of the Senate and the House of Rep-  
21 resentatives that—

22                   (i) the continued procurement of the  
23 system is necessary to meet the demands of  
24 a national emergency declared under section

1            *201 of the National Emergencies Act (50*  
2            *U.S.C. 1621); or*

3            *(ii) a contractor that cannot currently*  
4            *make the disclosure required by paragraph*  
5            *(1) is making significant efforts to comply*  
6            *with the requirements of that paragraph.*

7            *(B) WAIVER RENEWALS.—The Secretary*  
8            *may renew a waiver as many times as the Sec-*  
9            *retary considers appropriate, provided that the*  
10           *Secretary submits an updated certification to the*  
11           *committees.*

12           *(C) LIMITATION.—The Secretary may not*  
13           *delegate this waiver authority below the level of*  
14           *Assistant Secretary of Defense, a senior acquisi-*  
15           *tion executive (as defined in section 101(a) of*  
16           *title 10, United States Code), or a command ac-*  
17           *quisition executive (as described in section*  
18           *167(e)(4)(C) of title 10, United States Code) or*  
19           *equivalent.*

20           *(5) BRIEFING REQUIRED.—*

21           *(A) IN GENERAL.—Not later than 30 days*  
22           *after the submission of each report required by*  
23           *subsection (c)(3), the Secretary of Defense shall*  
24           *provide to the Committees on Armed Services of*

1           *the Senate and the House of Representatives a*  
2           *briefing that includes—*

3                     *(i) a summary of the disclosures made*  
4                     *under this subsection;*

5                     *(ii) an assessment of the extent of reli-*  
6                     *ance by the United States on foreign coun-*  
7                     *tries, and especially countries that are not*  
8                     *allies of the United States, for rare earth*  
9                     *elements and strategic and critical mate-*  
10                    *rials;*

11                    *(iii) a determination with respect to*  
12                    *which systems described in paragraph (1)*  
13                    *are of the greatest concern for interruptions*  
14                    *of supply chains with respect to rare earth*  
15                    *elements and strategic and critical mate-*  
16                    *rials; and*

17                    *(iv) any suggestions for legislation or*  
18                    *funding that would mitigate security gaps*  
19                    *in such supply chains.*

20                    *(B) FORM.—To the extent practicable, each*  
21                    *briefing required under subparagraph (A) shall*  
22                    *be in an unclassified form, but may contain a*  
23                    *classified annex.*

24                    *(6) EFFECTIVE DATE.—The requirements de-*  
25                    *scribed in this subsection shall take effect—*

1           (A) not earlier than 30 months after the  
2           date of enactment of this Act; and

3           (B) after the Secretary of Defense certifies  
4           to the Committees on Armed Services of the Sen-  
5           ate and the House of Representatives that the  
6           Department has established a process to ensure  
7           that the information collection requirements of  
8           this subsection present no national security risks,  
9           or that any such risks have been fully mitigated.

10       (b) *EXPANSION OF RESTRICTIONS ON PROCUREMENT*  
11 *OF MILITARY AND DUAL-USE TECHNOLOGIES BY CHINESE*  
12 *MILITARY COMPANIES.*—Section 1211 of the National De-  
13 *fense Authorization Act for Fiscal Year 2006 (Public Law*  
14 *109–163; 10 U.S.C. 4651 note prec.) is amended—*

15           (1) *in the section heading, by striking “COM-*

21 *bility to access classified information or to oc-*  
22 *cupy a sensitive position immediately prior to*  
23 *such separation and requires an eligibility of an*  
24 *equal or lower level for employment as a covered*  
25 *contractor, except as provided in subsection (b);*

1           (B) ensure that the re-establishment of trust  
2           of a covered individual's eligibility to occupy a  
3           sensitive position takes place expeditiously, in  
4           accordance with applicable laws, Executive Or-  
5           ders, or Security Executive Agent policy; and

6           (C) ensure that any additional security  
7           processing required to re-establish trust to rein-  
8           state a covered individual's eligibility to access  
9           classified information or occupy a sensitive posi-  
10          tion takes place expeditiously.

11          (2) *COAST GUARD.*—In the case of a member of  
12          the Armed Forces who is a member of the Coast  
13          Guard, the Secretary of Defense shall carry out para-  
14          graph (1) in consultation with the Secretary of the  
15          Department in which the Coast Guard is operating.

16          (b) *EXCEPTIONS.*—

17               (1) *IN GENERAL.*—Subsection (a) shall not apply  
18               with respect to a covered individual—

19                       (A) whose previously held security clearance  
20                       is, or was as of the date of separation of the cov-  
21                       ered individual, under review as a result of one  
22                       or more potentially disqualifying factors or con-  
23                       ditions that have not been fully investigated or  
24                       mitigated; or

1           (B) *in the case of a member of the Armed*  
2           *Forces, who separated from the Armed Forces*  
3           *under other than honorable conditions.*

4           (2) *CLARIFICATION OF REVIEW EXCEPTION.—The*  
5           *exception specified in paragraph (1)(A) shall not*  
6           *apply with respect to a routine periodic reinvestiga-*  
7           *tion or a continuous vetting investigation in which*  
8           *no potentially disqualifying factors or conditions have*  
9           *been found.*

10          (c) *DEFINITIONS.—In this section:*

11           (1) *The term “covered contractor” means an in-*  
12           *dividual who is employed by an entity that carries*

5 **STATES NAVY AND ROYAL AUSTRALIAN NAVY.**

6 (a) *EXCHANGE PROGRAM.*—Beginning in 2023, the  
7 Secretary of Defense, in consultation with the Secretary of  
8 Energy, may carry out an exchange program for Australian  
9 submarine officers to implement one or more agreements en-  
10 tered into under the enhanced trilateral security partner-  
11 ship referred to as “AUKUS”. Under such a program, to  
12 the extent consistent with one or more AUKUS agree-  
13 ments—

14 (1) *a minimum of two Australian submarine of-*  
15 *ficers may participate in the United States Navy offi-*  
16 *cer training program for officers who are assigned to*  
17 *duty on nuclear powered submarines; and*

18 (2) *following the successful completion of all as-*  
19 *pects of such training, such officers may be assigned*  
20 *to duty on an operational United States submarine.*

21 (b) *BRIEFING.*—Not later than 180 days after the date  
22 of the enactment of this Act, the Secretary of Defense shall  
23 provide the congressional defense committees with a briefing  
24 on a notional exchange program for Australian submarine  
25 officers that includes initial, follow-on, and recurring train-

5           section 112 of the National Defense Authorization Act  
6           for Fiscal Year 2012 (Public Law 112–81; 125 Stat.  
7           1318); or

8           “(3) the Secretary of the Air Force or the Sec-  
9           retary of Agriculture under section 1098 of the Na-  
10          tional Defense Authorization Act for Fiscal Year 2014  
11          (Public Law 113–66; 127 Stat. 881).”.

12 **SEC. 1061. COMBATANT COMMAND RISK ASSESSMENT FOR**  
13                           **AIRBORNE INTELLIGENCE, SURVEILLANCE,**  
14                           **AND RECONNAISSANCE.**

15          (a) *IN GENERAL.*—Not later than 90 days after the  
16          date on which the Secretary of Defense submits to Congress  
17          the materials in support of the budget for any fiscal year,  
18          or the date on which any of the military departments other-  
19          wise proposes to retire or otherwise divest any airborne in-  
20          telligence, surveillance, and reconnaissance capabilities, the  
21          Vice Chairman of the Joint Chiefs of Staff, in coordination  
22          with the commanders of each of the geographic combatant  
23          commands, shall submit to the congressional defense com-  
24          mittees a report containing an assessment of the level of  
25          operational risk to each such command posed by the pro-

1 *posed retirement or divestment with respect to the capa-*  
2 *bility of the command to meet near-, mid-, and far-term*  
3 *contingency and steady-state requirements against adver-*  
4 *saries in support of the objectives of the national defense*  
5 *strategy under section 113(g) of title 10, United States*  
6 *Code.*

7       **(b) RISK ASSESSMENT.**—*In assessing levels of oper-*  
8 *ational risk for the purposes of subsection (a), the Vice*  
9 *Chairman and the commanders of the geographic combat-*  
10 *ant commands shall use the military risk matrix of the*  
11 *Chairman of the Joint Chiefs of Staff, as described in CJCS*  
12 *Instruction 3401.01E, or any successor instruction.*

13       **(c) GEOGRAPHIC COMBATANT COMMAND.**—*In this sec-*  
14 *tion, the term “geographic combatant command” means*

18           (3) *United States Africa Command.*

19           (4) *United States Southern Command.*

20           (5) *United States Northern Command.*

21           (6) *United States Central Command.*

22       **(d) TERMINATION.**—*The requirement to submit a re-*  
23 *port under this section shall terminate on the date that is*  
24 *five years after the date of the enactment of this Act.*

1 **SEC. 1062. STUDY ON MILITARY TRAINING ROUTES AND**  
2 **SPECIAL USE AIR SPACE NEAR WIND TUR-**  
3 **BINES.**

4 *(a) STUDY AND REPORT.—*

5 *(1) IN GENERAL.—The Secretary of Defense shall*  
6 *seek to enter into an agreement with a federally fund-*  
7 *ed research and development center to conduct a*  
8 *study to identify low-level military training routes*  
9 *and special use airspace that may be used by the De-*  
10 *partment of Defense to conduct realistic training over*  
11 *and near wind turbines.*

12 *(2) ELEMENTS.—As part of the study under*  
13 *paragraph (1), the federally funded research and de-*  
14 *velopment center that conducts the study shall—*

15 *(A) identify and define the requirements for*  
16 *military airspace that may be used for the train-*  
17 *ing described in paragraph (1), taking into con-*  
18 *sideration—*

19 *(i) the operational and training needs*  
20 *of the Armed Forces; and*

21 *(ii) the threat environments of adver-*  
22 *saries of the United States, including the*  
23 *People’s Republic of China;*

24 *(B) identify possibilities for combining live,*  
25 *virtual, and constructive flight training near*  
26 *wind projects, both onshore and offshore;*

1           (C) describe the airspace inventory required  
2           for low-level training proficiency given current  
3           and projected force structures;

4           (D) provide recommendations for re-  
5           designing and properly sizing special use air space  
6           and military training routes to combine live and  
7           synthetic training in a realistic environment;

8           (E) describe ongoing research and develop-  
9           ment programs being utilized to mitigate effects  
10          of wind turbines on low-level training routes;  
11          and

12          (F) identify current training routes affected  
13          by wind turbines, any previous training routes  
14          that are no longer in use because of wind tur-  
15          bines, and any training routes projected to be  
16          lost due to wind turbines.

17          (3) CONSULTATION.—In carrying out paragraph  
18          (1), the Secretary of Defense shall consult with—

19                (A) the Under Secretary of Defense for Per-  
20                sonnel and Readiness;

21                (B) the Department of Defense Policy Board  
22                on Federal Aviation; and

23                (C) the Federal Aviation Administration.

24          (4) SUBMITTAL TO DOD.—

1           (A) *IN GENERAL.*—Not later than one year  
2           after the date of the enactment of this Act, the  
3           federally funded research and development center  
4           that conducts the study under paragraph (1)  
5           shall submit to the Secretary of Defense a report  
6           on the results of the study.

7           (B) *FORM.*—The report under paragraph  
8           (1) shall be submitted in unclassified form but  
9           may include a classified annex.

10          (5) *SUBMITTAL TO CONGRESS.*—Not later than  
11          60 days after the date on which the Secretary of De-  
12          fense receives the report under paragraph (4), the Sec-  
13          retary shall submit to the appropriate congressional  
14          committees an unaltered copy of the report together  
15          with any comments the Secretary may have with re-  
16          spect to the report.

17          (b) *DEFINITIONS.*—In this section:

18               (1) The term “appropriate congressional com-  
19               mittees” means the following:

20                       (A) The congressional defense committees.

20 *was requested (separated by reports potentially con-*  
21 *taining only controlled unclassified information and*  
22 *reports potentially containing classified information)*  
23 *and the reports for which such a review was not re-*  
24 *quested.*

1           (2) *The median and average number of days be-*  
2           *tween the date of the request for Department of De-*  
3           *fense comments and the receipt of such comments.*

4           (3) *The average number of days between the date*  
5           *of the request for a Department of Defense sensitivity*  
6           *or security review and the receipt of the results of*  
7           *such review.*

8           (4) *In the case of any such draft report for which*  
9           *the Department of Defense failed to provide such com-*  
10          *ments or review within 30 days of the request for such*  
11          *comments or review—*

12                 (A) *the number of days between the date of*  
13                 *the request and the receipt of such comments or*  
14                 *review; and*

15                 (B) *a unique identifier, for purposes of*  
16                 *identifying the draft report.*

17          (5) *In the case of any such draft report for which*  
18          *the Government Accountability Office provided an ex-*  
19          *tension to the Department of Defense—*

20                 (A) *whether the Department provided the*  
21                 *comments or review within the time period of the*  
22                 *extension; and*

23                 (B) *a unique identifier, for purposes of*  
24                 *identifying the draft report.*

1           (6) *Any other information the Comptroller Gen-*  
2           *eral determines appropriate.*

3           (c) *DOD RESPONSES.—Not later than 30 days after*  
4 *the Comptroller General submits a report under subsection*  
5 *(a), the Secretary of Defense shall submit to the congres-*  
6 *sional defense committees a response to such report that in-*  
7 *cludes each of the following:*

8           (1) *An identification of factors that contributed*  
9           *to any delays identified in the report with respect to*  
10           *Department of Defense comments and sensitivity or*  
11           *security reviews requested by the Government Ac-*  
12           *countability Office.*

13           (2) *A description of any actions the Department*  
14           *of Defense has taken or plans to take to address such*  
15           *factors.*

16           (3) *A description of any improvements the De-*  
17           *partment has made in the ability to track timeliness*  
18           *in providing such comments and sensitivity or secu-*  
19           *rity reviews.*

20           (4) *Any other information the Secretary deter-*  
21           *mines relevant to the information contained in the re-*  
22           *port submitted by the Comptroller General.*

1 **SEC. 1065. JUSTIFICATION FOR TRANSFER OR ELIMINATION**  
2 **OF CERTAIN FLYING MISSIONS.**

3 *Prior to the relocation or elimination of any flying*  
4 *mission that involves 50 personnel or more assigned to a*  
5 *unit performing that mission, either with respect to an ac-*  
6 *tive or reserve component of a military department, the Sec-*  
7 *retary of Defense shall submit to the congressional defense*  
8 *committees a report describing the justification of the Sec-*  
9 *retary for the decision to relocate or eliminate such flying*  
10 *mission. Such report shall include each of the following:*

11 *(1) A description of how the decision supports*  
12 *the national defense strategy, the national military*  
13 *strategy, the North American Aerospace Defense Com-*  
14 *mand strategy, and other relevant strategies.*

15 *(2) A specific analysis and metrics supporting*  
16 *such decision.*

17 *(3) An analysis and metrics to show that the*  
18 *elimination or relocation of the flying mission would*  
19 *not negatively affect broader mission sets, such as the*  
20 *homeland defense mission.*

21 *(4) A plan for how the Department of Defense*  
22 *intends to fulfill or continue to meet the mission re-*  
23 *quirements of the eliminated or relocated flying mis-*  
24 *sion.*

25 *(5) An assessment of the effect of the elimination*  
26 *or relocation on the national defense strategy, the na-*

1 *tional military strategy, the North American Aero-*  
2 *space Defense Command strategy, and broader mis-*  
3 *sion sets, such as the homeland defense mission.*

4 (6) *An analysis and metrics to show that the*  
5 *elimination or relocation of the flying mission and its*  
6 *secondary and tertiary impacts would not degrade ca-*  
7 *pacilities and readiness of the Joint Force.*

8 (7) *An analysis and metrics to show that the*  
9 *elimination or relocation of the flying mission would*  
10 *not negatively affect the continental United States na-*  
11 *tional airspace system.*

12 **SEC. 1066. REPORTS ON UNITED STATES MILITARY FORCE**

23                   (a) *STUDY.*—

24                   (1) *IN GENERAL.*—The Secretary of Defense shall  
25                   seek to enter into an agreement with a federally fund-

1 *ed research and development center under which the*  
2 *center shall conduct a study to assess whether the cov-*  
3 *ered ethics requirements have had an effect on—*

4 *(A) the hiring or retention of personnel at*  
5 *the Department of Defense, particularly those*  
6 *persons with specialized experience or training;*  
7 *and*

8 *(B) the ability of the Department of Defense*  
9 *to detect, deter, prevent, and redress violations of*  
10 *the Standards of Ethical Conduct for Employees*  
11 *of the Executive Branch and applicable statutory*  
12 *and regulatory ethics requirements, including*  
13 *conflicts of interest, by Department of Defense*  
14 *personnel.*

15 *(2) ELEMENTS.—A study conducted pursuant to*  
16 *paragraph (1) shall include the following elements:*

17 *(A) An examination of how the covered eth-*  
18 *ics requirements are inconsistent or incongruent*  
19 *with ethics statutes, and any implementing regu-*  
20 *lations, that apply to all executive branch em-*  
21 *ployees.*

22 *(B) An examination of the relative degrees*  
23 *of risk associated with the potential for viola-*  
24 *tions of ethical standards at the Department of*  
25 *Defense and those associated with the potential*

1       *for such violations at other Federal agencies, and*  
2       *an analysis of whether ethical standards that are*  
3       *applied exclusively to Department of Defense*  
4       *personnel are justified.*

5               *(C) An examination of how covered ethics*  
6       *requirements have affected, or are likely to affect,*  
7       *the hiring and retention of personnel, particu-*  
8       *larly those persons with specialized experience or*  
9       *training, at the Department of Defense in com-*  
10       *parison to other Federal agencies that are not*  
11       *subject to such requirements. The examination*  
12       *shall account for any relevant differences between*  
13       *the Department of Defense and other Federal de-*  
14       *partments and agencies within the executive*  
15       *branch and shall use analytical methods to con-*  
16       *trol for any variables that may affect the com-*  
17       *parative results.*

18               *(D) An examination of how any confusion*  
19       *in the interpretation of the requirement referred*  
20       *to in paragraph (3)(B) may have affected, or is*  
21       *likely to affect—*

22                       *(i) the hiring or retention of personnel,*  
23                       *particularly those persons with specialized*  
24                       *experience or training, at the Department of*  
25                       *Defense; and*

1                   (ii) the ability of the Department of  
2                   Defense to detect, deter, prevent, and redress  
3                   violations of ethical standards, including  
4                   conflicts of interest, by Department of De-  
5                   fense personnel.

6                   (E) An examination of how the ethics re-  
7                   quirements referred to in subparagraphs (B) and  
8                   (C) of paragraph (3) may affect the ability of the  
9                   Department of Defense to obtain expertise from  
10                  industry and other groups in support of tech-  
11                  nology development, supply chain security, and  
12                  other national security matters.

13                  (F) An examination of whether the removal  
14                  or alteration of any covered ethics requirement  
15                  may adversely affect the ability of the Depart-  
16                  ment of Defense to detect, deter, prevent, and re-  
17                  dress violations of ethical standards, including  
18                  conflicts of interest, by Department of Defense  
19                  personnel.

20                  (G) An examination of whether the removal  
21                  or alteration of any covered ethics requirement  
22                  may adversely affect the ability of the Depart-  
23                  ment of Defense to negotiate and effectuate arms-  
24                  length transactions.

1           (H) *Any suggested changes to any covered*  
2           *ethics requirement to further the establishment*  
3           *and maintenance of ethical standards, while also*  
4           *supporting the ability of the Department of De-*  
5           *fense to hire and retain personnel and obtain ex-*  
6           *pertise from academia, think tanks, industry,*  
7           *and other groups to support national security.*

8           (3) *COVERED ETHICS REQUIREMENTS.—In this*  
9           *section, the term “covered ethics requirement” means*  
10           *each of the requirements under the following provi-*

8 *paragraph (1), the Secretary shall transmit a copy of*  
9 *the report to the Committee on Armed Services of the*  
10 *Senate and the Committee on Armed Services of the*  
11 *House of Representatives.*

12 (3) *SECRETARY OF DEFENSE EVALUATION.—The*  
13 *Secretary shall submit with the report transmitted*  
14 *pursuant to paragraph (2) an evaluation of each*  
15 *change suggested pursuant to subsection (a)(2)(H).*  
16 *The evaluation shall include—*

17 (A) *a determination of whether the Sec-*  
18 *retary concurs with each suggested change;*

19 (B) *an assessment of the potential effects of*  
20 *each suggested change on the ability of the De-*  
21 *partment of Defense to hire or retain personnel*  
22 *at the Department of Defense, particularly those*  
23 *persons with specialized experience or training;*

24 (C) *an assessment of the potential effects of*  
25 *each suggested change on the ability of the De-*

1            *partment of Defense to detect, deter, prevent, or*  
2            *redress violations of ethical standards, including*  
3            *conflicts of interest; and*

4            *(D) any other information that the Sec-*  
5            *retary determines to be appropriate.*

6 **SEC. 1074. JOINT CONCEPT FOR COMPETING.**

7            *(a) IN GENERAL.—Not later than 90 days after the*  
8            *date of the enactment of this Act, the Secretary of Defense*  
9            *shall develop a Joint Concept for Competing.*

10          *(b) PURPOSES.—The purposes of the Joint Concept for*  
11          *Competing are to—*

12                  *(1) define the roles and missions of the Depart-*  
13                  *ment of Defense in long-term strategic competition*  
14                  *with specific competitors;*

15                  *(2) conceptualize the employment of joint forces*  
16                  *capabilities to deter adversarial military action by*  
17                  *strategic competitors;*

18                  *(3) describe the manner in which the Depart-*  
19                  *ment of Defense will use its forces, capabilities, pos-*  
20                  *ture, indications and warning systems, and authori-*  
21                  *ties to protect United States national interests in the*

2           partment of Defense roles and missions with  
3           other instruments of national power;

4           (B) security cooperation with partners and  
5           allies; and

6           (C) operations relating to long-term stra-  
7           tegic competition, particularly below the thresh-  
8           old of traditional armed conflict;

9           (4) identify priority lines of effort and assign re-  
10          sponsibility to relevant Armed Forces, combatant  
11          commands, and other elements of the Department of  
12          Defense for each specified line of effort in support of  
13          the Joint Concept for Competing; and

14          (5) provide means for integrating and continu-  
15          ously improving the ability of the Department to en-  
16          gage in long-term strategic competition.

17          (c) *REPORT.*—

18               (1) *IN GENERAL.*—Not later than 180 days after  
19               the date of the enactment of this Act, and every 180  
20               days thereafter for two years, the Secretary of Defense  
21               shall submit to the congressional defense committees a  
22               report on the implementation of the Joint Concept for  
23               Competing.

24               (2) *ELEMENTS.*—Each report required under  
25               paragraph (1) shall include the following elements:

1           (A) *A detailed description of any actions*  
2           *taken by the Department of Defense relative to*  
3           *the purposes specified under subsection (b).*

4           (B) *An articulation of any new concepts or*  
5           *strategies necessary to support the Joint Concept*  
6           *for Competing.*

7           (C) *An articulation of any capabilities, re-*  
8           *sources, or authorities necessary to implement*  
9           *the Joint Concept for Competing.*

10          (D) *An explanation of the manner in which*  
11          *the Joint Concept for Competing relates to and*  
12          *integrates with the Joint Warfighting Concept.*

13          (E) *An explanation of the manner in which*  
14          *the Joint Concept for Competing synchronizes*  
15          *and integrates with efforts of other departments*  
16          *and agencies of the United States Government to*  
17          *address long-term strategic competition.*

18          (F) *Any other matters the Secretary of De-*  
19          *fense determines relevant.*

23 **PEAN COUNTRIES.**

24          (a) *REPORT.*—*Not later than 180 days after the date*  
25 *of enactment of this Act, the Secretary of Defense shall sub-*

1 *mit to the congressional defense committees a report on the*  
2 *feasibility and advisability of relocating major units of the*  
3 *United States Armed Forces to a covered country. Such re-*  
4 *port shall include—*

5           (1) *a description of commitments made by a cov-*  
6 *ered country to provide host nation support, includ-*  
7 *ing funding for construction and maintenance of De-*  
8 *partment of Defense facilities and other actions that*  
9 *might reduce costs to the Department of Defense asso-*  
10 *ciated with hosting major units of the Armed Forces*  
11 *in such covered country;*

12           (2) *an estimate of the expenses associated with*  
13 *the relocation of major units of the Armed Forces*  
14 *from current host nation locations, as well as a de-*  
15 *scription of any benefits that would be derived from*  
16 *colocating such units with existing United States or*  
17 *multinational forces at current host nation locations;*

18           (3) *a description of the extent to which posi-*  
19 *tioning major units of the Armed Forces in covered*  
20 *countries would provide greater operational benefit*  
21 *than keeping such units in current locations, includ-*  
22 *ing an analysis of—*

23                   (A) *the geographic significance of covered*  
24 *countries;*

1           (B) any capabilities the host nation may  
2           offer, such as air defense or base security or  
3           terms under which the United States may use fa-  
4           cilities on their territory; and

5           (C) an analysis of the risks associated with  
6           the relocation of such units to covered countries;

7           (4) a description of any engagements at the  
8           Under Secretary level or higher with an official of a  
9           covered country with respect to anticipated major  
10          unit movements in the area of responsibility of the  
11          United States European Command during the period  
12          covered by the future-years defense program most re-  
13          cently submitted to Congress pursuant to section 221  
14          of title 10, United States Code, including—

15           (A) a description of the engagement with  
16           each covered country during the calendar year  
17           preceding the calendar during which the report  
18           is submitted;

19           (B) a description of any specific require-  
20           ments identified in order to host a major unit;  
21           and

22           (C) in the case of a covered country has  
23           been determined to be unsuitable for hosting a  
24           major unit of the Armed Forces, a description of  
25           why it was determined unsuitable; and

1           (5) *any other matter the Secretary determines is*  
2           *relevant.*

3           (b) *DEFINITIONS.—In this section:*

4           (1) *The term “covered country” means Romania,*

24           (2) *A detailed description of—*

1           (A) any agreement entered into between  
2           China or Russia and a country or government  
3           in Africa providing for or enabling the establish-  
4           ment or operation of a covered naval facility in  
5           Africa; and

6           (B) any efforts by the Department of De-  
7           fense to change force posture, deployments, or  
8           other activities in Africa as a result of current  
9           or planned covered naval facilities in Africa.

10          (3) An assessment of—

11           (A) the effect that each current covered  
12           naval facility has had on Department of Defense  
13           interests in and around Africa, including De-  
14           partment of Defense operational plans in the  
15           areas of responsibility of geographic combatant  
16           commands other than United States Africa Com-  
17           mand;

18           (B) the effect that each planned covered  
19           naval facility is expected to have on Department  
20           of Defense interests in and around Africa, in-  
21           cluding Department of Defense operational plans  
22           in the areas of responsibility of geographic com-  
23           batant commands other than United States Afri-  
24           ca Command;

1           (C) *the policy objectives of China and Rus-*  
2           *sia in establishing current and future covered*  
3           *naval facilities at the locations identified under*  
4           *paragraph (1); and*

5           (D) *the specific military capabilities sup-*  
6           *ported by each current or planned covered naval*  
7           *facility.*

8           (c) *FORM OF REPORT.*—*The report required under*  
9           *subsection (a) shall be submitted in unclassified form with-*  
10          *out any designation relating to dissemination control, but*  
11          *may include a classified annex.*

12          (d) *DEFINITIONS.*—*In this section:*

13           (1) *The term “Africa” means all countries in the*  
14           *area of operations of United States Africa Command*  
15           *and Egypt.*

11          States Code.”.

12       **SEC. 1086. COMBATING MILITARY RELIANCE ON RUSSIAN**  
13                               **ENERGY.**

14          (a) *SENSE OF CONGRESS.*—It is the sense of Congress  
15          that—

16               (1) *reliance on Russian energy poses a critical*  
17               *challenge for national security activities in the area*  
18               *of responsibility of the United States European Com-*  
19               *mand; and*

20               (2) *in order to reduce the vulnerability of United*  
21               *States military facilities to disruptions caused by re-*  
22               *liance on Russian energy, the Department of Defense*  
23               *should establish and implement plans to reduce reli-*  
24               *ance on Russian energy for all main operating bases*

1       *in the area of responsibility of the United States Eu-*  
2       *ropean Command.*

3       **(b) ELIMINATING USE OF RUSSIAN ENERGY.**—*It shall*  
4       *be the goal of the Department of Defense to eliminate the*  
5       *use of Russian energy on each main operating base in the*  
6       *area of responsibility of the United States European Com-*  
7       *mand by not later than five years after the date of the com-*  
8       *pletion of an installation energy plan for such base, as re-*  
9       *quired under this section.*

10       **(c) INSTALLATION ENERGY PLANS FOR MAIN OPER-**  
11       **ATING BASES.**—

12               **(1) IDENTIFICATION OF INSTALLATIONS.**—*Not*  
13       *later than June 1, 2023, the Secretary of Defense*  
14       *shall submit to the congressional defense committees a*  
15       *list of main operating bases within the area of re-*  
16       *sponsibility of the United States European Command*  
17       *ranked according to mission criticality and vulner-*  
18       *ability to energy disruption.*

19               **(2) SUBMITTAL OF PLANS.**—*Not later than 12*  
20       *months after the date of the enactment of this Act, the*  
21       *Secretary of Defense shall submit to the congressional*  
22       *defense committees—*

23                       **(A)** *an installation energy plan for each*  
24                       *main operating base on the list submitted under*  
25                       *paragraph (1); and*

1           (B) *an assessment of the feasibility of reach-*  
2           *ing the goal for the elimination of the use of*  
3           *Russian energy pursuant to subsection (b) on*  
4           *that base, including—*

5                   (i) *a description of the steps that*  
6                   *would be required to meet such goal; and*

7                   (ii) *an analysis of the effects such steps*  
8                   *would have on the national security of the*  
9                   *United States.*

10          (d) *CONTENT OF PLANS.—Each installation energy*  
11          *plan for a main operating base shall include each of the*  
12          *following with respect to that base:*

13                   (1) *An assessment of the energy resilience re-*  
14                   *quirements, resiliency gaps, and energy-related cyber-*  
15                   *security requirements of the base, including with re-*  
16                   *spect to operational technology, control systems, and*  
17                   *facilities-related control systems.*

18                   (2) *An identification of investments in tech-*  
19                   *nology required to improve energy resilience, reduce*  
20                   *demand, strengthen energy conservation, and support*  
21                   *mission readiness.*

22                   (3) *An identification of investments in infra-*  
23                   *structure, including microgrids, required to strength-*  
24                   *en energy resilience and mitigate risk due to grid dis-*  
25                   *turbance.*

1           (4) *Recommendations related to opportunities for*  
2           *the use of renewable energy, clean energy, nuclear en-*  
3           *ergy, and energy storage projects to reduce dependence*  
4           *on natural gas.*

5           (5) *An assessment of how the requirements and*  
6           *recommendations included pursuant to paragraphs*  
7           *(2) through (4) interact with the energy policies of the*  
8           *country where the base is located, both at present and*  
9           *into the future.*

10          (e) *IMPLEMENTATION OF PLANS.—*

11           (1) *DEADLINE FOR IMPLEMENTATION.—Not later*  
12           *than 30 days after the date on which the Secretary*  
13           *submits an installation energy plan for a base under*  
14           *subsection (c)(2), the Secretary shall—*

15                   (A) *begin implementing the plan; and*

16                   (B) *provide to the congressional defense*  
17                   *committees a briefing on the contents of the plan*  
18                   *and the strategy of the Secretary for imple-*  
19                   *menting the mitigation measures identified in*  
20                   *the plan.*

21           (2) *PRIORITIZATION OF CERTAIN PROJECTS.—In*  
22           *implementing an installation energy plan for a base*  
23           *under this section, the Secretary shall prioritize*  
24           *projects requested under section 2914 of title 10,*  
25           *United States Code, to mitigate assessed risks and*

1        *improve energy resilience, energy security, and energy*  
2        *conservation at the base.*

3            (3) *NONAPPLICATION OF CERTAIN OTHER AU-*  
4        *THORITIES.—Subsection (d) of section 2914 of title*  
5        *10, United States Code, shall not apply with respect*  
6        *to any project carried out pursuant to this section or*  
7        *pursuant to an installation energy plan for a base*  
8        *under this section.*

9            (f) *POLICY FOR FUTURE BASES.—The Secretary of*  
10       *Defense shall establish a policy to ensure that any new mili-*  
11       *tary base in the area of responsibility of the United States*  
12       *European Command is established in a manner that*  
13       *proactively includes the consideration of energy security,*  
14       *energy resilience, and mitigation of risk due to energy dis-*  
15       *ruption.*

16           (g) *ANNUAL CONGRESSIONAL BRIEFINGS.—The Sec-*  
17       *retary of Defense shall provide to the congressional defense*  
18       *committees annual briefings on the installation energy*  
19       *plans required under this section. Such briefings shall in-*  
20       *clude an identification of each of the following:*

21            (1) *The actions each main operating base is tak-*  
22        *ing to implement the installation energy plan for that*  
23        *base.*

1           (2) *The progress that has been made toward re-*  
2           *ducing the reliance of United States bases on Russian*  
3           *energy.*

4           (3) *The steps being taken and planned across the*  
5           *future-years defense program to meet the goal of*  
6           *eliminating reliance on Russian energy.*

18                  joint force headquarters.

19           (3) *FORM.*—Each report submitted under para-  
20           graph (1) shall be submitted in unclassified form, but  
21           may include a classified annex.

22 **SEC. 1088. NATIONAL TABLETOP EXERCISE.**

23           (a) *REQUIREMENT.*—Not later than one year after the  
24           date of the enactment of this Act, the Secretary of Defense  
25           shall conduct a tabletop exercise designed to assess the resil-

1 *gency of United States domestic critical infrastructure sup-*  
2 *porting United States military requirements in the event*  
3 *of a military contingency involving Taiwan.*

4 *(b) ELEMENTS.—A tabletop exercise under this section*  
5 *shall be designed to evaluate the following elements:*

6 *(1) The resilience of domestic critical infrastruc-*  
7 *ture and logistical chokepoints necessary for the*  
8 *United States Armed Forces to respond to a contin-*  
9 *gency involving Taiwan, including an assessment of*  
10 *the mobility of the United States Armed Forces in the*  
11 *event of attacks upon such infrastructure.*

12 *(2) Federal Government response options to en-*  
13 *sure the viability of domestic critical infrastructure*  
14 *in the event of a military contingency involving Tai-*  
15 *wan.*

16 *(3) The ability of the United States Armed*  
17 *Forces, with the armed forces of United States allies*  
18 *and partners, to resist any resort to force or other*  
19 *form of coercion by an aggressor in the event of a*  
20 *military contingency involving Taiwan, if domestic*  
21 *critical infrastructure is compromised.*

22 *(4) The importance of nonmilitary actions, in-*  
23 *cluding economic and financial measures, by the*  
24 *United States, with United States allies and partners,*

1       to deter and, if necessary, respond to a contingency  
2       involving Taiwan.

3       (c) *CONSULTATION REQUIREMENT.*—In carrying out  
4 this section, the Secretary shall consult with the heads of  
5 other appropriate Federal departments and agencies, as the  
6 Secretary determines appropriate.

7       (d) *BRIEFING.*—

8           (1) *IN GENERAL.*—Not later than 90 days after  
9 the date on which a tabletop exercise is conducted  
10 under this section, the Secretary shall provide to the  
11 appropriate congressional committees a briefing on  
12 the exercise.

13           (2) *CONTENTS.*—A briefing under paragraph (1)  
14 shall include—

15           (A) an assessment of the decision-making,  
16 capability, and response gaps observed in the ta-  
17 bletop exercise; and

18           (B) recommendations to improve the resil-  
19 iency of, and reduce vulnerabilities in, the do-  
20 mestic critical infrastructure of the United  
21 States in the event of a military contingency in-  
22 volving Taiwan.

23       (e) *DEFINITIONS.*—In this section:

24           (1) The term “appropriate congressional com-  
25 mittees” means—

1           (A) *the Committee on Armed Services, the*

24           (a) *PLAN REQUIRED.—Not later than 30 days after*  
25           *the date of the completion of the manpower study required*

1 *by the Joint Explanatory Statement accompanying the Na-*  
2 *tional Defense Authorization Act for Fiscal Year 2022 (Pub-*  
3 *lic Law 117–81), the Secretary of Defense shall submit to*  
4 *the congressional defense committees a plan for adequately*  
5 *staffing the Office of the Assistant Secretary of Defense for*  
6 *Special Operations and Low Intensity Conflict to fulfill the*  
7 *requirements of section 138(b)(2)(A)(i) of title 10, United*  
8 *States Code, for exercising authority, direction, and control*  
9 *of all special-operations peculiar administrative matters re-*  
10 *lating to the organization, training, and equipping of spe-*  
11 *cial operations forces.*

12 (b) *ADDITIONAL INFORMATION.—The Secretary shall*  
13 *ensure the plan required under subsection (a) is informed*  
14 *by the manpower study required by the Joint Explanatory*  
15 *Statement accompanying the National Defense Authoriza-*  
16 *tion Act for Fiscal Year 2022 (Public Law 117–81).*

17 (c) *ELEMENTS.—The plan required under subsection*  
18 *(a) shall include the following elements:*

19 (1) *A validated number of personnel necessary to*  
20 *fulfill the responsibilities of the Secretariat for Spe-*  
21 *cial Operations outlined in section 139b of title 10,*  
22 *United States Code, and associated funding across the*  
23 *future-years defense program submitted to Congress*  
24 *under section 221 of title 10, United States Code.*

1           (2) *A hiring plan with milestones for gradually*  
2           *increasing the number of required personnel.*

3           (3) *A breakdown of the optimal mix of required*  
4           *military, civilian, and contractor personnel.*

5           (4) *An analysis of the feasibility and advis-*  
6           *ability of assigning a member of the Senior Executive*  
7           *Service to serve as the Deputy Director of the Secre-*  
8           *tariat for Special Operations.*

9           (5) *An identification of any anticipated funding*  
10          *shortfalls for personnel supporting the Secretariat for*  
11          *Special Operations across the future-years defense*  
12          *program submitted to Congress under section 221 of*  
13          *title 10, United States Code.*

14          (6) *Any other matters the Secretary determines*  
15          *relevant.*

4                   (ii) been one of the foremost leaders in  
5                   Congress on matters related to United  
6                   States-Africa relations;

7                   (B) was a key advocate for the establish-  
8                   ment of United States Africa Command; and

9                   (C) has conducted 170 visits to countries in  
10                  Africa; and

11                 (2) as a recognition of Senator Inhofe's long his-  
12                 tory of engaging with, and advocating for, Africa, the  
13                 Department of Defense Africa Center for Strategic  
14                 Studies should be renamed the James M. Inhofe Cen-  
15                 ter for Africa Strategic Studies.

16 **SEC. 1091. INTEGRATION OF ELECTRONIC WARFARE INTO**  
17                   **TIER 1 AND TIER 2 JOINT TRAINING EXER-**  
18                   **CISES.**

19                 (a) *IN GENERAL.*—During fiscal years 2023 through  
20                 2027, the Chairman of the Joint Chiefs of Staff shall require  
21                 that offensive and defensive electronic warfare capabilities  
22                 be integrated into Tier 1 and Tier 2 joint training exercises.

23                 (b) *REQUIREMENT TO INCLUDE OPPOSING FORCE.*—  
24                 The Chairman shall require exercises conducted under sub-  
25                 section (a) to include an opposing force design based on

1 *a current intelligence assessment of the electromagnetic*  
2 *order of battle and capabilities of an adversary.*

3 (c) *WAIVER.—The Chairman may waive the require-*  
4 *ments under subsections (a) and (b) with respect to an exer-*  
5 *cise if the Chairman determines that—*

6 (1) *the exercise does not require—*

7 (A) *a demonstration of electronic warfare*  
8 *capabilities; or*

9 (B) *a militarily significant threat from*  
10 *electronic warfare attack; or*

11 (2) *the integration of offensive and defensive elec-*  
12 *tronic warfare capabilities into the exercise is cost*  
13 *prohibitive or not technically feasible based on the*  
14 *overall goals of the exercise.*

15 (d) *BRIEFING REQUIRED.—Concurrent with the sub-*  
16 *mission of the budget of the President to Congress pursuant*  
17 *to section 1105(a) of title 31, United States Code, for each*  
18 *of fiscal years 2023 through 2027, the Chairman shall pro-*  
19 *vide to the congressional defense committees a briefing on*  
20 *exercises conducted under subsection (a) that includes—*

21 (1) *a description of such exercises planned and*  
22 *included in the budget submission for that fiscal year;*  
23 *and*

24 (2) *the results of each such exercise conducted in*  
25 *the preceding fiscal year, including—*

1           (A) *the extent to which offensive and defen-*  
2           *sive electronic warfare capabilities were inte-*  
3           *grated into the exercise;*

4           (B) *an evaluation and assessment of the ex-*  
5           *ercise to determine the impact of the opposing*  
6           *force on the participants in the exercise, includ-*  
7           *ing—*

8                     (i) *joint lessons learned;*

9                     (ii) *high interest training issues; and*

10                    (iii) *high interest training require-*  
11                    *ments; and*

12           (C) *whether offensive and defensive elec-*  
13           *tronic warfare capabilities were part of an over-*  
14           *all joint fires and, if so, a description of how*  
15           *such capabilities were incorporated into the joint*  
16           *fires.*

17           (e) *DEFINITIONS.—In this section:*

18                   (1) *The term “electromagnetic order of battle”*  
19           *has the meaning given that term in Joint Publication*  
20           *3-85 titled “Joint Electromagnetic Spectrum Oper-*  
21           *ations”, dated May 2020.*

22                   (2) *The terms “high interest training issue”,*  
23           *“high interest training requirement”, “Tier 1”, and*  
24           *“Tier 2” have the meanings given those terms in the*  
25           *Joint Training Manual for the Armed Forces of the*

1 *United States (Document No. CJCSM 3500.03E),*  
2 *dated April 20, 2015.*

3 (3) *The term “joint fires” has the meaning given*  
4 *that term in the publication of the Joint Staff titled*

9 **NAVY.**

10 (a) *ESTABLISHMENT.—*

11 (1) *IN GENERAL.—There is established an inde-*  
12 *pendent commission in the legislative branch to be*  
13 *known as the “Commission on the Future of the*  
14 *Navy” (in this section referred to as the “Commis-*  
15 *sion”).*

16 (2) *DUTIES OF COMMISSION.—*

17 (A) *STUDY ON NAVAL FORCE STRUCTURE.—*

18 (i) *IN GENERAL.—The Commission*  
19 *shall undertake a comprehensive study of*  
20 *the structure of the Navy and policy as-*  
21 *sumptions related to the size and force mix-*  
22 *ture of the Navy, in order—*

23 (I) *to make recommendations on*  
24 *the size and force mixture of ships; and*

1           (ii) to make recommendations on  
2           the size and force mixture of naval  
3           aviation.

4           (ii) CONSIDERATIONS.—In under-  
5           taking the study required by this subsection,  
6           the Commission shall carry out each of the  
7           following:

8                   (I) An evaluation and identifica-  
9                   tion of a structure for the Navy that—

10                           (aa) has the depth and  
11                           scalability to meet current and  
12                           anticipated requirements of the  
13                           combatant commands;

14                           (bb) assumes four different  
15                           funding levels of: fiscal year 2023  
16                           appropriated plus inflation; fiscal  
17                           year 2023 appropriated with 3–5  
18                           percent real growth; such as is  
19                           necessary to build, man, maintain  
20                           and modernize the fleet required  
21                           by section 1025 of the National  
22                           Defense Authorization Act for  
23                           2018 (Public Law 115–91); and  
24                           notionally unconstrained to meet  
25                           the needs of the National Defense

1 *Strategy including a particular*  
2 *focus on the areas of responsibility*  
3 *of United States Indo-Pacific*  
4 *Command and United States Eu-*  
5 *ropean Command;*

6 *(cc) ensures that the Navy*  
7 *has the capacity needed to sup-*  
8 *port current and anticipated*  
9 *homeland defense and disaster as-*  
10 *sistance missions in the United*  
11 *States;*

12 *(dd) provides for sufficient*  
13 *numbers of members of the Navy*  
14 *to ensure a 115 percent manning*  
15 *level of all deployed ships and not*  
16 *less than a 90 percent manning*  
17 *level at any point in time;*

18 *(ee) provides a sustainable*  
19 *force generation model with the*  
20 *associated rotational presence,*  
21 *personnel, training, and mainte-*  
22 *nance assumptions;*

23 *(ff) identifies forward basing*  
24 *and stationing requirements; and*

1                    *(gg) identifies potential strategic and operational risk trade-*  
2                    *offs and makes recommendations*  
3                    *among readiness, efficiency, effectiveness, capability, and affordability.*

4                    *(II) An evaluation and identification of combatant command demand*  
5                    *and fleet size, including recommendations to support—*

6                    *(aa) readiness;*

7                    *(bb) training;*

8                    *(cc) routine ship maintenance;*

9                    *(dd) personnel;*

10                    *(ee) forward presence;*

11                    *(ff) depot level ship maintenance; and*

12                    *(gg) fleet modernization.*

13                    *(III) A detailed review of the cost of the recapitalization of the Nuclear Triad in the Department of Defense and its effect on the Navy's budget.*

14                    *(IV) A review of Navy personnel policies and training to determine*

1 *changes needed across all personnel ac-*  
2 *tivities to improve training effective-*  
3 *ness and force tactical readiness and*  
4 *reduce operational stress.*

5 *(B) STUDY ON SHIPBUILDING AND INNOVA-*  
6 *TION.—*

7 *(i) IN GENERAL.—The Commission*  
8 *shall conduct a study on shipbuilding, new*  
9 *construction, and repair shipyards, and op-*  
10 *portunities to better integrate advanced*  
11 *technologies such as augmented reality and*  
12 *artificial intelligence in the fleet.*

13 *(ii) CONSIDERATIONS.—In conducting*  
14 *the study required under this subsection, the*  
15 *Commission shall consider the following:*

16 *(I) Recommendations for specific*  
17 *changes to the Navy’s Shipyard Infra-*  
18 *structure Optimization Program,*  
19 *which may include legislative changes*  
20 *such as providing multi-year appro-*  
21 *priations or expanded use of innova-*  
22 *tive technology.*

23 *(II) Recommendations for changes*  
24 *to the ship design and build program*  
25 *that could reduce technical and sched-*

1            *ule risk, reduce cost, accelerate build*  
2            *timelines, and prioritize an incre-*  
3            *mental approach to introducing*  
4            *change.*

5                    *(III) Recommendations for*  
6            *changes to the ship depot maintenance*  
7            *program in order to reduce overhaul*  
8            *timelines, integrate current tech-*  
9            *nologies into ships, and reduce costs.*

10            *(3) POWERS OF COMMISSION.—*

11                    *(A) HEARINGS.—The Commission may hold*  
12            *such hearings, sit and act at such times and*  
13            *places, take such testimony, and receive such evi-*  
14            *dence as the Commission considers advisable to*  
15            *carry out its duties under this section.*

16                    *(B) INFORMATION FROM FEDERAL AGEN-*  
17            *CIES.—The Commission may secure directly*  
18            *from any Federal department or agency such in-*  
19            *formation as the Commission considers necessary*  
20            *to carry out its duties under this section. Upon*  
21            *request of the Co-Chairs of the Commission, the*  
22            *head of such department or agency shall furnish*  
23            *such information to the Commission.*

24                    *(C) USE OF POSTAL SERVICE.—The Com-*  
25            *mission may use the United States mails in the*

1           *same manner and under the same conditions as*  
2           *other departments and agencies of the Federal*  
3           *Government.*

4           (D) *AUTHORITY TO ACCEPT GIFTS.—*

5           (i) *IN GENERAL.—The Commission*  
6           *may accept, use, and dispose of gifts or do-*  
7           *nations of services, goods, and property*  
8           *from non-Federal entities for the purposes of*  
9           *aiding and facilitating the work of the*  
10           *Commission. The authority under this*  
11           *paragraph does not extend to gifts of*  
12           *money.*

13           (ii) *DOCUMENTATION; CONFLICTS OF*  
14           *INTEREST.—The Commission shall docu-*  
15           *ment gifts accepted under the authority pro-*  
16           *vided by clause (i) and shall avoid conflicts*  
17           *of interest or the appearance of conflicts of*  
18           *interest.*

19           (iii) *COMPLIANCE WITH CONGRES-*  
20           *SIONAL ETHICS RULES.—Except as specifi-*  
21           *cally provided in this section, a member of*  
22           *the Commission shall comply with rules set*  
23           *forth by the Select Committee on Ethics of*  
24           *the Senate and the Committee on Ethics of*  
25           *the House of Representatives governing em-*

1                    *ployees of the Senate and the House of Rep-*  
2                    *resentatives, respectively.*

3                    *(4) REPORT REQUIRED.—Not later than July 1,*

5           Member of the Committee on Armed Services of  
6           the Senate;

7           (G) one shall be appointed by the Chairman  
8           of the Committee on Armed Services of the House  
9           of Representatives; and

10          (H) one shall be appointed by the Ranking  
11          Member of the Committee on Armed Services of  
12          the House of Representatives.

13          (2) CO-CHAIRS.—There shall be two Co-Chairs of  
14          the Commission. The Republican leadership of the  
15          Senate and House of Representatives shall jointly se-  
16          lect one Co-Chair, and the Democratic leadership of  
17          the Senate and House of Representatives shall jointly  
18          select the other.

19          (3) APPOINTMENT DATE; NOTIFICATIONS.—

20                (A) Members shall be appointed to the com-  
21                mission under paragraph (1) by not later than  
22                90 days after the date of enactment of this Act.

23                (B) Individuals making appointments  
24                under paragraph (1) shall provide notice of the

1           *appointments to the Secretary of Defense (in this*  
2           *section referred to as the “Secretary”).*

3           (4) *QUALIFICATIONS AND EXPERTISE.—*

4                 (A) *IN GENERAL.—In making appointments*  
5           *under this subsection, consideration shall be*  
6           *given to individuals with expertise in—*

1 **SEC. 1106. ENHANCED PAY AUTHORITY FOR CERTAIN RE-**  
2 **SEARCH AND TECHNOLOGY POSITIONS IN**  
3 **SCIENCE AND TECHNOLOGY REINVENTION**  
4 **LABORATORIES.**

5 (a) *IN GENERAL.*—Chapter 303 of title 10, United  
6 States Code, is amended by inserting after section 4093 the  
7 following new section:

8 **“§ 4094. Enhanced pay authority for certain research**  
9 **and technology positions in science and**  
10 **technology reinvention laboratories**

11 “(a) *IN GENERAL.*—The Secretary of Defense may  
12 carry out a program using the pay authority specified in  
13 subsection (d) to fix the rate of basic pay for positions de-  
14 scribed in subsection (c) in order to assist the military de-  
15 partments in attracting and retaining high quality acquisi-  
16 tion and technology experts in positions responsible for  
17 managing and performing complex, high-cost research and  
18 technology development efforts in the science and technology  
19 reinvention laboratories of the Department of Defense.

20 “(b) *APPROVAL REQUIRED.*—The program may be  
21 carried out in a military department only with the ap-  
22 proval of the service acquisition executive of the military  
23 department concerned.

24 “(c) *POSITIONS.*—The positions described in this sub-  
25 section are positions in the science and technology reinven-  
26 tion laboratories of the Department of Defense that—

1           “(1) *require expertise of an extremely high level*  
2           *in a scientific, technical, professional, or acquisition*  
3           *management field; and*

5           *of an important research or technology development*  
6           *mission.*

7           “(d) *RATE OF BASIC PAY.—The pay authority speci-*  
8           *fied in this subsection is authority as follows:*

9           “(1) *Authority to fix the rate of basic pay for a*  
10           *position at a rate not to exceed 150 percent of the rate*  
11           *of basic pay payable for level I of the Executive*  
12           *Schedule, upon the approval of the service acquisition*  
13           *executive concerned.*

14           “(2) *Authority to fix the rate of basic pay for a*  
15           *position at a rate in excess of 150 percent of the rate*  
16           *of basic pay payable for level I of the Executive*  
17           *Schedule, upon the approval of the Secretary of the*  
18           *military department concerned.*

19           “(e) *LIMITATIONS.—*

20           “(1) *IN GENERAL.—The authority in subsection*  
21           *(a) may be used only to the extent necessary to com-*  
22           *petitively recruit or retain individuals exceptionally*  
23           *well qualified for positions described in subsection (c).*

24           “(2) *NUMBER OF POSITIONS.—The authority in*  
25           *subsection (a) may not be used with respect to more*

1     *than five positions in each military department at*  
2     *any one time, unless the Under Secretary of Defense*  
3     *for Research and Engineering, in concurrence with*  
4     *the Secretaries of the military departments concerned,*  
5     *authorizes the transfer of positions from one military*  
6     *department to another.*

7             “(3) *TERM OF POSITIONS.*—*The authority in*  
8     *subsection (a) may be used only for positions having*  
9     *a term of less than five years.*

10            “(f) *SCIENCE AND TECHNOLOGY REINVENTION LAB-*  
11 *ORATORIES OF THE DEPARTMENT OF DEFENSE DE-*  
12 *FINED.*—*In this section, the term ‘science and technology*  
13 *reinvention laboratories of the Department of Defense’*  
14 *means the laboratories designated as science and technology*  
15 *reinvention laboratories by section 4121(b) of this title.”.*

16            “(b) *CLERICAL AMENDMENT.*—*The table of sections at*  
17 *the beginning of chapter 303 of such title is amended by*  
18 *inserting after the item relating to section 4093 the fol-*  
19 *lowing new item:*

12          *ographic combatant commands, and the Office of*  
13          *the General Counsel, and whether such compo-*  
14          *nents are adequately funded, resourced, and*  
15          *manned to carry out their respective roles and*  
16          *responsibilities.*

17          *(C) The standards and procedures by which*  
18          *the Secretary implements the exception under*  
19          *subsection (b) of such section based on a deter-*  
20          *mination that all necessary corrective steps have*  
21          *been taken.*

22          *(D) The standards and procedures by which*  
23          *the Secretary exercises the waiver authority*  
24          *under subsection (c) of such section based on a*

1           *determination that a waiver is required by ex-*  
2           *traordinary circumstances.*

3           *(E) The policies, standards, and processes*  
4           *for the remediation of units of foreign security*  
5           *forces described in such section and resumption*  
6           *of assistance consistent with such section, and*  
7           *the effectiveness of such remediation process.*

8           *(F) The process by which the Secretary de-*  
9           *termines whether a unit of a foreign security*  
10          *force designated to receive training, equipment,*  
11          *or other assistance under such section is new or*  
12          *fundamentally different from its predecessor for*  
13          *which there was determined to be credible infor-*  
14          *mation that the unit had committed a gross vio-*  
15          *lation of human rights.*

16          *(c) REPORTS.—*

17           *(1) FINDINGS OF REVIEW.—Not later than 180*  
18          *days after the date of the enactment of this Act, the*  
19          *Secretary shall submit to the congressional defense*  
20          *committees a report on the findings of the review con-*  
21          *ducted under subsection (b) that includes any rec-*  
22          *ommendations or corrective actions necessary with re-*  
23          *spect to the policies, guidance, and processes for De-*  
24          *partment of Defense-wide implementation of section*  
25          *362 of title 10, United States Code.*

1           (2) *REMEDATION PROCESS.*—

2                   (A) *IN GENERAL.*—Not later than 180 days  
3 after the date of the enactment of this Act, and  
4 every 180 days thereafter through fiscal year  
5 2025, the Secretary shall submit to the appro-  
6 priate committees of Congress a report on the re-  
7 mediation process under section 362 of title 10,  
8 United States Code, and resumption of assist-  
9 ance consistent with such section.

10                   (B) *ELEMENTS.*—Each report required by  
11 subparagraph (A) shall include the following:

4     *shall plan and prioritize assistance, training, and ex-*  
5     *ercises with partner countries pursuant to the pilot*  
6     *program in a manner that is consistent with applica-*  
7     *ble guidance relating to security cooperation program*  
8     *and activities of the Department of Defense.*

9             (d) *FUNDING.—Of amounts authorized to be appro-*  
10    *priated by this Act for each of fiscal years 2023 through*  
11    *2025 and available for operation and maintenance, the Sec-*  
12    *retary may make available \$10,000,000 to support the pilot*  
13    *program, which shall be allocated in accordance with the*  
14    *priorities of the commanders of the geographic combatant*  
15    *commands.*

16            (e) *ANNUAL REPORT.—*

17               (1) *IN GENERAL.—With respect to each year the*  
18    *Secretary carries out the pilot program, the Secretary*  
19    *shall submit to the congressional defense committees a*  
20    *report on obligations and expenditures made to carry*  
21    *out the pilot program during the fiscal year that pre-*  
22    *cedes the year during which each such report is sub-*  
23    *mitted.*

24               (2) *DEADLINE.—The Secretary shall submit each*  
25    *such report not later than March 1 of each year dur-*

1        *ing which the Secretary has authority to carry out*  
2        *the pilot program.*

3                (3) *ELEMENTS.—Each such report shall include*  
4        *the following:*

5                        (A) *An accounting of each obligation and*  
6                        *expenditure made to carry out the pilot pro-*  
7                        *gram, disaggregated, where applicable, by part-*  
8                        *ner country and military force of a partner*  
9                        *country.*

10                      (B) *An explanation of the manner in which*  
11                      *each such obligation or expenditure—*

2 **UKRAINE AND OTHER MATTERS.**

3 (a) *TEMPORARY AUTHORIZATIONS FOR COVERED*  
4 *AGREEMENTS RELATED TO UKRAINE.*—

5 (1) *COVERED AGREEMENT DEFINED.*—*In this*  
6 *subsection, the term “covered agreement” includes a*  
7 *contract, subcontract, transaction, or modification of*  
8 *a contract, subcontract, or transaction awarded by*  
9 *the Department of Defense—*

10 (A) *to build the stocks of critical munitions*  
11 *and other defense articles of the Department;*

12 (B) *to provide materiel and related services*  
13 *to foreign allies and partners that have provided*  
14 *support to the Government of Ukraine; and*

15 (C) *to provide materiel and related services*  
16 *to the Government of Ukraine.*

17 (2) *PUBLIC INTEREST.*—

18 (A) *IN GENERAL.*—*A covered agreement*  
19 *may be presumed to be in the public interest for*  
20 *purposes of meeting the requirements of sub-*  
21 *section (a)(7) of section 3204 of title 10, United*  
22 *States Code.*

23 (B) *PROCEDURES.*—*Notwithstanding the*  
24 *provisions of subsection (a)(7) of section 3204 of*  
25 *title 10, United States Code, with respect to a*  
26 *covered agreement—*

1           (i) *the head of an agency may delegate*

13                   *vilian officers or employees) that is*  
14                   *comparable to or higher than the grade*  
15                   *of brigadier general or rear admiral*  
16                   *(lower half); and*

17           (ii) *not later than 7 days before using*  
18           *the applicable procedures under section*  
19           *3204 of title 10, United States Code, the*  
20           *head of an agency, or a designee of the head*  
21           *of an agency, shall submit to the congress-*  
22           *sional defense committees a written notifi-*  
23           *cation of the use of such procedures.*

24           (C) *DOCUMENTATION.—Consistent with*  
25           *paragraph (4)(C) of subsection (e) of section*

1           3204 of title 10, United States Code, the docu-  
2           mentation otherwise required by paragraph (1)  
3           of such subsection is not required in the case of  
4           a covered agreement.

5           (3) *PROCUREMENT AUTHORITIES.*—The special  
6           emergency procurement authorities provided under  
7           subsections (b) and (c) of section 1903 of title 41,  
8           United States Code, may be used by the Department  
9           of Defense for a covered agreement.

10          (4) *UNDEFINITEZED CONTRACTUAL ACTIONS.*—  
11          The head of an agency may waive the provisions of  
12          subsections (a) and (c) of section 3372 of title 10,  
13          United States Code, for a covered agreement.

14          (5) *TECHNICAL DATA PACKAGES FOR LARGE-CAL-*  
15          *IBER CANNON.*—The requirements of section 7542 of  
16          title 10, United States Code, do not apply to the  
17          transfer of technical data to an international partner  
18          for the production of large-caliber cannons produced  
19          for—

20                 (A) the replacement of defense articles from  
21                 stocks of the Department of Defense provided to  
22                 the Government of Ukraine or to foreign coun-  
23                 tries that have provided support to Ukraine at  
24                 the request of the United States, or

1           (B) contracts awarded by the Department of  
2           Defense to provide materiel directly to the Gov-  
3           ernment of Ukraine.

4           (6) *TEMPORARY EXEMPTION FROM CERTIFIED*  
5           *COST AND PRICING DATA REQUIREMENTS.—*

6           (A) *IN GENERAL.—At the Federal Govern-*  
7           *ment’s discretion, the requirements under section*  
8           *3702 of title 10, United States Code, shall not*  
9           *apply to a covered agreement awarded on a*  
10          *fixed-price incentive firm target basis, where tar-*  
11          *get price equals ceiling price, and the Govern-*  
12          *ment underrun share ratio is a minimum of 60*  
13          *percent with a cap for the negotiated profit dol-*  
14          *lars of 15 percent of target cost.*

15          (B) *USE OF EXEMPTION.—The following*  
16          *shall apply to an exemption under subparagraph*  
17          (A):

18               (i) *Awarded profit dollars shall be*  
19               *fixed, but the contractor may ultimately re-*  
20               *alize a profit rate of higher than 15 percent*  
21               *by underrunning target costs.*

22               (ii) *The target prices negotiated by the*  
23               *Federal Government shall not exceed the*  
24               *most recent negotiated prices for the same*  
25               *items while allowing for appropriate adjust-*

1           ments, including those for quantity dif-  
2           ferences or relevant, applicable economic in-  
3           dices.

4           (C) *APPLICATION.*—An exemption under  
5           subparagraph (A) shall apply to subcontracts  
6           under prime contracts that are exempt under  
7           this paragraph.

8           (7) *TERMINATION OF TEMPORARY AUTHORIZA-*  
9           *TIONS.*—The provisions of this subsection shall termi-  
10          nate on September 30, 2024.

11          (b) *MODIFICATION OF COOPERATIVE LOGISTIC SUP-*  
12          *PORT AGREEMENTS: NATO COUNTRIES.*—Section 2350d of  
13          title 10, United States Code, is amended—

9                    ***CIAL OPERATIONS HEADQUARTERS.***

10        *(a) IN GENERAL.—Subchapter II of chapter 138 of*  
11        *title 10, United States Code, is amended by adding at the*  
12        *end the following new section 2350r:*

13        ***“§2350r. North Atlantic Treaty Organization Special***  
14                    ***Operations Headquarters***

15        *“(a) AUTHORIZATION.—Of the amounts authorized to*  
16        *be appropriated for each fiscal year for operation and*  
17        *maintenance for the Army, the Secretary of Defense is au-*  
18        *thorized to use up to \$50,000,000, to be derived from*  
19        *amounts made available for support of North Atlantic Trea-*  
20        *ty Organization (referred to in this section as ‘NATO’) op-*  
21        *erations, for each such fiscal year for the purposes set forth*  
22        *in subsection (b).*

23        *“(b) PURPOSES.—The Secretary shall provide funds*  
24        *for the NATO Special Operations Headquarters—*

1           “(1) to improve coordination and cooperation be-  
2           tween the special operations forces of NATO countries  
3           and countries approved by the North Atlantic Council  
4           as NATO partners;

5           “(2) to facilitate joint operations by the special  
6           operations forces of NATO countries and such NATO  
7           partners;

8           “(3) to support special operations forces peculiar  
9           command, control, and communications capabilities;

10          “(4) to promote special operations forces intel-  
11          ligence and informational requirements within the  
12          NATO structure; and

13          “(5) to promote interoperability through the de-  
14          velopment of common equipment standards, tactics,  
15          techniques, and procedures, and through execution of  
16          a multinational education and training program.”.

17          (b) *CLERICAL AMENDMENT.*—The table of sections at  
18          the beginning of subchapter II of chapter 138 of title 10,  
19          United States Code, is amended by adding at the end the  
20          following new item:

          “2350r. North Atlantic Treaty Organization Special Operations Headquarters.”.

21          (c) *REPEAL.*—Section 1244 of the National Defense  
22          Authorization Act for Fiscal Year 2010 (Public Law 111–  
23          84; 123 Stat. 2541) is repealed.

1 **SEC. 1272. SENSE OF CONGRESS ON NATO AND UNITED**  
2 **STATES DEFENSE POSTURE IN EUROPE.**

3 *It is the sense of Congress as follows:*

4 *(1) The Russian Federation's further invasion of*  
5 *Ukraine poses a grave threat to United States secu-*  
6 *rity and interests around the globe and to the rules-*  
7 *based international order, including the North Atlan-*  
8 *tic Treaty Organization (NATO).*

9 *(2) The Russian Federation has demonstrated a*  
10 *complete disregard for the safety of civilians during*  
11 *its unlawful and unprovoked invasion of Ukraine,*  
12 *which has involved indiscriminate bombing of civil-*  
13 *ian areas and executions of noncombatants.*

14 *(3) The United States stands with the people of*  
15 *Ukraine and condemns the heinous acts committed by*  
16 *the Russian Federation against them, and Congress*  
17 *strongly supports continued assistance to Ukraine to*  
18 *sustain its ability to repel Russian invasion forces*  
19 *and continue to retake its sovereign territory.*

20 *(4) NATO remains the strongest and most suc-*  
21 *cessful military alliance in the world, founded on a*  
22 *commitment by its members to uphold the principles*  
23 *of democracy, individual liberty, and the rule of law.*  
24 *The NATO alliance has grown more robust and more*  
25 *united in response to Russia's 2022 further invasion*  
26 *of Ukraine, as allies have enhanced their deterrence*

1 *and defense posture, and continued to send military*  
2 *aid to bolster Ukraine's defenses.*

3 *(5) The United States—*

4 *(A) strongly supports the path of Sweden*  
5 *and Finland toward NATO membership, as evi-*  
6 *denced by the overwhelming bipartisan Senate*  
7 *vote providing advice and consent to the ratifica-*  
8 *tion of the Protocols of the North Atlantic Treaty*  
9 *of 1949 on the Accession of the Republic of Fin-*  
10 *land and the Kingdom of Sweden;*

11 *(B) urges all NATO allies who have not*  
12 *ratified their accession to do so as soon as pos-*  
13 *sible;*

14 *(C) reaffirms its ironclad commitment to*  
15 *NATO as the foundation of transatlantic secu-*  
16 *rity and to upholding its obligations under the*  
17 *North Atlantic Treaty, including Article 5; and*

18 *(D) encourages NATO members to move*  
19 *swiftly to meet their commitments made at the*  
20 *June 2022 NATO Summit to expand NATO's*  
21 *multinational battle groups and enhance mili-*  
22 *tary posture on NATO's eastern flank, and to ur-*  
23 *gently continue progress on meeting their Wales*  
24 *Pledge commitments, capability targets, con-*

1           *tributions to NATO missions and operations,*  
2           *and resilience commitments.*

3           *(6) America’s European allies and partners*  
4           *have—*

5                   *(A) made significant contributions to*  
6                   *Ukraine’s defense against the Russian invasion,*  
7                   *including critical military, economic, and hu-*  
8                   *manitarian aid, sanctions, and export controls,*  
9                   *to erode Russia’s ability to sustain its aggres-*  
10                  *sion; and*

11                   *(B) welcomed millions of Ukrainian refu-*  
12                  *gees forced to flee their homeland.*

13           *(7) The United States must continue to work*  
14           *with these allies and partners to sustain this support,*  
15           *to collectively reconstitute weapons stocks, and to*  
16           *maintain unified resolve to reduce threats to critical*  
17           *infrastructure ranging from Russia’s weaponization*  
18           *of energy to China’s predatory investments in trans-*  
19           *portation and telecommunications infrastructure.*

20                   *(8) The United States should develop and imple-*  
21                   *ment a long-term plan to adapt United States posture*  
22                   *in Europe to the altered threat environment. The ele-*  
23                   *vated United States posture currently in Europe is*  
24                   *crucial in the current threat environment, and the*  
25                   *United States posture changes announced during the*

1 *June 2022 NATO Summit are important steps, in-*  
2 *cluding the establishment of the first permanently sta-*  
3 *tioned headquarters in Poland, the commitment to*  
4 *maintain a rotational brigade combat team and*  
5 *headquarters in Romania, enhanced rotations to the*  
6 *Baltic countries, and the forward-stationing of two*  
7 *additional destroyers in Rota, Spain.*

8 *(9) European Deterrence Initiative (EDI) invest-*  
9 *ments have proven crucial to United States and*  
10 *NATO abilities to rapidly reinforce the European the-*  
11 *ater leading up to and during Russia's further inva-*  
12 *sion of Ukraine. The United States should continue*  
13 *robust investments through EDI, including further*  
14 *enhancing United States posture in Europe and*  
15 *maintaining a committed schedule of exercises with*  
16 *allies.*

17 *(10) The Black Sea is critical to United States*  
18 *interests and to the security of NATO in the region,*  
19 *given Russia's unprovoked and unjustified war in*  
20 *Ukraine and Russia's attempts to directly intimidate,*  
21 *coerce, and otherwise influence countries in this re-*  
22 *gion. These allies' and partners' security will have*  
23 *major consequences for broader European security*  
24 *and collective efforts to enhance Black Sea countries'*  
25 *defense and resilience capabilities are essential. In*

1 *addition, the United States and NATO should con-*  
2 *sider adopting robust intergovernmental and inter-*  
3 *agency strategies for the Black Sea, to facilitate fur-*  
4 *ther collaboration among all countries in the region.*

5 *(11) Estonia, Latvia, and Lithuania play a crit-*  
6 *ical role in strategic efforts to continue to deter Rus-*  
7 *sia.*

8 *(12) The United States should continue to pur-*  
9 *sue efforts consistent with the comprehensive, multi-*  
10 *lateral Baltic Defense Assessment conducted by the*  
11 *Department of Defense. Robust support to accomplish*  
12 *United States strategic objectives, including by pro-*  
13 *viding continued assistance to the Baltic countries*  
14 *through security cooperation, including cooperation*  
15 *referred to as the Baltic Security Initiative pursuant*  
16 *to sections 332 and 333 of title 10, United States*  
17 *Code, should continue to be prioritized in the years*  
18 *to come. Specifically, such assistance should include*  
19 *the continuation of—*

20 *(A) enhancements to critical capabilities*  
21 *that will strengthen Baltic security as well as*  
22 *strengthen NATO's deterrence and defense pos-*  
23 *ture, including integrated air and missile de-*  
24 *fense, maritime domain awareness, long-range*  
25 *precision fires, and command and control;*

1           (B) *efforts to enhance interoperability*  
2           *among Estonia, Latvia, and Lithuania and with*  
3           *NATO;*

4           (C) *infrastructure and other host-country*  
5           *support improvements that will enhance United*  
6           *States and allied military mobility across the re-*  
7           *gion;*

8           (D) *efforts to improve resilience to hybrid*  
9           *and cyber threats in Estonia, Latvia, and Lith-*  
10          *uania; and*

11          (E) *support for planning and budgeting ef-*  
12          *forts of Estonia, Latvia, and Lithuania that are*  
13          *regionally synchronized.*

14          (13) *It is in the United States interest to sup-*  
15          *port efforts to enhance security and stability in the*  
16          *Western Balkans. The United States should continue*  
17          *its efforts to work with Western Balkans allies and*  
18          *partners to build interoperability and support insti-*  
19          *tutional reforms. The United States should also sup-*  
20          *port those countries' efforts to resist disinformation*  
21          *campaigns, predatory investments, and other means*  
22          *by which Russia and China may seek to influence*  
23          *this region.*

24          (14) *The United States should continue to work*  
25          *closely with European allies and partners to counter*

1 *growing malign activities by the People’s Republic of*  
2 *China across Europe, in the Indo-Pacific, and be-*  
3 *yond.*

4 **SEC. 1273. REPORT ON FIFTH FLEET CAPABILITIES UP-**  
5 **GRADES.**

6 *(a) IN GENERAL.—Not later than 180 days after the*  
7 *date of the enactment of this Act, the Secretary of Defense*  
8 *shall submit to the congressional defense committees a re-*  
9 *port on—*

10 *(1) capabilities upgrades necessary to enable the*  
11 *Fifth Fleet to address emerging threats in its area of*  
12 *responsibility; and*

13 *(2) any costs associated with such upgrades.*

14 *(b) ELEMENTS.—The report required by subsection (a)*  
15 *shall include the following:*

16 *(1) An assessment of seaborne threats posed by*  
17 *Iran, and groups linked to Iran, to the military forces*  
18 *of United States allies and partners operating in the*  
19 *waters in and around the broader Middle East.*

20 *(2) A description of any capabilities upgrades*  
21 *necessary to enable the Fifth Fleet to address such*  
22 *threats.*

23 *(3) An estimate of the costs associated with any*  
24 *such upgrades.*

1           (4) *A description of any United States plan to*  
2           *deepen cooperation with other member countries of the*  
3           *Combined Maritime Forces at the strategic, policy,*  
4           *and functional levels for the purpose of addressing*  
5           *such threats, including by—*

6                   (A) *enhancing coordination on defense*  
7                   *planning;*

8                   (B) *improving intelligence sharing; and*

9                   (C) *deepening maritime interoperability.*

10          (c) *BROADER MIDDLE EAST DEFINED.—In this sec-*  
11          *tion, the term “broader Middle East” means—*

12                   (1) *the land around the southern and eastern*  
13                   *shores of the Mediterranean Sea;*

14                   (2) *the Arabian Peninsula;*

15                   (3) *Iran; and*

16                   (4) *North Africa.*

17          **SEC. 1274. REPORT ON USE OF SOCIAL MEDIA BY FOREIGN**  
18                   **TERRORIST ORGANIZATIONS.**

19          (a) *REPORT.—Not later than one year after the date*  
20          *of the enactment of this Act, the Director of National Intel-*  
21          *ligence, in coordination with the Secretary of State and the*  
22          *Secretary of Defense, shall submit to the appropriate con-*  
23          *gressional committees a report on—*

24                   (1) *the use of online social media platforms by*  
25                   *entities designated as foreign terrorist organizations*

1 *by the Secretary of State for recruitment, fundraising,*  
2 *and the dissemination of information; and*

3 *(2) the threat posed to the national security of*  
4 *the United States by the online radicalization of ter-*  
5 *rorists and violent extremists with ties to foreign gov-*  
6 *ernments or elements thereof, foreign organizations, or*  
7 *foreign persons, or international terrorist activities.*

8 *(b) APPROPRIATE CONGRESSIONAL COMMITTEES.—In*  
9 *this section, the term “appropriate congressional commit-*  
10 *tees” means—*

11 *(1) the Committee on Armed Services, the Com-*

12          (e) *BUDGET EXECUTION CONTROL.*—*The Secretary*  
13          *shall provide to the United States Cyber Command the re-*  
14          *sources necessary to support the program executive office*  
15          *established under subsection (a)(1)(A) and the Commander*  
16          *of the United States Cyber Command shall exercise budget*  
17          *execution control over component programs of the Joint*  
18          *Cyber Warfighting Architecture that are subject to the re-*  
19          *sponsibilities assigned to the Commander by section 1507*  
20          *of the National Defense Authorization Act for Fiscal Year*  
21          *2022 (Public Law 117–81; 10 U.S.C. 167b note).*

22          (f) *CONSTELLATION PROGRAM.*—*The Director of the*  
23          *Defense Advanced Research Projects Agency and the head*  
24          *of the program executive office established under subsection*  
25          *(a)(1)(A) shall plan and carry out the Constellation pro-*

1 *gram by entering into transactions under section 4021 of*  
2 *title 10, United States Code. In carrying out the preceding*  
3 *sentence, the Secretary shall establish an effective frame-*  
4 *work and pipeline system for maturing cyber operations-*  
5 *relevant technologies developed by the Agency, integrating*  
6 *the technologies into Joint Cyber Warfighting Architecture*  
7 *capabilities, and transitioning the technologies into oper-*  
8 *ational use by the United States Cyber Command.*

9       *(g) TRANSITION.—The Secretary of Defense, in coordi-*  
10 *nation with the Commander of the United States Cyber*  
11 *Command, shall transition responsibilities for the manage-*  
12 *ment and execution of Joint Cyber Warfighting Architec-*  
13 *ture programs from the military departments to the offices*  
14 *established pursuant to subsection (a)(1) by the earlier of*  
15 *the following:*

16               *(1) The date on which—*

17                       *(A) the offices are appropriately staffed and*  
18                       *resourced; and*

19                       *(B) the Commander determines that the*  
20                       *transition is appropriate.*

21               *(2) The date that is five years after the date of*  
22               *the enactment of this Act.*

23       *(h) REVIEW.—Not later than one year after the date*  
24 *of the enactment of this Act, the Under Secretary of Defense*  
25 *for Acquisition and Sustainment and the Commander of*

1 *the United States Cyber Command, in coordination with*  
2 *the Under Secretary of Defense for Research and Engineer-*  
3 *ing, the Principal Cyber Advisor of the Department of De-*  
4 *fense, the Secretaries of the military departments, the Direc-*  
5 *tor of the Defense Advanced Research Projects Agency, and*  
6 *the Director of the National Security Agency, shall submit*  
7 *to the congressional defense committees an integrated review*  
8 *of the Joint Cyber Warfighting Architecture and all other*  
9 *capabilities required for the execution of the missions of the*  
10 *United States Cyber Command to determine the following:*

11           (1) *The extent to which capabilities of the United*  
12 *States Cyber Command and the National Security*  
13 *Agency should be joint, mutually available, inte-*  
14 *grated, or interoperable.*

15           (2) *Whether each of the Joint Cyber Warfighting*  
16 *Architecture capabilities has been effectively designed*  
17 *and architected to enable each of the missions of the*  
18 *United States Cyber Command.*

19           (3) *How the Joint Cyber Warfighting Architec-*  
20 *ture will support defense of the Department of Defense*  
21 *Information Network and its relation to existing*  
22 *datasets, sensors, tools, firewalls, and capabilities de-*  
23 *ployed at each echelon of the Department of Defense*  
24 *Information Network.*

1           (4) *What data, capabilities, and technologies ex-*  
2 *ternal to the current Joint Cyber Warfighting Archi-*  
3 *itecture programs, as of the date of the review, should*  
4 *be acquired as part of the Joint Cyber Warfighting*  
5 *Architecture and under the control of the offices estab-*  
6 *lished pursuant to subsection (a)(1).*

7           (5) *What mission-specific data, capabilities, and*  
8 *technologies external to the current Joint Cyber*  
9 *Warfighting Architecture programs should integrate*  
10 *with or be interoperable with the Joint Cyber*  
11 *Warfighting Architecture system of systems.*

12           (6) *The organization and staffing of such offices,*  
13 *including—*

14                 (A) *whether the program executive office*  
15 *should be responsible for overseeing the acquisi-*  
16 *tion of the cyber operations capabilities of the*  
17 *United States Cyber Command generally or the*  
18 *Joint Cyber Warfighting Architecture specifi-*  
19 *cally;*

20                 (B) *what subordinate program management*  
21 *offices should be established under the program*  
22 *executive office;*

23                 (C) *whether the Joint Cyber Warfighting*  
24 *Architecture programs should be consolidated*  
25 *within a single program management office; and*

1           (D) which personnel should be appointed to  
2           such offices pursuant to subsection (d)(1).

3           (7) The timeline for the execution of the transi-  
4           tion under subsection (g).

5           (8) The acquisition strategy of the Department  
6           for procuring the Joint Cyber Warfighting Architec-  
7           ture and related capabilities, including relevant en-  
8           terprise strategic initiatives and contracting strate-  
9           gies.

10          (9) The responsibilities of the United States  
11          Cyber Command J2, J3, J5, J6, J8, and J9 in ac-  
12          quiring, authorizing, and managing cyber capabili-  
13          ties.

14          (10) The physical locations of the offices estab-  
15          lished pursuant to subsection (a)(1).

16          (i) *BRIEFING REQUIRED.*—Not later than 540 days  
17          after the date of the enactment of this Act, the Under Sec-  
18          retary of Defense for Acquisition and Sustainment and the  
19          Commander of the United States Cyber Command shall  
20          jointly provide to the congressional defense committees a  
21          briefing on the status of the implementation of this section.

22          (j) *REPEAL.*—Section 1645 of the National Defense  
23          Authorization Act for Fiscal Year 2016 (Public Law 114–  
24          92; 10 U.S.C. 4571 note prec.) is repealed.

1        *(k) JOINT CYBER WARFIGHTING ARCHITECTURE DE-*  
2 *FINED.—In this section, the term “Joint Cyber Warfighting*  
3 *Architecture” means the range of joint cyber warfighting*  
4 *systems and capabilities that support the full spectrum of*  
5 *military cyber operations, as designated by the Commander*  
6 *of the United States Cyber Command, and includes any*  
7 *such successor effort.*

8 **SEC. 1510. INTEGRATED NON-KINETIC FORCE DEVELOP-**  
9 **MENT.**

10        *(a) FORCE DEVELOPMENT.—*

11                *(1) IN GENERAL.—The Secretary of Defense shall*  
12 *establish forces, capabilities, and information support*  
13 *to enable the delivery of non-kinetic effects that pro-*  
14 *vide increased survivability and effectiveness of mili-*  
15 *tary forces within a defense planning scenario.*

16                *(2) FORCE PLANNING.—To support the develop-*  
17 *ment of the forces, capabilities, and information sup-*  
18 *port under paragraph (1), the Secretary shall estab-*  
19 *lish a force planning activity to identify and define*  
20 *the relevant forces, capabilities, and information sup-*  
21 *port required to develop and deliver non-kinetic effects*  
22 *within a defense planning scenario. The Secretary*  
23 *shall ensure that the force planning activity identi-*  
24 *fies—*

1           (A) *desired operational effects within such*  
2           *scenario;*

3           (B) *the gaps that limit the ability to access*  
4           *important targets, the development of capabili-*  
5           *ties, the conduct of mission planning, and the*  
6           *execution of operations to deliver such effects;*

7           (C) *the collection systems, analytic expertise*  
8           *and capacity, analytic tools and processes, for-*  
9           *ign materiel, and product lines required to sup-*  
10          *port development and delivery of such effects;*

11          (D) *the forces required to deliver such ef-*  
12          *fects, including associated doctrine, training, ex-*  
13          *pertise, organization, authorities, and command*  
14          *and control arrangements; and*

15          (E) *the cyber, electronic warfare, sensing,*  
16          *and communications capabilities, and delivery*  
17          *platforms and mechanisms, required to achieve*  
18          *such effects and the extent to which such capa-*  
19          *bilities, platforms, and mechanisms should be in-*  
20          *tegrated with each other.*

21          (3) *INITIAL ORGANIZATION STRUCTURE.—Dur-*  
22          *ing an initial period of not less than 24 months, the*  
23          *Under Secretary of Defense for Research and Engi-*  
24          *neering shall organize the force planning activity es-*  
25          *tablished under paragraph (2). The Under Secretary*

1 *shall designate a planning official from the Office of*  
2 *the Under Secretary for Research and Engineering to*  
3 *lead development and execution of the force planning*  
4 *activity, in coordination with staff designated by the*  
5 *Director of the Joint Staff of the Joint Chiefs of Staff.*  
6 *The designated planning official shall select a lead*  
7 *technical director. After such initial period, the Sec-*  
8 *retary may re-assign the force planning activity to*  
9 *another organization under different leadership.*

10 (4) *PLAN FOR FOLLOW-ON ACTIVITIES.*—*Not*  
11 *later than 270 days after the date of the enactment*  
12 *of this Act, the Secretary shall submit to the congres-*  
13 *sional defense committees a plan for follow-on activi-*  
14 *ties regarding the delivery of non-kinetic effects de-*  
15 *scribed in paragraph (1). The Secretary shall ensure*  
16 *the plan—*

17 (A) *includes the identification of dedicated*  
18 *resources to be controlled by the designated plan-*  
19 *ning official described in paragraph (3) and an*  
20 *approach under which the planning official ap-*  
21 *portions such resources across the Department of*  
22 *Defense to establish, augment, and accelerate new*  
23 *and ongoing activities described in paragraph*  
24 *(1) and subsections (b), (c), and (d); and*

25 (B) *identifies—*

1           (i) a dedicated program element for  
2           non-kinetic force development;

3           (ii) the suitability of the mission man-  
4           agement authorities established through the  
5           pilot program under section 871 of the Na-  
6           tional Defense Authorization Act for Fiscal  
7           Year 2022 (Public Law 117–81; 10 U.S.C.  
8           191 note);

9           (iii) the utility of using joint capa-  
10          bility technology demonstrations to drive  
11          prototyping, experimentation, and technical  
12          integration of non-kinetic capabilities;

13          (iv) how the Rapid Defense Experi-  
14          mentation Reserve might drive prototyping,  
15          experimentation, and technical integration  
16          of non-kinetic capabilities; and

17          (v) alignment with other experimen-  
18          tation activities with the appropriate com-  
19          batant commands.

20           (5) *IMPLEMENTATION.*—During the initial pe-  
21          riod specified in paragraph (3), the designated plan-  
22          ning official described in such paragraph shall report  
23          directly to the Deputy Secretary of Defense, to whom  
24          the official shall provide updates and recommenda-  
25          tions not less frequently than quarterly. The Secretary

1     *shall ensure that the force planning activity estab-*  
2     *lished under paragraph (2) is supported by represent-*  
3     *atives from the military services, relevant combatant*  
4     *commands, the Strategic Capabilities Office, the De-*  
5     *fense Advanced Research Projects Agency, and other*  
6     *elements within the Department of Defense, as appro-*  
7     *priate.*

8     **(b) FORCES.**—*In order to generate the forces identified*  
9     *in subsection (a)(2)(D), the Secretary of Defense shall—*

10             *(1) through the Secretaries of the military de-*  
11             *partments and the heads of other Department of De-*  
12             *fense components, as appropriate, establish appro-*  
13             *priate forces and accompanying doctrine, training,*  
14             *and tradecraft;*

15             *(2) acting through the Vice Chairman of the*  
16             *Joint Chiefs of Staff, serving as the Chairman of the*  
17             *Joint Requirements Oversight Council, ensure that*  
18             *appropriate requirements exist to guide the develop-*  
19             *ment and fielding of forces and means to deliver non-*  
20             *kinetic effects within a defense planning scenario;*

21             *(3) through the Under Secretary of Defense for*  
22             *Policy, in coordination with the Chairman of the*  
23             *Joint Chiefs of Staff and the combatant commands,*  
24             *establish appropriate command and control structures*  
25             *and relationships governing such forces; and*

1           (4) *determine the appropriate responsibilities*  
2       *of—*

3                   (A) *Cyber Mission Force of the United*  
4                   *States Cyber Command;*

5                   (B) *cyber, electronic warfare, and space*  
6                   *forces provided to other combatant commands;*  
7                   *and*

8                   (C) *other operational entities within the De-*  
9                   *partment of Defense in delivering non-kinetic ef-*  
10                  *fects.*

11       (c) *CAPABILITIES.—In order to develop the capabilities*  
12 *identified in subsection (a)(2)(E), the Secretary of Defense,*  
13 *acting through the Director of the Defense Advanced Re-*  
14 *search Projects Agency, the Director of the Strategic Capa-*  
15 *bilities Office, the Secretaries of the military departments,*  
16 *and the heads of other elements of the Department of De-*  
17 *fense, shall develop the capabilities required for the delivery*  
18 *of non-kinetic effects within a defense planning scenario.*

19       (d) *POLICY.—The Secretary of Defense, acting through*  
20 *the Under Secretary of Defense for Policy and in coordina-*  
21 *tion with the Chairman of the Joint Chiefs of Staff, shall*  
22 *develop policy governing the delivery of non-kinetic effects*  
23 *within a defense planning scenario.*

24       (e) *BRIEFING.—Not later than one year after the date*  
25 *of the enactment of this Act, the Secretary of Defense shall*

1 *provide to the congressional defense committees a briefing*  
2 *on the status of the implementation of this section.*

3 *(f) NON-KINETIC EFFECTS DEFINED.—In this section,*  
4 *the term “non-kinetic effects” means effects achieved*  
5 *through radio-frequency transmission of integrated cyber*  
6 *and electronic warfare techniques and other related and*  
7 *supporting technical measures.*

8 **SEC. 1511. PROTECTION OF CRITICAL INFRASTRUCTURE.**

9 *(a) IN GENERAL.—In the event that the President de-*  
10 *termines that there is an active, systematic, and ongoing*  
11 *campaign of attacks in cyberspace by a foreign power*  
12 *against the Government or the critical infrastructure of the*  
13 *United States, the President may authorize the Secretary*  
14 *of Defense, acting through the Commander of the United*  
15 *States Cyber Command, to conduct military cyber activities*  
16 *or operations pursuant to section 394 of title 10, United*  
17 *States Code, in foreign cyberspace to deter, safeguard, or*  
18 *defend against such attacks.*

19 *(b) AFFIRMATION OF SCOPE OF CYBER ACTIVITIES OR*  
20 *OPERATIONS.—Congress affirms that the cyber activities or*  
21 *operations referred to in subsection (a), when appropriately*  
22 *authorized, shall be conducted consistent with section 394*  
23 *of title 10, United States Code.*

24 *(c) DEFINITION OF CRITICAL INFRASTRUCTURE.—In*  
25 *this section, the term “critical infrastructure” has the*

1 *meaning given that term in subsection (e) of the Critical*  
2 *Infrastructure Protection Act of 2001 (42 U.S.C. 5195c(e)).*

3 **SEC. 1512. BUDGET DISPLAY FOR CRYPTOGRAPHIC MOD-**  
4 **ERNIZATION ACTIVITIES FOR CERTAIN SYS-**  
5 **TEMS OF THE DEPARTMENT OF DEFENSE.**

6 (a) *DISPLAY REQUIRED.*—Beginning with fiscal year  
7 2024, and for each fiscal year thereafter, the Secretary of  
8 Defense shall include with the budget justification materials  
9 submitted to Congress in support of the budget of the De-  
10 partment of Defense for that fiscal year (as submitted with  
11 the budget of the President under section 1105(a) of title  
12 31, United States Code) a consolidated cryptographic mod-  
13 ernization budget justification display for each Department  
14 of Defense system or asset that is protected by cryptography  
15 and subject to certification by the National Security Agency  
16 (in this section, referred to as “covered items”).

17 (b) *ELEMENTS.*—Each display included under sub-  
18 section (a) for a fiscal year shall include the following:

19 (1) *CRYPTOGRAPHIC MODERNIZATION ACTIVI-*  
20 *TIES.*—(A) *Whether, in accordance with the schedule*  
21 *established under section 153(a) of the William M.*  
22 *(Mac) Thornberry National Defense Authorization Act*  
23 *for Fiscal Year 2021 (Public Law 116–283; 10 U.S.C.*  
24 *142 note), the cryptographic modernization for each*

1 *covered item is pending, in progress, complete, or,*  
2 *pursuant to paragraph (2) of such section, extended.*

3 *(B) The funding required for the covered fiscal*  
4 *year and for each subsequent fiscal year of the Future*  
5 *Years Defense Program to complete the pending or in*  
6 *progress cryptographic modernization by the required*  
7 *replacement date of each covered item.*

8 *(C)(i) A description of deviations between the*  
9 *funding annually required to complete the moderniza-*  
10 *tion prior to the required replacement date and the*  
11 *funding requested and planned within the Future*  
12 *Years Defense Program.*

13 *(ii) An explanation—*

14 *(I) justifying the deviations; and*

15 *(II) of whether or how any delays resulting*  
16 *from a deviation shall be overcome to meet the*  
17 *required replacement date.*

18 *(D) A description of operational or security risks*  
19 *resulting from each deviation from the modernization*  
20 *schedule required to meet replacement dates, includ-*  
21 *ing a current intelligence assessment of adversary*  
22 *progress on exploiting the covered item.*

23 *(E) For any covered item that remains in service*  
24 *past its required replacement date, a description of*  
25 *the number of times the covered item has been ex-*

1        *tended and the circumstances attending each such ex-*  
2        *ension.*

3            (2) *MITIGATION ACTIVITIES FOR COVERED*  
4        *ITEMS.—(A) Whether activities to mitigate the risks*  
5        *associated with projected failure to replace a covered*  
6        *item by the required replacement date are planned, in*  
7        *progress, or complete.*

8            (B) *The funding required for the covered fiscal*  
9        *year and for each subsequent fiscal year for required*  
10       *mitigation activities to complete any planned, pend-*  
11       *ing, or in progress mitigation activities for a covered*  
12       *item.*

13           (C) *A description of the activities planned in the*  
14       *covered fiscal year and each subsequent fiscal year to*  
15       *complete mitigation activities and an explanation of*  
16       *the efficacy of the mitigations.*

17           (c) *FORM.—The display required by subsection (a)*  
18       *shall be included in unclassified form, but may include a*  
19       *classified annex.*

20       **SEC. 1513. ESTABLISHING PROJECTS FOR DATA MANAGE-**  
21                                **MENT, ARTIFICIAL INTELLIGENCE, AND DIG-**  
22                                **ITAL SOLUTIONS.**

23           (a) *ESTABLISHMENT OF PRIORITY PROJECTS.—The*  
24       *Deputy Secretary of Defense shall—*

1           (1) *establish priority enterprise projects for data*  
2           *management, artificial intelligence, and digital solu-*  
3           *tions for both business efficiency and warfighting ca-*  
4           *capabilities intended to accelerate decision advantage;*  
5           *and*

6           (2) *assign responsibilities for execution and*  
7           *funding of the projects established under paragraph*  
8           (1).

4 (d) *COMPONENT DEFINED.*—*In this section, the term*  
5 *“component” means a military department, a combatant*  
6 *command, or a Defense Agency of the Department of De-*  
7 *fense.*

8 **SEC. 1514. OPERATIONAL TESTING FOR COMMERCIAL CY-**  
9 **BERSECURITY CAPABILITIES.**

10 (a) *DEVELOPMENT AND SUBMISSION OF PLANS.*—*Not*  
11 *later than February 1, 2024, the Chief Information Officer*  
12 *of the Department of Defense and the Chief Information Of-*  
13 *ficers of the military departments shall develop and submit*  
14 *plans described in subsection (b) to the Director of Oper-*  
15 *ational Test and Evaluation who may approve the imple-*  
16 *mentation of the plans pursuant to subsection (c).*

17 (b) *PLANS DESCRIBED.*—*The plans described in this*  
18 *subsection are plans that—*

19 (1) *ensure covered cybersecurity capabilities are*  
20 *appropriately tested, evaluated, and proven oper-*  
21 *ationally effective, suitable, and survivable prior to*  
22 *operation on a Department of Defense network; and*

23 (2) *specify how test results will be expeditiously*  
24 *provided to the Director of Operational Test and*  
25 *Evaluation.*

1       (c) *ASSESSMENT.*—*In reviewing the plans submitted*  
2 *under subsection (a), the Director of Operational Test and*  
3 *Evaluation shall conduct an assessment that includes con-*  
4 *sideration of the following:*

5           (1) *Threat-realistic operational testing, includ-*  
6 *ing representative environments, variation of oper-*  
7 *ational conditions, and inclusion of a realistic oppos-*  
8 *ing force.*

9           (2) *The use of Department of Defense cyber red*  
10 *teams, as well as any enabling contract language re-*  
11 *quired to permit threat-representative red team as-*  
12 *sessments.*

13           (3) *Collaboration with the personnel using the*  
14 *commercial cybersecurity capability regarding the re-*  
15 *sults of the testing to improve operators' ability to*  
16 *recognize and defend against cyberattacks.*

17           (4) *The extent to which additional resources may*  
18 *be needed to remediate any shortfalls in capability to*  
19 *make the commercial cybersecurity capability effec-*  
20 *tive, suitable, and cyber survivable in an operational*  
21 *environment of the Department.*

22           (5) *Identification of training requirements, and*  
23 *changes to training, sustainment practices, or con-*  
24 *cepts of operation or employment that may be needed*

1       to ensure the effectiveness, suitability, and cyber sur-  
2       vivability of the commercial cybersecurity capability.

3       (d) *POLICIES AND REGULATIONS.*—Not later than Feb-  
4       ruary 1, 2024, the Secretary of Defense shall issue such poli-  
5       cies and guidance and prescribe such regulations as the Sec-  
6       retary determines necessary to carry out this section.

7       (e) *REPORTS.*—Not later than January 31, 2025, and  
8       not less frequently than annually thereafter until January  
9       31, 2030, the Director shall include in each annual report  
10      required by section 139(h) of title 10, United States Code,  
11      the following:

12           (1) *The status of the plans developed under sub-*  
13      *section (a).*

14           (2) *The number and type of test and evaluation*  
15      *events completed in the past year for such plans,*  
16      *disaggregated by component of the Department, and*  
17      *including resources devoted to each event.*

18           (3) *The results from such test and evaluation*  
19      *events, including any resource shortfalls affecting the*  
20      *number of commercial cybersecurity capabilities that*  
21      *could be assessed.*

22           (4) *A summary of identified categories of com-*  
23      *mon gaps and shortfalls found during testing.*

24           (5) *The extent to which entities responsible for*  
25      *developing and testing commercial cybersecurity ca-*

1     *pabilities have responded to recommendations made*  
2     *by the Director in an effort to gain favorable deter-*  
3     *minations.*

4             *(6) Any identified lessons learned that would im-*  
5     *part training, sustainment, or concepts of operation*  
6     *or employment decisions relating to the assessed com-*  
7     *mercial cybersecurity capabilities.*

8     *(f) DEFINITION.—In this section, the term “covered cy-*  
9     *bersecurity capabilities” means any of the following:*

10            *(1) Commercial products (as defined in section*  
11     *103 of title 41, United States Code) acquired and de-*  
12     *ployed by the Department of Defense to satisfy the cy-*  
13     *bersecurity requirements of one or more Department*  
14     *components.*

15            *(2) Commercially available off-the-shelf items (as*  
16     *defined in section 104 of title 41, United States Code)*  
17     *acquired and deployed by the Department of Defense*  
18     *to satisfy the cybersecurity requirements of one or*  
19     *more Department components.*

20            *(3) Noncommercial items acquired through the*  
21     *Adaptive Acquisition Framework and deployed by the*  
22     *Department of Defense to satisfy the cybersecurity re-*  
23     *quirements of one or more Department components.*

### **SEC. 1531. CYBER OPERATIONS-PECULIAR AWARDS.**

Chapter 57 of title 10, United States Code, is amended by inserting after section 1124 the following new section:

#### **“§ 1124a. Cyber operations-peculiar awards**

“(a) *AUTHORITY.*—The Secretary of Defense and the Secretaries of the military departments may authorize the payment of a cash award to, and incur necessary expense for the honorary recognition of, a member of the covered armed forces whose novel actions, invention, or technical achievement enables or ensures operational outcomes in or through cyberspace against threats to national security.

“(b) *ACTIONS DURING SERVICE.*—An award under this section may be paid notwithstanding the member’s death, separation, or retirement from the covered armed forces. However, the novel action, invention, or technical achievement forming the basis for the award must have been made while the member was on active duty or in an active reserve status and not otherwise eligible for an award under chapter 45 of title 5.

“(c) *PAYMENT.*—Awards to, and expenses for the honorary recognition of, members of the covered armed forces under this section may be paid from—

1 *base, functions, and training pipeline), which shall be*  
2 *a separate designator from the cryptologic warfare of-*  
3 *ficer designator.*

4 (2) *ENLISTED.*—*Not later than 90 days after the*  
5 *date of the enactment of this Act, the Secretary, in co-*  
6 *ordination with the Chief, shall establish a cyber war-*  
7 *fare rating for enlisted personnel (including an in-*  
8 *tended billet base, functions, and training pipeline),*  
9 *which shall be a separate rating from the cryptologic*  
10 *technician enlisted rating.*

11 (3) *PLAN.*—*Not later than 90 days after the date*  
12 *of the enactment of this Act, the Secretary, in coordi-*  
13 *nation with the Chief, shall submit to the Committees*  
14 *on Armed Services of the House of Representatives*  
15 *and the Senate an implementation plan to carry out*  
16 *paragraphs (1) and (2).*

17 (b) *REQUIREMENT.*—

18 (1) *DEADLINE.*—*Except as provided by para-*  
19 *graphs (2) and (3), the Secretary shall ensure that,*  
20 *beginning October 1, 2025, members of the Navy as-*  
21 *signed to the cyber mission force shall be qualified*  
22 *with either the designator or rating established under*  
23 *subsection (a), as the case may be.*

24 (2) *EXCEPTION.*—*The requirement under para-*  
25 *graph (1) shall not apply to—*

1           (A) a member of the Navy who is assigned  
2           to the cyber mission force under orders issued be-  
3           fore October 1, 2025; or

4           (B) a position whose primary function is  
5           the provision of intelligence, foreign language, or  
6           administrative support to the cyber mission  
7           force.

8           (3) *WAIVER.*—The Secretary may waive, on a  
9           case-by-case basis, the requirement under paragraph  
10          (1), except that the total number of such waivers  
11          made during a fiscal year may not exceed 10 percent  
12          of the total number of members of the Navy assigned  
13          to the cyber mission force (not counting members as-  
14          signed to a position described in paragraph (2)(B)).

15          (c) *RESERVE MATTERS.*—Not later than 180 days  
16          after the date of the enactment of this Act, the Secretary,  
17          in coordination with the Chief, shall direct the Chief of  
18          Navy Reserve to establish, and retain, a cadre of members  
19          of the Navy Reserve with the designator and rating estab-  
20          lished under subsection (a).

21          (d) *OFFICER QUALIFICATIONS AND TRAINING.*—The  
22          Secretary, in coordination with the Chief of Naval Oper-  
23          ations and in consultation with the Commander of the  
24          United States Cyber Command, shall ensure that the desig-  
25          nator established under subsection (a)(1) includes the devel-

1 *opment and execution of a training curriculum and quali-*  
2 *fication standards commensurate with those of the cyber of-*  
3 *ficers of the Army and the Air Force.*

4       *(e) COMMUNITY MANAGEMENT.—Not later than 270*  
5 *days after the date of the enactment of this Act, the Sec-*  
6 *retary, acting through the Principal Cyber Advisor of the*  
7 *Navy, shall submit to the congressional defense committees,*  
8 *and provide to such committees a briefing on, the findings*  
9 *of a study on whether the designator and rating established*  
10 *under subsection (a), along with the Maritime Space Officer*  
11 *and the Cyberspace Warfare Engineer, should continue to*  
12 *be considered part of the information warfare community.*

13       *(f) REPORT.—Not later than one year after the date*  
14 *of the enactment of this Act, the Secretary shall submit to*  
15 *the Committees on Armed Services of the House of Rep-*  
16 *resentatives and Senate a report certifying that the fol-*  
17 *lowing actions have been carried out or are in the process*  
18 *of being completed (including detailed explanations):*

19               *(1) An identification by the Chief of Naval Oper-*  
20               *ations of the resource manager within the Office of the*  
21               *Chief of Naval Operations for the designator and rat-*  
22               *ing established under subsection (a).*

23               *(2) An identification by the Chief of the type*  
24               *command at United States Fleet Forces Command re-*

1        *sponsible for manning and training the designator*  
2        *and rating established under subsection (a).*

3                *(3) An inventory of those billets within the Cyber*  
4        *Mission Force, or any other service or joint assign-*  
5        *ment that requires personnel (both officer and en-*  
6        *listed) to conduct operations through cyberspace.*

7                *(4) An inventory and position description of the*  
8        *those positions within the Cyber Mission Force that*  
9        *have been identified under subsection (b)(2)(B).*

10                *(5) A funding profile detailing the complete costs*  
11        *associated with the designator and rating established*  
12        *under subsection (a), including costs associated with*  
13        *meeting the training requirements of the United*  
14        *States Cyber Command for the period covered by the*  
15        *most recent future-years defense program submitted to*  
16        *Congress under section 221 of title 10, United States*  
17        *Code.*

18                *(6) An inventory of all flag officer positions at*  
19        *joint and naval components and commands con-*  
20        *ducting or managing cyberspace operations and ac-*  
21        *tivities, including with respect to—*

22                        *(A) the United States Cyber Command;*

24                        *(C) Joint Forces Headquarters-Cyber, Navy;*

25                        *(D) 10th Fleet;*

1                   (E) *the Deputy Chief of Naval Operations*  
2                   *for Information Warfare and the Director of*  
3                   *Naval Intelligence; and*

4                   (F) *Naval Information Forces.*

5                   (7) *An update to the plan required under sub-*  
6                   *section (a)(3), including timelines and procedures, for*  
7                   *filling the positions within the cyber mission force for*  
8                   *which the Secretary is responsible.*

9                   (8) *Any anticipated changes to the end-strength*  
10                  *of the Navy by reason of establishing the designator*  
11                  *and rating under subsection (a).*

12                  (9) *The implementation of the designator and*  
13                  *rating established under subsection (a) within the*  
14                  *Navy Reserve.*

15                  (10) *The development and execution of the train-*  
16                  *ing curriculum and qualification standards under*  
17                  *subsection (d).*

18                  (g) *LEADERSHIP QUALIFICATIONS.—The Secretary*  
19                  *shall ensure that flag officers with the cyber warfare oper-*  
20                  *ations designator established under subsection (a) are pri-*  
21                  *marily employed in billets identified under subsection*  
22                  *(f)(6).*

23                  (h) *DETERMINATION BY CYBER COMMAND.—Not later*  
24                  *than 60 days after the date on which the Secretary submits*  
25                  *the report under subsection (f), the Commander of the*

1 *United States Cyber Command shall submit to the Commit-*  
2 *tees on Armed Services of the House of Representatives and*  
3 *Senate a determination with respect to whether the matters*  
4 *contained in the report satisfy the requirements of the*  
5 *United States Cyber Command.*

6 **SEC. 1533. TOTAL FORCE GENERATION FOR THE CYBER-**  
7 **SPACE OPERATIONS FORCES.**

8 *(a) STUDY.—*

9 *(1) REQUIREMENT.—Not later than June 1,*  
10 *2024, the Secretary of Defense shall complete a study*  
11 *on the responsibilities of the military services for or-*  
12 *ganizing, training, and presenting the total force to*  
13 *United States Cyber Command.*

14 *(2) ELEMENTS.—The study under paragraph (1)*  
15 *shall assess the following:*

16 *(A) Which military services should man,*  
17 *train, equip, and organize the forces necessary to*  
18 *execute the functions and missions of the Cyber*  
19 *Mission Force and the Cyberspace Operations*  
20 *Forces for assignment, allocation, and appor-*  
21 *tionment to, or under the directive authority of,*  
22 *the United States Cyber Command.*

23 *(B) The sufficiency of the military service*  
24 *accession and training model to provide forces to*  
25 *the Cyberspace Operations Forces and the suffi-*

1           *ciency of the accessions and personnel resourcing*  
2           *of the supporting command and control staffs*  
3           *necessary as a component to the United States*  
4           *Cyber Command.*

5           *(C) The organization of the Cyber Mission*  
6           *Forces and whether the total forces or elements of*  
7           *the forces function best as a collection of inde-*  
8           *pendent teams or through a different model.*

9           *(D) How to correct chronic shortages of pro-*  
10          *ficient personnel in key work roles.*

11          *(E) The need for additional work roles or*  
12          *skills to enable effective infrastructure manage-*  
13          *ment and generate access to targets.*

14          *(F) What unique or training-intensive ex-*  
15          *pertise is required for each of the work roles*  
16          *identified in subparagraph (E) and whether na-*  
17          *tive talents to master unique and training-inten-*  
18          *sive work roles can be identified and how per-*  
19          *sonnel with those talents can be developed, re-*  
20          *tained, and employed across the active and re-*  
21          *serve components.*

22          *(G) The appropriate pay scales, rotation or*  
23          *force management policies, career paths and pro-*  
24          *gression, expertise-based grading, talent manage-*  
25          *ment practices, and training for each of those*

1           *work roles, given expected operational require-*  
2           *ments.*

3           *(H) Whether a single military service*  
4           *should be responsible for basic, intermediate, and*  
5           *advanced training for the Cyber Mission Force.*

6           *(I) The level of training required before an*  
7           *individual should be assigned, allocated, or ap-*  
8           *portioned to the United States Cyber Command.*

9           *(J) Whether or how the duties of the Direc-*  
10          *tor of the National Security Agency and the du-*  
11          *ties of the Commander of United States Cyber*  
12          *Command, resting with a single individual, en-*  
13          *able each respective organization, and whether*  
14          *technical directors and intelligence experts of the*  
15          *National Security Agency should serve rotations*  
16          *in the Cyber Mission Force.*

17          *(K) How nonmilitary personnel, such as ci-*  
18          *vilian government employees, contracted experts,*  
19          *commercial partners, and domain or technology-*  
20          *specific experts in industry or the intelligence*  
21          *community can serve in, augment, or support*  
22          *Cyber Mission Force teams.*

23          *(L) What work roles in the Cyberspace Op-*  
24          *erations Forces can only be filled by military*  
25          *personnel, which work roles can be filled by civil-*

1            *ian employees or contractors, and which work*  
2            *roles should be filled partially or fully by civil-*  
3            *ians due to the need for longevity of service to*  
4            *achieve required skill levels or retention rates.*

5            *(M) How specialized cyber experience, devel-*  
6            *oped and maintained in the reserve component,*  
7            *can be more effectively leveraged to support the*  
8            *Cyberspace Operations Forces through innovative*  
9            *force generation models.*

10           *(N) Whether the Department of Defense*  
11           *should create a separate service to perform the*  
12           *functions and missions currently performed by*  
13           *Cyber Mission Force units generated by multiple*  
14           *military services.*

15           *(O) Whether the Department of Defense is*  
16           *maximizing partnerships with industry and*  
17           *other nontraditional sources of expertise and ca-*  
18           *capacity in the areas of critical infrastructure pro-*  
19           *tection and information sharing.*

20           *(P) Whether the Defense Readiness Report-*  
21           *ing System of the Department of Defense is suffi-*  
22           *cient to capture Cyber Mission Force readiness*  
23           *metrics.*

24           *(3) CONSIDERATIONS.—The study required by*  
25           *paragraph (1) shall consider existing models for total*

1 *force generation practices and programs, as well as*  
2 *nontraditional and creative alternatives.*

3 *(b) RECOMMENDATIONS.—*

4 *(1) IN GENERAL.—Not later than June 1, 2024,*  
5 *the Principal Cyber Advisor of the Department of De-*  
6 *fense and the Commander of the United States Cyber*  
7 *Command shall submit to the Secretary of Defense*  
8 *one or more recommendations, respectively, as to the*  
9 *future total force generation model for both the Cyber*  
10 *Mission Force and the Cyberspace Operations Forces.*

11 *(2) MATTERS ADDRESSED.—The recommenda-*  
12 *tions under paragraph (1) shall address, at a min-*  
13 *imum, each of the elements identified in subsection*  
14 *(a)(2).*

15 *(c) ESTABLISHMENT OF A REVISED MODEL RE-*  
16 *QUIRED.—*

17 *(1) IN GENERAL.—Not later than December 31,*  
18 *2024, the Secretary of Defense shall establish a revised*  
19 *total force generation model for the Cyberspace Oper-*  
20 *ations Forces.*

21 *(2) ELEMENTS.—In establishing a revised total*  
22 *force generation model under paragraph (1), the Sec-*  
23 *retary shall explicitly determine the following:*

24 *(A) Whether the Navy should no longer be*  
25 *responsible for developing and presenting forces*

1           to the United States Cyber Command as part of  
2           the Cyber Mission Force or Cyberspace Oper-  
3           ations Forces, including recommendations for  
4           corresponding transfer of responsibilities and as-  
5           sociated resources and personnel for the existing  
6           and future year programmed Cyberspace Oper-  
7           ations Forces or Cyber Mission Force resources.

8                   (B) Whether a single military service should  
9           be responsible for organizing, training, and  
10          equipping the Cyberspace Operations Forces, or  
11          if different services should be responsible for dif-  
12          ferent components of the Cyberspace Operations  
13          Forces.

14                   (C) Whether modification of United States  
15          Cyber Command enhanced budget control au-  
16          thorities are necessary to further improve total  
17          force generation for Cyberspace Operations  
18          Forces.

19                   (D) Implications of low service retention  
20          rates for critical roles within the Cyber Mission  
21          Force, and the mix of actions necessary to correct  
22          them, including multiple rotations in critical  
23          work roles, length of service commitments, repeat  
24          tours within the Cyber Mission Force, retention  
25          incentives across the entire Cyberspace Oper-

1            *ations Forces, and best practices for generating*  
2            *the future force.*

3            *(d) IMPLEMENTATION PLAN.—Not later than June 1,*  
4            *2025, the Secretary shall submit to the congressional defense*  
5            *committees an implementation plan for effecting the revised*  
6            *total force generation model required under subsection (c).*

7            *(e) PROGRESS BRIEFING.—Not later than 90 days*  
8            *after the date of the enactment of this Act, and not less fre-*  
9            *quently than once every 180 days thereafter until receipt*  
10           *of the plan required by subsection (d), the Secretary shall*  
11           *provide the congressional defense committees with a briefing*  
12           *on the progress made in carrying out this section.*

13           *(f) ADDITIONAL CONSIDERATIONS.—The Secretary*  
14           *shall ensure that subsections (a) through (c) are carried out*  
15           *with consideration to matters relating to the following:*

16                    *(1) The cybersecurity service providers, local de-*  
17                    *fenders, and information technology personnel who*  
18                    *own, operate, and defend the information networks of*  
19                    *the Department of Defense.*

20                    *(2) Equipping the Cyberspace Operations Forces*  
21                    *to include infrastructure management.*

22                    *(3) Providing intelligence support to the Cyber-*  
23                    *space Operations Forces.*

24                    *(4) The resources, including billets, needed to ac-*  
25                    *count for any recommended changes.*

1 **SEC. 1534. CORRECTING CYBER MISSION FORCE READINESS**

2 **SHORTFALLS.**

3 (a) *PLAN AND BRIEFING REQUIRED.*—Not later than  
4 180 days after the date of the enactment of this Act, the  
5 Secretary of Defense, the Chairman of the Joint Chiefs of  
6 Staff, and the Secretaries of the military departments shall  
7 jointly—

8 (1) *develop a near-term plan to correct readiness*  
9 *shortfalls in the Cyber Mission Forces over the period*  
10 *covered by the most recent future-years defense pro-*  
11 *gram submitted to Congress under section 221 of title*  
12 *10, United States Code;*

13 (2) *develop recommendations for such legislative*  
14 *action as the Secretary of Defense, the Chairman, and*  
15 *the Secretaries of the military departments jointly*  
16 *consider appropriate to correct the readiness shortfalls*  
17 *described in paragraph (1); and*

18 (3) *provide to the congressional defense commit-*  
19 *tees a briefing on the plan under paragraph (1) and*  
20 *the recommendations under paragraph (2).*

21 (b) *IMPLEMENTATION.*—Not later than 30 days after  
22 the date of the briefing provided under paragraph (3) of  
23 subsection (a), the Secretary of Defense and the Chairman  
24 shall commence implementation of the aspects of the plan  
25 developed under paragraph (1) of such subsection that are  
26 not dependent upon legislative action.

1       (c) *MATTERS TO BE ADDRESSED.*—*In developing the*  
2 *plan under paragraph (1) of subsection (a), the Secretary*  
3 *of Defense, the Chairman, and the Secretaries of the mili-*  
4 *tary departments shall consider and explicitly address*  
5 *through analysis the following potential courses of action,*  
6 *singly and in combination, to increase the availability of*  
7 *personnel in key work roles:*

8           (1) *Determining the correct number of personnel*  
9       *necessary to fill key work roles, including the proper*  
10       *force mix of civilian, military, and contractor per-*  
11       *sonnel, and the means necessary to meet those require-*  
12       *ments.*

13           (2) *Employing civilians rather than military*  
14       *personnel in key work roles.*

15           (3) *Expanding training capacity.*

16           (4) *Modifying or creating new training models.*

17           (5) *Maximizing use of compensation and incen-*  
18       *tive authorities, including increasing bonuses and*  
19       *special pays, and alternative compensation mecha-*  
20       *nisms.*

21           (6) *Modifying career paths and service policies*  
22       *to permit consecutive assignments in key work roles*  
23       *without jeopardizing promotion opportunities.*

1           (7) *Increasing service commitments following*  
2 *training commensurate with the value of the key work*  
3 *role training.*

4           (8) *Standardizing compensation models across*  
5 *the services.*

6           (9) *Requiring multiple rotations within the*  
7 *Cyber Mission Forces for key work roles.*

8           (10) *Adopting and implementing what are*  
9 *known as “rank in person” policies that enable civil-*  
10 *ian personnel to be promoted on the basis of skills*  
11 *and abilities demonstrated in a given position.*

12           (11) *A review of departmental guidance and*  
13 *processes consistent with section 167b(d)(2)(A)(x) of*  
14 *title 10, United States Code, with respect to the au-*  
15 *thority of the Commander of United States Cyber*  
16 *Command to monitor the promotions of certain cyber*  
17 *operations forces and coordinate with the Secretaries*  
18 *regarding the assignment, retention, training, profes-*  
19 *sional military education, and special and incentive*  
20 *pays of certain cyber operations forces, including—*

21                   (A) *the recruiting, retention, professional*  
22 *military education, and promotion of certain*  
23 *cyber operations personnel;*

1           (B) *the sharing of personnel data between*  
2           *the military departments and the United States*  
3           *Cyber Command; and*

4           (C) *structures, departmental guidance, and*  
5           *processes developed between the military depart-*  
6           *ments and the United States Special Operations*  
7           *Command with respect to the authority of the*  
8           *Commander of the United States Special Oper-*  
9           *ations Command described in section*  
10           *167(e)(2)(J) of title 10, United States Code, that*  
11           *could be used as a model for the United States*  
12           *Cyber Command.*

13           (d) *KEY WORK ROLES DEFINED.—In this section, the*  
14           *term “key work roles” means work roles that consist of ac-*  
15           *cess development, tool development, and exploitation anal-*  
16           *ysis.*

17           **SEC. 1535. DEPARTMENT OF DEFENSE CYBER AND DIGITAL**  
18           **SERVICE ACADEMY.**

19           (a) *ESTABLISHMENT.—*

20           (1) *IN GENERAL.—The Secretary of Defense, in*  
21           *consultation with the Secretary of Homeland Security*  
22           *and the Director of the Office of Personnel and Man-*  
23           *agement, shall establish a program to provide finan-*  
24           *cial support for pursuit of programs of education at*  
25           *institutions of high education in covered disciplines.*

1           (2) *COVERED DISCIPLINES.*—*For purposes of the*  
2           *Program, a covered discipline is a discipline that the*  
3           *Secretary of Defense determines is critically needed*  
4           *and is cyber- or digital technology-related, including*  
5           *the following:*

6                     (A) *Computer-related arts and sciences.*

7                     (B) *Cyber-related engineering.*

8                     (C) *Cyber-related law and policy.*

9                     (D) *Applied analytics related sciences, data*  
10            *management, and digital engineering, including*  
11            *artificial intelligence and machine learning.*

12                    (E) *Such other disciplines relating to cyber,*  
13            *cybersecurity, digital technology, or supporting*  
14            *functions as the Secretary of Defense considers*  
15            *appropriate.*

16           (3) *DESIGNATION.*—*The program established*  
17            *under paragraph (1) shall be known as the “Depart-*  
18            *ment of Defense Cyber and Digital Service Academy”*  
19            *(in this section referred to as the “Program”).*

20           (b) *PROGRAM DESCRIPTION AND COMPONENTS.*—*The*  
21            *Program shall—*

22                    (1) *provide scholarships through institutions of*  
23            *higher education to students who are enrolled in pro-*  
24            *grams of education at such institutions leading to de-*

1 *grees or specialized program certifications in covered*  
2 *disciplines; and*

3 *(2) prioritize the placement of scholarship recipi-*  
4 *ents fulfilling the post-award employment obligation*  
5 *under this section.*

6 *(c) SCHOLARSHIP AMOUNTS.—*

7 *(1) AMOUNT OF ASSISTANCE.—(A) Each scholar-*  
8 *ship under the Program shall be in such amount as*  
9 *the Secretary determines necessary—*

10 *(i) to pay all educational expenses incurred*  
11 *by that person, including tuition, fees, cost of*  
12 *books, and laboratory expenses, for the pursuit of*  
13 *the program of education for which the assist-*  
14 *ance is provided under the Program; and*

15 *(ii) to provide a stipend for room and*  
16 *board.*

17 *(B) The Secretary shall ensure that expenses*  
18 *paid are limited to those educational expenses nor-*  
19 *mally incurred by students at the institution of high-*  
20 *er education involved.*

21 *(2) SUPPORT FOR INTERNSHIP ACTIVITIES.—The*  
22 *financial assistance for a person under this section*  
23 *may also be provided to support internship activities*  
24 *of the person in the Department of Defense and com-*  
25 *bat support agencies in periods between the academic*

1       *years leading to the degree or specialized program*  
2       *certification for which assistance is provided the per-*  
3       *son under the Program.*

4           (3) *PERIOD OF SUPPORT.—Each scholarship*  
5       *under the Program shall be for not more than 5 years.*

6           (4) *ADDITIONAL STIPEND.—Students dem-*  
7       *onstrating financial need, as determined by the Sec-*  
8       *retary, may be provided with an additional stipend*  
9       *under the Program.*

10          (d) *POST-AWARD EMPLOYMENT OBLIGATIONS.—Each*  
11       *scholarship recipient, as a condition of receiving a scholar-*  
12       *ship under the Program, shall enter into an agreement*  
13       *under which the recipient agrees to work for a period equal*  
14       *to the length of the scholarship, following receipt of the stu-*  
15       *dent's degree or specialized program certification, in the*  
16       *cyber- and digital technology-related missions of the De-*  
17       *partment, in accordance with the terms and conditions*  
18       *specified by the Secretary in regulations the Secretary shall*  
19       *promulgate to carry out this subsection.*

20          (e) *HIRING AUTHORITY.—In carrying out this section,*  
21       *specifically with respect to enforcing the obligations and*  
22       *conditions of employment under subsection (d), the Sec-*  
23       *retary may use any authority otherwise available to the*  
24       *Secretary for the recruitment, employment, and retention*

1 *of civilian personnel within the Department, including au-*

22 *pursuant to section (d);*

23 (6) *accept and acknowledge the conditions of*  
24 *support under section (g); and*

1           (7) *meet such other requirements for a scholar-*  
2           *ship as determined appropriate by the Secretary.*

3           (g) *CONDITIONS OF SUPPORT.—*

4           (1) *IN GENERAL.—As a condition of receiving a*  
5           *scholarship under this section, a recipient shall agree*  
6           *to provide the Office of Personnel Management (in co-*  
7           *ordination with the Department of Defense) and the*  
8           *institutions of higher education described in sub-*  
9           *section (a)(1) with annual verifiable documentation*  
10          *of post-award employment and up-to-date contact in-*  
11          *formation.*

12          (2) *TERMS.—A scholarship recipient under the*  
13          *Program shall be liable to the United States as pro-*  
14          *vided in subsection (i) if the individual—*

15                (A) *fails to maintain an acceptable level of*  
16                *academic standing at the applicable institution*  
17                *of higher education, as determined by the Sec-*  
18                *retary;*

19                (B) *is dismissed from the applicable institu-*  
20                *tion of higher education for disciplinary reasons;*

21                (C) *withdraws from the eligible degree pro-*  
22                *gram before completing the Program;*

23                (D) *declares that the individual does not in-*  
24                *tend to fulfill the post-award employment obliga-*  
25                *tion under this section;*

1           (E) fails to maintain or fulfill any of the  
2           post-graduation or post-award obligations or re-  
3           quirements of the individual; or

4           (F) fails to fulfill the requirements of para-  
5           graph (1).

6           (h) *MONITORING COMPLIANCE.*—As a condition of  
7 participating in the Program, an institution of higher edu-  
8 cation shall—

9           (1) enter into an agreement with the Secretary  
10 to monitor the compliance of scholarship recipients  
11 with respect to their post-award employment obliga-  
12 tions; and

13           (2) provide to the Secretary and the Director of  
14 the Office of Personnel Management, on an annual  
15 basis, the post-award employment documentation re-  
16 quired under subsection (g)(1) for scholarship recipi-  
17 ents through the completion of their post-award em-  
18 ployment obligations.

19           (i) *AMOUNT OF REPAYMENT.*—

20           (1) *LESS THAN 1 YEAR OF SERVICE.*—If a cir-  
21 cumstance described in subsection (g)(2) occurs before  
22 the completion of 1 year of a post-award employment  
23 obligation under the Program, the total amount of  
24 scholarship awards received by the individual under

1 *the Program shall be considered a debt to the Govern-*  
2 *ment and repaid in its entirety.*

3 (2) *1 OR MORE YEARS OF SERVICE.—If a cir-*  
4 *cumstance described in subparagraph (D) or (E) of*  
5 *subsection (g)(2) occurs after the completion of 1 or*  
6 *more years of a post-award employment obligation*  
7 *under the Program, the total amount of scholarship*  
8 *awards received by the individual under the Program,*  
9 *reduced by the ratio of the number of years of service*  
10 *completed divided by the number of years of service*  
11 *required, shall be considered a debt to the Government*  
12 *and repaid in accordance with subsection (j).*

13 (j) *REPAYMENTS.—A debt described subsection (i) shall*  
14 *be subject to repayment, together with interest thereon ac-*  
15 *cruing from the date of the scholarship award, in accord-*  
16 *ance with terms and conditions specified by the Secretary*  
17 *in regulations promulgated to carry out this subsection.*

18 (k) *COLLECTION OF REPAYMENT.—*

19 (1) *IN GENERAL.—In the event that a scholar-*  
20 *ship recipient is required to repay the scholarship*  
21 *award under the Program, the institution of higher*  
22 *education providing the scholarship shall—*

23 (A) *determine the repayment amounts and*  
24 *notify the recipient, the Secretary, and the Di-*

1           *rector of the Office of Personnel Management of*  
2           *the amounts owed; and*

3                     *(B) collect the repayment amounts within a*  
4                     *period of time as determined by the Secretary.*

5           *(2) RETURNED TO TREASURY.—Except as pro-*  
6           *vided in paragraph (3), any repayment under this*  
7           *subsection shall be returned to the Treasury of the*  
8           *United States.*

9                     *(3) RETAIN PERCENTAGE.—An institution of*  
10           *higher education may retain a percentage of any re-*  
11           *payment the institution collects under this subsection*  
12           *to defray administrative costs associated with the col-*  
13           *lection. The Secretary shall establish a single, fixed*  
14           *percentage that will apply to all eligible entities.*

15           *(l) PUBLIC INFORMATION.—*

16                     *(1) EVALUATION.—The Secretary, in coordina-*  
17           *tion with the Director of the Office of Personnel Man-*  
18           *agement, shall periodically evaluate and make public,*  
19           *in a manner that protects the personally identifiable*  
20           *information of scholarship recipients, information on*  
21           *the success of recruiting individuals for scholarships*  
22           *under the Program and on hiring and retaining those*  
23           *individuals in the Department of Defense workforce,*  
24           *including information on—*

25                     *(A) placement rates;*

1           (B) where students are placed, including job  
2 titles and descriptions;

3           (C) salary ranges for students not released  
4 from obligations under this section;

5           (D) how long after graduation students are  
6 placed;

7           (E) how long students stay in the positions  
8 they enter upon graduation;

9           (F) how many students are released from  
10 obligations; and

11           (G) what, if any, remedial training is re-  
12 quired.

13           (2) *REPORTS.*—The Secretary, in consultation  
14 with the Office of Personnel Management, shall sub-  
15 mit, not less frequently than once every two years, to  
16 Congress a report, including—

17           (A) the results of the evaluation under para-  
18 graph (1);

19           (B) the disparity in any reporting between  
20 scholarship recipients and their respective insti-  
21 tutions of higher education; and

22           (C) any recent statistics regarding the size,  
23 composition, and educational requirements of the  
24 relevant Department of Defense workforce.

1           (3) *RESOURCES.*—*The Secretary, in coordina-*  
2           *tion with the Director of the Office of Personnel Man-*  
3           *agement, shall provide consolidated and user-friendly*  
4           *online resources for prospective scholarship recipients,*  
5           *including, to the extent practicable—*

6                     (A) *searchable, up-to-date, and accurate in-*  
7                     *formation about participating institutions of*  
8                     *higher education and job opportunities relating*  
9                     *to covered disciplines; and*

10                    (B) *a modernized description of careers in*  
11                    *covered disciplines.*

12           (m) *ALLOCATION OF FUNDING.*—

13                    (1) *IN GENERAL.*—*Not less than 50 percent of the*  
14                    *amount available for financial assistance under this*  
15                    *section for a fiscal year shall be available only for*  
16                    *providing financial assistance for the pursuit of pro-*  
17                    *grams of education referred to in subsection (b)(1) at*  
18                    *institutions of higher education that have established,*  
19                    *improved, or are administering programs of edu-*  
20                    *cation in disciplines under the grant program estab-*  
21                    *lished in section 2200b of title 10, United States*  
22                    *Code, as determined by the Secretary.*

23                    (2) *ASSOCIATE DEGREES.*—*Not less than five*  
24                    *percent of the amount available for financial assist-*  
25                    *ance under this section for a fiscal year shall be*

1       *available for providing financial assistance for the*  
2       *pursuit of an associate degree at an institution de-*  
3       *scribed in paragraph (1).*

4       *(n) BOARD OF DIRECTORS.—In order to help identify*  
5       *workforce needs and trends relevant to the Program, the*  
6       *Secretary may establish a board of directors for the Pro-*  
7       *gram that consists of representatives of Federal departments*  
8       *and agencies.*

9       *(o) COMMENCEMENT OF PROGRAM.—The Secretary*  
10       *shall commence the Program as early as practicable, with*  
11       *the first scholarships awarded under the Program for the*  
12       *academic year beginning no later than the fall semester of*  
13       *2024.*

4 *difficult cyber workforce-related challenges.*

5 *(b) CONSIDERATION OF PRIOR REPORT.—*

6 *(1) IN GENERAL.—In conducting the assessment*  
7 *required by subsection (a), the entity or center shall*  
8 *take into consideration the results of the evaluation of*  
9 *nontraditional cyber support to the Department of*  
10 *Defense required by section 1730 of the William M.*  
11 *(Mac) Thornberry National Defense Authorization Act*  
12 *for Fiscal Year 2021 (Public Law 116–283).*

13 *(2) LIMITATION ON AVAILABILITY OF FUNDS*  
14 *PENDING SUBMISSION OF REPORT.—Of the funds au-*  
15 *thorized to be appropriated by this Act or otherwise*  
16 *made available for fiscal year 2023 for the Under*  
17 *Secretary of Defense for Policy, not more than 75 per-*  
18 *cent may be obligated or expended until the date on*  
19 *which the Principal Cyber Advisor submits the report*  
20 *referenced in paragraph (1).*

21 *(c) ELEMENTS.—The assessment conducted under sub-*  
22 *section (a) shall include analysis of the following matters:*

23 *(1) The feasibility of the concept of a civilian cy-*  
24 *bersecurity reserve program, including an analysis of*

1 *the available talent pool, potential impact on employ-*  
2 *ers, and propensity to serve.*

3 *(2) The likelihood of utilizing civilian cybersecu-*  
4 *rity reservists to augment the existing Department of*  
5 *Defense workforce, including an assessment of the du-*  
6 *ration of periods of activation.*

7 *(3) The result of outreach conducted with indus-*  
8 *try and State and Federal Government agencies em-*  
9 *ploying individuals likely to meet qualification cri-*  
10 *teria for service in such a program.*

11 *(4) The necessity for participants to access clas-*  
12 *sified information, and the need to maintain appro-*  
13 *prate security clearances as a participant in the pro-*  
14 *gram, including while not in Federal service.*

15 *(5) Appropriate compensation and benefits for*  
16 *members of such a program.*

17 *(6) Activities that members may undertake as*  
18 *part of their duties.*

19 *(7) Methods for identifying and recruiting mem-*  
20 *bers, including alternative methods to traditional*  
21 *qualifications requirements.*

22 *(8) Methods for preventing conflicts of interest or*  
23 *other ethical concerns as a result of participation in*  
24 *such a program.*

1           (9) *Resources, including funding levels, necessary*  
2           *to carry out such a program.*

3           (10) *Potential penalties or other adverse action*  
4           *taken against individuals who do not respond to acti-*  
5           *vation when called.*

6           (11) *Any other matters the Secretary considers*  
7           *relevant for the purpose of this assessment.*

8           (d) *REPORTS.—*

9           (1) *IN GENERAL.—Not later than 270 days after*  
10          *the date on which the Secretary enters into the agree-*  
11          *ment described in subsection (a), such entity or center*  
12          *shall submit to the Secretary a report on the results*  
13          *of the research and analysis under such subsection.*

14          (2) *SUBMISSION TO CONGRESS.—Not later than*  
15          *one year after the date of enactment of this Act, the*  
16          *Secretary of Defense shall submit to the Committees*  
17          *on Armed Services of the Senate and House of Rep-*  
18          *resentatives each of the following:*

19                (A) *A copy of the report submitted under*  
20                *paragraph (1) without change.*

21                (B) *Any comments, changes, recommenda-*  
22                *tions, or other information provided by the Sec-*  
23                *retary of Defense relating to the research and*  
24                *analysis conducted under subsection (a) and con-*  
25                *tained in such report, including a specific rec-*

1           *ommendation on whether a civilian cybersecurity*  
2           *reserve should be established, as described in such*  
3           *subsection, or with modification.*

4   **SEC. 1541. COMPREHENSIVE REVIEW OF CYBER EXCEPTED**  
5           **SERVICE.**

6           *(a) IN GENERAL.—Not later than 180 days after the*  
7           *date of enactment of this Act, the Chief Information Officer*  
8           *of the Department of Defense and the Under Secretary of*  
9           *Defense for Personnel and Readiness, in coordination with*  
10          *the Chief Digital and Artificial Intelligence Officer and the*  
11          *Principal Cyber Advisor of the Department, shall conduct*  
12          *a comprehensive review of the Cyber Excepted Service estab-*  
13          *lished pursuant to section 1599f of title 10, United States*  
14          *Code.*

15          *(b) ELEMENTS.—The review required under subsection*  
16          *(a) shall include the following:*

17                  *(1) An assessment of barriers to participation in*  
18                  *Cyber Excepted Service positions, including—*

19                          *(A) criteria for eligibility of potential De-*  
20                          *partment of Defense components and entities for*  
21                          *participation in the Cyber Excepted Service;*

22                          *(B) potential and structural limitations of*  
23                          *the Cyber Excepted Service, including impedi-*  
24                          *ments to mobility or advancement by civilian*

1 *employees currently in billets coded for Cyber*  
2 *Excepted Service;*

3 *(C) challenges to transition between com-*  
4 *petitive and excepted service;*

5 *(D) matters relating to pay disparity and*  
6 *challenges with compensation relative to the skill*  
7 *sets and value of such civilian employees in the*  
8 *private sector;*

9 *(E) differences between compensation, in-*  
10 *centives, benefits, and access to career-broadening*  
11 *experiences;*

12 *(F) the eligibility for participation in the*  
13 *Cyber Excepted Service of civilian employees*  
14 *who are assigned to the Office of the Chief Dig-*  
15 *ital and Artificial Intelligence Officer;*

16 *(G) the current and necessary mechanisms*  
17 *to deconflict occasions when individuals can be*  
18 *considered eligible for two or more excepted serv-*  
19 *ice systems; and*

20 *(H) any other barriers as determined by the*  
21 *Secretary.*

22 *(2) An evaluation of the process used in accept-*  
23 *ing applications, assessing candidates, and the proc-*  
24 *ess for and effect of adhering to provisions of law es-*  
25 *tablishing preferences for hiring eligible veterans, and*

1 *selecting applicants for vacancies to be filled by an*  
2 *individual for a Cyber Excepted Service position.*

3 (3) *An evaluation of current efforts to recruit*  
4 *and retain employees in Cyber Excepted Service posi-*  
5 *tions.*

6 (4) *A description of current performance metrics*  
7 *used in evaluating the Cyber Excepted Service.*

8 (5) *An assessment of how current efforts to de-*  
9 *velop, sustain, and improve the Cyber Excepted Serv-*  
10 *ice are integrated into the strategic workforce plan-*  
11 *ning of the Department.*

12 (6) *Current metrics for—*

13 (A) *the number of employees in Cyber Ex-*  
14 *cepted Service positions, disaggregated by occu-*  
15 *vation, grade, and level or pay band;*

16 (B) *the placement of employees in Cyber*  
17 *Excepted Service positions, disaggregated by*  
18 *military department, Defense agency, or other*  
19 *component within the Department;*

20 (C) *the total number of veterans hired;*

21 (D) *the number of separations of employees*  
22 *in Cyber Excepted Service positions,*  
23 *disaggregated by occupation, grade, and level or*  
24 *pay band;*

1           (E) the number of retirements of employees  
2           in Cyber Excepted Service positions,  
3           disaggregated by occupation, grade, and level or  
4           pay band;

5           (F) the number and amounts of recruit-  
6           ment, relocation, and retention incentives paid  
7           to employees in Cyber Excepted Service posi-  
8           tions, disaggregated by occupation, grade, and  
9           level or pay band; and

10          (G) the number of employees who declined  
11          transition to qualified Cyber Excepted Service  
12          positions.

13          (7) An assessment of the training provided to su-  
14          pervisors of employees in Cyber Excepted Service po-  
15          sitions on the use of the new authorities.

16          (8) An assessment of the implementation of sec-  
17          tion 1599f(a)(1)(A) of title 10, United States Code,  
18          including—

19                (A) how each military department, Defense  
20                agency, or other component within the Depart-  
21                ment is incorporating or intends to incorporate  
22                Cyber Excepted Service personnel in their cyber  
23                mission workforce; and

24                (B) how the Cyber Excepted Service has al-  
25                lowed each military department, Defense agency,

1            *or other component within the Department to es-*  
2            *tablish, recruit and retain personnel to fill cyber*  
3            *mission workforce needs.*

4            *(9) Recommendations for the Secretary of De-*  
5            *fense and the congressional defense committees with*  
6            *respect to the improvement of the Cyber Excepted*  
7            *Service, including recommendations derived from the*  
8            *consideration of the elements specified in paragraphs*  
9            *(1) through (8).*

10          *(c) SUBMISSION.—Not later than 30 days after the*  
11          *completion of the review under subsection (a), the Chief In-*  
12          *formation Officer shall submit to the congressional defense*  
13          *committees a copy of the review.*

14          *(d) ANNUAL UPDATE.—Not later than one year after*  
15          *the submission of the review under subsection (c), and not*  
16          *less frequently than once each year thereafter until Sep-*  
17          *tember 30, 2028, the Secretary of Defense shall submit to*  
18          *the Committee on Armed Services of the Senate and the*  
19          *Committee on Armed Services of the House of Representa-*  
20          *tives an update on progress made in enacting recommenda-*  
21          *tions identified pursuant to paragraph (9) of subsection (b)*  
22          *and a detailed report on Cyber Excepted Service positions*  
23          *during the most recent one-year period, including—*

24                  *(1) the metrics described in paragraph (6) of*  
25                  *such subsection;*

1           (2) *an updated assessment under paragraph (8)*  
2           *of such subsection from the current reporting period;*

3           (3) *an updated assessment on the effect of section*  
4           *1599f of title 10, United States Code, on the ability*  
5           *of the Department to recruit, retain, and develop*  
6           *cyber professionals in the Department over the cur-*  
7           *rent reporting period;*

8           (4) *an updated assessment on the barriers to*  
9           *participation described in paragraph (1) of subsection*  
10          *(b) from the current reporting period;*

11          (5) *proposed modifications to the Cyber Excepted*  
12          *Service; and*

13          (6) *such other matters as the Secretary considers*  
14          *appropriate.*

15          (e) *DEFINITIONS.—In this section:*

16                 (1) *The term “Cyber Excepted Service” consists*  
17                 *of those positions established under section*  
18                 *1599f(a)(1)(A) of title 10, United States Code.*

19                 (2) *The term “Cyber Excepted Service position”*

6           (a) *AUTHORIZATION.*—Chapter 19 of title 10, United  
7 States Code, is amended by adding at the end the following  
8 new section:

9   ***“§ 398. Pilot program for sharing cyber capabilities***  
10   ***and related information with foreign***  
11   ***operational partners***

12           “(a) *AUTHORITY TO ESTABLISH PILOT PROGRAM TO*  
13 *SHARE CYBER CAPABILITIES.*—The Secretary of Defense  
14 may, with the concurrence of the Secretary of State, provide  
15 cyber capabilities and related information developed or pro-  
16 cured by the Department of Defense to foreign countries or  
17 organizations described in subsection (b) without compensa-  
18 tion, to meet operational imperatives if the Secretary of De-  
19 fense determines that the provision of such cyber capabili-  
20 ties is in the national security interests of the United  
21 States.

22           “(b) *LIST OF FOREIGN COUNTRIES.*—The Secretary of  
23 Defense, with the concurrence of the Secretary of State,  
24 shall—

25   “(1) establish—

1           “(A) a list of foreign countries that the Sec-  
2           retary of Defense considers suitable for sharing of  
3           cyber capabilities and related information under  
4           the authority established under paragraph (a);  
5           and

6           “(B) criteria for establishing the list under  
7           subparagraph (A);

8           “(2) not later than 14 days after establishing the  
9           list required by paragraph (a), submit to the appro-  
10          priate committees of Congress such list; and

11          “(3) notify the appropriate committees of Con-  
12          gress in writing of any changes to the list established  
13          under clause (1) at least 14 days prior to the adop-

15          “(c) *PROCEDURES.*—Prior to the first use of the au-  
16          thority provided by subsection (a), the Secretaries of De-  
17          fense and State shall—

18                 “(1) establish and submit to the appropriate  
19                 committees of Congress procedures for a coordination  
20                 process for subsection (a) that is consistent with the  
21                 operational timelines required to support the national  
22                 security of the United States; and

23                 “(2) notify the appropriate committees of Con-  
24                 gress in writing of any changes to the procedures es-

1       *established under paragraph (1) at least 14 days prior*  
2       *to the adoption of any such changes.*

3       “(d) *NOTIFICATION REQUIRED.—(1) The Secretary of*  
4       *Defense and Secretary of State jointly shall promptly sub-*

6       *writing of any use of the authority provided by subsection*  
7       *(a) no later than 48 hours following the use of the authority.*

8       “(2) *Notification under paragraph (1) shall include a*  
9       *certification that the provision of the cyber capabilities was*  
10       *in the national security interests of the United States.*

11       “(3) *The notification under paragraph (1) shall in-*  
12       *clude an analysis of whether the transfer and the under-*  
13       *lying operational imperative could have been met using an-*  
14       *other authority.*

15       “(e) *TERMINATION.—The authority established under*  
16       *paragraph (a) shall terminate on the date that is 3 years*  
17       *after the date on which this authority becomes law.*

18       “(f) *DEFINITIONS.—In this section:*

19               “(1) *The term ‘appropriate committees of Con-*  
20               *gress’ means—*

21                       “(A) *the congressional defense committees;*

22                       “(B) *the Committee on Foreign Relations of*  
23                       *the Senate; and*

24                       “(C) *Committee on Foreign Affairs of the*  
25                       *House of Representatives.*

1           “(2) *The term ‘cyber capability’ means a device*

12 **SEC. 1553. PLAN FOR COMMERCIAL CLOUD TEST AND EVAL-**  
13 **UATION.**

14 (a) *POLICY AND PLAN.*—*Not later than 180 days after*  
15 *the date of enactment of this Act, the Secretary of Defense,*  
16 *in consultation with commercial industry, shall implement*  
17 *a policy and plan for test and evaluation of the cybersecu-*  
18 *rity of the clouds of commercial cloud service providers that*  
19 *provide, or are intended to provide, storage or computing*  
20 *of classified data of the Department of Defense.*

21 (b) *CONTENTS.*—*The policy and plan under subsection*  
22 *(a) shall include the following:*

23 (1) *A requirement that, beginning on the date of*  
24 *the enactment of this Act, future contracts with cloud*  
25 *service providers for storage or computing of classified*

1 *data of the Department include provisions that per-*  
2 *mit the Secretary to conduct independent, threat-real-*  
3 *istic assessments of the commercial cloud infrastruc-*  
4 *ture, including with respect to—*

5 *(A) the storage, compute, and enabling ele-*  
6 *ments, including the control plane and*  
7 *virtualization hypervisor for mission elements of*  
8 *the Department supported by the cloud provider;*  
9 *and*

10 *(B) the supporting systems used in the ful-*  
11 *fillment, facilitation, or operations relating to*  
12 *the mission of the Department under the con-*  
13 *tract, including the interfaces with these systems.*

14 *(2) An explanation as to how the Secretary in-*  
15 *tends to proceed on amending existing contracts with*  
16 *cloud service providers to permit the same level of as-*  
17 *sessments required for future contracts under para-*  
18 *graph (1).*

19 *(3) Identification and description of any pro-*  
20 *posed tiered test and evaluation requirements aligned*  
21 *with different impact and classification levels.*

22 *(c) WAIVER AUTHORITY.—The Secretary may include*  
23 *in the policy and plan under subsection (a) an authority*  
24 *to waive any requirement under subsection (b) if the waiver*  
25 *is jointly approved by the Chief Information Officer of the*

1 *Department of Defense and the Director of Operational Test*  
2 *and Evaluation.*

3 (d) *SUBMISSION.*—*Not later than 180 days after the*  
4 *date of enactment of this Act, the Secretary shall submit*  
5 *to the Committees on Armed Services of the Senate and the*  
6 *House of Representatives the policy and plan under sub-*  
7 *section (a).*

8 (e) *THREAT-REALISTIC ASSESSMENT DEFINED.*—*In*  
9 *this section, the term “threat-realistic assessments” means,*  
10 *with respect to commercial cloud infrastructure, activities*  
11 *that—*

12 (1) *are designed to accurately emulate cyber*  
13 *threats from advanced nation state adversaries, such*  
14 *as Russia and China; and*

15 (2) *include cooperative penetration testing and*  
16 *no-notice threat-emulation activities where personnel*  
17 *of the Department of Defense attempt to penetrate*  
18 *and gain control of the cloud-provider facilities, net-*  
19 *works, systems, and defenses associated with, or which*  
20 *enable, the supported missions of the Department.*

1 **SEC. 1556. ANNUAL BRIEFING ON RELATIONSHIP BETWEEN**  
2 **NATIONAL SECURITY AGENCY AND UNITED**  
3 **STATES CYBER COMMAND.**

4 (a) *ANNUAL BRIEFINGS REQUIRED.*—Not later than  
5 March 1, 2023, and not less frequently than once each year  
6 thereafter until March 1, 2028, the Secretary of Defense  
7 shall provide the congressional defense committees a briefing  
8 on the relationship between the National Security Agency  
9 and United States Cyber Command.

10 (b) *ELEMENTS.*—Each briefing provided under sub-  
11 section (a) shall include an annual assessment of the fol-  
12 lowing:

13 (1) *The resources, authorities, activities, mis-*  
14 *sions, facilities, and personnel used to conduct the rel-*  
15 *evant missions at the National Security Agency as*  
16 *well as the cyber offense and defense missions of*  
17 *United States Cyber Command.*

18 (2) *The processes used to manage risk, balance*  
19 *tradeoffs, and work with partners to execute oper-*  
20 *ations.*

21 (3) *An assessment of the operating environment*  
22 *and the continuous need to balance tradeoffs to meet*  
23 *mission necessity and effectiveness.*

24 (4) *An assessment of the operational effects re-*  
25 *sulting from the relationship between the National Se-*  
26 *curity Agency and United States Cyber Command,*

1 *including a list of specific operations conducted over*  
2 *the previous year that were enabled by or benefitted*  
3 *from the relationship.*

4 *(5) Such other topics as the Director of the Na-*  
5 *tional Security Agency and the Commander of United*  
6 *States Cyber Command may consider appropriate.*

7 **SEC. 1557. REVIEW OF DEFINITIONS ASSOCIATED WITH**  
8 **CYBERSPACE OPERATIONS FORCES.**

9 *(a) REVIEW.—Not later than 120 days after the date*  
10 *of the enactment of this Act, the Secretary of Defense, acting*  
11 *through the Principal Cyber Advisor of the Department of*  
12 *Defense and the Principal Cyber Advisors of the military*  
13 *departments, shall—*

14 *(1) review—*

15 *(A) the memorandum of the Secretary of*  
16 *Defense dated December 12, 2019, concerning the*  
17 *definition of the term “Department of Defense*  
18 *Cyberspace Operations Forces (DoD COF)”;* and

21 *space Joint Force Provider and Cyberspace Joint*  
22 *Force Trainer, with respect to forces included*  
23 *and excluded from the Cyberspace Operations*  
24 *Forces; and*

1           (2) *update such memorandum and, as appropriate,*  
2           *update such responsibilities.*

3           (b) *ELEMENTS.—The review under subsection (a) shall*  
4           *include the following:*

5           (1) *A comprehensive assessment of units and*  
6           *components of the Department of Defense conducting*  
7           *defensive cyberspace operations which are not currently*  
8           *included in the definition specified in paragraph*  
9           *(1)(A) of such subsection.*

10          (2) *Consideration of options for participation in*  
11          *the Cyberspace Operations Forces by forces without*  
12          *regard to whether the forces are included in such definition,*  
13          *including options under which—*

14                (A) *forces currently excluded from the*  
15                *Cyberspace Operations Forces because of such*  
16                *definition may access training, resources, and*  
17                *expertise of the Cyberspace Operations Forces;*

18                (B) *the Commander of the United States*  
19                *Cyber Command may issue advisory tasking to*  
20                *forces that are not Cyberspace Operations Forces*  
21                *pursuant to such definition; and*

22                (C) *forces that are not Cyberspace Operations*  
23                *Forces pursuant to such definition are*  
24                *subject to training standards established by the*

1           *Commander as the Cyberspace Joint Force*  
2           *Trainer.*

10                   **TO DETER AND COUNTER ADVERSARIES IN**  
11                   **THE INFORMATION ENVIRONMENT.**

12       (a) *BRIEFING.*—*Not later than 90 days after the date*  
13 *of the enactment of this Act, the Secretary of Defense shall*  
14 *provide to the congressional defense committees a briefing*  
15 *on the following:*

16               (1) *The status of the strategy and posture review*  
17 *required by section 1631(g) of the National Defense*  
18 *Authorization Act for Fiscal Year 2020 (Public Law*  
19 *116–92; 10 U.S.C. 397 note).*

20               (2) *A description of efforts of the Department of*  
21 *Defense, including such efforts conducted in consulta-*  
22 *tion with relevant departments and agencies of the*  
23 *Federal Government, to effectively deter and counter*  
24 *foreign adversaries in the information environment,*  
25 *including—*

1           (A) recent updates or modifications to exist-  
2           ing policies to more effectively deter and counter  
3           adversaries;

4           (B) a description of funding priorities and  
5           impacts to future budget requests;

6           (C) recent updates to personnel policies to  
7           ensure the recruitment, promotion, retention,  
8           and compensation for individuals with the nec-  
9           essary skills in the information environment;  
10          and

11          (D) a description of improvements required  
12          to the collection, prioritization, and analysis of  
13          intelligence, in particular open-source intel-  
14          ligence, to better inform the understanding of  
15          foreign adversaries in the information environ-  
16          ment.

17          (3) A description of any initiatives that are  
18          being taken, in cooperation with relevant departments  
19          and agencies of the Federal Government, to assist and  
20          incorporate allies and partner countries of the United  
21          States into efforts to effectively deter and counter for-  
22          eign adversaries in the information environment.

23          (4) A description of any additional actions the  
24          Secretary determines necessary to further ensure that  
25          the Department of Defense is appropriately postured

1       to effectively deter and counter foreign adversaries in  
2       the information environment.

3               (5) Any other matters the Secretary of Defense  
4       determines appropriate.

5       (b) *INFORMATION ENVIRONMENT DEFINED.*—In this  
6       section, the term “information environment” has the mean-

5 (1) in paragraph (9), by inserting “, in coordi-  
6 nation with the Joint Requirements Oversight Coun-  
7 cil,” after “capabilities, and”;

8 (2) by redesignating paragraphs (10), (11), and  
9 (12) as paragraphs (11), (12), and (13), respectively;

10 (3) by inserting after paragraph (9) the fol-  
11 lowing new paragraph (10):

12 “(10) With respect to nuclear warheads—

13 “(A) reviewing military requirements, per-  
14 formance requirements, and planned delivery  
15 schedules to evaluate whether such requirements  
16 and schedules create significant risks to cost,  
17 schedules, or other matters regarding production,  
18 surveillance, research, and other programs relat-  
19 ing to nuclear weapons within the National Nu-  
20 clear Security Administration; and

21 “(B) if any such risk exists, proposing and  
22 analyzing adjustments to such requirements and  
23 schedules.”; and

24 (4) by striking paragraph (13), as so redesign-  
25 ated, and inserting the following new paragraph  
26 (13):

1           “(13) *Coordinating risk management efforts be-*  
2           *tween the Department of Defense and the National*  
3           *Nuclear Security Administration relating to the nu-*  
4           *clear weapons stockpile, the nuclear security enter-*  
5           *prise (as defined in section 4002 of the Atomic En-*  
6           *ergy Defense Act (50 U.S.C. 2501)), and the delivery*

8           *to identifying and analyzing risks and proposing ac-*  
9           *tions to mitigate risks.”.*

10          ***(b) PLANS AND BUDGET.***—*Subsection (f) of such sec-*  
11          *tion is amended to read as follows:*

12           ***“(f) BUDGET AND FUNDING MATTERS.***—*(1) The Coun-*  
13          *cil shall annually review the plans and budget of the Na-*  
14          *tional Nuclear Security Administration and assess whether*  
15          *such plans and budget meet the current and projected re-*  
16          *quirements relating to nuclear weapons.*

17           ***“(2)(A) The Council shall review each budget request***  
18          *transmitted by the Secretary of Energy to the Council*  
19          *under section 4717 of the Atomic Energy Defense Act (50*  
20          *U.S.C. 2757) and make a determination under subpara-*  
21          *graph (B) regarding the adequacy of each such request. Not*  
22          *later than 30 days after making such a determination, the*  
23          *Council shall notify the congressional defense committees*  
24          *that such a determination has been made.*

1       “(B)(i) *If the Council determines that a budget request*  
2 *for a fiscal year transmitted to the Council under section*  
3 *4717 of the Atomic Energy Defense Act (50 U.S.C. 2757)*  
4 *is inadequate, in whole or in part, to implement the objec-*  
5 *tives of the Department of Defense with respect to nuclear*  
6 *weapons for that fiscal year, the Council shall submit to*  
7 *the Secretary of Energy a written description of funding*  
8 *levels and specific initiatives that would, in the determina-*  
9 *tion of the Council, make the budget request adequate to*  
10 *implement those objectives.*

11       “(ii) *If the Council determines that a budget request*  
12 *for a fiscal year transmitted to the Council under section*  
13 *4717 of the Atomic Energy Defense Act (50 U.S.C. 2757)*  
14 *is adequate to implement the objectives described in clause*  
15 *(i) for that fiscal year, the Council shall submit to the Sec-*

22          *date specified in subsection (c), the Secretary shall provide*  
23          *to the congressional defense committees a briefing on identi-*  
24          *fying and managing risk relating to nuclear forces and*

1 *prioritizing the efforts among such forces, including, with*  
2 *respect to the period covered by the briefing—*

3           “(A) *the current and projected operational re-*  
4 *quirements for nuclear forces that were used for such*  
5 *identification, management, and prioritization;*

6           “(B) *key areas of risk identified; and*

7           “(C) *a description of the actions proposed or car-*  
8 *ried out to mitigate such risk.*

9           “(2) *The Secretary may provide the briefings under*  
10 *paragraph (1) in classified form.*

11           “(3) *If a House of Congress adopts a bill authorizing*  
12 *or appropriating funds that, as determined by the Sec-*  
13 *retary, provides funds in an amount that will result in a*  
14 *significant delay in the nuclear certification or delivery of*  
15 *nuclear forces, the Secretary shall notify the congressional*  
16 *defense committees of the determination.*

17           “(c) *TERMINATION.—The requirements of this section*  
18 *shall terminate 90 days after the date on which the Sec-*  
19 *retary certifies to the congressional defense committees that*  
20 *each of the following have achieved full operational capa-*  
21 *bility:*

22           “(1) *The LGM–35A Sentinel intercontinental*  
23 *ballistic missile weapon system.*

14          (a) *QUARTERLY BRIEFINGS.*—Subsection (d) of section  
15          499 of title 10, United States Code, is amended to read as  
16          follows:

17               “(d) *QUARTERLY BRIEFINGS.*—(1) Not less than once  
18          every quarter, the Deputy Secretary of Defense and the Vice  
19          Chairman of the Joint Chiefs of Staff shall jointly provide  
20          to the Committees on Armed Services of the House of Rep-  
21          resentatives and the Senate—

22                   “(A) a briefing on any intrusion or anomaly in  
23          the nuclear command, control, and communications  
24          system that was identified during the previous quar-  
25          ter, including—

1           “(i) an assessment of any known, suspected,  
2           or potential impacts of such intrusions and  
3           anomalies to the mission effectiveness of military  
4           capabilities as of the date of the briefing; and

5           “(ii) with respect to cyber intrusions of con-  
6           tractor networks known or suspected to have re-  
7           sulted in the loss or compromise of design infor-  
8           mation regarding the nuclear command, control,  
9           and communications system; or

10          “(B) if no such intrusion or anomaly occurred  
11          with respect to the quarter to be covered by that brief-  
12          ing, a notification of such lack of intrusions and  
13          anomalies.

14          “(2) In this subsection:

15                 “(A) The term ‘anomaly’ means a malicious,  
16                 suspicious or abnormal cyber incident that poten-  
17                 tially threatens the national security or interests of  
18                 the United States, or that is likely to result in demon-  
19                 strable harm to the national security of the United  
20                 States.

21                 “(B) The term ‘intrusion’ means an unauthor-  
22                 ized and malicious cyber incident that compromises a  
23                 nuclear command, control, and communications sys-  
24                 tem by breaking the security of such a system or caus-  
25                 ing it to enter into an insecure state.”.

1       (b) *EXTENSION*.—Subsection (e) of such section is  
2 amended by striking “December 31, 2027” and inserting  
3 “December 31, 2032”.

4       (c) *CONFORMING REPEAL*.—Section 171a of title 10,  
5 United States Code, is amended—

6           (1) by striking subsection (h); and

7           (2) by redesignating subsections (i) through (l)  
8 as subsections (h) through (k), respectively.

4           subsection (e), the Director, in consultation with the  
5           milestone decision authority (as defined in section  
6           4251(d) of title 10, United States Code) for the LGM–  
7           35A Sentinel intercontinental ballistic missile pro-  
8           gram, shall submit to the Secretary of Defense and the  
9           Secretary of the Air Force a report on the progress of  
10          the Air Force in achieving initial and full oper-  
11          ational capability for the LGM–35A Sentinel inter-  
12          continental ballistic missile weapon system.

13           (2) *REPORT TO CONGRESS.*—Not later than 30  
14          days after receiving a report under paragraph (1), the  
15          Secretary of Defense and the Secretary of the Air  
16          Force shall jointly submit to the congressional defense  
17          committees the report.

18           (3) *FORM.*—The report under paragraph (1)  
19          shall be submitted in unclassified form, but may in-  
20          clude a classified annex.

21           (4) *QUARTERLY BRIEFING.*—Not later than one  
22          year after the date of the enactment of this Act, and  
23          every 90 days thereafter until the date specified in  
24          subsection (e), the Secretary of the Air Force shall  
25          provide to the congressional defense committees a

1 *briefing regarding the progress made on activities by*  
2 *the Task Force to bring the LGM-35A Sentinel inter-*  
3 *continental ballistic missile weapon system to oper-*  
4 *ational capability at each intercontinental ballistic*  
5 *missile wing.*

6 *(d) WEAPON SYSTEM DESIGNATION.—*

7 *(1) WEAPON SYSTEM.—For purposes of nomen-*  
8 *clature and life cycle maintenance, each wing level*  
9 *configuration of the LGM-35A Sentinel interconti-*  
10 *ental ballistic missile shall be considered a weapon*  
11 *system.*

12 *(2) DEFINITIONS.—In this subsection:*

13 *(A) The term “weapon system” has the*  
14 *meaning given the term in Department of the*  
15 *Air Force Pamphlet 63-128, updated February*  
16 *3, 2021.*

17 *(B) The term “wing level configuration”*  
18 *means the complete arrangement of subsystems*  
19 *and equipment of the LGM-35A Sentinel inter-*  
20 *continental ballistic missile required to function*  
21 *as a wing.*

22 *(e) TERMINATION.—The Task Force shall terminate*  
23 *not later than 90 days after the date on which the Com-*  
24 *mander of the United States Strategic Command and the*  
25 *Commander of the Air Force Global Strike Command (or*

1 *the heads of successor agencies of the United States Stra-*  
2 *tegic Command and the Air Force Global Strike Command)*  
3 *jointly declare that the LGM-35A Sentinel intercontinental*  
4 *ballistic missile weapon system has achieved full oper-*  
5 *ational capability.*

6 **SEC. 1639. PROHIBITION ON REDUCTION OF THE INTER-**  
7 **CONTINENTAL BALLISTIC MISSILES OF THE**  
8 **UNITED STATES.**

9 (a) *PROHIBITION.—Except as provided in subsection*  
10 *(b), none of the funds authorized to be appropriated by this*  
11 *Act or otherwise made available for fiscal year 2023 for the*  
12 *Department of Defense may be obligated or expended for*  
13 *the following, and the Department may not otherwise take*  
14 *any action to do the following:*

15 (1) *Reduce, or prepare to reduce, the responsive-*  
16 *ness or alert level of the intercontinental ballistic mis-*  
17 *siles of the United States.*

18 (2) *Reduce, or prepare to reduce, the quantity of*  
19 *deployed intercontinental ballistic missiles of the*  
20 *United States to a number less than 400.*

21 (b) *EXCEPTION.—The prohibition in subsection (a)*  
22 *shall not apply to any of the following activities:*

23 (1) *The maintenance or sustainment of inter-*  
24 *continental ballistic missiles.*

1           (2) *Ensuring the safety, security, or reliability of*  
2           *intercontinental ballistic missiles.*

3           (3) *Facilitating the transition from the Minute-*  
4           *man III intercontinental ballistic missile to the Sen-*  
5           *tinel intercontinental ballistic missile (previously re-*  
6           *ferred to as the “ground-based strategic deterrent*  
7           *weapon”).*

8   **SEC. 1640. PLAN FOR DEVELOPMENT OF REENTRY VEHI-**  
9                                   **CLES.**

10          (a) *PLAN.—The Under Secretary of Defense for Acqui-*  
11          *sition and Sustainment, in consultation with the Adminis-*  
12          *trator for Nuclear Security and the Under Secretary of De-*  
13          *fense for Research and Engineering, shall produce a plan*  
14          *for the development, during the 20-year period beginning*  
15          *on the date of the enactment of this Act, of—*

16                 (1) *the Mark 21A reentry vehicle for the Air*  
17                 *Force;*

18                 (2) *the Mark 7 reentry vehicle for the Navy; and*

19                 (3) *any other reentry vehicles for—*

20                         (A) *the Sentinel intercontinental ballistic*  
21                         *missile weapon system;*

22                         (B) *the Trident II (D5) submarine-launched*  
23                         *ballistic missile, or subsequent missile; and*

24                         (C) *any other long-range ballistic or*  
25                         *hypersonic strike missile that may rely upon*

1           *technologies similar to the technologies used in*  
2           *the missiles described in subparagraphs (A) and*  
3           *(B).*

4           **(b) ELEMENTS.**—*The plan under subsection (a)*  
5           *shall—*

6                   *(1) with respect to the development of each re-*  
7           *entry vehicle described in such subsection, describe—*

8                           *(A) timed phases of production for the re-*  
9                           *entry aeroshell and the planned production and*  
10                           *fielding of the reentry vehicle;*

11                           *(B) the required developmental and oper-*  
12                           *ational testing capabilities and capacities, in-*  
13                           *cluding such capabilities and capacities of the*  
14                           *reentry vehicle;*

15                           *(C) the technology development and manu-*  
16                           *facturing capabilities that may require use of*  
17                           *authorities under the Defense Production Act of*  
18                           *1950 (50 U.S.C. 4501 et seq.); and*

19                           *(D) the industrial base capabilities and ca-*  
20                           *pacities, including the availability of sufficient*  
21                           *critical materials and staffing to ensure adequate*  
22                           *competition between entities developing the re-*  
23                           *entry vehicle;*

24                           *(2) provide estimated cost projections for the de-*  
25           *velopment of the first operational reentry vehicle and*

1 *the production of subsequent reentry vehicles to meet*  
2 *the requirements of the Navy and Air Force; and*

3 *(3) provide for the coordination with and ac-*  
4 *count for the needs of the development by the Depart-*  
5 *ment of Defense of hypersonic systems using mate-*  
6 *rials, staffing, and an industrial base similar to that*  
7 *required for the development of reentry vehicles de-*  
8 *scribed in subsection (a).*

9 *(c) ASSESSMENTS.—*

10 *(1) COST PROJECTIONS.—The Director of the Of-*  
11 *fice of Cost Assessment and Program Evaluation of*  
12 *the Department of Defense, in coordination with the*  
13 *Director of the Office of Cost Estimating and Pro-*  
14 *gram Evaluation of the National Nuclear Security*  
15 *Administration, shall conduct an assessment of the*  
16 *costs of the plan under subsection (a).*

17 *(2) TECHNOLOGY AND MANUFACTURING READI-*  
18 *NESS.—Not later than 90 days after the date of the*  
19 *enactment of this Act, the Under Secretary of Defense*  
20 *for Acquisition and Sustainment shall seek to enter*  
21 *into an agreement with a federally funded research*  
22 *and development center to conduct an assessment of*  
23 *the technology and manufacturing readiness levels*  
24 *with respect to the plan under subsection (a).*

1       (d) *SUBMISSION TO CONGRESS.*—Not later than one  
2 year after the date of the enactment of this Act, the Under  
3 Secretary of Defense for Acquisition and Sustainment shall  
4 submit to the congressional defense committees the plan  
5 under subsection (a) and the assessments under subsection  
6 (c).

23                   *eral Regulations;*

24                   (2) *which, if any, such programs or projects have*  
25                   *been assigned a DX priority rating, or have been de-*

1 *terminated to require such rating and a timeline for as-*  
2 *signment;*

3 *(3) any such programs or projects that have*  
4 *sought DX rating but have been denied assignment,*  
5 *including a rationale for denial;*

6 *(4) any such program or project which had pre-*  
7 *viously obtained a DX rating and the designation*  
8 *was unassigned; and*

9 *(5) other related matters the Secretaries deter-*  
10 *mine appropriate, including the potential impacts*  
11 *and risks to other programs.*

12 *(b) MILESTONE REVIEW REQUIREMENT.—With re-*  
13 *spect to any program or project that the Secretary of De-*  
14 *fense and the Secretary of Energy identify under subsection*  
15 *(a)(1) as not having been reviewed or considered for a deter-*  
16 *mination of DX priority rating under part 700 of title 15,*  
17 *Code of Federal Regulations, the respective Secretary*  
18 *shall—*

19 *(1) conduct an assessment regarding the need for*  
20 *such a DX priority rating not less frequently than*  
21 *prior to the program or project achieving Milestone A*  
22 *approval, Milestone B approval, and Milestone C ap-*  
23 *proval, or equivalent; and*

1           (2) *document such assessment within the acquisi-*

3           *gram or project.*

4 **SEC. 1642. MATTERS RELATING TO NUCLEAR-CAPABLE SEA-**  
5           **LAUNCHED CRUISE MISSILE.**

6           (a) *REPORT ON DETERRENCE.*—Not later than 270  
7 *days after the date of the enactment of this Act, the Sec-*  
8 *retary of Defense shall submit to the congressional defense*  
9 *committees a report that describes the approach by the De-*  
10 *partment of Defense for deterring theater nuclear employ-*  
11 *ment by Russia, China, and North Korea, including—*

12           (1) *an assessment of the current and future the-*  
13 *ater nuclear capabilities and doctrines of Russia,*  
14 *China, and North Korea;*

15           (2) *an explanation of the strategy and capabili-*  
16 *ties of the United States for deterring theater nuclear*  
17 *employment; and*

18           (3) *a comparative assessment of options for*  
19 *strengthening deterrence of theater nuclear employ-*  
20 *ment, including pursuit of the nuclear-capable sea-*  
21 *launched cruise missile and other potential changes to*  
22 *the nuclear and conventional posture and capabilities*  
23 *of the United States.*

24           (b) *CONCEPT OF OPERATIONS AND OPERATIONAL IM-*  
25 *PLICATIONS.*—

1           (1) *CONCEPT OF OPERATIONS.*—Not later than  
2           150 days after the date of the enactment of this Act,  
3           the Vice Chairman of the Joint Chiefs of Staff, in co-  
4           ordination with the Chief of Naval Operations, the  
5           Under Secretary of Defense for Policy, the Com-  
6           mander of the United States Strategic Command, the  
7           Commander of the United States European Com-  
8           mand, and the Commander of the United States Indo-  
9           Pacific Command, shall develop and validate a con-  
10          cept of operations for a nuclear-capable sea-launched  
11          cruise missile that provides options for, at a min-  
12          imum—

13                   (A) regularly deploying the missile in rel-  
14                   evant operational theaters; and

15                   (B) maintaining the missile in reserve and  
16                   deploying as needed to relevant operational thea-  
17                   ters.

18          (2) *OPERATIONAL IMPLICATIONS.*—Not later  
19          than 270 days after the date of the enactment of this  
20          Act, and based upon the concept of operations devel-  
21          oped pursuant to paragraph (1), the Chief of Naval  
22          Operations, in coordination with the Vice Chairman  
23          of the Joint Chiefs of Staff, the Commander of the  
24          United States Strategic Command, the Commander of  
25          the United States European Command, and the Com-

1 *mander of the United States Indo-Pacific Command,*  
2 *shall submit to the congressional defense committees a*  
3 *report that describes the operational implications as-*  
4 *sociated with deploying nuclear-capable sea-launched*  
5 *cruise missiles on naval vessels, including—*

6 *(A) anticipated effects on the deterrence of*  
7 *regional nuclear use by Russia, China, and*  
8 *North Korea from such deployment;*

9 *(B) expected adjustments in the regional*  
10 *balances of nuclear forces between the United*  
11 *States and Russia, China, and North Korea re-*  
12 *spectively, based on the anticipated effects under*  
13 *subparagraph (A);*

14 *(C) anticipated operational and deterrence*  
15 *implications of allocating missile or torpedo*  
16 *tubes from conventional munitions to nuclear*  
17 *munitions if additional vessels beyond current*  
18 *planning are not available;*

19 *(D) anticipated operational constraints and*  
20 *trade-offs associated with reserving or limiting*  
21 *naval vessels, if applicable, on account of nuclear*  
22 *mission requirements;*

23 *(E) adjustments to posture and operation-*  
24 *ally available capabilities that may be required*  
25 *if the Navy is not provided with additional re-*

1           *sources to support tactical nuclear operations,*  
2           *including potential costs and constraints relating*  
3           *to nuclear certification, modifications to port in-*  
4           *frastructure, personnel training, and other fac-*  
5           *tors; and*

6                   *(F) any other issues identified by the Chief,*  
7           *Vice Chairman, and Commanders.*

8           *(c) REPORT ON DEVELOPMENT.—Not later than 270*  
9           *days after the date of the enactment of this Act, the Admin-*  
10          *istrator for Nuclear Security shall submit to the congres-*  
11          *sional defense committees a report that describes the cost*  
12          *and timeline of developing and producing a variation of*  
13          *the W80–4 warhead for a nuclear-capable sea-launched*  
14          *cruise missile, including—*

15                   *(1) the cost of developing, producing, and sus-*  
16          *taining the warhead;*

17                   *(2) the timeline for the design, production, and*  
18          *fielding of the warhead; and*

19                   *(3) an assessment of how the pursuit of a vari-*  
20          *ant of the W80–4 warhead may affect other planned*  
21          *warhead activities of the National Nuclear Security*  
22          *Administration, including whether there would be*  
23          *risk to the cost and schedule of other warhead pro-*  
24          *grams of the Administration if the Nuclear Weapons*

1        *Council added a nuclear-capable sea-launched cruise*  
2        *missile warhead to the portfolio of such programs.*

3        *(d) SPEND PLAN.—Not later than 45 days after the*  
4        *date of the enactment of this Act, the Secretary of the Navy*  
5        *and the Administrator for Nuclear Security shall submit*  
6        *to the congressional defense committees the anticipated*  
7        *spend plans for the research and development of a nuclear-*  
8        *capable sea-launched cruise missile and the associated war-*  
9        *head for the missile with respect to each of the following:*

10            *(1) The funds for such research and development*  
11            *appropriated by the Consolidated Appropriations Act,*  
12            *2022 (Public Law 117–103).*

13            *(2) The funds for such research and development*  
14            *authorized to be appropriated by this Act.*

15        *(e) CONSOLIDATED REPORT.—The reports required by*  
16        *subsections (a) and (b)(2) may be submitted in one consoli-*  
17        *dated report.*

18        *(f) PREFERRED COURSE OF ACTION.—To inform the*  
19        *reports under this section, not later than 30 days after the*  
20        *date of the enactment of this Act, the Secretary of Defense*  
21        *shall identify one or more preferred courses of action from*  
22        *among the actions identified in the analysis of alternatives*  
23        *for a nuclear-capable sea-launched cruise missile.*

24        *(g) LIMITATION.—*

1           (1) *IN GENERAL.*—None of the funds authorized  
2           to be appropriated by this Act or otherwise made  
3           available for fiscal year 2023 for the Department of  
4           Defense or the National Nuclear Security Administra-  
5           tion may be obligated or expended for a purpose spec-  
6           ified in paragraph (2) until each of the reports under  
7           this section and a detailed, unclassified summary of  
8           the analysis of alternatives regarding the nuclear-ca-  
9           pable sea-launched cruise missile have been submitted  
10          to the congressional defense committees.

11          (2) *FUNDS SPECIFIED.*—The purposes specified  
12          in this paragraph are the following:

13                (A) *With respect to the Department of De-*  
14                *fense, system development and demonstration of*  
15                *a nuclear-capable sea-launched cruise missile.*

16                (B) *With respect to the National Nuclear*  
17                *Security Administration, development engineer-*  
18                *ing for a modified, altered, or new warhead for*  
19                *a sea-launched cruise missile.*

20          (h) *DEFINITIONS.*—In this section:

25           *after the date of enactment of this Act, the Secretary*

1 *of Defense shall seek to enter into a contract with a*  
2 *federally funded research and development center to*  
3 *conduct an independent assessment of the integrated*  
4 *air and missile defense architecture to defend Guam.*

5 (2) *ELEMENTS.—The assessment under para-*  
6 *graph (1) shall include an analysis of each of the fol-*  
7 *lowing:*

8 (A) *The proposed architecture capability to*  
9 *address non-ballistic and ballistic missile threats*  
10 *to Guam, including the sensor, command and*  
11 *control, and interceptor systems being proposed.*

12 (B) *The development and integration risk of*  
13 *the proposed architecture.*

14 (C) *The manning required to operate the*  
15 *proposed architecture, including the availability*  
16 *of housing and infrastructure on Guam to sup-*  
17 *port the needed manning levels.*

18 (3) *SUBMISSION.—Not later than 180 days after*  
19 *the date of the enactment of this Act, the Secretary*  
20 *shall submit to the congressional defense committees*  
21 *the assessment under paragraph (1), without change.*

22 (b) *DESIGNATION OF OFFICIAL RESPONSIBLE FOR*  
23 *MISSILE DEFENSE OF GUAM.—*

24 (1) *DESIGNATION.—Not later than 90 days after*  
25 *the date of the enactment of this Act, the Secretary of*

1 *Defense shall designate a senior official of the Depart-*  
2 *ment of Defense who shall be responsible for the mis-*  
3 *sile defense of Guam during the period preceding the*  
4 *date specified in paragraph (5).*

5 (2) *DUTIES.—The duties of the official des-*  
6 *ignated under paragraph (1) shall include the fol-*  
7 *lowing:*

8 (A) *Designing the architecture of the missile*  
9 *defense system for defending Guam.*

10 (B) *Overseeing development of an integrated*  
11 *missile defense acquisition strategy for the mis-*  
12 *sile defense of Guam.*

13 (C) *Ensuring the military department and*  
14 *Defense Agency budgets are appropriate for the*  
15 *strategy described in subparagraph (B).*

16 (D) *Siting the integrated missile defense*  
17 *system described in subparagraph (B).*

18 (E) *Overseeing long-term acquisition and*  
19 *sustainment of the missile defense system for*  
20 *Guam.*

21 (F) *Such other duties as the Secretary de-*  
22 *termines appropriate.*

23 (3) *PROGRAM TREATMENT.—The integrated mis-*  
24 *sile defense system referred to in paragraph (2) shall*  
25 *be designated as special interest acquisition category*

1 *1D program and shall be managed as consistent with*  
2 *Department of Defense Instruction 5000.85 “Major*  
3 *Capability Acquisition”.*

4 (4) *REPORT.*—*Concurrent with the submission of*  
5 *each budget of the President under section 1105(a) of*  
6 *title 31, United States Code, during the period pre-*  
7 *ceding the date specified in paragraph (5), the official*  
8 *designated under paragraph (1) shall submit to the*  
9 *congressional defense committees a report on the ac-*  
10 *tions taken by the official to carry out the duties set*  
11 *forth under paragraph (2).*

12 (5) *TERMINATION.*—*The authority of this sub-*  
13 *section shall terminate on the date that is three years*  
14 *after the date on which the official designated under*  
15 *paragraph (1) determines that the integrated missile*  
16 *defense system described in paragraph (2) has*  
17 *achieved initial operational capability.*

18 (c) *PROCUREMENT.*—

19 (1) *REQUIREMENT.*—*Except as provided by*  
20 *paragraph (2), not later than December 31, 2023, the*  
21 *Secretary of Defense, acting through the Director of*  
22 *the Missile Defense Agency, shall rapidly procure and*  
23 *field up to three vertical launching systems that can*  
24 *accommodate planned interceptors operated by the*  
25 *Navy (that do not require major modification or inte-*

1 *gration into the existing missile defense system), as of*  
2 *the date of enactment of this Act.*

3 (2) *WAIVER.—The Secretary may waive the re-*  
4 *quirement under paragraph (1) if—*

5 (A) *the Secretary determines that the waiv-*  
6 *er is in the best interest of the national security*  
7 *of the United States;*

8 (B) *the Secretary submits to the congres-*  
9 *sional defense committees a notification of such*  
10 *waiver, including a justification; and*

11 (C) *a period of 120 days has elapsed fol-*  
12 *lowing the date of such notification.*

1       (b) *REPORT.*—Not later than 120 days after the date  
2 of the enactment of this Act, the Secretary of the Air Force,  
3 in coordination with the Commander of the United States  
4 Northern Command, shall submit to the congressional de-  
5 fense committees a report on the implementation of the  
6 cruise missile defense architecture for the homeland, includ-  
7 ing—

8           (1) *the architecture planned to meet the require-*  
9 *ments of the United States Northern Command and*  
10 *the North American Aerospace Defense Command, in-*  
11 *cluding a schedule for capabilities being developed*  
12 *and deployed;*

13           (2) *a list of all programs of record of the Air*  
14 *Force that contribute to such architecture; and*

15           (3) *funding profile by year across the most re-*  
16 *cent future-years defense program submitted to Con-*  
17 *gress under section 221 of title 10, United States*  
18 *Code, to develop, deploy, operate, and sustain such ar-*  
19 *chitecture.*

20       (c) *LIMITATION.*—Of the funds authorized to be appro-  
21 priated by this Act or otherwise made available for fiscal  
22 year 2023 for the Department of the Air Force for travel  
23 by the Secretary of the Air Force, not more than 95 percent  
24 may be obligated or expended until the date on which the

1 *Secretary of the Air Force submits the report under sub-*  
2 *section (b).*

3 **SEC. 1662. STRATEGY TO USE ASYMMETRIC CAPABILITIES**  
4 **TO DEFEAT HYPERSONIC MISSILE THREATS.**

5 (a) *REQUIREMENT.*—*Not later than March 1, 2023, the*  
6 *Secretary of Defense, acting through the Director of the Mis-*  
7 *sile Defense Agency, shall submit to the congressional de-*  
8 *fense committees a comprehensive layered strategy to use*  
9 *asymmetric capabilities to defeat hypersonic missile*  
10 *threats.*

11 (b) *ELEMENTS.*—*The strategy under subsection (a)*  
12 *shall—*

13 (1) *address all asymmetric capabilities of the*  
14 *United States, including with respect to—*

15 (A) *directed energy, as described in section*  
16 *1664 of the National Defense Authorization Act*  
17 *for Fiscal Year 2022 (Public Law 117–81; 10*  
18 *U.S.C. 205 note) and including short-pulse laser*  
19 *technology;*

20 (B) *microwave systems;*

21 (C) *cyber capabilities; and*

22 (D) *any other capabilities determined ap-*  
23 *propriate by the Secretary and Director; and*

24 (2) *identify the funding required to implement*  
25 *the strategy during the period covered by the future-*

1        *years defense program submitted to Congress under*  
2        *section 221 of title 10, United States Code, in 2023.*

14 **PORTING PROCEDURES.**

15       (a) *MECHANISM FOR AUTHORIZED REPORTING.*—

16               (1) *ESTABLISHMENT.*—The Secretary of Defense,  
17 acting through the head of the Office and in consulta-  
18 tion with the Director of National Intelligence, shall  
19 establish a secure mechanism for authorized reporting  
20 of—

21                       (A) any event relating to unidentified  
22 anomalous phenomena; and

23                       (B) any activity or program by a depart-  
24 ment or agency of the Federal Government or a  
25 contractor of such a department or agency relat-
