15       (a) *FINDINGS.*—Congress finds the following:

16              (1) *Advancing peace and stability in the Indo-*  
17 *Pacific has been a central element of United States*  
18 *foreign policy toward the region.*

19              (2) *The Government of the People’s Republic of*  
20 *China (PRC), especially since the election of Tsai*  
21 *Ing-Wen in 2016, has conducted a coordinated cam-*  
22 *paign to weaken Taiwan diplomatically, economi-*  
23 *cally, and militarily in a manner that threatens to*  
24 *erode United States policy and create a fait accompli*  
25 *on questions surrounding Taiwan’s future.*

1           (3) *To secure United States interests and pre-*  
2           *serve the ability of the people of Taiwan to determine*  
3           *their own future, it is necessary to reinforce Taiwan's*  
4           *diplomatic, economic, and territorial space.*

5           (b) *STATEMENT OF POLICY.—It is the policy of the*  
6           *United States to—*

7           (1) *maintain the position that peace and sta-*  
8           *bility in the Western Pacific are in the political, secu-*  
9           *rity, and economic interests of the United States, and*  
10          *are matters of international concern; and*

11          (2) *work with allies and partners to promote*  
12          *peace and stability in the Indo-Pacific and deter*  
13          *military acts or other forms of coercive behavior that*  
14          *would undermine regional stability.*

22          (2) *as set forth in the Taiwan Relations Act, the*  
23          *United States decision to establish diplomatic rela-*  
24          *tions with the People's Republic of China rests upon*  
25          *the expectation that the future of Taiwan will be de-*

1 *terminated by peaceful means, and that any effort to*  
2 *determine the future of Taiwan by other than peaceful*  
3 *means, including boycotts and embargoes, is of grave*  
4 *concern to the United States;*

5 *(3) the increasingly coercive and aggressive be-*  
6 *havior of the People's Republic of China toward Tai-*  
7 *wan is contrary to the expectation of the peaceful res-*  
8 *olution of the future of Taiwan;*

9 *(4) as set forth in the Taiwan Relations Act, the*  
10 *capacity to resist any resort to force or other forms*  
11 *of coercion that would jeopardize the security, or the*  
12 *social or economic system, of the people on Taiwan*  
13 *should be maintained;*

14 *(5) the United States should continue to support*  
15 *the development of capable, ready, and modern de-*  
16 *fense forces necessary for Taiwan to maintain suffi-*  
17 *cient defensive capabilities, including by—*

18 *(A) supporting acquisition by Taiwan of*

6 *This subtitle may be cited as the “Otto Warmbier*  
7 *Countering North Korean Censorship and Surveillance Act*  
8 *of 2022”.*

9 ***SEC. 5581. FINDINGS; SENSE OF CONGRESS.***

10 *(a) FINDINGS.—Congress makes the following findings:*

11 *(1) The information landscape in North Korea is*  
12 *the most repressive in the world, consistently ranking*  
13 *last or near-last in the annual World Press Freedom*  
14 *Index.*

15 *(2) Under the brutal rule of Kim Jung Un, the*  
16 *country’s leader since 2012, the North Korean regime*  
17 *has tightened controls on access to information, as*  
18 *well as enacted harsh punishments for consumers of*  
19 *outside media, including sentencing to time in a con-*  
20 *centration camp and a maximum penalty of death.*

21 *(3) Such repressive and unjust laws surrounding*  
22 *information in North Korea resulted in the death of*  
23 *22-year-old United States citizen and university stu-*  
24 *dent Otto Warmbier, who had traveled to North Korea*  
25 *in December 2015 as part of a guided tour.*

1           (4) *Otto Warmbier was unjustly arrested, sen-*  
2           *tenced to 15 years of hard labor, and severely mis-*  
3           *treated at the hands of North Korean officials. While*  
4           *in captivity, Otto Warmbier suffered a serious med-*  
5           *ical emergency that placed him into a comatose state.*  
6           *Otto Warmbier was comatose upon his release in*  
7           *June 2017 and died 6 days later.*

8           (5) *Despite increased penalties for possession*  
9           *and viewership of foreign media, the people of North*  
10          *Korean have increased their desire for foreign media*  
11          *content, according to a survey of 200 defectors con-*  
12          *cluding that 90 percent had watched South Korean or*  
13          *other foreign media before defecting.*

14          (6) *On March 23, 2021, in an annual resolution,*  
15          *the United Nations General Assembly condemned “the*  
16          *long-standing and ongoing systematic, widespread*  
17          *and gross violations of human rights in the Demo-*  
18          *cratic People’s Republic of Korea” and expressed*  
19          *grave concern at, among other things, “the denial of*  
20          *the right to freedom of thought, conscience, and reli-*  
21          *gion . . . and of the rights to freedom of opinion, ex-*  
22          *pression, and association, both online and offline,*  
23          *which is enforced through an absolute monopoly on*  
24          *information and total control over organized social*

1 *life, and arbitrary and unlawful state surveillance*  
2 *that permeates the private lives of all citizens”.*

3 *(7) In 2018, Typhoon Yutu caused extensive*  
4 *damage to 15 broadcast antennas used by the United*  
5 *States Agency for Global Media in Asia, resulting in*  
6 *reduced programming to North Korea. The United*  
7 *States Agency for Global Media has rebuilt 5 of the*  
8 *15 antenna systems as of June 2021.*

9 *(b) SENSE OF CONGRESS.—It is the sense of Congress*  
10 *that—*

11 *(1) in the event of a crisis situation, particularly*  
12 *where information pertaining to the crisis is being*  
13 *actively censored or a false narrative is being put for-*  
14 *ward, the United States should be able to quickly in-*  
15 *crease its broadcasting capability to deliver fact-based*  
16 *information to audiences, including those in North*  
17 *Korea; and*

18 *(2) the United States International Broadcasting*  
19 *Surge Capacity Fund is already authorized under*  
20 *section 316 of the United States International Broad-*  
21 *casting Act of 1994 (22 U.S.C. 6216), and expanded*  
22 *authority to transfer unobligated balances from ex-*  
23 *pired accounts of the United States Agency for Global*  
24 *Media would enable the Agency to more nimbly re-*  
25 *spond to crises.*

1 **SEC. 5582. STATEMENT OF POLICY.**

2 *It is the policy of the United States—*

3 *(1) to provide the people of North Korea with ac-*  
4 *cess to a diverse range of fact-based information;*

5 *(2) to develop and implement novel means of*  
6 *communication and information sharing that in-*  
7 *crease opportunities for audiences in North Korea to*  
8 *safely create, access, and share digital and non-digital*  
9 *news without fear of repressive censorship, surveil-*  
10 *lance, or penalties under law; and*

11 *(3) to foster and innovate new technologies to*  
12 *counter North Korea’s state-sponsored repressive sur-*  
13 *veillance and censorship by advancing internet free-*  
14 *dom tools, technologies, and new approaches.*

9           the same unit of the Federal Security Service of the  
10          Russian Federation responsible for poisoning Mr.

12          opposition leader Alexei Navalny and activists Timur  
13          Kuashev, Ruslan Magomedragimov, and Nikita  
14          Isayev.

15          (4) On February 24, 2022, Vladimir Putin

9     *rested Mr. Kara-Murza in front of his home and de-*  
10    *denied his right to an attorney, and the next day Mr.*  
11    *Kara-Murza was sentenced to 15 days in prison for*

17    *invasion of Ukraine by the Russian Federation.*

18            (9) *Mr. Kara-Murza was then placed into pre-*  
19    *trial detention and ordered to be held until at least*

7 ***SEC. 5931. SHORT TITLE.***

8 *This subtitle may be cited as the “Daniel Anderl Judi-*  
9 *cial Security and Privacy Act of 2022”.*

10 ***SEC. 5932. FINDINGS AND PURPOSE.***

11 *(a) FINDINGS.—Congress finds the following:*

12 *(1) Members of the Federal judiciary perform the*  
13 *important function of interpreting the Constitution of*  
14 *the United States and administering justice in a fair*  
15 *and impartial manner.*

16 *(2) In recent years, partially as a result of the*  
17 *rise in the use of social media and online access to*  
18 *information, members of the Federal judiciary have*  
19 *been exposed to an increased number of personal*  
20 *threats in connection to their role. The ease of access*  
21 *to free or inexpensive sources of covered information*  
22 *has considerably lowered the effort required for mali-*  
23 *cious actors to discover where individuals live and*  
24 *where they spend leisure hours and to find informa-*  
25 *tion about their family members. Such threats have*

1 *included calling a judge a traitor with references to*  
2 *mass shootings and serial killings, a murder attempt*  
3 *on a justice of the Supreme Court of the United*  
4 *States, calling for an “angry mob” to gather outside*  
5 *a home of a judge and, in reference to a judge on the*  
6 *court of appeals of the United States, stating how*  
7 *easy it would be to “get them”.*

8 *(3) Between 2015 and 2019, threats and other*  
9 *inappropriate communications against Federal judges*  
10 *and other judiciary personnel increased from 926 in*  
11 *2015 to approximately 4,449 in 2019.*

12 *(4) Over the past decade, several members of the*  
13 *Federal judiciary have experienced acts of violence*  
14 *against themselves or a family member in connection*  
15 *to their Federal judiciary role, including the murder*  
16 *in 2005 of the family of Joan Lefkow, a judge for the*  
17 *United States District Court for the Northern District*  
18 *of Illinois.*

19 *(5) On Sunday July 19, 2020, an assailant went*  
20 *to the home of Esther Salas, a judge for the United*  
21 *States District Court for the District of New Jersey,*  
22 *impersonating a package delivery driver, opening fire*  
23 *upon arrival, and killing Daniel Anderl, the 20-year-*  
24 *old only son of Judge Salas, and seriously wounding*  
25 *Mark Anderl, her husband.*

1           (6) *In the aftermath of the recent tragedy that*  
2           *occurred to Judge Salas and in response to the con-*  
3           *tinuous rise of threats against members of the Federal*  
4           *judiciary, there is an immediate need for enhanced*  
5           *security procedures and increased availability of tools*  
6           *to protect Federal judges and their families.*

7           (b) *PURPOSE.*—*The purpose of this subtitle is to im-*  
8           *prove the safety and security of Federal judges, including*  
9           *senior, recalled, or retired Federal judges, and their imme-*  
10          *diate family members to ensure Federal judges are able to*  
11          *administer justice fairly without fear of personal reprisal*  
12          *from individuals affected by the decisions they make in the*  
13          *course of carrying out their public duties.*
